RE: Initiative Petition C-02-2019

Dear Messrs. Foletta and Hosmer-Henner,

We received your letter dated April 20, 2020, regarding Initiative Petition C-02-2019. On behalf of your client, Fair Maps Nevada PAC, you have requested that this office adopt a regulation or other legal guidance authorizing the circulators of an initiative petition to gather signatures remotely using software applications and/or electronic devices. Additionally, you have requested that this office extend the statutory deadline for submitting petition signatures to the county clerks for verification. Because we are unaware of any authority by which the Secretary of State can modify the requirements of NRS 295.056, 295.0575, and 293.12758, whether during a pandemic, natural disaster or otherwise, we are unable to grant your request.

Respectfully,

Barbara K. Cegavske,
Secretary of State
