I, Robert MacDonald, declare as follows:

1. I am over the age of eighteen (18) years. I have personal knowledge of the matters contained in this declaration except where stated upon information and belief, and as to those matters, I believe them to be true. I make this declaration in support of Plaintiffs' Motion for Preliminary Injunction ("Motion").

2. I am a resident of Las Vegas, Nevada.

3. I am a duly registered Nevada voter and have voted in elections in Nevada since 2016, including voting on ballot questions.

4. I believe reforming Nevada's redistricting process is essential to improving our state. Partisan gerrymandering is detrimental to the interests of Nevadans, and Amended Initiative Petition C-02-2019 (the "Initiative") is an important step in eliminating it.

5. I would very much like to sign the Initiative. However, COVID-19 and the social distancing it requires makes that impossible for me without some accommodation.

6. Over the last several months, I have undergone treatment for cancer. It has been reported that cancer is a condition that heightens the risk of COVID-19 complications. Therefore, I have and will continue to adhere strictly to the social distancing guidance and prohibitions issued by

federal, State and local government. In particular, I intend to shelter in place and avoid interpersonal contact as much as possible for the foreseeable future.

7. Consequently, I cannot sign the Initiative if it is submitted to me in person by a circulator, whether in public or at my doorstep. Doing so would require that I undertake significant health risk and not follow the social distancing guidance and orders issued to date.

8. However, if I could sign the Initiative electronically without leaving my home, I would do so.

I declare under penalty of perjury that the foregoing is true and correct.

Dated: May 5, 2020
