Exhibit 50

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK

STATE OF NEW YORK, *et al.*, Plaintiffs, v. DONALD J. TRUMP, *in his official capacity as President of the United States*, *et al.*, Defendants.	20 Civ. 5770 **DECLARATION OF DAVID WORTMAN**

Pursuant to 28 U.S.C. § 1746(2), I, David Wortman, hereby declare as follows:

1. I am over the age of eighteen and have personal knowledge of all the facts stated herein.

2. I am the Deputy Director for the Office of Community Assistance in the Department of Commerce and Economic Opportunity at the State of Illinois. I oversee the State's administration of the Low-Income Home Energy Assistance Program ("LIHEAP"), the Illinois Home Weatherization Assistance Program ("IHWAP"), and the Community Services Block Grant ("CSBG") program. I have been employed by the State of Illinois since 2015.

3. The Office of Community Assistance uses census data to determine funding allocations for each Illinois county based on an "index of need." The "index of need" is comprised of five factors including the number of persons in poverty and, separately, elderly persons in poverty. My office also utilizes census data to evaluate production levels of sub-grantees that are providing LIHEAP, IHWAP and CSBG services to the eligible low-income population in their designated service area.

4. To the best of my knowledge, there is no other comparable or reliable data source that collects census data.

5. Any action that leads to a reduction in self-response will impair the quality and accuracy of the census data being aggregated which will directly and adversely impact the effectiveness of the LIHEAP, IHWAP and CSBG programs.

6. Underrepresentation of areas with a higher percentage of immigrants will result in disproportionate levels of funding being allocated to counties with less demographic diversity.

I declare under penalty of perjury that, to the best of my knowledge, the foregoing is true and correct.

Executed on this 31st day of July, 2020
