2	<p>1 SEN. RUCHO: Let's come to order for a 2 few moments. Would everybody please take their 3 seats? We're going to have about a 10- or 15- 4 minute break to get some papers printed up and 5 ready to go as a part of our agenda, but what we 6 will do first is identify the Sergeant-at-Arms that 7 are here today. We've got -- for the House side, 8 we've got Reggie Sills, Marvin Lee, David Layden 9 and Terry McCraw, and then we've got our Senate 10 Sergeant-at-Arms Jim Hamilton, Ed Kesler and Hal 11 Roach. These folks help us make this meeting 12 organized and run efficiently, and we wouldn't be 13 able to do a good job without them. 14 I appreciate everybody yesterday coming 15 out and helping us accomplish our public hearing. 16 We had a lot of good thoughts and advice, and I 17 hope that you've taken some time to read the public 18 comments that came over the Internet so that we can 19 be able to talk about the subject matter on an 20 intelligent level. 21 Representative Lewis and I want to again 22 remark about the fact that the staff has done a 23 remarkable job for us in putting together 24 yesterday's public hearing and this meeting, and 25 the IT folks were miracle workers in trying to</p>	4	<p>1 SEN. 3	<p>1 coordinate six sites plus Raleigh to do a good job 2 and allow us to be able to reach out across the 3 state with this public hearing that is -- that was 4 yesterday, and it was successful, and we're 5 thrilled that they could do such a good job for us. 6 All right, the first point -- and I'm 7 going to have Mr. Verbiest, our clerk, do a roll 8 call, and would you just, as your name is 9 mentioned, please recognize it, or if we hear 10 quiet, we know you're not here. 11 CLERK: Senator Sanderson? 12 SEN. SANDERSON: Present. 13 CLERK: Senator Brown? 14 SEN. BROWN: Here. 15 CLERK: Senator Apodaca? 16 (No response.) 17 CLERK: Senator Clark? 18 SEN. CLARK: Present. 19 CLERK: Senator Harrington? 20 SEN. FARMER-BUTTERFIELD: Here. 7 CLERK: Representative Dixon? 8 (No response.) 9 CLERK: Representative Hurley? 10 REP. HURLEY: Right here. 11 CLERK: Thank you. 12 SEN. RUCHO: And I think my name was 13 omitted, so I might just mention the fact that I'm 14 here today -- 15 CLERK: Yes. Sorry. 16 SEN. RUCHO: -- despite a long day 17 yesterday. All right. 18 We've got some work to do today. We've 19 got just about 15 minutes, and may I ask you to 20 just stay at ease for about 15 minutes, and then we 21 will begin the meeting and have a full agenda 22 before us. 23 Representative Lewis, do you have any 24 other thoughts or comments you'd like to share? 25 REP. LEWIS: No.</p>	<p style="text-align: right;">8</p> <p>1 so under the circumstances, we are taking a 2 precaution, and we anticipate some reaction from 3 the Supreme Court on the motion for stay which will 4 allow the election to continue forward, and then 5 allow the court case to continue on its normal 6 course, which would be, in my judgment, a better 7 way to go, since the election has already been 8 started, and we don't want to disenfranchise the 9 voters in any manner. 10 That being said, we are going to begin 11 our agenda. Representative Lewis, would you have 12 any comments at this time? 13 REP. LEWIS: No, sir. 14 SEN. RUCHO: No? Okay. Then we're going 15 to go on to the second, which is discussion of the 16 criteria of the 2016 Contingent Congressional Maps, 17 and what these are, are criteria as to how these 18 maps should be drawn to try to meet the 19 requirements imposed by the Court and also remain 20 within the legal limits of the law. Representative 21 Lewis? 22 REP. LEWIS: Mr. Chairman, ladies and 23 gentlemen of the Joint Select Committee on 24 Congressional Redistricting and members of the 25 public, I too would like to offer a brief</p>
<p style="text-align: right;">7</p> <p>1 SEN. RUCHO: Okay. Then just at ease for 2 about 10 to 15 minutes. Thank you. 3 (DISCUSSION OFF RECORD) 4 SEN. RUCHO: Spend a few minutes taking a 5 look at that, and see from its beginning on through 6 the latest maps what has transpired. I think it 7 would be very educational. Thank you. 8 (RECESS, 10:14 - 10:23 A.M.) 9 SEN. RUCHO: All right, let's call this 10 Joint Select Committee on Redistricting back into 11 order. You have a copy of the agenda before you, 12 and there's just one correction on the agenda. On 13 the right quadrant, under Senate, it had Harry 14 Warren. It should be Senator Harry Brown, so fix 15 that. Okay. 16 Well, yesterday we had a chance to have a 17 public hearing, and I think each of you knows that 18 the General Assembly, based on the Harris case, 19 there was an opinion given by the three-judge 20 panel, and we are responding to that. We still 21 believe that the maps that are presently enacted 22 are fair, legal, and constitutional, as has been 23 validated by five different bodies, including the 24 Justice Department, including a three-judge panel, 25 including the Supreme Court on three occasions, and</p>	<p style="text-align: right;">9</p> <p>1 historical perspective on what brings us here 2 today. 3 In 2011, after the release of the Census, 4 this General Assembly set out to create fair and 5 legal Congressional districts. In doing so, the 6 2011 process included an unprecedented number of 7 public hearings, 36 scheduled before the release of 8 the maps, 7 after the release of our original 9 proposed districts, 10 dedicated to receiving 10 public comment on the release of the entire plan, 11 and an additional 10 after the release of our 12 respective proposals for the legislative districts. 13 Additionally, we provided easy public 14 access for public comment via the North Carolina 15 General Assembly Web site, and invited additional 16 written comments through both e-mail and the US 17 Postal Service. Senator Rucho and I thank the 18 thousands of citizens who exercised their right to 19 offer comments at that set of public hearings or 20 submit written comments. All of those comments 21 were reviewed by the chairs and preserved as a 22 permanent record of citizen input on this important 23 task. 24 We also took back then the unprecedented 25 step of providing the leadership of the minority</p>

<p style="text-align: right;">10</p> <p>1 parties in the House and the Senate and the 2 Legislative Black Caucus specialized computer 3 hardware and software in their respective offices, 4 along with staff support which was available to all 5 members. The 2011 General Assembly did ultimately 6 adopt redistricting plans, as I recall, largely 7 along party lines, as unfortunately, so many items 8 here are decided.</p> <p>9 For purposes of my discussion today, I 10 will refer to the 2011 plans as the enacted plans. 11 The enacted congressional redistricting plan of 12 2011 was first precleared by the United States 13 Department of Justice, as was required by Section 5 14 of the Voting Rights Act. The enacted 15 Congressional redistricting plan was then 16 challenged in state courts through what is known as 17 the Dixon versus Rucho case. The plan was affirmed 18 by a three-judge panel and by the North Carolina 19 Supreme Court.</p> <p>20 The enacted Congressional redistricting 21 plan has been used to elect members of the US House 22 of Representatives in 2012 and 2014, and has also 23 seen citizens file for election in each of the 13 24 districts this year. Further, voting has begun, 25 and we are informed by the State Board of Elections</p>	<p style="text-align: right;">12</p> <p>1 70 speakers participating. There were also more 2 than 80 comments submitted online.</p> <p>3 The chairs thank all the citizens who 4 participated yesterday. The chair reminds the 5 members that the written comments have been placed 6 on the General Assembly's Web site, and a link e- 7 mailed to each of your e-mail accounts.</p> <p>8 Mr. Chairman, at your direction, I would 9 like to submit to the committee a series of 10 proposals to establish criteria for the drawing of 11 the 2016 contingent Congressional map.</p> <p>12 SEN. RUCHO: Yes, sir, Chairman Lewis. 13 You can begin and go through the rotation as -- as 14 you planned.</p> <p>15 REP. LEWIS: Mr. Chairman, I'd like staff 16 to distribute the 2016 Congressional -- pardon 17 me -- the 2016 contingent Congressional plan 18 proposed criteria, beginning with "Equal 19 Population," to the members.</p> <p>20 SEN. RUCHO: Sergeant-at-Arms will be 21 passing this out, and we're going to take our time, 22 read it thoroughly, and then -- so Representative 23 Lewis will explain it, and then we'll debate each 24 of them as we move forward. (Pause.) 25 Has everyone received a copy of the first</p>
<p style="text-align: right;">11</p> <p>1 that more than 16,000 citizens have already 2 requested to vote by mail.</p> <p>3 Unfortunately, the enacted plan was 4 challenged again in what is known as the Harris 5 versus McCrory case. In that decision, in which we 6 respectfully disagree with the three-judge panel, 7 it was found that the 1st Congressional District 8 and the 12th Congressional District are racial 9 gerrymanders, and they ordered new maps be drawn by 10 February 19th, and that the election for US House 11 not be held under the current maps.</p> <p>12 While, as Chairman Rucho said, we are 13 confident that a stay of this decision, which 14 interrupts an election already in progress, will be 15 granted, and that the enacted map will ultimately 16 be upheld on appeal, we are required to begin the 17 process of drawing a 2016 contingent Congressional 18 map. I reiterate that while the 2011 plan was 19 dictated by the Cromartie and Strickland decisions 20 of the US Supreme Court, we will move forward to 21 establish a plan based on the Harris opinion.</p> <p>22 The process -- this process began with 23 the appointment of this joint select committee, and 24 continued yesterday with the public hearings held 25 in six locations across the state, with more than</p>	<p style="text-align: right;">13</p> <p>1 one? They're not in any order as far as priorities 2 or anything. They're just going to be set forward.</p> <p>3 VARIOUS COMMITTEE MEMBERS: No, no.</p> <p>4 SEN. RUCHO: Okay. Hang on. This first 5 one is called "Equal Population." (Pause.)</p> <p>6 All right, does everyone have a copy 7 that -- now, let's be clear. Ladies and gentlemen 8 in the audience, the members of the committee will 9 be participating within this meeting. I know we 10 have a number of members that have come here with 11 interest, and we're delighted to have them, and 12 recognize that every member that is here can submit 13 a reimbursement form, but the people that are on 14 the committee will be the ones participating in 15 today's business activity of this committee 16 meeting.</p> <p>17 All right, Representative Lewis, first 18 one.</p> <p>19 REP. LEWIS: Mr. Chairman, as I explain 20 this one, I would request that the Sergeant-at-Arms 21 go ahead and distribute the second one, which is 22 entitled "Contiguity."</p> <p>23 Mr. Chairman, the first criteria that I 24 would urge the committee to adopt is that each 25 district should be of equal population. This is</p>

14	16
<p>1 pretty self-explanatory. This is in line with one 2 person, one vote. It simply says, as members can 3 read, that the number of persons in each 4 Congressional district shall be as near equal as 5 practicable, as determined under the most recent 6 Census, which of course would be the 2010 Census. 7 Mr. Chairman, I move adoption of this criteria. 8 REP. STEVENS: Are you waiting for a 9 second? 10 SEN. RUCHO: I've got a motion from 11 Representative Lewis to move forward with this 12 adoption of this first equal -- equal population. 13 Representative Stevens, thank you. We've got a 14 second. Discussion, ladies and gentlemen? 15 (No response.) 16 SEN. RUCHO: All right, I see none. All 17 in favor of the adoption of the equal population -- 18 yes. I'll go back. We're going to go ahead and 19 we're going to do roll-call vote on this. And so 20 I'm saying we're going to have a roll call from the 21 clerk on the equal population. Please identify -- 22 or just say "Aye" or "Nay," please. Mr. Verbiest? 23 CLERK: Senator Rucho? 24 SEN. RUCHO: Aye. 25 CLERK: Chairman Lewis?</p>	<p>1 CLERK: Representative Jordan? 2 REP. JORDAN: Aye. 3 CLERK: Representative McGrady? 4 REP. MCGRADY: Aye. 5 CLERK: Representative Michaux? 6 REP. MICHAUX: No. 7 CLERK: Representative Moore? 8 REP. MOORE: Aye. 9 CLERK: Representative Stam? 10 REP. STAM: Aye. 11 CLERK: Representative Stevens? 12 REP. STEVENS: Aye. 13 CLERK: Representative Dixon? 14 (No response.) 15 SEN. RUCHO: You do have Senator Apodaca 16 is here now? 17 CLERK: Yes, I do. 18 SEN. RUCHO: Okay. 19 CLERK: Senator Apodaca? 20 SEN. APODACA: Aye. 21 CLERK: Senator Barefoot? 22 SEN. BAREFOOT: Aye. 23 CLERK: Senator Blue? 24 SEN. BLUE: Aye. 25 CLERK: Senator Brown?</p>

COTHAM: Aye. 8 CLERK: Representative Davis? 9 REP. DAVIS: Aye. 10 CLERK: Representative Farmer- 11 Butterfield? 12 REP. FARMER-BUTTERFIELD: Aye. 13 CLERK: Representative Hager? 14 REP. HARDISTER: Aye. 20 CLERK: Representative Hurley? 21 REP. HURLEY: Aye. 22 CLERK: Representative Jackson? 23 REP. JACKSON: Aye. 24 CLERK: Representative Johnson? 25 REP. JOHNSON: Aye.</p>	<p>1 SEN. SMITH-INGRAM: Aye. 24 CLERK: Senator Wade? 25 (No response.)</p>

<p style="text-align: right;">18</p> <p>1 CLERK: Senator Wells? 2 SEN. WELLS: Aye. 3 CLERK: Only one nay. 4 SEN. RUCHO: Okay. Ladies and gentlemen, 5 we had the roll vote, and there was just one 6 negative, so the first criteria establishing equal 7 population has passed. All right. Representative 8 Lewis? 9 REP. LEWIS: Thank you, Mr. Chairman. 10 Mr. Chairman, the next criteria I propose the 11 committee adopt -- adopt is "Contiguity." This 12 simply says that -- 13 REP. STEVENS: Mr. Chairman, we don't 14 have copies of it yet. 15 SEN. RUCHO: I'm sorry? Please repeat 16 that again. You don't have the second? 17 REP. STEVENS: I do not have a copy, and 18 perhaps I'm sitting a little out of the way. 19 SEN. RUCHO: Okay. Sergeant-at-Arms, 20 would someone please get the contiguity criteria? 21 REP. LEWIS: Mr. Chairman, if it pleases 22 the Chair, I would respectfully request that -- the 23 next criteria I intend to offer is "Political 24 Data." If that could be distributed to the 25 committee, perhaps to save a little time?</p>	<p style="text-align: right;">20</p> <p>1 REP. LEWIS: Senator Blue, thank you for 2 that question. Let me be clear that it does not, 3 and I would be opposed to any form of single-point 4 contiguity has been ruled as not a legal form of 5 mapmaking in the past. 6 SEN. RUCHO: Follow-up? 7 SEN. BLUE: Does it contemplate any 8 minimal distance on the water that is used to 9 determine that geographically, areas are 10 contiguous? 11 REP. LEWIS: Senator Blue, I don't 12 believe it contemplates the Atlantic Ocean, but, I 13 mean, as you know, sir, we have beautiful sounds in 14 our state that that is a community, and so the 15 water -- I can't give you an exact -- an exact 16 definition of how much water is too much water. 17 SEN. BLUE: Last point. 18 SEN. RUCHO: Follow-up? 19 SEN. BLUE: Does it contemplate the point 20 in the Cape Fear River in one of your counties 21 that's currently used as a basis for connecting 22 geographically parts of the 4th Congressional 23 District? 24 REP. LEWIS: Senator Blue, I appreciate 25 that inquiry. I would -- I would point out that</p>
<p style="text-align: right;">19</p> <p>1 SEN. RUCHO: Okay, that's fine. 2 Sergeant-at-Arms, would you please distribute the 3 third criteria, which is "Political Data"? 4 Representative Lewis, would you want staff to read 5 this, the specifics as they're presented, or do you 6 prefer to do it yourself? 7 REP. LEWIS: Mr. Chairman, are you trying 8 to imply I can't say "contiguity"? 9 (Laughter.) 10 SEN. RUCHO: That is a mouthful. I agree 11 with you. All right. We have before us -- would 12 you please read this first -- or the second, 13 "Contiguity"? 14 MS. CHURCHILL: "Contiguity: 15 Congressional districts shall be comprised of 16 contiguous territory. Contiguity by water is 17 sufficient." 18 SEN. RUCHO: Representative Lewis? 19 REP. LEWIS: Members, this is a standard 20 redistricting practice, and I would move the 21 adoption of the criteria by the committee. 22 SEN. RUCHO: All right. Senator Blue? 23 SEN. BLUE: Question of Representative 24 Lewis: Does this contemplate single-point 25 contiguity in water?</p>	<p style="text-align: right;">21</p> <p>1 there is an island there, so there is actually land 2 in the middle of the Cape Fear, that exact point 3 that you're referring to, but I would have to say 4 that I do not believe that that is the intent of 5 this. 6 SEN. RUCHO: Senator Smith, did you have 7 a question? 8 SEN. SMITH: No. 9 SEN. RUCHO: Oh, okay. Any additional 10 questions or comments on the contiguity criteria? 11 (No response.) 12 SEN. RUCHO: Seeing none, all right, Mr. 13 Verbiest, would you do roll call again? 14 CLERK: Representative Lewis? 15 REP. LEWIS: Aye. 16 CLERK: Representative Jones? 17 REP. JONES: Aye. 18 CLERK: Representative Brawley? 19 REP. BRAWLEY: Aye. 20 CLERK: Representative Cotham? 21 REP. COTHAM: Aye. 22 CLERK: Representative Davis? 23 REP. DAVIS: Aye. 24 CLERK: Representative Farmer- 25 Butterfield?</p>

RUCHO: Any against? 14 CLERK: Unanimous. 15 SEN. RUCHO: All right, members of the 16 committee, the criterion on contiguity passed 17 unanimately and was adopted unanimately. All 18 right. 19 REP. LEWIS: Mr. Chairman, I'd like to -- 20 SEN. RUCHO: Mr. Lewis, you've got 21 "Political Data" before you, and you would like the 22 next criteria sent out to the members? 23 REP. LEWIS: Mr. Chairman, if we could, 24 let's do "Political Data," and then we'll move on 25 to the next one. Let's not distribute --</p>

<p>1 CLERK: Senator Rucho? 2 SEN. RUCHO: Aye. 3 CLERK: Senator Apodaca? 4 SEN. APODACA: Aye. 5 CLERK: Senator Barefoot? 6 SEN. BAREFOOT: Aye. 7 CLERK: Senator Blue? 8 SEN. Senator 24 Randleman? I'm sorry. 25 SEN. RANDLEMAN: Aye.</p>	<p>1 SEN. RUCHO: All right. So you want to 2 just take care of that. Would -- Ms. Churchill, 3 would you read the one on political data, please? 4 MS. CHURCHILL: "Political Data: The 5 only data other than population data to be used to 6 construct Congressional districts shall be election 7 results in statewide contests since 2008, not 8 including the last two Presidential contests. Data 9 identifying the race of individuals or voters shall 10 not be used in the construction or consideration of 11 districts in the 2016 contingent Congressional 12 plan. Voting districts, referred to as VTDS, 13 should be split only when necessary to comply with 14 the zero deviation population requirements set 15 forth above in order to ensure the integrity of 16 political data." 17 SEN. RUCHO: All right. Representative 18 Lewis, that is before the committee. 19 REP. LEWIS: Mr. Chairman, I -- 20 SEN. RUCHO: Let him explain it, please. 21 REP. LEWIS: I believe it explains 22 itself. I'll be happy to yield to -- 23 SEN. RUCHO: All right. Question, 24 Senator Blue? 25 SEN. BLUE: Yeah. This might be one for</p>

<p style="text-align: right;">26</p> <p>1 the staff, Mr. Chairman. 2 SEN. RUCHO: All right. Staff? 3 SEN. BLUE: The second -- the second full 4 paragraph, can you restrict -- and I think I know 5 where you're trying to go to, but can you restrict 6 the use of race in drawing the two districts in 7 question and be in conformity with the Voting 8 Rights Act as the Court enunciated in its decision 9 several weeks ago? 10 SEN. RUCHO: Representative Lewis, do you 11 want to respond to that? 12 REP. LEWIS: Mr. Chairman, thank you. 13 Senator Blue, I appreciate that inquiry. It is my 14 understanding and reading of the opinion that race 15 is not to be a factor in drawing the districts. 16 Adoption of this criteria would mean that the ISD 17 staff of the General Assembly would be instructed 18 to establish computers, and I believe the software 19 is called Maptitude, and the staff would be 20 instructed not to include race as a field that 21 could be used to draw districts. 22 I'll go one step further and say 23 respectfully that race was not considered when the 24 General Assembly passed the 12th District of the 25 enacted plan, but the Court still questioned its</p>	<p style="text-align: right;">28</p> <p>1 what you're trying to do here, but I think it's an 2 insult to their intelligence to take this approach, 3 and I think that they will show you the ultimate 4 power of the federal judiciary that's existed since 5 1802 in Marbury versus Madison if you do this. 6 REP. LEWIS: Respectfully, sir, it would 7 never be my intent to offend or to question the 8 dignity of the office of a federal judge. If 9 anything I said hitherunto has done that, I 10 apologize; however, it is my understanding that 11 when we drew the enacted plan, we applied the 12 Cromartie and Strickland decisions as best we knew 13 how to do in drawing the 1st. We did not use race 14 when we drew the 12th. 15 The Court has found those both to be 16 racial gerrymanders. It would be my -- they also 17 found, based on my reading of the opinion -- I'm 18 certainly not spitting in their face; I'm trying to 19 read what they said -- that there's not racially 20 polarized voting. If that is indeed the case, then 21 race should not be a factor. 22 SEN. RUCHO: Smith-Ingram? 23 Representative Smith-Ingram? I'm sorry. Before I 24 do that, I -- Senator McKissick got me first. 25 Please, Senator McKissick.</p>
<p style="text-align: right;">27</p> <p>1 use. This would contemplate that that data would 2 not be available to mapmakers who make maps to 3 comply with the Harris order. 4 SEN. RUCHO: Follow-up? 5 SEN. BLUE: You're saying that 6 notwithstanding all of the jurisprudence in this 7 area, at least that I've seen over the last 25, 30 8 years, that you're going to draw minority districts 9 without taking into account whether minorities are 10 in the minority district? 11 REP. LEWIS: Senator Blue, I believe the 12 Harris opinion found that there was not racially 13 polarized voting in the state, and therefore, the 14 race of the voters should not be considered. My 15 proposal would be that we use political data only, 16 and do not use race to draw Congressional 17 districts. 18 SEN. BLUE: One last -- 19 SEN. RUCHO: Follow-up? 20 SEN. BLUE: I long for the day, just like 21 you do, Representative Lewis, when we can do that, 22 and I hope it's sooner rather than later, but I 23 don't think it's wise to spit in the eyes of three 24 federal judges who control the fate of where we're 25 going to go with redistricting, and I understand</p>	<p style="text-align: right;">29</p> <p>1 SEN. MCKISSICK: Sure. The thing that 2 I'm deeply concerned about is that the Voting 3 Rights Act and the courts have historically 4 indicated that it's appropriate to use race in 5 drawing Congressional districts, and I don't 6 understand why we would abandon it as a criteria. 7 From what I understand from reading the 8 most recent decision, Harris versus McCrory, what 9 they were concerned about was the fact that it was 10 a predominant consideration, so there was an 11 overconcentration of African-American voters 12 because majority-minority districts were created, 13 and I think that was what I understood to be the 14 finding, the creation of these majority-minority 15 districts, when historically the 1st and 12th 16 districts could elect a candidate choice without 17 being a majority-minority district. I think it 18 would be a misreading of the case to say that race 19 could not be used as a consideration. 20 REP. LEWIS: Senator McKissick, as 21 always, I appreciate your counsel. I would 22 reiterate that in drawing of the 12th, race was not 23 con- -- race was not a considered factor. In the 24 drawing of the 1st, we attempted to comply with the 25 Cromartie and Strickland cases, which we believed</p>

30

1 called for, and still believe called for the -- if
2 a district is drawn under the Voting Rights Act to
3 be a majority-minority district, that it contain a
4 majority of minorities. The Court has found that
5 racially polarized voting does not exist to the
6 extent to do that.

7 During the trial, which I know Senator
8 Blue attended -- I don't remember who-all else was
9 there -- there was various testimony offered from
10 the stand of how much minority population is
11 enough. The judges were well aware that that
12 conversation had gone on from the stand. They
13 offered no guidance into how much minority
14 population should be used; therefore, I simply say
15 we draw the maps without using minority -- without
16 using any race considerations. That way, they
17 cannot -- the federal court will be clear that in
18 the construction of districts that we did not use
19 racial consideration if it's not even a factor that
20 can be selected on the computer.

21 SEN. MCKISSICK: Follow-up, Mr. Chair?
22 SEN. RUCHO: Follow-up.
23 SEN. MCKISSICK: So how would you propose
24 that you comply with the requirements, say, of the
25 Voting Rights Act, which basically indicates that

31

1 you should create districts that allow minorities
2 to elect a candidate of choice if race is not an
3 appropriate consideration? I don't know how you
4 accomplish that objective without having it,
5 certainly not as the predominant consideration. I
6 would agree that cannot be done, and should not be
7 done, but I'm trying to understand how you do that
8 otherwise if you completely eliminate race as a
9 criteria that you look at in drafting the maps, and
10 then secondly -- and this shifts gears a little
11 bit -- why would we not want to consider the --

12 SEN. RUCHO: Which question? Is this
13 your --
14 SEN. MCKISSICK: Okay, yeah.
15 SEN. RUCHO: -- first question?
16 SEN. MCKISSICK: Yeah, first question.
17 SEN. RUCHO: Okay.
18 SEN. MCKISSICK: Go ahead, Representative
19 Lewis. Thank you, sir.
20 REP. LEWIS: Senator, I believe that my
21 earlier answer that -- and I have a great deal of
22 respect for you. I understand that you are an
23 attorney, and I am not an attorney. It's my
24 reading of the case that the Court has found that
25 there was not racially polarized voting, which is

32

1 the trigger point to draw a VRA -- VRA district.
2 Therefore, if that is not the case, then we believe
3 the enacted maps should stand as they are. If
4 we're going to redraw the maps with the Harris
5 order, which says there's not racially polarized
6 voting, then we believe that race should not be a
7 consideration in drawing the maps.

8 SEN. MCKISSICK: Follow-up, Mr. Chairman.
9 SEN. RUCHO: Follow-up.
10 SEN. MCKISSICK: Why would we not here
11 want to consider the election results of the 2008
12 and 2000 -- I guess '12 presidential elections? Is
13 there a specific reason why we want to exclude
14 those specific election results and include other
15 potential election results within that same general
16 time frame?
17 REP. LEWIS: Yes, sir.
18 SEN. MCKISSICK: Because, I mean, the
19 thing that's obvious to anybody is we had an
20 African-American running for President in those two
21 election cycles.
22 REP. LEWIS: Yes, sir, and I don't recall
23 which pages it's on, but in the Harris opinion, one
24 of the judges wrote that using the 2008
25 Obama/McCain data was really a code for trying to

33

1 use black versus white, so we simply say we
2 exclude -- we take that off the table. We can use
3 all the other ones.
4 SEN. MCKISSICK: And I would suggest that
5 we should --
6 SEN. RUCHO: Follow-up?
7 SEN. MCKISSICK: Yes. Thank you, Mr.
8 Chair. I would suggest that there's nothing
9 improper in considering those particular races
10 within a greater context of all races that we might
11 have used as benchmarks for consideration for the
12 performance of districts or how they might vote,
13 but I think to eliminate those specifically would
14 be an inappropriate criteria.
15 I would have to go back to the decisions.
16 I think things can be used as code in combination
17 with other actions that are taken, like drawing
18 minority -- majority-minority districts, but yet
19 saying race is not a factor, and it was done for
20 political reasons. I think within the greater
21 context, perhaps the Court might have viewed it
22 that way, but if you identify this discretely as
23 being one parameter among many, I don't think that
24 that would be inappropriate to consider.
25 I find it fine -- you know, I don't think

34

1 we need to go in there and split these precincts.
2 I think splitting the precincts would probably be a
3 code word for understanding that you could
4 segregate voters out based upon race as well, so I
5 mean, I have no problems not -- not going in there
6 and splitting out these precincts, and I think
7 keeping the voter tabulation districts as whole as
8 possible is a good component, but I would be
9 opposed to the elimination of consideration of the
10 2008 and 2012 presidential data as well as other --
11 any other racial data that would be provided in the
12 normal data packages that for many, many years have
13 always been used by this General Assembly in
14 drawing these Congressional districts. Thank you,
15 sir.
16 REP. LEWIS: Mr. Chairman, respectfully,
17 I --
18 SEN. RUCHO: Yes, sir?
19 REP. LEWIS: -- believe that was a
20 statement, to which I'll just respond I
21 respectfully disagree with the gentleman from
22 Durham.
23 SEN. RUCHO: All right. Thank you.
24 Senator Smith-Ingram?
25 SEN. SMITH-INGRAM: Thank you, Mr. Chair.

35

1 In regards to the proposed criteria as it relates
2 to the voting districts and the split, one of the
3 concerns that resonated across the state, as shown
4 in the hearings, and as we talked to constituents,
5 particularly in the finger counties in
6 Congressional District 1, there is some concern
7 about precincts being split, and a lot of voter
8 confusion because of split counties and split
9 precincts. Do you think the language in the last
10 sentence goes far enough to help us alleviate that
11 problem, and not have that issue as we move toward
12 drawing new maps?
13 REP. LEWIS: Senator, I thank you for
14 that question. I would say that, as I've
15 maintained all along, I believe that voters are
16 sophisticated enough that split political districts
17 do not cause confusion, but to the extent that we
18 can not split them, we shouldn't, so I do think
19 this sentence goes far enough in saying the only
20 reason you would want to split a VTD, or a voting
21 district, is to help with the zero population
22 requirement that this committee has already
23 adopted.
24 SEN. SMITH-INGRAM: Follow-up.
25 SEN. RUCHO: Follow-up.

36

1 SEN. SMITH-INGRAM: So I can assume from
2 what you are saying that the only reason we had
3 split counties and split precincts in the previous
4 plan is because we were trying to meet the mandate
5 of the zero deviation?
6 REP. LEWIS: No, ma'am, that's not at all
7 what I said. What this says is that -- what this
8 says is in drawing the map, this contingent plan
9 that we are -- that we are talking about is that
10 the VTDs should be split only when necessary to
11 comply with the zero deviation requirements. I was
12 not at all speaking about the enacted map, in which
13 I'm certain that some precincts and voting
14 districts were split for political purposes.
15 SEN. SMITH-INGRAM: Last follow-up, Mr.
16 Chair.
17 SEN. RUCHO: Last follow-up.
18 SEN. SMITH-INGRAM: Just a statement. I
19 understand that our voters across the state are
20 very sophisticated; however, there was a lot of
21 confusion created with the split counties and the
22 split precincts, and so I just -- as we're moving
23 forward, we need to be careful that they are not
24 disenfranchised by that confusion. Thank you,
25 Representative Lewis.

37

1 SEN. RUCHO: Thank you. I've got
2 Representative Stam.
3 REP. STAM: Yes. I like this criteria.
4 It's very principled, and it's principles that I've
5 heard, for example, the Senate Minority Leader
6 state publicly many times. Let's not -- let's not
7 consider race anymore. We're past that.
8 SEN. RUCHO: Okay. Representative
9 Michaux?
10 REP. MICHAUX: Mr. Chairman, I'm having a
11 problem not identifying race, and if I recall, Mr.
12 Lewis -- and I'm reading from the opinion. It says
13 here that "This does not mean that race can never
14 play a role in redistricting. Legislatures are
15 almost always cognizant of race when drawing
16 district lines, and simply being aware of race
17 poses no Constitutional violation."
18 What they're saying to you is that you
19 still can use race in the matter, but you cannot
20 make it the predominant factor. That's the way I
21 read it, and I think that this --
22 SEN. RUCHO: Representative Lewis?
23 REP. LEWIS: Representative Michaux,
24 thank you for that. My response to that would be
25 that not being aware of race means that you

38

1 couldn't have been motivated by race.
2 REP. MICHAUX: May I follow up?
3 SEN. RUCHO: Follow-up, Representative
4 Michaux?
5 REP. MICHAUX: What did you say just now?
6 REP. LEWIS: Sir, I believe you read from
7 the opinion, which I don't have before me, that --
8 in which the judges said being aware of race does
9 not necessarily mean that race was a predominant
10 factor, but it doesn't require it. And if that's
11 not what you read, understand that you have the
12 opinion in front of you, and I don't.
13 REP. MICHAUX: What they're saying is it
14 cannot be a predominant factor, Mr. Lewis, but you
15 can use race.
16 SEN. RUCHO: Representative Michaux, I
17 think what Senator -- Representative Lewis is
18 saying is you can use race, but it doesn't require
19 you to use race.
20 REP. MICHAUX: It says you can use race,
21 but it must not be the predominant factor.
22 REP. LEWIS: Mr. Chairman, I would say
23 "can use" does not say "must use." Therefore, I
24 would move the adoption of this criteria.
25 SEN. RUCHO: Representative Hager,

39

1 please?
2 REP. HAGER: Thank you, Mr. Chairman.
3 Representative Lewis, I want to commend you on
4 the -- when you said only when necessary when you
5 split districts and precincts. I come from a
6 district and precinct prior to these maps. My
7 precinct was split, and we worked it out, like I
8 said, and I appreciate what you said about the
9 sophistication of the voters. It was there, but
10 this criteria does help that situation, and prior
11 to these maps, we see -- we saw that with the
12 previous maps in Rutherford County, so thank you
13 very much.
14 SEN. RUCHO: I'm sorry. I've got Senator
15 Blue. Excuse me.
16 SEN. BLUE: Just a comment, since the
17 motion to adopt it has been made. Mr. Chairman, I
18 agree totally with Representative Stam. As I told
19 Representative Lewis, there are places in this
20 state where considering race in redrawing districts
21 is inappropriate under the Voting Rights Act, under
22 the 14th Amendment. There are places in this state
23 where the Voting Rights Act requires that race be
24 considered to some degree to ensure that, based on
25 history, that minorities can elect people of their

40

1 choice.
2 We know that this three-judge panel has
3 the power of its own to draw districts, and we can
4 play these games with them. I thought that as a
5 body from the standpoint of letting the
6 Legislature, the reason that we ordered -- or at
7 least required that the Court, if reversing these
8 districts, sent it back to the Legislature to have
9 an opportunity or a shot at fixing it is because it
10 was felt that the Legislature could fix it, but I
11 can assure you that if you go about doing this,
12 then those three gentlemen are going to draw
13 districts for you.
14 Maybe that's what you want, and if that's
15 what you want, I will vote with you on this
16 amendment, but I think that you -- that it's
17 transparent the game that you're trying to play.
18 Some of us do strongly believe that we should move
19 away from using race in making any decision in
20 American life, but we also believe that you comply
21 with the law until we get to that point, and I
22 think that you're aware of the fact, just as I am,
23 that if you take this blind approach, you're in
24 direct violation of Section 2 of the Voting Rights
25 Act. And so I'm just -- I just say that to you.

41

1 I'm going to vote against this proposal.
2 You'll probably withdraw it, given the debate, but
3 I'm going to vote against it because I think that
4 it's showing disrespect for the law as it exists
5 and disrespect for this three-judge federal
6 district court.
7 REP. LEWIS: Well, Senator --
8 SEN. RUCHO: Representative Lewis?
9 REP. LEWIS: Thank you, Mr. Chairman.
10 I'm going to reiterate my earlier comments to you,
11 sir, that in no way has anything that I have said
12 had the intent, and I hope not the effect, of
13 causing any offense to any member of the federal
14 judiciary. I would reiterate the only way to make
15 sure that race is not the predominant factor is to
16 make sure it's not a factor when the maps are being
17 considered.
18 This Court -- I'll go one step further.
19 With the utmost respect to the Court, this Court
20 was shown that race was not a factor that was
21 considered in drawing of the 12th, but they still
22 found that it was a factor. This is -- this way we
23 make sure that in fact, it is not.
24 SEN. RUCHO: Members of the committee?
25 Senator McKissick?

42	44
<p>1 SEN. MCKISSICK: Representative Lewis, 2 are you aware of any racially polarized voting 3 studies which have been conducted since the 2010 4 Census occurred? 5 REP. LEWIS: Senator McKissick, 6 respectfully, I would direct you to the 7 redistricting tab of the General Assembly Web site. 8 I believe there are some studies that are listed 9 there. Certainly there are numerous studies that 10 are referenced in the various lawsuits. I know the 11 General Assembly did commission a study on racially 12 polarized voting. I do not believe the Harris 13 court admitted or considered it. 14 SEN. MCKISSICK: Follow-up, Mr. Chair. 15 SEN. RUCHO: Follow-up. 16 SEN. MCKISSICK: Is it not possible to go 17 back and find that data, which is reasonably 18 current, since it was done since 2010, to examine 19 the racially polarized voting patterns throughout 20 the state, because different parts of the state are 21 different? Our urban areas have different 22 characteristics, and there's more coalition 23 politics. Other parts of our state, racially 24 polarized voting patterns are present, and continue 25 to exist.</p>	<p>1 REP. MCGRADY: Second. 2 SEN. RUCHO: Second, Representative 3 McGrady. Any additional discussion? 4 (No response.) 5 SEN. RUCHO: All right. Seeing none, we 6 can -- Mr. Clerk, would you begin the roll call? 7 CLERK: Lewis? 8 REP. LEWIS: Aye. 9 CLERK: Jones? 10 REP. JONES: Aye. 11 CLERK: Brawley? 12 REP. BRAWLEY: Aye. 13 CLERK: Cotham? 14 REP. COTHAM: No. 15 CLERK: Davis? 16 REP. DAVIS: Aye. 17 CLERK: Farmer-Butterfield? 18 REP. FARMER-BUTTERFIELD: No. 19 CLERK: Hager? 20 REP. HAGER: Aye. 21 CLERK: Hanes? 22 REP. HANES: No. 23 CLERK: Hardister? 24 REP. HARDISTER: Aye. 25 CLERK: Hurley?</p>
43	45
<p>1 I would suggest that we go back and look 2 at those studies, analyze them, and use those 3 studies as part of the database that would be used 4 to move forward in drawing these districts. Any 5 reason why we cannot do that? 6 REP. LEWIS: Respectfully, sir, I may -- 7 I may agree with you, but the Court does not. 8 SEN. MCKISSICK: And I'd have to 9 respectfully disagree on that. 10 REP. LEWIS: Noted. 11 SEN. RUCHO: Senator Clark? 12 SEN. CLARK: Thank you, Mr. Chairman. 13 With regard to the language on the voting districts 14 in here, would it not be more appropriate to 15 separate that and have it stand alone as its own 16 criteria? I don't understand the rationale for 17 including it in the criteria about political data. 18 REP. LEWIS: Senator, I appreciate that 19 question. Frankly, we could have had an additional 20 criteria. I prefer just to let it stay as it is. 21 SEN. RUCHO: Excuse me. Representative 22 Lewis, do you make the motion to adopt the 23 political data criteria? 24 REP. LEWIS: I do, Mr. Chairman. 25 SEN. RUCHO: All right.</p>	<p>1 REP. HURLEY: Aye. 2 CLERK: Jackson? 3 REP. JACKSON: No. 4 CLERK: Johnson? 5 REP. JOHNSON: Aye. 6 CLERK: Jordan? 7 REP. JORDAN: Aye. 8 CLERK: McGrady? 9 REP. MCGRADY: Aye. 10 CLERK: Michaux? 11 REP. MICHAUX: No. 12 CLERK: Moore? 13 REP. MOORE: No. 14 CLERK: Stam? 15 REP. STAM: Aye. 16 CLERK: Stevens? 17 REP. STEVENS: Aye. 18 CLERK: Rucho? 19 SEN. RUCHO: Aye. 20 CLERK: Apodaca? 21 SEN. APODACA: Aye. 22 CLERK: Barefoot? 23 SEN. BAREFOOT: Aye. 24 CLERK: Blue? 25 SEN. BLUE: No.</p>

46	48
<p>1 CLERK: Brown? 2 SEN. BROWN: Aye. 3 CLERK: Clark? 4 SEN. CLARK: No. 5 CLERK: Harrington? 6 SEN. HARRINGTON: Aye. 7 CLERK: Hise? 8 SEN. HISE: Aye. 9 CLERK: Jackson? 10 SEN. JACKSON: Aye. 11 CLERK: Lee? 12 SEN. LEE: Aye. 13 CLERK: McKissick? 14 SEN. MCKISSICK: No. 15 CLERK: Randleman? 16 SEN. RANDLEMAN: Aye. 17 CLERK: Sanderson? 18 SEN. SANDERSON: Aye. 19 CLERK: Smith? 20 SEN. SMITH: No. 21 CLERK: Smith-Ingram? 22 SEN. SMITH-INGRAM: Nay. 23 CLERK: Wells? 24 SEN. WELLS: Aye. 25 SEN. RUCHO: What have we got?</p>	<p>1 drawing of the maps, I would propose that to the 2 extent possible, the map drawers create a map which 3 is perhaps likely to elect 10 Republicans and 3 4 Democrats. I acknowledge freely that this would be 5 a political gerrymander, which is not against the 6 law. 7 SEN. RUCHO: All right. Members of the 8 committee, any questions? Senator Blue? 9 SEN. BLUE: Just one, Mr. Chairman, and 10 this is a point of order since you've got my friend 11 the rules committee chairman up there. What are 12 the rules under which this committee is operating, 13 House or Senate? If it's the Senate -- and if it's 14 neither, where do they come from, but if it's the 15 Senate, aren't ayes and nays prohibited in 16 committee votes? 17 SEN. APODACA: The chairs agreed we'd 18 operate under the House rules, and I can tell you I 19 wasn't here for that, but they did. 20 (Laughter.) 21 SEN. RUCHO: All right. Senator Blue? 22 SEN. BLUE: One follow-up. 23 SEN. RUCHO: Let me have your attention. 24 SEN. BLUE: Since I'm not familiar with 25 the House rules anymore, there is a permitted</p>
47	49
<p>1 CLERK: Nine nays. Nine nays. (Pause.) 2 There's 11. 11 out of 34. 3 SEN. RUCHO: 11 out of 34 nays. Okay. 4 The result of that is 23 ayes, 11 nos, and two were 5 not present. Okay. Representative Lewis? 6 REP. LEWIS: Mr. Chairman, I would ask -- 7 with your permission, I've asked the Sergeants-at- 8 Arms to distribute the criteria labeled "Partisan 9 Advantage." If you could direct the staff to read 10 that, I'd be happy to speak on it. 11 SEN. RUCHO: Ms. Churchill, would you 12 read the one on partisan advantage? 13 MS. CHURCHILL: "Partisan Advantage: The 14 partisan makeup of the Congressional delegation 15 under the enacted plan is 10 Republicans and 3 16 Democrats. The committee shall make reasonable 17 efforts to construct districts in the 2016 18 contingent Congressional plan to maintain the 19 current partisan makeup of North Carolina's 20 Congressional delegation." 21 SEN. RUCHO: Representative Lewis, 22 explain. 23 REP. LEWIS: Mr. Chairman, the 24 explanation of this is reasonably simple. As we 25 are allowed to consider political data in the</p>	<p>1 abstention in the ayes and nos under the House 2 rules; is there not? 3 SEN. APODACA: Mr. Chairman? 4 SEN. RUCHO: Representative Stam, if you 5 can respond to that question? 6 REP. STAM: I could. There is no such 7 rule under House rules now or when Senator Blue was 8 the Speaker of the House. 9 SEN. RUCHO: Senator Blue, did you get 10 your answer? 11 SEN. BLUE: I got an answer. 12 (Laughter.) 13 SEN. RUCHO: Good. Thank you. Okay. 14 Members of the committee, let's pay close attention 15 to this. Senator McKissick? 16 SEN. MCKISSICK: In looking at this 17 particular criteria, I mean, certainly partisan 18 advantage is a legitimate consideration, but I 19 don't know why, based upon the number of Democratic 20 registered voters, Republican registered voters and 21 unaffiliated voters in this state we would want to 22 ever sit and ingrain as a criteria for 23 redistricting that we would only allow one party 3 24 seats in Congress, and the other one, 10 in 25 Congress, when not very long ago, before 2010, we</p>

<p style="text-align: right;">50</p> <p>1 had 7 Democrats and 5 Republicans, so I'm trying to 2 understand why you feel this would be fair, 3 reasonable, and balanced in terms of voter 4 registrations in this state as it is currently 5 divided. 6 REP. LEWIS: Thank you for your question, 7 Senator. I propose that we draw the maps to give a 8 partisan advantage to 10 Republicans and 3 9 Democrats because I do not believe it's possible to 10 draw a map with 11 Republicans and 2 Democrats. 11 (Laughter.) 12 SEN. MCKISSICK: Follow-up, if I could. 13 SEN. RUCHO: Follow-up. 14 SEN. MCKISSICK: Were you aware of the 15 fact that in the 2012 election cycle, if you total 16 the total number of votes received by Democrats 17 running for Congress versus the total number of 18 votes cast for Republicans running for Congress, 19 that Democratic candidates had a higher number of 20 total votes, but ended up with fewer seats? Were 21 you aware of that factor in drawing up this 22 criteria? 23 REP. LEWIS: I am aware, Senator -- first 24 of all, thank you for your question. I am aware 25 that there are numerous examples, especially</p>	<p style="text-align: right;">52</p> <p>1 Come up with something different. It 2 could be 5 Democratic seats, and there's no reason 3 why that couldn't be accomplished. It could be 6 4 Democratic seats and still give the Republicans an 5 edge, but to say you're going to marginalize with 6 only 3 seats as a criteria, let the voters decide. 7 REP. LEWIS: Well, sir, I definitely -- I 8 thank you for that comment. Certainly we look 9 forward to receiving -- what I'm asking this 10 committee to adopt is the maps that this -- that 11 the chairs will present to this committee absent a 12 stay arriving from the Court. Certainly the 13 members of this committee that don't feel this 14 balance is appropriate can certainly offer their 15 own maps for consideration. 16 SEN. RUCHO: Representative Lewis, in the 17 case Senator McKissick brought forth, if you see 18 some districts that tend to have a larger voter 19 turnout than others, that could easily explain what 20 Senator McKissick described. Am I not correct? 21 REP. LEWIS: Yes, sir. I think that's a 22 constant variable in this. If you have an area 23 that has a lot of contested races, those areas tend 24 to produce more folks to the polls. If you have -- 25 you know, we don't want to get into the Electoral</p>
<p style="text-align: right;">51</p> <p>1 through the 2000s, when the majority of seats went 2 to a party that had the fewer votes. We elect our 3 representatives based on a system of drawing 4 districts and the people in those districts being 5 able to vote. We do not elect at large. I know 6 you're very much aware of that, and we will -- this 7 will maintain that system. 8 SEN. MCKISSICK: Last follow-up, Mr. 9 Chairman. 10 SEN. RUCHO: Follow-up. Last follow-up. 11 SEN. MCKISSICK: I would simply say this: 12 If we were looking at a fair and reasonable 13 division as a criteria moving forward, it wouldn't 14 necessarily have to be an even division. It 15 could -- obviously, since majority -- Republicans 16 are a majority now, give Republicans a slight edge, 17 but to come up with such an imbalance in a split I 18 think is highly inappropriate. It's unfair. It 19 does not recognize the way votes have been cast in 20 this state as recently as 2012. It doesn't 21 recognize the division of registered voters in this 22 state between Democrats, Republicans, and 23 Independents, and it's really a matter of political 24 gerrymandering in the worst sense in which we can 25 do so.</p>	<p style="text-align: right;">53</p> <p>1 College, but I can remember this debate's been 2 going on since 2000 because of the use -- you know, 3 there are times -- do you maximize or, for lack of 4 a more polite term, do you pump up or boost up 5 votes in certain areas to try and create the larger 6 cumulative total, or do you file, run, and win in 7 the districts in which you live? Our system has 8 historically been the latter. 9 SEN. RUCHO: I have a follow-up there. 10 Senator McKissick, go ahead. 11 SEN. MCKISSICK: Yeah. Simply this: I 12 think what voters want are more competitive 13 districts, more competitive districts where they 14 have a clear choice between a Democrat, a 15 Republican, and perhaps an unaffiliated candidate 16 that's running, but not ones that are gerrymandered 17 to give one party or the other just a clear 18 partisan advantage. More competitive districts, I 19 support completely, but that means drawing the maps 20 in a way where you're not from the outset 21 establishing criteria that gives one party an 22 unfair advantage. 23 SEN. RUCHO: Representative Lewis? 24 REP. LEWIS: Mr. Chairman, the only thing 25 that I could add is that we want to make clear that</p>

<p style="text-align: right;">54</p> <p>1 we to the extent are going to use political data in 2 drawing this map, it is to gain partisan advantage 3 on the map. I want that criteria to be clearly 4 stated and understood. I have the utmost respect 5 for those that do not agree with this particular 6 balance. 7 I will say -- and the gentleman from 8 Durham did not say this, but I will say that during 9 the public comment yesterday, more than one speaker 10 referred to, "Can't we just draw them where there's 11 5 this way or 6 that way?" That is partisan 12 gerrymandering if you're drawing 5 and 7 or 6 13 and -- whatever it is. I'm making clear that our 14 intent is to use -- is to use the political data we 15 have to our partisan advantage. 16 SEN. RUCHO: Representative Michaux? 17 REP. MICHAUX: Yeah. Mr. Chairman, you 18 know if we were where you are today and we came up 19 with this idea, you-all would be jumping all over 20 the place, trying to dissuade us from that. First 21 you want to -- you really want to dissuade race 22 from being put in here. Now you want to make sure 23 that you keep your 10 to 3 advantage, the same 24 situation that got you in trouble before, and now 25 you're going to -- what you're telling us is, "We</p>	<p style="text-align: right;">56</p> <p>1 For example, near a military base, they have much 2 fewer voters than the population -- in other words, 3 it's a bogus statistic, so I don't use it anymore. 4 SEN. RUCHO: Thank you. I've got 5 Representative Hager. 6 REP. HAGER: Thank you, Mr. Chairman. 7 You know I haven't been here long, but I guess in 8 the House, I've become one of the more senior 9 members with my colleagues that came in in 2011, 10 but, you know, I got to thinking -- and I have the 11 utmost respect for Senator McKissick and 12 Representative Michaux, but, you know, if I beat my 13 dog every day for 4 or 5 years and then I quit 14 doing it and I told David to quit beating his dog, 15 you'd consider me a little bit hypocritical, 16 wouldn't you, David? 17 If you look at that map on the wall and 18 look at the 1992 map and look at District 10 and 19 District 1, District 10 is my district now. Look 20 at where we've come with District 10 since then. I 21 mean, it's just -- it's amazing to me that we can 22 argue that we shouldn't -- that the folks that have 23 been here for a long time can argue that we 24 shouldn't gerrymander these on political reasons, 25 and they're some of the same people that developed</p>
<p style="text-align: right;">55</p> <p>1 want you to do this, and you vote for it, and this 2 is the way it's going to be," period, end of 3 report. 4 SEN. RUCHO: Okay. There was no 5 question, I don't think, so -- unless you want to 6 respond to his comment. 7 REP. LEWIS: No. 8 SEN. RUCHO: Okay. I've got 9 Representative Stam first. 10 REP. STAM: Yes. I'd like to share a 11 statistic that I haven't used in about 10 years, 12 but I'll tell you why. During the last 13 redistricting by the other party in 2004, I did 14 jump up and down because I saw what was coming. In 15 the election of 2004 for the House -- write these 16 statistics down -- 52 percent of the voters chose 17 the Republican candidate, 44 percent, the 18 Democratic candidate, and 4 percent, Libertarian. 19 Well, that should be a landslide for Republicans, 20 but it ended up that we were in the minority, 57 to 21 63. 22 The reason I stopped using those type of 23 statistics is I realized that it can be totally 24 skewed by whoever happens to not have a candidate 25 opposing that person. That shows a huge advantage.</p>	<p style="text-align: right;">57</p> <p>1 that map of District 1 and District 10 in 1992. 2 SEN. RUCHO: Thank you. Any additional 3 questions? Senator Smith-Ingram? 4 SEN. SMITH-INGRAM: Thank you, Mr. Chair. 5 Can you be specific as to what constitutes partisan 6 advantage? Do we have to tie it to a number? 7 REP. LEWIS: No, ma'am, but I will -- 8 first of all, thank you for the question. To 9 perhaps expound on it a bit, this would -- this 10 would contemplate looking at the political data, 11 which was an earlier criteria adopted by this 12 committee, and as you draw the lines, if you're 13 trying to give a partisan advantage, you would want 14 to draw the lines so that more of the whole VTDS 15 voted for the Republican on the ballot than they 16 did the Democrat, if that answers your question. 17 SEN. SMITH-INGRAM: I think that -- 18 SEN. RUCHO: Follow-up? 19 SEN. SMITH-INGRAM: Thank you. Follow- 20 up. It answers about 50 percent of my question. 21 If I could ask you another one, maybe a different 22 way? You threw out some numbers. Would there not 23 be partisan advantage with 8/5? 24 REP. LEWIS: Thank you for that question, 25 Senator. I would point out that indeed, you could</p>

58

1 use political numbers to draw a partisan -- to draw
2 districts in which 8 Republicans would win or 5
3 Democrats. I'm saying to the extent that you can,
4 make it 10/3.
5 SEN. SMITH-INGRAM: Last follow-up.
6 SEN. RUCHO: Last follow-up.
7 SEN. SMITH-INGRAM: Just a statement. I
8 am concerned that we are trying to mimic the
9 outcome of the previous election that never existed
10 for a very long time in North Carolina until this
11 district was redrawn in 2011. The challenge here
12 is we are balancing where we are with where we have
13 been historically, but at the end of the day, we
14 are elected to come together, to work together, to
15 serve the constituents and citizens of North
16 Carolina. This is one of the concerns resonated
17 yesterday, and many of us have it here. We are
18 drawing these lines so that we get to pick our
19 voters as opposed to them choosing us. It is
20 unfair. It should not be perpetuated in this
21 process, and I will not be supporting it.
22 SEN. RUCHO: Thank you. Representative
23 Jones?
24 REP. JONES: Thank you, Mr. Chair. I
25 appreciate it. I want to say how much I have

59

1 enjoyed this discussion about -- about
2 gerrymandering. You know, that's a word that seems
3 to me, as someone who has lived in North Carolina
4 for all my life and has really kind of studied the
5 political process particularly over the last few
6 decades, a word that was never really used until
7 somehow the Republicans came to a majority in 2010.
8 Just as we're taking this little trip
9 down memory lane for just a moment, I -- I remember
10 things like multi-member districts in North
11 Carolina when we were drawing the legislature. I
12 thought what an extreme opportunity that was to
13 gerrymander.
14 I saw it happen in my own area where, you
15 know, we couldn't do single-member districts. We
16 couldn't even do double-member districts.
17 Sometimes it had to be three- or four-member
18 districts in order for the political party in
19 charge at the time, which was the Democratic Party,
20 to gain a political advantage, so Representative
21 Lewis, I appreciate your honesty as you come
22 forward today, and we -- and we explain that
23 political gerrymandering I guess is what it is, but
24 I just find it very interesting to hear some of the
25 comments coming from some of the avenues that we're

60

1 hearing them come from today. We never heard those
2 comments for decades and decades and decades in
3 North Carolina, whether it was the media, whether
4 it was the majority party, whomever, and so I guess
5 the process is what it is.
6 I'm glad that we have had some court
7 decisions that have led to what I think is a lot
8 less gerrymandering than what we had in prior
9 decades, where we -- now we do have single-member
10 districts. Now we do have where we don't just
11 split counties in any possible way, and we have the
12 pod system and things like that, so I really take
13 offense when I hear those that say that somehow the
14 political gerrymandering of today is greater than
15 somehow it was in prior years, when anybody that
16 goes back and studies the history knows that that's
17 simply not the case.
18 That's my comment, and I will ask I guess
19 a question for you, Representative Lewis. Is it
20 possible that people might choose to vote for a
21 candidate that is of a different political party
22 than what their political affiliation is?
23 REP. LEWIS: Well, thank you for that
24 question, Representative Jones. Of course it is.
25 I mean, we all offer ourselves, and the voters in

61

1 our districts decide that we best represent what we
2 believe the direction of the government should be
3 and that's how they cast their votes, so certainly
4 a person is free to vote ever how they choose to
5 vote.
6 REP. JONES: Well, that's what I think,
7 and I think regardless how you draw these
8 districts -- you know, I come from an area where I
9 can remember a time where voting for the Democratic
10 party was extremely -- extremely high, and that
11 time has changed, and those votes have changed. A
12 lot of people that I can tell don't necessarily
13 vote for the same party that they're registered,
14 and so I -- you know, I think we ought to respect
15 the voters as individuals, and whether they're
16 registered Democrat, Republican, Libertarian,
17 unaffiliated, whatever, recognize that they do have
18 an opportunity to vote for any candidate that is on
19 the ballot before them. I appreciate your answer,
20 and I appreciate your honesty and integrity and
21 going forward with the process.
22 SEN. RUCHO: Thank you, Representative
23 Jones. Senator Clark?
24 SEN. CLARK: Thank you, Mr. Chairman.
25 I'm having difficulty understanding why I should

<p style="text-align: right;">62</p> <p>1 agree to vote for maps to bake in partisan 2 advantage that was achieved through the use of 3 unconstitutional maps. Could you explain that to 4 me? 5 REP. LEWIS: Well, to be clear, sir, 6 we -- we are proposing that the maps that are drawn 7 now under this criteria which we have passed a 8 plank of, and continue to move forward, one of the 9 goals in drawing the map will be to preserve the 10 10/3. With all due respect, I've listened to this, 11 and we can of course continue to discuss this as 12 long as the committee wants to. It's always sort 13 of amazed me that if the map elects one side, the 14 other side considers -- considers it a gerrymander, 15 and something bad. If it elects their side, they 16 consider it a work of art, and good government, so 17 this is saying that one of the goals will be to 18 elect -- to speak directly to your point, the goal 19 is to elect 10 Republicans and 3 Democrats. 20 SEN. RUCHO: Thank you. Representative 21 Lewis, there was a comment earlier about the 22 districts, the 13 districts that exist, 10 23 presently Republican, and 3 Democrat, and under the 24 circumstances, could you explain a little bit about 25 the makeup of the Republican districts and who</p>	<p style="text-align: right;">64</p> <p>1 competitive. I pointed out before that in the race 2 for attorney general that Attorney General Cooper 3 won nearly all of these. We can go back through 4 this 2011 debate if we'd like to, but I would again 5 maintain that you've got to put forward a good 6 candidate that appeals to the majority of folks, 7 and that the majority of folks in these districts 8 in the enacted plan are not registered Republicans. 9 In fact, to the best of my knowledge, in all but 10 perhaps one, we are the minority in all of the 11 districts. 12 SEN. RUCHO: Thank you. Okay, 13 Representative Jackson? 14 REP. JACKSON: Thank you, Mr. Chairman. 15 Senator Clark took one of my points that I was 16 going to make, but part of my uneasiness with this 17 is that it refers to the current Congressional 18 plan. I think you could make reference just saying 19 that you want to do it to a partisan advantage and 20 maximize Republican members, and I could agree with 21 that, I guess, but you have that opportunity. 22 I would point out that your maps 23 originally had a 9/4 split, and that any reference 24 to 10/3 is not what your maps were; your maps were 25 a 9/4 split. What you've done is taken out the</p>
<p style="text-align: right;">63</p> <p>1 they're composed of, and what is necessary for that 2 Republican to win an election? 3 REP. LEWIS: Thank you for the question, 4 Mr. Chairman. First of all, it would be necessary 5 to go back and review the stat packs and whatnot 6 from the 2011 districts, which are online if 7 anybody would like to do that, but to the best of 8 my knowledge, Republicans hold no majority as far 9 as voter registration in any of those districts. 10 It's also -- well, and it is firmly my 11 belief that it's the responsibility of each of the 12 political parties to nominate quality candidates 13 who can appeal to the entire political spectrum. 14 It was pointed out yesterday during the public 15 hearing that the unaffiliated ranks in our state 16 continue to grow. If you don't get them -- if you 17 don't get a large percentage of the unaffiliated 18 vote in most of our districts, you're not going to 19 win, and so I would say that you are required to 20 have a good-quality candidate that appeals to the 21 political expectations of the majority of the folks 22 in that district. 23 I can go back, and we can go through some 24 of the points. I do still -- I actually maintain 25 that the districts that we have now are largely</p>	<p style="text-align: right;">65</p> <p>1 2012 election, but that's not my question. 2 My question is, are we going to rank 3 these criteria in any order, because you've used 4 words in this criteria like "reasonable efforts." 5 Well, if -- are the -- how will the mapmakers know 6 what a reasonable effort is? In trying to come up 7 with 10 Republican districts, will they be able to 8 make a reasonable effort that means they can now 9 consider race? Will they be able to make a 10 reasonable effort that means that now they can 11 consider the 2008, 2012 elections? Will they be 12 able to split precincts as part of making a 13 reasonable effort to make a 10/3 split? 14 REP. LEWIS: Representative Jackson, 15 thank you for that series of questions. The answer 16 to your question, the first part was -- I'm sorry. 17 Mr. Chairman, I'm sorry. 18 SEN. RUCHO: Go ahead, please. 19 REP. JACKSON: Will there be any type of 20 ranking of these criteria anywhere? 21 REP. LEWIS: No. No is the answer. 22 That's why these criteria are being presented 23 individually and discussed and debated 24 individually. Map -- drawing maps is largely a 25 balancing act. We are trying to specify certain</p>

66	68
<p>1 things that you cannot use. You asked about race. 2 You cannot use that, and I apologize; I don't 3 remember what else you asked about, Representative 4 Jackson. 5 REP. JACKSON: Follow-up, Mr. Chairman? 6 SEN. RUCHO: Follow-up. 7 REP. JACKSON: Okay. So it would be your 8 contention, then, that making reasonable efforts 9 would not include violating any of the other 10 criteria that we have passed? 11 REP. LEWIS: Absolutely. Mr. Chairman? 12 SEN. RUCHO: Yes? 13 REP. LEWIS: If there aren't further 14 questions, I move adoption of the 2016 contingent 15 Congressional plan proposed criteria labeled 16 "Partisan Advantage." 17 SEN. RUCHO: All right. 18 REP. JONES: Second. 19 SEN. RUCHO: Representative Jones has 20 seconded. All right, members of the committee, 21 there has been considerable discussion, and if 22 there's any additional thoughts, this is your 23 opportunity. 24 (No response.) 25 SEN. RUCHO: Seeing none, Mr. Clerk,</p>	<p>1 CLERK: Jordan? 2 REP. JORDAN: Aye. 3 CLERK: McGrady? 4 REP. MCGRADY: Aye. 5 CLERK: Michaux? 6 REP. MICHAUX: No. 7 CLERK: Moore? 8 REP. MOORE: No. 9 CLERK: Stam? 10 REP. STAM: Aye. 11 CLERK: Stevens? 12 REP. STEVENS: Aye. 13 CLERK: Rucho? 14 SEN. RUCHO: Aye. 15 CLERK: Apodaca? 16 SEN. APODACA: Aye. 17 CLERK: Barefoot? 18 SEN. BAREFOOT: Aye. 19 CLERK: Blue? 20 SEN. BLUE: No. 21 CLERK: Brown? 22 SEN. BROWN: Aye. 23 CLERK: Clark? 24 SEN. CLARK: No. 25 CLERK: Harrington?</p>
67	69
<p>1 please go through the roll. 2 CLERK: Lewis? 3 REP. LEWIS: Aye. 4 CLERK: Jones? 5 REP. JONES: Aye. 6 CLERK: Brawley? 7 REP. BRAWLEY: Aye. 8 CLERK: Cotham? 9 REP. COTHAM: No. 10 CLERK: Davis? 11 REP. DAVIS: Aye. 12 CLERK: Farmer-Butterfield? 13 REP. FARMER-BUTTERFIELD: No. 14 CLERK: Hager? 15 REP. HAGER: Aye. 16 CLERK: Hanes? 17 REP. HANES: No. 18 CLERK: Hardister? 19 REP. HARDISTER: Aye. 20 CLERK: Hurley? 21 REP. HURLEY: Aye. 22 CLERK: Jackson? 23 REP. JACKSON: No. 24 CLERK: Johnson? 25 REP. JOHNSON: Aye.</p>	<p>1 SEN. HARRINGTON: Aye. 2 CLERK: Hise? 3 SEN. HISE: Aye. 4 CLERK: Jackson? 5 SEN. JACKSON: Aye. 6 CLERK: Lee? 7 SEN. LEE: Aye. 8 CLERK: McKissick? 9 SEN. MCKISSICK: No. 10 CLERK: Randleman? 11 SEN. RANDLEMAN: Aye. 12 CLERK: Sanderson? 13 SEN. SANDERSON: Aye. 14 CLERK: Smith? 15 SEN. SMITH: No. 16 CLERK: Smith-Ingram? 17 SEN. SMITH-INGRAM: No. 18 CLERK: Wells? 19 SEN. WELLS: Aye. 20 CLERK: 23-11. 21 SEN. RUCHO: All right, members of the 22 committee, roll call on the "Partisan Advantage" 23 criteria was ayes, 23, nos, 11. 24 We'll be going on to the next one, and 25 that is -- okay, got it. This is the 12th</p>

<p style="text-align: right;">70</p> <p>1 District. Would you, Ms. Churchill, read out --</p> <p>2 read this criteria, please?</p> <p>3 MS. CHURCHILL: "12th District: The</p> <p>4 current General Assembly inherited the</p> <p>5 configuration of the 12th District from past</p> <p>6 General Assemblies. This configuration was</p> <p>7 retained because of the -- because the district had</p> <p>8 already been heavily litigated over the past two</p> <p>9 decades, and ultimately approved by the courts.</p> <p>10 The Harris court has criticized the shape of the</p> <p>11 12th District, citing its serpentine nature. In</p> <p>12 light of this, the committee shall construct</p> <p>13 districts in the 2015 contingent Congressional plan</p> <p>14 that eliminate the current configuration of the</p> <p>15 12th District."</p> <p>16 SEN. RUCHO: And, Representative Lewis,</p> <p>17 would you explain the criteria under the "12th</p> <p>18 District" heading?</p> <p>19 REP. LEWIS: Thank you, Mr. Chairman.</p> <p>20 This largely goes -- I'll try to use my friend from</p> <p>21 Wake, Representative Jackson's, words. As these</p> <p>22 criteria stand on their own and have to be</p> <p>23 considered together, what this is saying is that</p> <p>24 the mapmakers will make an effort to draw the 12th</p> <p>25 Congressional District in a shape that the judges</p>	<p style="text-align: right;">72</p> <p>1 good idea.</p> <p>2 SEN. RUCHO: Members of the -- oh, I'm</p> <p>3 sorry. Go ahead, Chairman Lewis.</p> <p>4 REP. LEWIS: Mr. Chairman, I just -- I</p> <p>5 just wanted to thank Senator Blue for his words.</p> <p>6 I'm glad that after two decades of drawing maps,</p> <p>7 we've found something we can agree on.</p> <p>8 SEN. RUCHO: All right, members of the</p> <p>9 committee. Senator McKissick?</p> <p>10 SEN. MCKISSICK: While I appreciate the</p> <p>11 fact that the 12th District has an unusual shaped</p> <p>12 appearance, I'm also aware of the fact that it's</p> <p>13 gone up before the Supreme Court previously, and</p> <p>14 when I think of the fact that one of the things we</p> <p>15 have to consider is communities of interest, and</p> <p>16 communities of interest is certainly something</p> <p>17 that's a very valid consideration in drawing</p> <p>18 Congressional districts, and I've heard it stated</p> <p>19 on numerous occasions that communities of interest</p> <p>20 test here is met and satisfied with the shape being</p> <p>21 what it is today.</p> <p>22 Now, while it may appear a bit</p> <p>23 serpentine, a little bit unusual, I think it's</p> <p>24 possible to reconfigure the district, perhaps to</p> <p>25 make it somewhat more compact, but it links</p>
<p style="text-align: right;">71</p> <p>1 would not consider serpentine.</p> <p>2 SEN. RUCHO: Does that conclude your</p> <p>3 explanation?</p> <p>4 REP. LEWIS: Yes, sir.</p> <p>5 SEN. RUCHO: Okay. Members of the</p> <p>6 committee.</p> <p>7 SEN. BLUE: Mr. Chairman?</p> <p>8 SEN. RUCHO: Senator Blue?</p> <p>9 SEN. BLUE: I want to commend</p> <p>10 Representative Lewis. I agree that the 12th</p> <p>11 District ought to be contiguous, it ought to be</p> <p>12 compact, as all of the other districts in the</p> <p>13 state, and I think a good starting point for</p> <p>14 drawing constitutional maps would be to start with</p> <p>15 the 12th District and make it compact, and let it</p> <p>16 impact the other districts.</p> <p>17 I think differently about the 1st,</p> <p>18 because I think that the law requires it. I have</p> <p>19 no particular love for the shape of any of these</p> <p>20 strange districts, but if you're serious about</p> <p>21 creating a district that's compact, that's</p> <p>22 contiguous, and that covers as few counties as</p> <p>23 possible by not unreasonably splitting county</p> <p>24 lines, by not splitting county lines except where</p> <p>25 necessary to comply with population, I think it's a</p>	<p style="text-align: right;">73</p> <p>1 together significant cores of the urban parts of</p> <p>2 our state along the main street of the state, which</p> <p>3 is now Interstate 85. Interstate 85 is the main</p> <p>4 corridor.</p> <p>5 Those urban areas are linked from</p> <p>6 Charlotte going through Greensboro and back up into</p> <p>7 the Piedmont area of our state, so I would not want</p> <p>8 to abandon it. I'd want to perhaps reconfigure it,</p> <p>9 but keeping in mind the communities of interest</p> <p>10 that it ties together, major urban cores with</p> <p>11 populations that have similar interests and</p> <p>12 concerns, along with major banking centers.</p> <p>13 One of the -- I've heard before that that</p> <p>14 particular district had more banking headquarters</p> <p>15 than any Congressional district in our country, and</p> <p>16 I rely upon that based upon the sources of that</p> <p>17 data, so I would not abandon it; I would simply try</p> <p>18 to reconfigure it, perhaps make it more compact,</p> <p>19 but to respect the communities of interest that it</p> <p>20 does unify.</p> <p>21 SEN. RUCHO: Thank you. Any additional</p> <p>22 questions? Well, let me first say, Representative</p> <p>23 Lewis, do you want to make a comment to that?</p> <p>24 REP. LEWIS: (Shakes head.)</p> <p>25 SEN. RUCHO: Representative Hanes?</p>

74	76
<p>1 REP. HANES: Thank you, Mr. Chairman. I 2 think both the senators have -- have excellent 3 points. I agree especially with Senator Blue and 4 his statements with regard to what we need to be 5 looking at as a whole as we consider what these 6 districts look like. Certainly when it comes to 7 Democrats -- and I know we're trying to avoid the 8 word "race" here, but when it comes to folks who 9 look like me, we want our voices heard everywhere, 10 and so in that regard, part of the way we do that 11 is to put our communities together within our 12 counties. I think while we certainly don't have to 13 abandon what the 12th is right now, certainly we 14 need to be looking at very strongly doing what 15 Senator Blue suggests, and so I will be supporting 16 it. Thank you. 17 SEN. RUCHO: Thank you. Members of the 18 committee, any additional questions or comments? 19 (No response.) 20 SEN. RUCHO: Representative Lewis, do you 21 have a motion? 22 REP. LEWIS: Mr. Chairman, I move that 23 the 2016 contingent Congressional plan proposed 24 criteria labeled "12th District" be adopted. 25 SEN. APODACA: Second.</p>	<p>1 CLERK: Hurley? 2 REP. HURLEY: Aye. 3 CLERK: Jackson? 4 REP. JACKSON: Yes. 5 CLERK: Johnson? 6 REP. JOHNSON: Aye. 7 CLERK: Jordan? 8 REP. JORDAN: Aye. 9 CLERK: McGrady? 10 REP. MCGRADY: Aye. 11 CLERK: Michaux? 12 REP. MICHAX: Aye. 13 CLERK: Moore? 14 REP. MOORE: Aye. 15 CLERK: Stam? 16 REP. STAM: Aye. 17 CLERK: Stevens? 18 REP. STEVENS: Aye. 19 CLERK: Rucho? 20 SEN. RUCHO: Aye. 21 CLERK: Apodaca? 22 SEN. APODACA: Aye. 23 CLERK: Barefoot? 24 SEN. BAREFOOT: Aye. 25 CLERK: Blue?</p>

<p>1 SEN. RUCHO: Second by Senator Apodaca. 2 Members of the committee, you have this motion 3 before you. Any questions or comments prior to a 4 roll call vote? 5 (No response.) 6 SEN. RUCHO: Seeing none, Mr. Clerk, 7 would you go through the roll call, please? 8 CLERK: Lewis? 9 REP. LEWIS: Aye. 10 CLERK: Jones? 11 REP. JONES: Aye. 12 CLERK: Brawley? 13 REP. BRAWLEY: Aye. 14 CLERK: Cotham? 15 REP. COTHAM: Yes. 16 CLERK: Davis? 17 REP. DAVIS: Aye. 18 CLERK: Farmer-Butterfield? 19 REP. FARMER-BUTTERFIELD: Yes. 20 CLERK: Hager? 21 REP. HAGER: Aye. 22 CLERK: Hanes? 23 REP. HANES: Yes. 24 CLERK: Hardister? 25 REP. HARDISTER: Aye.</p>	<p>1 SEN. BLUE: Aye. 2 CLERK: Brown? 3 SEN. BROWN: Aye. 4 CLERK: Clark? 5 SEN. CLARK: Aye. 6 CLERK: Harrington? 7 SEN. HARRINGTON: Aye. 8 CLERK: Hise? 9 SEN. HISE: Aye. 10 CLERK: Jackson? 11 SEN. JACKSON: Aye. 12 CLERK: Lee? 13 SEN. LEE: Aye. 14 CLERK: McKissick? 15 SEN. MCKISSICK: No. 16 CLERK: Randleman? 17 SEN. RANDLEMAN: Aye. 18 CLERK: Sanderson? 19 SEN. SANDERSON: Aye. 20 CLERK: Smith? 21 SEN. SMITH: Aye. 22 CLERK: Smith-Ingram? 23 SEN. SMITH-INGRAM: Aye. 24 CLERK: Wells? 25 SEN. WELLS: Aye.</p>

<p style="text-align: right;">78</p> <p>1 CLERK: One no. 2 SEN. RUCHO: So 33 aye and 1 no, correct? 3 CLERK: Yes. 4 SEN. RUCHO: Members of the committee, 5 the roll call vote on that, the criteria for the 6 12th District adoption, is 33 aye and 1 no. All 7 right. 8 Before we go on to the next criteria, 9 I'll make a statement to the committee that under 10 the House rules, there is a way of amending or 11 submitting an amendment forward. If you'll contact 12 Ms. Churchill on this, she will assist you in doing 13 so if you desire. 14 All right, that being said, 15 Representative Lewis, before us is -- 16 REP. LEWIS: "Compactness." 17 SEN. RUCHO: -- "Compactness." All 18 right. Please, Ms. Churchill, would you read that? 19 MS. CHURCHILL: "Compactness: In light 20 of the Harris court's criticism of the compactness 21 of the 1st and 12th Districts, the committee shall 22 make reasonable efforts to construct districts in 23 the 2016 contingent Congressional plan that improve 24 the compactness of the current districts and keep 25 more counties and VTDS whole as compared to the</p>	<p style="text-align: right;">80</p> <p>1 Mecklenburg. There's only 1 in Wake, I believe. 2 There's only 1 in Wake, and so 2 counties. There 3 may be 2 in Guilford. Is there any other county 4 with more than 1 incumbent? 5 REP. LEWIS: Senator Blue, thank you for 6 that question, and candidly, I don't believe so, 7 but I don't know that, either. 8 SEN. RUCHO: Follow-up? 9 SEN. BLUE: So if the only place that you 10 would worry about splitting the county to protect 11 the incumbency would be Mecklenburg County based on 12 the current layout -- I know that there are some of 13 us counties that are split 3 and 4 different ways, 14 but I know in Wake County, there's only 1 resident 15 Congressperson, although we have 4 districts here, 16 and I think that the same is true of every other 17 county except Mecklenburg, with the exception of 18 Guilford. There may be 2 from Guilford. I'm not 19 sure, but nevertheless, why should we split 20 counties if you don't have to, to protect the 21 incumbents? Why shouldn't we leave counties whole 22 all over the state except where you have to split 23 them because of population? 24 SEN. RUCHO: Representative Lewis? 25 REP. LEWIS: Thank you for that question,</p>
<p style="text-align: right;">79</p> <p>1 current enacted plan. Division of counties shall 2 only be made for reasons of equalizing population, 3 consideration of incumbency, and political impact. 4 Reasonable effort shall be made not to divide a 5 county into more than two districts." 6 SEN. RUCHO: Representative Lewis, would 7 you please explain the "Compactness" criteria? 8 REP. LEWIS: Thank you, Mr. Chairman. To 9 be clear, the -- trying to explain compactness is 10 very difficult, as I don't know that there is a 11 hard-and-fast definition that I can offer to the 12 committee. The way that I will interpret it is 13 again trying to keep as many counties whole as 14 possible, to split as few precincts as possible, 15 and again, only to -- and to only do that to 16 equalize population. 17 I would -- I would point out, again going 18 back to my friend, Representative Jackson's 19 question, these criteria kind of layer on each 20 other, and so I would -- I would urge the committee 21 to adopt the guideline on compactness. 22 SEN. RUCHO: Senator Blue? 23 SEN. BLUE: Thank you. Representative 24 Lewis, other than in 3 counties, are there multiple 25 incumbents? I know that there's more than 1 in</p>	<p style="text-align: right;">81</p> <p>1 Senator Blue. My response would simply be that 2 considering where incumbents live, and for lack of 3 a better way to say it, the protection of 4 incumbents has always been an accepted political 5 practice in drawing maps. This does not require us 6 to do that. This simply says that that could be 7 one of the reasons that a county would be split. 8 The most important part of this is trying 9 to establish that we won't split counties more than 10 2 times, and we've already passed a criteria that 11 this reiterates, that the biggest reason a county 12 should be split is only to equalize the population 13 between the districts. 14 SEN. BLUE: Follow-up. 15 SEN. RUCHO: Follow-up. 16 SEN. BLUE: And I agree with that, but 17 I'm saying under the current scenario -- and in 18 fact, I think Mecklenburg is the only county that 19 has two Congresspeople, so you could split 20 Mecklenburg anyhow because you've got to split it 21 because it's got over 750,000, or whatever the 22 number is, people. You've got to split Wake; 23 you've got to split Mecklenburg. The others could 24 be made whole except for population purposes, so 25 why would you adopt criteria saying that you're not</p>

82

1 going to split counties except to protect
2 incumbents when you don't have any incumbents to
3 protect, and you ultimately say that you will split
4 them for political impact, which means that you can
5 indiscriminately split counties however you want to
6 anyhow if you determine what the political impact
7 is? Why would you say that, and why would you put
8 that provision in there?
9 SEN. RUCHO: Representative --
10 SEN. BLUE: And that being said, would
11 you be willing to --
12 SEN. RUCHO: One question. Let him
13 answer this one first, please.
14 SEN. BLUE: It's part of the same
15 question. That being said, would you be willing to
16 strike after the comma and the word "population" on
17 the third from the bottom line the phrases
18 "consideration of incumbency" and "political
19 impact" so that there's a clear signal that you're
20 not going to split counties since you don't have to
21 split them to protect incumbents, so that you're
22 not going to split counties except where you have
23 to, to get to the one person, one vote requirement?
24 SEN. RUCHO: Representative Lewis, why
25 don't you answer his first question first? He

83

1 asked too many questions.
2 REP. LEWIS: Senator Blue, thank you for
3 that series of inquiries. I do apologize because I
4 don't remember exactly what you asked.
5 SEN. BLUE: Do you need me to reask it?
6 REP. LEWIS: Let me just say that it is
7 my intent to split as few counties as we possibly
8 can, and to not allow the counties to be divided
9 more than two times. Our overarching goal of this,
10 as Representative Jackson and I have had some
11 continued conversation, all of these criteria kind
12 of overlap on each other.
13 I would agree with you that equalizing
14 population is a mandatory reason that a county may
15 have to be split. I would also say that it would
16 be dishonest of me to say that political impact
17 can't be considered in how you draw districts.
18 I don't see any harm in leaving the words
19 "consideration of incumbency" because there's no
20 requirement that the districts be drawn to include
21 the current seated members. It just allows for
22 the -- the consideration that they are -- that they
23 are in fact there.
24 SEN. BLUE: One last follow-up.
25 SEN. RUCHO: Last follow-up.

84

1 SEN. BLUE: If there is no incumbency,
2 then incumbents won't be considered in splitting
3 districts, and that can't be the reason for
4 splitting it. I'm simply saying that when you say
5 "political impact," you take away everything else
6 you put in that phrase, and if we believe in
7 keeping counties whole to the extent possible,
8 especially small counties, if we believe in that,
9 then all we've got to do is say we're only going to
10 split counties to equalize population, and I'm
11 wondering why it's so critical that you say
12 "political impact," since that phrase is loaded
13 with all kinds of subjective determinations, with
14 the ability to totally disregard this earlier
15 portion saying that you're not going to split
16 counties, or you're only going to split counties to
17 put them into two districts, because you don't say
18 you won't split them; you say you'll make
19 reasonable efforts not to. I'm saying why don't we
20 have an absolute prohibition on splitting counties
21 except when it's necessary to comply with one
22 person, one vote?
23 REP. LEWIS: Thank you for that question,
24 Senator Blue. My response to that would be that we
25 will look forward to reviewing maps that you may

85

1 submit that follow that criteria. I feel very
2 comfortable that we've made clear through this
3 process of what our -- what our intents are, and I
4 would prefer that this criteria remain as it's
5 written.
6 SEN. RUCHO: Thank you. Representative
7 Jones?
8 REP. JONES: Thank you, Mr. Chairman. I
9 just wanted to clarify the record that there are
10 two Congressmen that live in Guilford County, Mark
11 Walker of the 6th District, and Alma Adams of the
12 12th District.
13 SEN. RUCHO: Okay. I've got -- I've got
14 Senator Smith.
15 SEN. SMITH: Thank you, Mr. Chairman. I
16 certainly appreciate the idea of compactness. I
17 very much want to see precincts and counties left
18 whole. I would respectfully tell you that in 2011,
19 there was a district drawn where an incumbent was
20 drawn out. It was the district that I lived in,
21 and so the 7th Congressional District drew -- was
22 changed to the 8th Congressional District, and the
23 Congressman McIntyre, who was the incumbent, was
24 drawn out essentially of his own district, and my
25 concern is what Senator Blue has said. The idea of

86

1 compactness is great, but when we leave in this
2 other phrase about incumbency, we have taken away
3 the other reason, the only reason that really
4 should be the case, and that is population.
5 REP. LEWIS: Senator, I appreciate that.
6 Again, I would state that equalizing population is
7 definitely the required reason that a county may
8 have to be split. This simply allows for
9 consideration of incumbency and consideration of
10 political impact. I don't -- I don't see that that
11 would interfere with us being able to use
12 compactness in drawing the maps.
13 SEN. SMITH: Follow-up, Mr. Chair?
14 SEN. RUCHO: Follow-up.
15 SEN. SMITH: I just would point out that
16 population was not the case in 2011, and my concern
17 is that if we agree to this and keep this as
18 incumbency and political impact, that that will end
19 up trumping population, and splitting counties and
20 precincts.
21 SEN. RUCHO: Thank you. Representative
22 Lewis, do you want to comment?
23 REP. LEWIS: No.
24 SEN. RUCHO: You're all set? Just a
25 quick -- is it -- a question for the Chair,

87

1 Representative Lewis: Is it a requirement for a
2 Congressional candidate to live in the district
3 they're running in?
4 REP. LEWIS: No. A candidate for
5 Congress is not required to reside in the district
6 in which they run.
7 SEN. RUCHO: Okay, thank you. I've got
8 Representative Hager.
9 REP. HAGER: Thank you, Mr. Chairman, and
10 thank you, Representative Lewis, for -- for this
11 particularly, because as I said earlier, Rutherford
12 County, prior to the Rucho-Lewis maps that we're
13 under today, split Rutherford County between the
14 10th and the 11th. Now, I find it -- and I have a
15 question for you. I find it very ironic that that
16 split for the 11th included -- came down Main
17 Street in Rutherfordton to include Walter Dalton's
18 house, so the question I have for you is we won't
19 split districts depending on who we think may run
20 for that Congressional district; would that be
21 correct?
22 REP. LEWIS: Yes, sir, that's correct.
23 SEN. RUCHO: Okay. All right. I've got
24 Senator McKissick.
25 SEN. MCKISSICK: Let me ask you this,

88

1 Representative Lewis: The way this is drafted now,
2 what I'm seeing is a statement of an aspirational
3 goal, but not a strict requirement. Is that
4 correct, or is that a misreading? It's one thing
5 to aspire to accomplish these things, which I
6 support. It's another thing if you make it a
7 litmus test, so can you clarify that?
8 REP. LEWIS: Thank you for that question,
9 Senator McKissick. Let me say that this is an
10 aspirational goal.
11 SEN. MCKISSICK: In which case, I embrace
12 it.
13 SEN. RUCHO: Okay. From the Chair,
14 Senator McKissick [sic], a question that
15 Representative Jackson asked earlier, and when you
16 talk about the criteria, is it accurate to say that
17 all of them are weighted at the same level, and
18 it's a matter of harmonizing to try to get to a map
19 that meets those criteria?
20 (No response.)
21 SEN. RUCHO: David?
22 REP. LEWIS: I'm sorry, Mr. Chairman.
23 SEN. RUCHO: Oh, I'm sorry. From the
24 Chair, a question for you.
25 REP. LEWIS: Yes, sir?

89

1 SEN. RUCHO: Based on what Representative
2 Jackson asked earlier, all of these criteria listed
3 that's being submitted and voted upon, is it fair
4 to say that the criteria established are not ranked
5 as far as priorities, but are a matter of
6 harmonizing until you can get a map that meets
7 those criteria?
8 REP. LEWIS: That's correct, sir. We are
9 seeking aspirational harmony.
10 (Laughter.)
11 SEN. RUCHO: Okay. Do you have a motion?
12 REP. LEWIS: Mr. Chairman, I would move
13 that the 2016 contingent Congressional plan
14 proposed criteria labeled "Compactness" be adopted
15 by the committee.
16 SEN. RUCHO: All right. I've got --
17 Representative Davis has seconded that motion.
18 Members of the committee, any questions, comments
19 prior to a roll call vote? Representative Farmer-
20 Butterfield?
21 REP. FARMER-BUTTERFIELD: Thank you. I
22 want to ask about the hearings yesterday and how
23 much impact they had on the criteria, if any, based
24 on what you're presenting today.
25 SEN. RUCHO: Representative Lewis?

90	92
<p>1 REP. LEWIS: Thank you for that -- thank 2 you for that inquiry, Representative. I will tell 3 you that many things that stand out in my mind are 4 do away with the 12th, keep counties whole, all of 5 which we've addressed in this, so I would say that 6 they had a great deal of impact on the criteria 7 that you have before you. 8 SEN. RUCHO: All set? Okay. Yes, 9 Representative Stevens? 10 REP. STEVENS: Thank you, Mr. Chair, and 11 I just wanted to commend Representative Lewis and 12 perhaps answer some of the things that some of the 13 people are talking about, and I'd like to read -- I 14 guess it's about one and a half paragraphs of one 15 of the most recent redistricting cases in March of 16 2015. 17 It says, "Now consider the nature of 18 those offsetting 'traditional race-neutral 19 districting principles.' We have listed several, 20 including 'compactness, contiguity, respect for 21 political subdivisions or communities defined by 22 actual shared interests,' incumbency protection, 23 and political affiliation," those things that we've 24 done. 25 The next paragraph says, "But we have not</p>	<p>1 CLERK: Brawley? 2 REP. BRAWLEY: Aye. 3 CLERK: Cotham? 4 REP. COTHAM: No. 5 CLERK: Davis? 6 REP. DAVIS: Aye. 7 CLERK: Farmer-Butterfield? 8 REP. FARMER-BUTTERFIELD: No. 9 CLERK: Hager? 10 REP. HAGER: Aye. 11 CLERK: Hanes? 12 REP. HANES: Yes. 13 CLERK: Hardister? 14 REP. HARDISTER: Aye. 15 CLERK: Hurley? 16 REP. HURLEY: Aye. 17 CLERK: Jackson? 18 REP. JACKSON: No. 19 CLERK: Johnson? 20 REP. 91	93
<p>1 listed equal population objectives. And there is a 2 reason for that omission. The reason that equal 3 population objectives do not appear on this list of 4 'traditional' criteria is that equal population 5 objectives play a major -- different role in a 6 State's redistricting process. That role is not a 7 minor one. Indeed, in light of the Constitution's 8 demands, that role may often prove 'predominant' in 9 the ordinary sense of that word," because the equal 10 population, it goes on to talk about in the voting 11 rights districts we really have to take a different 12 focus on that, so I commend you for all of the 13 criteria you've set forward. It seems to comply 14 with the most recent case law. 15 SEN. RUCHO: Representative Lewis? 16 REP. LEWIS: Yes, sir, Mr. Chairman? 17 SEN. RUCHO: All set? We've got a motion 18 before us that we approve of the criteria that was 19 listed and debated on the compactness. We've had a 20 second from Representative Davis. Mr. Clerk, would 21 you call the roll? 22 CLERK: Lewis? 23 REP. LEWIS: Aye. 24 CLERK: Jones? 25 REP. JONES: Aye.</p>	<p>1 REP. MICHAUX: No. 2 CLERK: Moore? 3 REP. MOORE: Yes. 4 CLERK: Stam? 5 REP. We have the ayes, 27, the 17 noes, 7. That was adopted. Okay, everyone, pay 18 close attention here. We have before us another 19 criteria entitled "Incumbency." Ms. Churchill? 20 MS. CHURCHILL: "Incumbency: Candidates 21 for Congress are not required by law to reside in a 22 district they seek to represent; however, 23 reasonable efforts shall be made to ensure that 24 incumbent members of Congress are not paired with 25 another incumbent in one of the new districts</p>	<p>1 REP. <p>1 constructed in the 2016 contingent Congressional 2 plan." 3 REP. LEWIS: Mr. Chairman, I'd call this 4 the Senator Smith criteria, and I'd move its 5 adoption. 6 SEN. RUCHO: All right. That was the 7 explanation? 8 REP. LEWIS: Well, this is also 9 aspirational, and attempting to harmonize the other 10 criteria. 11 SEN. RUCHO: All right. Members of the 12 committee, any questions or comments on the 13 criteria before you dealing with incumbency? 14 (No response.) 15 SEN. RUCHO: Seeing none, Representative 16 Lewis has a motion that we -- that we approve -- 17 adopt the incumbency criteria. Representative 18 Brawley seconded. We have before us -- any 19 additional thoughts or questions? 20 (No response.) 21 SEN. RUCHO: If not, we'll take a roll. 22 Mr. Clerk? 23 CLERK: Lewis? 24 REP. LEWIS: Aye. 25 CLERK: Jones?</p>	<p>1 CLERK: Michaux? 2 REP. MICHAUX: Aye. 3 CLERK: Moore? 4 REP. MOORE: Aye. 5 CLERK: Stam? 6 REP. STAM: Aye. 7 CLERK: Stevens? 8 REP. <p>1 SEN. JACKSON: Aye. 2 CLERK: Lee? 3 SEN. LEE: Aye. 4 CLERK: McKissick? 5 SEN. MCKISSICK: Aye. 6 CLERK: Randleman? 7 SEN. RANDLEMAN: Aye. 8 CLERK: Sanderson? 9 SEN. MICHAUX: Mr. Chairman? 18 SEN. RUCHO: One second. Let me call the 19 vote, please. We had aye, 31, no, 1. That 20 criteria for incumbency has been adopted. All 21 right. Question, Senator -- Representative 22 McKissick -- I mean, excuse me -- sorry. Mr. 23 Michaux, did you have a question? 24 REP. MICHAUX: No. 25 SEN. RUCHO: Okay. I thought I heard</p>	<p>1 amendments, so a couple of minutes to break. 2 (RECESS, 12:04 - 12:22 P.M.) 3 SEN. RUCHO: All right, members of the 4 committee, I think you have on each of your desks a 5 copy of an amendment submitted by Representative 6 Paul Stam, "Amendment to Political Data Criteria 7 #3." Representative Stam? 8 REP. STAM: Yes. It's just sort of 9 technical. I kept reading that thing, and the way 10 it read, you could read it that you couldn't 11 consider data from the 2008 election, since it said 12 "since 2008," so this makes clear that yes, you can 13 consider 2008 and things forward. 14 SEN. RUCHO: All right. You've explained 15 it. Is that a motion you're making? 16 REP. STAM: I move the amendment. 17 SEN. RUCHO: Representative Lewis? 18 REP. LEWIS: Mr. Chairman, if I could, to 19 the maker of the amendment, Representative Stam, 20 would the gentleman consider striking "#3" to make 21 clear that these are in no particular order? In 22 other words, it would say, "Amendment to Political 23 Data Criteria." 24 REP. STAM: Oh, sure. Well, it would 25 be -- yes, yes, I do. Whether it's spelled</p>
99	101
<p>1 something from over there. 2 REP. LEWIS: Thank you, Mr. Chairman, 3 members. 4 SEN. RUCHO: Okay, let me see. All 5 right. We -- I mentioned earlier that -- 6 amendments being submitted. Are there any 7 amendments that are going to be submitted? All 8 right. Representative Blue? 9 SEN. BLUE: I have one that -- 10 SEN. RUCHO: Excuse me, Senator Blue. 11 I'm sorry. 12 SEN. BLUE: I have one. I had to change 13 it after the adoption of one of the other 14 amendments. I had given it to Erika earlier. 15 SEN. RUCHO: All right. It's being 16 worked on? 17 SEN. BLUE: Yeah. 18 SEN. RUCHO: Okay. I think Senator Hise 19 has an amendment. Okay. Senator Hise, do you have 20 an amendment? 21 SEN. HISE: I have a motion. 22 SEN. RUCHO: Motion. One second. They 23 need to have copies for distribution. (Pause.) 24 I'd like to have the committee stand at ease for a 25 few moments while we have some copies made of the</p>	<p>1 "criterion" or "criteria," I will. 2 SEN. RUCHO: All right. So therefore, 3 the amendment that you've having strikes out -- or 4 it just says "Amendment to Political Data," and 5 then you're striking out -- excuse me -- "Political 6 Data Criteria." You're striking out "#3"? 7 REP. STAM: We're striking out "#3." 8 SEN. RUCHO: Just "#3." Members of the 9 committee, is that clear? 10 REP. LEWIS: Mr. Chairman? 11 SEN. RUCHO: Who's calling me? Oh, 12 Representative Lewis? 13 REP. LEWIS: I would support the 14 gentleman's amendment. 15 SEN. RUCHO: All right. Representative 16 Stam has submitted an amendment before you, and 17 it's open for discussion. Members of the 18 committee? 19 (No response.) 20 SEN. RUCHO: Seeing none, would you have 21 a roll call, Mr. Clerk? 22 CLERK: Lewis? 23 REP. LEWIS: Aye. 24 CLERK: Lewis, aye. Jones? 25 REP. JONES: Aye.</p>

It is 23 adopted 30 to 4. 24 Okay, we'll now just -- we'll go on to 25 the next. (Pause.) All right, members, you have</p>

LEWIS: Mr. Chairman? 5 SEN. RUCHO: Yes, sir, Representative 6 Lewis? Excuse me, Representative Lewis. I've 7 got -- we need to have Senator Blue explain his 8 amendment. Go ahead. 9 REP. LEWIS: I was wondering if Senator 10 Blue would agree to a -- to a technical fix to 11 strike the number sign and the 6. 12 SEN. BLUE: I would. 13 SEN. RUCHO: Okay. Members of the 14 committee, on Senator Blue's amendment, the title 15 will be, "Amendment, Compactness Criteria." You 16 will scratch "#6." That will not be in there. 17 All right, Senator Blue, everyone has a 18 copy of the amendment. Would you like to explain 19 your amendment? 20 SEN. BLUE: I would. Thank you, Mr. 21 Chairman. Mr. Chairman and ladies and gentlemen of 22 the committee and Senators and House members 23 present, what I tried to do in this amendment is 24 simply recognize that the county is the most 25 important governmental unit following the state,</p>

<p style="text-align: right;">106</p> <p>1 because they're extensions of the state, and to set 2 forth clearly that we are -- we're only going to 3 divide counties when you're equalizing population, 4 although that's a federal requirement, too, and 5 when you're complying with federal law. 6 It's something you've got to do. You 7 might as well admit that we have to comply with 8 federal law. Federal law is supreme, and so this 9 says that we will split counties only when you're 10 trying to get down to zero deviation in population, 11 which we're going to try to do, I take it, and only 12 when you're complying with a federal law regarding 13 redistricting. All of the other reasons that have 14 been given would not be justification for splitting 15 counties, and I move the adoption of the amendment. 16 SEN. RUCHO: Representative Lewis? 17 REP. LEWIS: Thank you, Mr. Chairman, and 18 thank you, Senator Blue, for that explanation. Let 19 me be clear, ladies and gentlemen. We of course 20 are going to comply with federal law. We would not 21 be here were we not attempting to comply with the 22 federal decision issued by the courts. I would 23 submit that this amendment is not necessary, and 24 should not be adopted because we of course are 25 going -- as Senator Blue said, of course we're</p>	<p style="text-align: right;">108</p> <p>1 were looking at. I can't really look at all that I 2 want to. 3 SEN. RUCHO: Okay. You all set? Members 4 of the committee -- oh, excuse me. Senator Hise? 5 SEN. HISE: Thank you, Mr. Chairman, and 6 this may be for -- just trying to get clarity on 7 what this amendment would actually do. One of the 8 outcomes of the last maps is that all of the major 9 urban areas in the state were represented by two 10 Congressmen that was coming in, and something we 11 saw at least that was coming in. Would this 12 amendment prohibit that type of decision for those 13 districts so that -- as that would be a political 14 impact that was coming in that we could not make 15 sure that urban areas were represented by two 16 Congressmen? 17 SEN. RUCHO: Okay. Representative -- 18 excuse me. Senator Blue, would you please answer 19 that question? 20 SEN. BLUE: I'll be happy to answer that. 21 Certainly not. As I said, the only two counties 22 that absolutely would be guaranteed to be 23 represented by two Congresspeople would be 24 Mecklenburg and Wake, since each of them has a 25 population in excess of the 700-plus thousand</p>
<p style="text-align: right;">107</p> <p>1 going to comply with the federal law. 2 As we've already had a pretty lengthy 3 discussion, that consideration, the word 4 "consideration" of incumbency and political impact 5 may be considered. It's not required to be 6 considered, and I've already stated for the record 7 that equalizing population is the most important 8 reason that a county would be divided. I would 9 respectfully ask the members to vote against this 10 amendment. 11 SEN. RUCHO: I've got Representative 12 Stam. 13 REP. STAM: I would oppose the amendment, 14 and point out what may be obvious. Senator Blue as 15 the Minority Leader is going to be perfectly 16 entitled to submit his own plan, and nothing in 17 what we've written would prohibit him from striking 18 those two criteria from his maps. He doesn't need 19 this amendment to do what he wants to do. 20 SEN. RUCHO: Yes, Senator Blue? 21 SEN. BLUE: Just a comment. My cape 22 disappeared, and I'm not Superman anymore, so I 23 can't do a map in a day that takes into account all 24 of the stuff that we have as criteria. I was 25 thinking we were narrowing the things that we</p>	<p style="text-align: right;">109</p> <p>1 that's necessary to draw a Congressional district. 2 If you started drawing a district toward an urban 3 area, then you could split that urban area when you 4 got to it so that it's in two separate districts. 5 This would in no way prohibit having two 6 Congresspeople from whichever other urban areas 7 other than Wake and Mecklenburg, where you'd be 8 guaranteed at least two, where you could bring them 9 into one of the urban counties, but you couldn't 10 split it but one time, so you get -- you could get 11 two from Guilford, two from Cumberland, two from 12 Forsyth, two from any of the counties, including 13 the smallest, if you paired it with a much bigger 14 population. 15 SEN. RUCHO: Representative Lewis, 16 comment? 17 REP. LEWIS: No, sir. I would say I'm 18 sure that the answer Senator Blue gave is correct 19 to Senator Hise's question. I just again would not 20 support the amendment as it's drafted for the 21 reasons that I've already stated. 22 SEN. RUCHO: All right. Members of the 23 committee, you have an amendment before you from 24 Senator Blue, and the amendment is entitled 25 "Amendment, Compactness Criteria." Any additional</p>

<p>1 REP. LEWIS: Mr. Chairman? 2 SEN. RUCHO: Representative Lewis, 3 comment? 4 REP. LEWIS: Yes, sir. I appreciate the 5 amendment and the sentiment expressed by the 6 Senator. I would offer that it appears to me that 7 the language that's attempting to be added is 8 somewhat vague and nebulous, as I don't know that 9 we have a defined -- or an actionable definition of 10 what "community of interest" is, or "community of 11 shared interest," so respectfully, I would ask the 12 committee to defeat this amendment. 13 SEN. RUCHO: Members of the committee, 14 any questions or comments? 15 (No response.) 16 SEN. RUCHO: We have a motion before us 17 dealing with "Amendment to Compact Criteria" 18 submitted by Senator Erica Smith-Ingram. You have 19 that before you. RUCHO: Members of the committee, on 20 "Amendment to Compactness Criteria" from Senator 21 Erica Smith-Ingram, the ayes, 11; the noes, 23. 22 That amendment was not adopted. 23 All right, we have another one, and I 24 believe it's already at your desk, and this one is 25 "Communities of Interest," submitted by Senator</p>

<p style="text-align: right;">118</p> <p>1 Floyd McKissick. Senator McKissick, would you like 2 to explain your amendment? 3 SEN. MCKISSICK: Sure, and it's very 4 straightforward. It's not seeking to amend any 5 other criteria. This would just be a criteria that 6 is aspirational, as many of the others. It does 7 follow case law in terms of what is stated, and 8 what this says is that the committee will make 9 reasonable efforts to respect political 10 subdivisions, cities, towns, what have you, as well 11 as communities as defined by actual interest. What 12 I would like to do is recognize Kara as well as 13 Erica, perhaps, to provide further clarification in 14 terms of existing case law. 15 I think we are -- we would be remiss if 16 we did not include this as one of the benchmarks 17 that we would seek to use in drawing the plans as 18 we move forward. I can't imagine why we would want 19 to ignore communities of shared interest or not 20 respect political subdivisions other than counties. 21 This is talking about other political subdivisions 22 or towns that might be within these Congressional 23 districts, which should also be respected to the 24 extent it's possible and feasible to do so, not 25 just counties.</p>	<p style="text-align: right;">120</p> <p>1 on the vagueness of these terms, to reject this 2 additional criteria. 3 SEN. MCKISSICK: Follow-up, Mr. Chair? 4 SEN. RUCHO: Senator McKissick? 5 SEN. MCKISSICK: Let me ask you this, 6 Representative Lewis: I see you have some problems 7 with that terminology that was used by the US 8 Supreme Court, which I think is pretty clear in 9 terms of a directive, but what is the objection to 10 respecting political subdivisions, because I would 11 think that we would all want to do so for the 12 cities and towns and communities -- 13 SEN. RUCHO: Representative Lewis? 14 SEN. MCKISSICK: -- represent, and they 15 are used collectively by the Supreme Court, but I 16 mean, if you have problems with that, I think 17 you've got still to follow it, or you end up in 18 litigation. I don't think any of us want to end up 19 in litigation any more than we already are in this 20 state. I don't know why -- what's the objection to 21 respecting political subdivisions? 22 REP. LEWIS: Well, sir, to be clear, as I 23 pointed out when we adopted the compactness 24 criteria, it's not our intent to split -- we're 25 going to do the best we can to keep as many</p>
<p style="text-align: right;">119</p> <p>1 Kara, Erika, if you could comment, 2 please? 3 SEN. RUCHO: Please identify yourself and 4 respond to Senator McKissick's request if you can. 5 MS. MCCRAW: I'm Kara McCraw, staff 6 attorney with the Legislative Analysis Division. 7 Senator McKissick is referring to the last part of 8 this amendment. The term -- the language "respect 9 political subdivisions and communities defined by 10 actual shared interests" is language that was used 11 by the Supreme Court in the Miller v. Johnson case 12 from 1995 as part of the list of traditional race- 13 neutral districting principles. 14 SEN. RUCHO: All right. Representative 15 Lewis? 16 REP. LEWIS: Thank you, Mr. Chairman, and 17 thank you, Senator, for offering this additional 18 criteria. As best I can understand it, to the 19 extent it's required by federal law, of course 20 we're going to be mindful of that, but as you and I 21 had an aside conversation earlier, I don't believe 22 we have defined in this state at least what a 23 community of interest is. I don't understand, 24 actually, what "actual shared interests" means, so 25 therefore, I would have to ask the committee, based</p>	<p style="text-align: right;">121</p> <p>1 counties and as many VTDs whole. I'll give you a 2 direct example of why I think this is vague. 3 We've already heard from the gentleman 4 from Wake, Senator Blue, as he I think correctly 5 stated that a county is the most important 6 political subdivision. I actually -- I actually 7 agree with that. Your city, Durham, has annexed 8 into Wake County, so when I say it's vague and 9 nebulous, how do you know which -- which interest 10 you're going to follow? I think we've done a good 11 job in this committee of saying we're going to keep 12 as many counties and as many VTDs whole as we can. 13 SEN. RUCHO: Okay, I've got 14 Representative Stam. 15 REP. STAM: Yes, I was about to make the 16 same point. Cary has annexed into Chatham, so 17 under this, it would give mapmakers an excuse to 18 break the Wake/Chatham line so they could keep Cary 19 together. Angier, if you can believe it, has 20 annexed into Wake County. I don't know how David 21 Lewis let them do that. With this amendment, 22 mapmakers could despoil Wake County just to get a 23 few more Republicans into the Harnett County 24 district. 25 REP. LEWIS: Mr. Chairman?</p>

<p style="text-align: right;">122</p> <p>1 SEN. RUCHO: Representative Lewis? 2 REP. LEWIS: For the record, while I do 3 not support Senator McKissick's amendment, I think 4 anywhere Angier can be shared is a positive thing. 5 (Laughter.) 6 SEN. RUCHO: Senator McKissick? 7 SEN. MCKISSICK: I would simply say that 8 we ought to try to respect these political 9 subdivisions. I don't think with the current mood 10 of this General Assembly, we have to worry about 11 too many more annexations occurring for a while, 12 so, you know, respecting political subdivisions is 13 a valid criteria regardless of what those political 14 subdivisions might look like, so obviously I 15 support it, but I can certainly put my finger in 16 the air and see the way these winds are blowing. 17 SEN. RUCHO: Members of the committee, 18 any additional questions? Senator? 19 SEN. SMITH-INGRAM: Yes. Representative 20 Lewis, I'm a little bit confused about your 21 objection to the use of this language inasmuch as 22 it relates to not having a definitive definition. 23 Is it possible for staff to be able to comment on 24 what is the definition used in North Carolina of 25 "communities of interest" as we have applied it in</p>	<p style="text-align: right;">124</p> <p>1 the citizens of Wake County? I don't think we've 2 ever defined it. I certainly think that to the 3 extent that it's not restricted from being used as 4 the maps are prepared that, you know, I think 5 that's something that the map drawers may wish to 6 try and use, but I don't know that it -- I don't 7 understand -- I don't understand it enough, and I 8 do want to take this opportunity to respectfully 9 let my friend from Durham know that, as I reminded 10 him, I'm not an attorney, and in no way have I 11 tried to disrespect or disregard any ruling from 12 the US Supreme Court, nor from this federal trial 13 court, but I'm not prepared to stand before this 14 committee today and say that I understand what this 15 is trying to do; therefore, I continue to oppose 16 this new criteria. 17 SEN. RUCHO: Members of the committee? 18 (No response.) 19 SEN. RUCHO: From the Chair, 20 Representative Lewis, I recognize, and I think the 21 committee recognizes the full effort to keep 22 counties whole. I think the counties are 23 relatively stable in their -- in their borders, but 24 yet a municipality and a town and the like, with 25 annexation, deannexation and the like, is more</p>
<p style="text-align: right;">123</p> <p>1 the past? 2 SEN. RUCHO: The chair will allow that. 3 Which staff member would like to define 4 "communities of interest"? 5 MS. MCCRAW: I'm Kara McCraw, staff 6 attorney with the Legislative Analysis Division. 7 North Carolina has not adopted a definition of 8 "communities of interest." 9 SEN. RUCHO: Follow-up? 10 SEN. SMITH-INGRAM: Follow-up. As I 11 recall, Representative Stevens just read from -- I 12 believe she was citing case law, but it just seems 13 that all the other elements that you have already 14 in the criteria are there, with the exception of 15 communities of interest, and so I'm just concerned 16 about why you have adopted the other three, and why 17 you feel comfortable with that, but not with the 18 communities of interest. 19 SEN. RUCHO: Representative Lewis? 20 REP. LEWIS: Well, again, thank you for 21 that inquiry, Senator. I would just say again that 22 as we've never defined what a community of interest 23 is -- and the example I tried to use with Senator 24 McKissick, how do you define -- is the City of 25 Durham a more important community of interest than</p>	<p style="text-align: right;">125</p> <p>1 variable. Do you think that that may be one of the 2 reasons for what could be adding confusion? 3 REP. LEWIS: I think that's fair. I 4 think that's a good indication of why I say this is 5 vague, and not really defined. We got a request 6 from a member for the central staff to explain how 7 communities of interest are defined in the state, 8 and they're not, so since there's not a definition, 9 they shouldn't be in the criteria. 10 SEN. RUCHO: Members of the committee, 11 we've had discussion on this issue. We have an 12 amendment before us, submitted by Senator Floyd 13 McKissick dealing with communities of interest. 14 Any additional questions, comments? 15 (No response.) 16 SEN. RUCHO: Seeing none, Mr. Clerk, a 17 roll call, please? 18 CLERK: Lewis? 19 REP. LEWIS: No. 20 CLERK: Lewis, no. Jones? 21 REP. JONES: No. 22 CLERK: Jones, no. Brawley? 23 REP. BRAWLEY: No. 24 CLERK: Brawley, no. Cotham? 25 REP. COTHAM: Yes.</p>

This is not an attempt to establish any other long- running criteria. SEN. RUCHO: Okay. Senator Hise, you have a motion? SEN. HISE: Mr. Chairman, I have a motion, a written motion. SEN. RUCHO: Okay. Has that been sent out to each member? SEN. HISE: Sergeant-at-Arms -- SEN. RUCHO: Are the Sergeant-At Arms distributing it? Let's take about a two- or three- minute break so everybody can read this motion. (Pause.) Has everyone had an opportunity to review Senator Hise's motion? Representative Jackson? REP. JACKSON: Thank you, Mr. Chairman. One question would be the way this is worded -- SEN. RUCHO: Well, let me do this: if it's dealing with what's in there, I'm going to give Senator Hise a chance to explain it. I was giving everybody a chance to review it.</p>	129

130

1 All right, everybody has it. Senator
2 Hise, would you like to explain that motion, and
3 then we'll open it up for discussion?
4 SEN. HISE: Thank you, Mr. Chairman.
5 Basically what this does is it consolidates the
6 criteria we've already adopted and voted on into
7 one piece, and then directs the co-chairs to go
8 through the process of developing the maps on the
9 basis of those criteria, and provides the sum of
10 \$25,000 under the way we need to appropriate it,
11 with approval of the speaker, and those type of
12 things in the interim that are coming in, and then
13 allows the minority party to have access to the
14 same funds, and to draw maps under those criteria
15 or any other criteria that they would establish.
16 It also rescinds that provided that the Supreme
17 Court issues a stay.
18 SEN. RUCHO: Representative Lewis,
19 comment?
20 REP. LEWIS: Thank you, Mr. Chairman and
21 members. Just to be clear where I hope we're going
22 with this, as you know, we are still optimistic
23 that we'll receive a stay from the Supreme Court.
24 If we do not receive a stay, it would be the
25 chairs' intent to bring a map before this committee

131

1 for recommendation for introduction to a special
2 session that would be held later this week.
3 The chairs would encourage in the
4 issue -- in the -- for the goal of increased
5 transparency that should other people have maps
6 that they'd like this committee to consider, that
7 they get them prepared and submitted as well, but
8 to be clear, once the General Assembly convenes,
9 there would also be an opportunity for maps to be
10 presented to either the House or the Senate
11 redistricting committees when they meet.
12 However, the House rules, and I believe
13 the Senate rules -- I won't speak for the Senate
14 rules, but I know the House rules will require that
15 any amendments that are offered to the plans that
16 are submitted in fact be complete plans. In other
17 words, you would have to have all 13 districts
18 drawn to -- you would -- instead of trying to amend
19 whatever plan that this committee will release, you
20 would have to in essence prepare and release a plan
21 to compete with this plan.
22 SEN. RUCHO: All right. Members of the
23 committee? Senator Blue? Oh, excuse me. Let me
24 do this: Representative Jackson asked a question
25 earlier. Go ahead, please.

132

1 REP. JACKSON: My question, I guess, was
2 directed to you as chairman, or either Senator
3 Hise. I was just wondering if we could change the
4 first sentence of Paragraph 3. The way you've got
5 it written is that the co-chairs, Lewis and Rucho,
6 can pick their mapmakers, but our entire caucus
7 would have to do it, the members of this committee,
8 which means we'd have to stay together and vote and
9 do things like that, and I would just ask that you
10 consider substituting that, and as Minority Leader
11 of the Senate, let Senator Blue make that choice
12 for us, and our entire caucus not be involved and
13 have to make that decision.
14 SEN. RUCHO: Senator Hise, do you have a
15 thought or a comment, or would you like to ponder
16 that one a little bit?
17 SEN. HISE: I don't see what's written as
18 requiring that type of vote or operation from the
19 minority caucus. This coming in would allow them
20 to decide if they want to allow their leader to
21 make that decision all on his own. I think that's
22 within the way it's written here, so I don't
23 necessarily see that issue in the way it's written,
24 but however the minority -- the members of the
25 minority part of this committee choose to select

133

1 who the mapmaker is their concern.
2 SEN. RUCHO: Okay. Senator Blue?
3 SEN. BLUE: Two questions, basically,
4 practical questions. I assume that the co-chairs
5 have consulted with somebody who's available to be
6 the consultant to draw a map. We haven't, but I
7 can assure you that anybody that you consult with
8 normally isn't going to do it, at least not for us,
9 on a contingent fee basis, and we don't know when
10 there may be an order one way or the other on this
11 stay if the plaintiffs have until midafternoon to
12 submit their papers. I don't know what the Chief
13 Justice is going to do or when he's going to do it,
14 but practically speaking, first, we haven't
15 consulted with anybody, but secondly, if you
16 consult with somebody, you've got to promise them
17 you're going to pay them, and this says that you
18 won't pay them even if they work two or three days
19 if a stay is granted.
20 SEN. RUCHO: All right. Representative
21 Lewis?
22 REP. LEWIS: Mr. Chairman and Senator
23 Blue, if we need to have the attorney review this,
24 we certainly can, and correct any offending
25 language. I just wanted to state for the record

<p style="text-align: right;">134</p> <p>1 that it is the intent, after having consulted with 2 the Speaker and the President Pro Tem, that any 3 mapmaker engaged would be paid. 4 I think -- well, I don't think. What the 5 language is trying to say is that should a stay be 6 issued, the maps would never be released, not that 7 the person would not be paid for their time. We're 8 not trying to get somebody to draw maps on a 9 contingency fee. We're having maps drawn 10 contingent upon us not getting a stay. 11 I would be glad, if you are concerned 12 about the way the language is written, to take a 13 moment and have that defined, but I did want to 14 state for the record that the intent would be any 15 map drawer that you would engage or the minority 16 party would engage would be paid for their time. 17 SEN. RUCHO: Senator Blue? 18 SEN. BLUE: Andrew has some language 19 that'll fix it. 20 SEN. RUCHO: All right. Senator Hise? 21 SEN. HISE: I think they may be -- I just 22 wanted to say I think they may be working on some 23 clarification, but the intent as drafted is that 24 work done while it's authorized to be done would be 25 paid for, but once the stay came out or a ruling</p>	<p style="text-align: right;">136</p> <p>1 MS. CHURCHILL: If there is a member of 2 the General Assembly that would like a map drawn, 3 we will do so at their direction; however, we will 4 need instruction from that member how to assign all 5 the geography of the state. 6 SEN. RUCHO: Does that answer your 7 question? 8 SEN. BLUE: You need instructions as to 9 how to sign -- assign what? 10 SEN. RUCHO: No, how to assign. 11 MS. CHURCHILL: How to assign the 12 geography of the state. 13 SEN. RUCHO: How you want the -- they can 14 draw the map. Just give them the direction on how 15 you want the -- the districts to be drawn. 16 SEN. BLUE: Okay. 17 SEN. RUCHO: Follow-up? 18 SEN. BLUE: Yeah, one follow-up. I'm 19 trying to keep up with the many iterations of the 20 case -- cases involving redistricting, and I think 21 that in that sense, even those instructions now are 22 considered confidential; is that correct? 23 MS. CHURCHILL: At this point in time, 24 any member of the General Assembly that makes a 25 drafting or information request to any legislative</p>
<p style="text-align: right;">135</p> <p>1 came out that we would stop work at that point, and 2 wouldn't be paid for work done after that point 3 that was coming in, but while the authorization 4 exists, we would pay for those funds, thinking we'd 5 get the check cut within 24 hours. 6 SEN. RUCHO: We'll stand at ease a moment 7 while we're studying some language, if we may. 8 While that's being looked at, Senator Blue, did you 9 have a second point that you were making? 10 SEN. BLUE: I did, as a matter of fact. 11 Do you have some experts hanging around who can do 12 this mapmaking that we might could talk to? We 13 haven't engaged anybody. 14 SEN. RUCHO: I think we're probably going 15 to use the one that you're presently using now. 16 SEN. BLUE: Which one is that one? 17 SEN. RUCHO: Whichever one that is. 18 SEN. BLUE: Is there capability within 19 the staff to do it, Mr. Chair? 20 SEN. RUCHO: I'm sorry. Say that again? 21 SEN. BLUE: Is there capability within 22 the staff to do mapmaking? 23 SEN. RUCHO: Ms. Churchill? Okay. Is 24 there capability within the staff of being able to 25 draw maps as requested by the minority party?</p>	<p style="text-align: right;">137</p> <p>1 employee, that drafting and information request is 2 treated as confidential, subjective to legislative 3 confidentiality by that legislative employee. Upon 4 enactment of any Congressional plan, the plans 5 themselves and the drafting and information 6 requests related to that plan do become a public 7 record. 8 SEN. RUCHO: Okay. Still working, so 9 just -- oh, excuse me. Senator McKissick? We're 10 working on the language, so -- 11 SEN. MCKISSICK: Sure. I understand. 12 This is a question to Erika to get further 13 clarification. In terms of the stat packs of data 14 that would be available, would we have the same 15 type of data that was available in 2011 as a basis 16 for drawing -- drawing plans? I mean, I know 17 there was some discussion today about not 18 considering race as a factor and, you know, things 19 of that sort, but would we still have available 20 data packs that are -- provide the statistics and 21 data that we would have used in 2011 were we 22 drawing those districts, and if so, is any of that 23 data updated at this time as well? 24 MS. CHURCHILL: Mr. Chair, as I 25 understand it -- and Mr. Frye will need to correct</p>

<p style="text-align: right;">138</p> <p>1 me, because he maintains our databases, but there 2 have been no changes to the 2011 database. It 3 still has the 2010 Census data in it. It still has 4 the voter registration data in it. It still has 5 the election data in it. We still have the 6 capability of running exactly the same reports off 7 of that database. 8 SEN. MCKISSICK: Last follow-up. 9 SEN. RUCHO: Follow-up. 10 SEN. MCKISSICK: Yeah. Erika, I mean -- 11 and I know this is not a fair question, perhaps, 12 but to what extent can we get reasonably quick 13 turnaround, considering the time frame that we're 14 in? I think our challenge is obviously we relied 15 upon consultants and experts before, Mr. David 16 Harris and Mr. Bill Gilkeson, but they are both 17 attorneys engaged in private practice, handling 18 clients, and to think that we can displace them 19 this quickly to get them reengaged on less than 24 20 hours notice is not a -- perhaps a reasonable 21 expectation. 22 I'm trying to see if we want to get these 23 maps drawn, I think Senator Blue is on the right 24 track. We're going to need to rely upon in-house 25 resources, perhaps supplemented by consultants, but</p>	<p style="text-align: right;">140</p> <p>1 SEN. RUCHO: I think what you're -- what 2 you reflect is what our concern is, that we have a 3 short -- short window, and we're all faced with 4 that same tight timeline, so -- but I'm sure staff, 5 as Ms. Churchill said, will do its best to help you 6 achieve your goal. Representative -- or Chairman 7 Lewis? 8 REP. LEWIS: Thank you, Mr. Chairman. 9 Senator McKissick, just to be clear, sir, the 10 criteria that will be available to the mapmaker 11 that Senator Rucho and I employ will only be the 12 criteria that this -- that this committee has 13 adopted. The stat packs, as you well recall, 14 contain additional information. That information 15 obviously will be available at the end of the map 16 drawing process. Just to be clear, the map drawer 17 that Senator Rucho and I will contract with will 18 have only access to the criteria that this 19 committee has adopted. 20 SEN. MCKISSICK: Follow-up. 21 SEN. RUCHO: Yes, sir. Follow-up. 22 SEN. MCKISSICK: Some of the critical 23 language in here under Bullet 3, if we go down 24 about five lines, it talks about using the adopted 25 criteria or any other criteria selected by the</p>
<p style="text-align: right;">139</p> <p>1 are we going to be able to get quick turnaround? 2 MS. CHURCHILL: Mr. Chair, if I might, we 3 will do our best. We do have a limited number of 4 people who have the capa- -- the knowledge to 5 actually use the mapping software, but amongst 6 ourselves, once we know what the requests are, we 7 will try to efficiently meet all of the needs. 8 SEN. MCKISSICK: Thank you. 9 SEN. RUCHO: All right. Senator 10 McKissick, any specifics? I mean, you were talking 11 about the stat packs and all that. Do you have any 12 specific criteria that you want included in the 13 stat pack? 14 SEN. MCKISSICK: I mean, as long as we 15 have the same type of stat pack that we had 16 previously, the demographic data and the political 17 data that's available, I think we'll probably be 18 okay. I cannot think of any additional data that 19 we would need. As long as that's readily 20 accessible and we can get pretty quick 21 turnaround -- I am deeply concerned that since we 22 did not learn about the availability of the funds 23 for consultants before today that trying to engage 24 people who are deeply familiar with be challenging 25 at this late point in time.</p>	<p style="text-align: right;">141</p> <p>1 minority caucus, so if we want to use other 2 criteria that might be consistent with the ruling 3 in Harris versus McCrory -- and we would contend 4 that race can be used; it just cannot be the 5 predominant factor. I just want to know that that 6 data will be available if we need to use and rely 7 upon it in drafting constitutionally correct 8 districts, because that was not included in your 9 criteria, but this language in this particular 10 motion does give us as the minority caucus the 11 right to use other criteria. 12 SEN. RUCHO: Hold on. I'll try to get 13 you an answer. (Pause.) Our understanding -- the 14 Chairs' understanding is that, you know, in drawing 15 maps, you can request any data you feel that needs 16 to be there to help you achieve what you believe is 17 a -- a map trying to resolve the issue dealing with 18 the court decision. 19 SEN. MCKISSICK: Thank you. 20 SEN. RUCHO: Okay. Senator Blue? 21 SEN. BLUE: Yes. So that I can follow 22 that point up, it's my understanding, and correct 23 me, that the -- that the database will have 24 information about the 2012, 2014 elections in 25 addition to the data that was available at the time</p>

142

1 the original maps were drawn. That is, they will
2 be current in the information that they have. Is
3 that right?
4 SEN. RUCHO: Let's ask Mr. Frye if he'll
5 be kind enough to explain what is in the database,
6 and of course, it's based on the 2010 Census, but
7 election results you're asking about.
8 MR. FRYE: Yes. So -- so what I've got
9 worked up for this round is there's -- you know, of
10 course, you know, like we were talking about, all
11 of the old data is totally in place if it makes
12 sense to use that for whoever wants it, and for the
13 2016 database, I've got total population, voting
14 age population, because that's the only thing
15 that's not -- just election data, right, and that
16 is just election data. There's the 2008 general
17 election, basically all the Council of State
18 contests. There's the 2010 general election, US
19 Senate, the 2012 general election, you know,
20 basically governor and Council of State contests,
21 and -- and then the 2014 US Senate.
22 SEN. RUCHO: Does that help you?
23 SEN. BLUE: You said 2014 US Senate.
24 2014 Congressional data, elections data?
25 SEN. RUCHO: Mr. Frye?

143

1 MR. FRYE: Well, for the -- no, for the
2 2014 database, it has just the US Senate.
3 SEN. BLUE: I can't hear him.
4 SEN. RUCHO: Could you repeat that again?
5 We missed you with that.
6 MR. FRYE: For the 2014 general election,
7 I've just got US Senate. There are other --
8 because there's sort -- there's a difference
9 between like what data is -- has been generally
10 processed and what data is sort of ready to go in
11 our redistricting database. There's kind of a fair
12 gap between those two things, so we do have some
13 other information relating to other contests from
14 2014, but --
15 SEN. BLUE: So the database will not have
16 the location of current incumbents or anything like
17 that?
18 SEN. RUCHO: Mr. Frye?
19 MR. FRYE: What we have is locations of
20 current incumbents that -- a lot of them were
21 updated as of the 2011 cycle, so we may want to
22 double-check. There are a few of them I was
23 looking at that we may want to double-check on
24 their addresses and see if they've moved.
25 SEN. RUCHO: Senator Blue?

144

1 SEN. BLUE: I'm just trying to make sure
2 that whatever data is used by one is used and
3 available by all.
4 SEN. RUCHO: Well, my --
5 SEN. BLUE: If we're basing it on the
6 legislative computers and the legislative database.
7 SEN. RUCHO: If I'm understanding it
8 correctly, any data that you need to have is going
9 to be available as long as you give some -- some
10 request for it. Am I correct?
11 MR. FRYE: Well, certainly --
12 SEN. BLUE: Aspirational.
13 MR. FRYE: Yeah. I'm concerned about
14 timeline, you know, about preparing things, and
15 certain things are prepared and ready to go, and
16 yeah, those things can be --
17 SEN. RUCHO: Ms. Churchill?
18 MS. CHURCHILL: (Inaudible.)
19 SEN. RUCHO: Talking about the data -- I
20 think that was Mr. Frye's question. Okay, that's
21 where we are. All right, still on -- did we get
22 the language?
23 REP. STAM: Yeah, on a big-picture issue
24 here, while they're working out the language, I was
25 minority leader during the Pender County

145

1 redistricting. Speaker Hackney was the speaker.
2 If I had been offered a deal like this, I would go
3 give Representative Lewis and Senator Rucho a big
4 bear hug and "Thank you."
5 SEN. RUCHO: Don't hug us.
6 SEN. BLUE: Certainly no kiss associated
7 with it.
8 (Laughter.)
9 SEN. RUCHO: Representative -- or Senator
10 Blue?
11 SEN. BLUE: Yeah. I have a question of
12 the Chair, but I guess you've got a motion pending,
13 so I'll wait --
14 SEN. RUCHO: We've got a motion.
15 SEN. BLUE: -- until after the motion.
16 SEN. RUCHO: Yeah, we've got a motion
17 first. Senator Hise?
18 SEN. HISE: Question, probably directed
19 for staff. If -- and under this motion where it
20 currently is, if the minority caucus is going to
21 load additional information, including things like
22 race and others, onto the stat pack for the
23 operations, do we have a sufficient wall of
24 separation, say separate computers, separate
25 databases, separate operating, that the co-chairs

<p style="text-align: right;">146</p> <p>1 do not have access to that information, or the 2 other committees cannot have access to that 3 information, because it's inconsistent with the 4 criteria that's established, so can we make sure 5 that once those are loaded, they are not available 6 if they are not part of the criteria for the co- 7 chairs' drawing? 8 SEN. RUCHO: Mr. Frye? 9 MR. FRYE: Yes. I believe for -- if the 10 co-chairs are working on a plan, they can work on 11 it and follow the criteria separately, and for any 12 reports they produce, would just use that 13 information. 14 SEN. RUCHO: To follow up on what his 15 question is, is there a clear wall that we have to 16 actually request that information before it's 17 eligible -- eligible for us to use? Am I correct? 18 I mean, you're talking a firewall? 19 SEN. HISE: Yeah, making sure that no 20 one -- once it's loaded in, anyone could draw -- 21 could pull it up. I want to make sure that you 22 don't have access to that information. 23 MR. FRYE: Right. No, there is a 24 firewall. 25 SEN. RUCHO: Okay.</p>	<p style="text-align: right;">148</p> <p>1 SEN. MICHAUX: Okay. 2 SEN. RUCHO: Okay. Are we close with the 3 language? 4 REP. LEWIS: Mr. Chairman? 5 SEN. RUCHO: Yes, sir, Representative? 6 REP. LEWIS: Could we deal with another 7 matter while this is being perfected? 8 SEN. RUCHO: Yes, sir. Let's just 9 displace this amendment if we can, Senator Hise, 10 while we're working on the language, and 11 Representative Lewis has another issue he'd like to 12 bring before -- before us. 13 REP. LEWIS: Mr. Chairman, what I'd like 14 to do is offer a motion that the committee directs 15 the ISD to establish a computer and to populate the 16 database of that computer with only the information 17 that is consistent with the criteria adopted by the 18 committee today, and to ensure that the firewalls 19 that Mr. Frye spoke of are in place during the 20 entire time that the map for this committee is 21 drawn. 22 SEN. RUCHO: We have a motion before us. 23 Do we have a second on that, David? 24 SEN. APODACA: Second. 25 SEN. RUCHO: Second, Senator Apodaca.</p>
<p style="text-align: right;">147</p> <p>1 MR. FRYE: It is not a central server 2 that would be -- 3 SEN. RUCHO: Are you okay, Senator Hise? 4 Ms. Churchill, you okay? 5 REP. LEWIS: Mr. Chairman? 6 SEN. RUCHO: Where am I? 7 REP. LEWIS: Mr. Chairman? 8 SEN. RUCHO: Oh, excuse me. 9 REP. LEWIS: I think perhaps we can -- 10 can summarize this by saying that all people will 11 have access to all of the data. This committee has 12 directed the chairs not to use some of it, so the 13 computer on which this committee's map is drawn 14 will only contain the criteria that was adopted by 15 the committee, so to kind of get the gist of what 16 Senator Blue was trying to ask, he can have access 17 to more stuff than we can, not less. 18 SEN. RUCHO: Okay. Representative -- 19 REP. MICHAUX: Yeah, I just wanted to be 20 clear on this. It says that you-all must do your 21 maps according to the criteria that this body has 22 passed. It also says that our group can use any -- 23 this criteria or any other criteria we deem 24 necessary. Is that correct? 25 SEN. RUCHO: That's correct.</p>	<p style="text-align: right;">149</p> <p>1 Second. Representative Michaux? 2 REP. MICHAUX: I was trying to get the 3 gist of what he -- what his motion is. 4 REP. LEWIS: May I speak on my motion? 5 SEN. RUCHO: Yes, sir. 6 REP. LEWIS: Members, the motion would 7 direct ISD to establish a computer with the 8 Maptitude software that has only the criteria as 9 defined and authorized by this committee to use, 10 and it is on that computer that the chairs would 11 work, along with any consultant they would hire, to 12 produce a map to return back to this committee for 13 review. 14 What it's doing in essence is limiting 15 the chairs to only the criteria that this committee 16 has adopted, while making sure that it does not 17 limit the minority party to have access to whatever 18 they deem important to be able to fully participate 19 in this process. 20 SEN. RUCHO: Follow-up? 21 SEN. MICHAUX: Follow-up. What about the 22 firewall separating the two on that? 23 REP. LEWIS: Thank you for that -- that 24 question, Representative Michaux. I was trying to 25 use the same language that Mr. Frye. What I'm --</p>

<p style="text-align: right;">150</p> <p>1 to be absolutely clear, the only data the map 2 drawers on behalf of this committee can have is the 3 data that the criteria adopted by this committee 4 allows. There -- the firewall means that you won't 5 be able -- the map drawer won't have access to flip 6 a switch and say, "Well, I really do want to see 7 what the 2008 presidential race was." That will 8 not be loaded on the computer that he has access 9 to. 10 SEN. RUCHO: Okay. Senator McKissick? 11 SEN. MCKISSICK: Representative Lewis, 12 just to get some clarification here, if we as the 13 minority caucus want to look at the 2008 race, or 14 we want to look at other variables other than those 15 that were approved today, in the past, we had our 16 own computer available that also had Maptitude, or 17 whatever the appropriate program was at that time, 18 which we could utilize for crafting maps that 19 were -- met our criteria, so I'm just wanting to 20 determine if we will have a separate computer 21 available to us that we can use that will give us 22 the additional data that we might seek to use in 23 preparing maps. 24 REP. LEWIS: Senator -- 25 SEN. RUCHO: Representative Lewis?</p>	<p style="text-align: right;">152</p> <p>1 SEN. RUCHO: We'll get a copy of that. 2 All right. We have a motion before us from 3 Representative Lewis. It's been explained; it's 4 been debated. Any additional thoughts or questions 5 on that before we move to adopt his motion? 6 (No response.) 7 SEN. RUCHO: Seeing none, Mr. Clerk, if 8 you'd be kind enough to call roll? 9 CLERK: Lewis? 10 REP. LEWIS: Aye. 11 CLERK: Lewis, aye. Jones? 12 REP. JONES: Aye. 13 CLERK: Jones, aye. Brawley? 14 REP. <p style="text-align: right;">151</p> <p>1 REP. LEWIS: Thank you, Mr. Chairman. 2 Senator McKissick and Mr. Chairman, if my motion is 3 adopted, I will offer the identical motion for the 4 minority party, except that they are able to 5 populate the data with whatever they want to 6 populate it with. 7 SEN. MCKISSICK: With that being said, I 8 could support this, but I want to make sure that 9 the minority party does have their own computer 10 populated with their own data, separate and apart 11 from the fields or subcategories which have been 12 identified as appropriate criteria today. 13 REP. LEWIS: Yes, sir, we're on the exact 14 same page on that point. 15 SEN. MCKISSICK: Thank you. 16 SEN. RUCHO: Okay. You -- any additional 17 questions on -- 18 REP. MICHAUX: Yeah. Can we get that in 19 writing? 20 (Laughter.) 21 REP. LEWIS: Mr. Chairman? 22 SEN. RUCHO: Yes, sir? 23 REP. LEWIS: We do have a court reporter, 24 so perhaps we could forward that to Representative 25 Michaux, and he could read it.</p>	<p style="text-align: right;">153</p> <p>1 REP. Any 7 questions or comments? 8 REP. MICHAUX: Yeah. I want to know what 9 the last part of that motion was that he made. It 10 was sort of sub rosa. 11 SEN. RUCHO: Is that a question to 12 Representative Lewis? 13 REP. MICHAUX: Representative Lewis. 14 REP. LEWIS: Representative Michaux, what 15 I said was that the minority members -- the members 16 of the minority party on this committee may caucus 17 and elect a member or members to direct the drawing 18 of these maps on their behalf, and if they're 19 unable to do so, that the responsibility would be 20 vested in Senator Blue. 21 SEN. RUCHO: Do you have a follow-up 22 question? 23 REP. MICHAUX: We -- what I -- you are 24 vesting -- you're telling us what to do? Is that 25 what I'm hearing?</p>
155	157
<p>1 SEN. WELLS: Aye. 2 CLERK: Wells, aye. 3 SEN. RUCHO: All right, members of the 4 committee, a motion by Representative Lewis 5 requiring and asking that the computer that will be 6 used by the majority party will only contain the 7 criteria that's been established and voted upon 8 today, and that vote was aye, 21, no, 11, so that 9 passed. 10 REP. LEWIS: Mr. Chairman? 11 SEN. RUCHO: Representative Lewis? 12 REP. LEWIS: For motion. 13 SEN. RUCHO: Motion. 14 REP. LEWIS: Mr. Chairman, I move that 15 the minority party be given access to a computer 16 and whatever information they deem necessary to 17 populate that computer in order to fully 18 participate in this pro- -- in this process. 19 Further, I move that the minority party members of 20 this committee may caucus and designate that 21 responsibility to one or more members, and if they 22 are not able to do that, that the responsibility 23 would fall to Senator Blue. 24 SEN. MCKISSICK: I'll second that. 25 SEN. RUCHO: All right. The motion by</p>	<p>1 REP. LEWIS: To repeat for the third 2 time, Representative Michaux, the minority party 3 members of this committee would caucus and 4 designate members or members to act on their 5 behalf, and if they are unable to do so, that that 6 responsibility would fall to Senator Blue. 7 REP. MICHAUX: Mr. Chairman? 8 SEN. RUCHO: Yes, sir? 9 REP. MICHAUX: Why don't you -- 10 SEN. RUCHO: Follow-up? 11 REP. MICHAUX: Yes. Why don't you let us 12 make that decision as to who it should fall -- fall 13 to? 14 REP. LEWIS: Mr. Chairman? 15 SEN. RUCHO: Yes, sir? 16 REP. LEWIS: Could we have maybe staff 17 clarify what it means that the minority party can 18 caucus and designate members or members, if that's 19 not allowing them to make a decision? Could 20 somebody explain exactly what language I'm not 21 communicating? 22 SEN. RUCHO: Okay. Senator Apodaca, you 23 had a comment? 24 SEN. APODACA: Mr. Chairman, inquiry of 25 the Chair.</p>

158	160
<p>1 SEN. RUCHO: Yes, sir? 2 SEN. APODACA: I'm somewhat confused. I 3 thought Representative Jackson asked this question 4 about how they could nominate somebody. I thought 5 this is what we were trying to fix. 6 SEN. RUCHO: All right. Then you're the 7 one that's going to explain to -- to Senator -- 8 Representative Michaux. Okay? All right. A 9 motion is before us. It's been seconded. Any 10 additional questions or comments on Representative 11 Lewis' motion? 12 (No response.) 13 SEN. RUCHO: Seeing none -- 14 CLERK: Lewis? 15 SEN. <p>1 SEN. RUCHO: Let's pay attention, here. 2 I know we're moving forward. Go ahead, please. 3 SEN. First -- the 7 first amendment, Ms. Churchill, would you explain 8 what that amendment says and what it does? 9 MS. CHURCHILL: Yes, Mr. Chair. The 10 amendment would be to the end, to the last sentence 11 of Paragraph 2 and Paragraph 3 of Senator Hise's 12 motion. It would remove the period at the end of 13 that sentence, inset a semicolon, and all of the 14 following at the end of each sentence: "Provided, 15 however, this authorization shall permit 16 compensation to be paid for any work performed 17 prior to the issuance of such stay." 18 SEN.
