I, Douglas Goodman, declare as follows:

1. I am over the age of eighteen (18) years. I have personal knowledge of the matters contained in this declaration except where stated upon information and belief, and as to those matters, I believe them to be true. I make this declaration in support of Plaintiffs' Motion for Temporary Restraining Order and Preliminary Injunction ("Motion").

2. I am a resident of Sparks, Nevada.

3. I am a duly registered Nevada voter and have voted in every election in Nevada since November 2014, including voting on ballot questions.

4. I intend to be a circulator of Amended Initiative Petition C-02-2019 (the "Initiative"). However, in the current environment I cannot conceive of how a sufficient number of signatures can be gathered to qualify the Initiative for the November ballot in the time currently allotted using the traditional method—seeking hand signatures on a personally circulated initiative petition.

5. Nevadans have been ordered to stay at home, and most government buildings are closed. Restaurants, bars and entertainments venues are closed. Many retail establishments are closed. Public events have been canceled en masse. These are all places where I would have sought to obtain signatures.

6. Consequently, the closure of these locations and the general reduction in public traffic makes it difficult to gather signatures.

7. It is also practically impossible to obtain signatures on the Initiative without breaching the six-foot social distancing limit. If that distance is breached, I risk my health as well as the health of the person whose signature I solicit. I am not comfortable with that possibility. I also believe I would subject myself to civil and criminal liability for violating the State's social distancing requirements.

8. In light of these restrictions, I cannot circulate the Initiative in the traditional manner.

9. That said, I would be more than willing to circulate the Initiative electronically and take whatever remote measures necessary to ensure the validity of the signatures affixed to the Initiative.

I declare under penalty of perjury that the foregoing is true and correct.

Dated: May 5, 2020
