Myrna,

The map will be public today. There still may be minor changes before the General Assembly convenes in less than two weeks. The 6th District would comprise about 40% of Montgomery County, including northern and western parts. It would include southern Frederick and the City of Frederick. The rest of Frederick would be in Van Hollen's district. All of Washington, Allegheny, and Garrett would remain in the 6th. The Dem performance would be 53%. All good news.
