DIGEST

SB 5 Original 2022 First Extraordinary Session Hewitt

Present U.S. Constitution (14th Amendment) provides that representatives in congress shall be apportioned among the several states according to their respective numbers, counting the whole number of persons in each state. The U.S. Supreme Court has held that the population of congressional districts in the same state must be as nearly equal in population as practicable.

Proposed law redraws district boundaries for the six congressional districts, effective upon signature of the governor or lapse of time for gubernatorial action for purposes of the 2022 election.

Proposed law retains present districts until noon on January 3, 2023, at which time present law is repealed and proposed districts are effective for all other purposes.

Proposed law specifies that precincts referenced in district descriptions are those precincts identified as Voting Districts (VTDs) in the 2020 Census Redistricting TIGER/Line Shapefiles for the state of La. as validated through the data verification program of the La. legislature. Also specifies that if any such precinct has been subdivided by action of the

parish governing authority on a nongeographic basis or subdivided by action of the parish governing authority on a geographic basis in accordance with present law, the enumeration of the general precinct designation shall include all nongeographic and all geographic subdivisions thereof. Further provides that the territorial limits of the districts as enacted shall continue in effect until changed by law regardless of any subsequent change made to the precincts by the parish governing authority.

Proposed law specifies that proposed law does not reduce the term of office of any person holding any position or office on the effective date of proposed law for which the appointment or election is based upon a congressional district as composed pursuant to present law. Specifies that any position or office filled after January 3, 2023, for which the appointment or election is based on a congressional district shall be appointed or elected from a district as it is described in proposed law.

Population data in the summaries accompanying this digest are derived from 2020 Census Redistricting Data (Public Law 94-171), Summary File for Louisiana. Population data, statistical information, and maps are supplied for purposes of information and analysis and comprise no part of proposed law.

Effective for election purposes only for the regular congressional elections in 2022; effective for all other purposes at noon on January 3, 2023.

DIGEST

SB 5 Engrossed 2022 First Extraordinary Session Hewitt

Present U.S. Constitution (14th Amendment) provides that representatives in congress shall be apportioned among the several states according to their respective numbers, counting the whole number of persons in each state. The U.S. Supreme Court has held that the population of congressional districts in the same state must be as nearly equal in population as practicable.

Proposed law redraws district boundaries for the six congressional districts, effective upon signature of the governor or lapse of time for gubernatorial action for purposes of the 2022 election.

Proposed law retains present districts until noon on January 3, 2023, at which time present law is repealed and proposed districts are effective for all other purposes.

Proposed law specifies that precincts referenced in district descriptions are those precincts identified as Voting Districts (VTDs) in the 2020 Census Redistricting TIGER/Line Shapefiles for the state of La. as validated through the data verification program of the La. legislature. Also specifies that if any such precinct has been subdivided by action of the

parish governing authority on a nongeographic basis or subdivided by action of the parish governing authority on a geographic basis in accordance with present law, the enumeration of the general precinct designation shall include all nongeographic and all geographic subdivisions thereof. Further provides that the territorial limits of the districts as enacted shall continue in effect until changed by law regardless of any subsequent change made to the precincts by the parish governing authority.

Proposed law specifies that proposed law does not reduce the term of office of any person holding any position or office on the effective date of proposed law for which the appointment or election is based upon a congressional district as composed pursuant to present law. Specifies that any position or office filled after January 3, 2023, for which the appointment or election is based on a congressional district shall be appointed or elected from a district as it is described in proposed law.

Population data in the summaries accompanying this digest are derived from 2020 Census Redistricting Data (Public Law 94-171), Summary File for Louisiana. Population data, statistical information, and maps are supplied for purposes of information and analysis and comprise no part of proposed law.

Effective for election purposes only for the regular congressional elections in 2022; effective for all other purposes at noon on January 3, 2023.

III. LEGISLATION TO BE CONSIDERED

SENATE BILL NO. 16 BY SENATOR LUNEAU

Senator Luneau presented Senate Bill No. 16, which provides relative to the districts for elected members of the United States Congress. (Item #3). If SB 16 is passed it will enact R.S. 18:1276 and repeal R.S. 18:1276.1, relative to congressional districts; to provide for the redistricting of Louisiana's congressional districts; to provide with respect to positions and offices, other than congressional, which are based upon congressional districts; to provide for the effectiveness; and to provide for related matters.

The following link is for SB 16 by Senator Luneau:
https://legis.la.gov/legis/BillInfo.aspx?i=241502

Senator Tarver asked for the breakdown of minorities in the districts, to which Senator Luneau stated that he did not have that information.

Senator Hewitt expressed wanting to make the point that many have made during the redistricting road shows, which is that one third (1/3) of the state of Louisiana is minority so there should be a second black congressional district, but wanted to clarify that the Voting Rights Act states in Section B: provided that nothing in this section establishes a right to have members of a protected class elected in numbers equal to their proportion of the population. Senator Hewitt's interpretation of that law is that it does not guarantee that because you have a third of your population that a third of your district should be represented by the minority. Senator Luneau does not interpret that information the same way, but instead that the minority can be guaranteed an opportunity to elect candidates of their choice.

Senator Price offered a motion to defer to date certain Senate Bill No. 16. There being no objection, **Senate Bill No. 16 was deferred to date certain.**

SENATE BILL NO. 5 BY SENATOR HEWITT
Senator Hewitt presented Senate Bill No. 5, which provides for redistricting of Louisiana congressional districts. (Item #3). If SB 5 is passed it will enact R.S. 18:1276 and repeal R.S. 18:1276.1, relative to congressional districts; to provide for the redistricting of Louisiana's congressional districts; to provide with respect to positions and offices, other than congressional, which are based upon congressional districts; to provide for the effectiveness; and to provide for related matters.

The following link is for SB 5 by Senator Hewitt:
https://legis.la.gov/legis/BillInfo.aspx?i=241482

Senator Hewitt explained some of the redistricting principles which are to respect the established boundaries of political subdivisions, the natural geography of the state, and to keep precincts whole. In her map she was able to keep forty nine (49) of the sixty four (64) parishes whole, which is more than the current map is today. There are zero (0) split precincts, which is very difficult to do in a congressional map, where your goal is to stay as close to zero (0) as possible. In the process of redistricting, Senator Hewitt also acknowledged the principal of preserving the core of prior districts to ensure continuity of representation. She wanted to also preserve communities of interest, for instance, Louisiana's great agriculture heritage that continues to respected by maintaining a mainly rural agricultural base district, and she believes you will see that in District 5. In her opinion, this map preserves the connectivity of Louisiana's Acadiana

region. The major cities and their surrounding communities are preserved and connected to the maximum extent possible in this map.

SENATE BILL NO. 11 BY SENATOR SMITH
Senator Smith presented Senate Bill No. 11, which provides for the redistricting of Congress. (Item #3). If SB 11 is passed it will enact R.S. 18:1276 and repeal R.S. 18:1276.1, relative to congressional districts; to provide for the redistricting of Louisiana's congressional districts; to provide with respect to positions and offices, other than congressional, which are based upon congressional districts; to provide for the effectiveness; and to provide for related matters.

Senator Smith stated that the maps in SB 11 attempted to make the area more compact and to avoid districts being oddly shaped. In his opinion, this legislation puts the districts more in line with the voting demographics and the registration numbers of this state, with sixty three percent (63%) white voters and thirty one percent (31%) African-American voters, with six percent (6%) other. Once you look at the breakdown of registrations of voters, there is forty percent (40%) Democrat and percent thirty three percent (33%) Republican, and now twenty seven percent (27%) other.

Senator Tarver offered a motion to reconvene. There being no objection, the motion passed and the meeting reconvened at 1:40 pm.

SENATE BILL NO. 2 BY SENATOR FIELDS

Senator Fields expressed his desire of SB 2 to allow for a second black congressional district, in District 5, for the state of Louisiana.

Chris Kaison, American Civil Liberties Union (ACLU), provided information and data to assist Senator Fields with SB 2.

Jared Evans, representing National Association for the Advancement of Colored People (NAACP) Legal Defense Fund, provided information and data to assist Senator Fields with SB 2. Mr. Evans expressed the changes that are in SB 2 allow the opportunity for black candidates, but does not mean that individual will automatically win the election.

The following link is for SB 2 by Senator Fields:
https://legis.la.gov/legis/BillInfo.aspx?i=241479

Senator Hewitt asked Senator Fields how he came to his deviation number in SB 2, and if there is a way to get it closer to zero (0). Senator Fields has an amendment to put the legislation in its original posture to correct some of that concern, but also feels this is not a large issue to be concerned about.

Senator Hewitt asked who gets to decide what's minor or not, to which Senator Fields said you're talking about seven hundred (700) people in a Congressional district that holds over seven hundred thousand (700,000) people. Senator Hewitt said she is reflecting the law, which states that the deviation should be as close to zero (0) as practicable.

Senator Foil offered up amendment set 62. Senator Foil offered a motion to adopt the amendments. There being no objection, the amendments were adopted.

Edgar Cage, representing Together Louisiana, spoke in support of SB 2.

RE: Veto of Senate Bill 5 of the 2022 First Extraordinary Session

Dear President Cortez:

Please be advised that I have vetoed Senate Bill 5 of the First Extraordinary Session of 2022.

This bill is the Legislature's effort to conduct the mandatory reapportionment of the congressional map for the United States House of Representatives. While much work was put into the development of this map by members of the Legislature, it is clear that the primary rationale behind the creation and passage of the map was to protect incumbents and to preserve the party split in the current congressional delegation. In so doing, the Legislature disregarded the shifting demographics of the state, which unquestionably call for the addition of a second majority minority district. Specifically, the Black voting age population in the state increased by 4.4% from the 2010 census to the 2020 census, resulting in the Black voting age population making up 31.2%, almost one-third of the State's population. Instead of accounting for this increase in population, the Legislature preserved the status quo and enacted a map where Black voters in five of the six congressional districts are deprived of the opportunity to elect a candidate of their choice.

It is my firm belief that this map violates Section 2 of the Voting Rights Act of 1965 and further is not in line with the principle of fundamental fairness that should have driven this process. In choosing this map, the Legislature rejected numerous alternative maps with two majority minority districts, which happen to be one-third of the six congressional districts, that would have given more Black voters an opportunity to elect a candidate of their choice. While no electoral map is perfect, and no map is a guarantee of success for a certain candidate, these alternatives would have allowed for a fairer allocation of voting strength to a population that has been historically disadvantaged. As eloquently discussed by Senator Cleo Fields on the floor of the

Senate, only five Black members from Louisiana have been elected and seated in the United States House of Representatives since statehood. This injustice cannot continue.

This veto need not be the conclusion of the Legislature's efforts to create a map that is in compliance with Section 2 of the Voting Rights Act. There are multiple pre-filed bills for the 2022 Regular Session where the Legislature can – and should – enact a map that creates a second majority minority seat. By vetoing this bill, I am asking the Legislature to get back to work in a real effort at compromise and fairness. I remain confident that the Legislature can get this right.

Sincerely,

John Bel Edwards
Governor
