Re: *Benisek v. Lamone*

Dear Mr. Medlock,

This letter serves as the response to the subpoenas served on former Governor Martin O'Malley, Jeanne Hitchcock, and Richard Stewart in connection with the *Benisek v. Lamone* litigation.

Neither Governor O'Malley nor Ms. Hitchcock was able to locate any electronic or hard copy documents responsive to the subpoena.

Mr. Stewart located several documents by searching his archived email. With one exception, these documents are being disclosed by separate pdf along with this letter. The one exception is an email sent by then-counsel to the General Assembly, Dan Friedman, to the members of the GRAC on July 7, 2011, that contains confidential attorney-client communication concerning the legal standards governing the redistricting process.

Best,

Sarah W. Rice
Assistant Attorney General
