## **DECLARATION OF SCOTT PERRY**

SCOTT PERRY declares under penalty of perjury as follows:

1. I am a Plaintiff in this civil action. I submit this Declaration in support of Plaintiffs' Motion for Temporary Restraining Order and Preliminary Injunction.

2. I am a Congressman representing the 4th Congressional District of Pennsylvania in the United States House of Representatives. I have been actively campaigning for reelection in 2018.

3. For the last 18 months, I have served the approximately 727,000 people of the 4th Congressional District and have been preparing for my 2018 reelection campaign. The new Congressional map issued by the Pennsylvania Supreme Court on February 19, 2018, not only radically changes the District, but threatens to waste countless hours, dollars and disrupts ongoing projects to improve the quality of life of the citizens I currently serve.

4. The new congressional map completely removes Adams County and the majority of York County (the current district's population center) from the 4<sup>th</sup> District. Since January 2017, I have opened more than 260 new constituent cases in Adams County and significantly more in the portion of York County removed in the new map. My staff have been working with constituents in these areas on highly detailed and sensitive issues ranging from Social Security, Medicare, Veteran, IRS and myriad others. Many of these cases takes months, if not years, to resolve and these citizens will be impacted severely if they're forced to essentially start over with a new Member of Congress.

5. In addition, my office has worked for months with small businesses, local governments and non-profit organizations on countless community development programs in these areas, including firefighter grants, library funding, job training and workforce development funds and agricultural initiatives. The proposed changes will invalidate countless time, taxpayer funds and planning and resources spent by these organizations.

6. I have raised more than \$319,000 for my 2018 campaign since January 2017 – a large portion of that coming from supporters in areas that I may no longer represent, and often from citizens of modest financial means who nevertheless feel called to our democratic process. We should honor such commitments rather than telling them their voice doesn't really matter.

Scott Perry
