We had a relatively long meeting Friday afternoon and I reviewed the various district configurations. I would like to see the trending data on Hispanic populations because I think there is a good case to be made in one direction to accomplish a Hispanic Senate seat very early in the coming cycle. We could even renumber the Senate seat to accomplish that goal at the earliest point in time.

Tad and Adam seemed to feel a meeting would be appropriate after the 15th.

I'll keep you posted.

Thanks again.

Jim

Eric, any sense of when you need me in? And of arrangements? I have cleared part of next week but need to hear from you in order to finalize other details at my end.

Best,  
Keith

Eric,  
Just talked to Keith Gaddie. He will be in Chicago tomorrow, so he could come up Friday if you would like or most of next week. Just let him know.  
You will need to arrange plane flights and such.  
Call him on his cell 405-314-7742.

I will have some email and some phone contact with "down under" if you need me. Otherwise, good luck and being Greek Easter-Christos Anesti.
