	1	(Exhibit No. 1 marked for
	2	identification)
	3	JOSEPH W. HANDRICK,
	4	called as a witness, being first duly sworn,
	5	testified on oath as follows:
	6	<u>EXAMINATION</u>
	7	By Mr. Earle:
	8	Q Would you state your name and spell your last name
	9	for the record.
03:21PM	10	A My name is Joseph W. Handrick, H-a-n-d-r-i-c-k.
	11	Q Mr. Handrick, you have been deposed before?
	12	A Yes.
	13	Q I'm going to ask you a series of question. You're
	14	under oath and required to answer them.
03:21PM	15	Occasionally your attorney may object. We will
	16	allow her to make that objection after which you
	17	will be directed to answer the question. Do you
	18	understand that?
	19	A Yes.
03:21PM	20	Q Occasionally she may assert privilege in which
	21	case I'll ask her the basis for it, and she may
	22	direct you not to answer the question. Do you
	23	understand that?
	24	A Yes.
03:21PM	25	Q If I ask you a question and you answer the
		66

	1		question, any person reading this transcript will
	2		presume that you understood the question as it was
	3		worded and that your answer was intentional to
	4		that question. Do you understand that?
03:21PM	5	Α	Yes.
	6	Q	So if you don't understand the question fully, I
	7		suggest to you that you pause and tell me that and
	8		I will try to accommodate any ambiguity you see in
	9		the question. Okay?
03:22PM	10	Α	0kay.
	11	Q	You promise to be fully candid with me in your
	12		answers in this deposition here today?
	13	Α	I promise to tell the truth.
	14	Q	Do you promise to be fully candid? That's the
03:22PM	15		question I asked.
	16	Α	I'm not sure I understand the difference.
	17	Q	Do you understand what the word candid means?
	18	Α	I think it means to be truthful and forthright.
	19	Q	Do you promise to be truthful and forthright?
03:22PM	20	Α	Yes.
	21	Q	When did learn about this deposition here today?
	22	Α	I received a call. I can't give you the exact
	23		date. Maybe approximately ten days ago.
	24	Q	From who?
03:23PM	25	Α	From an attorney that's representing the
			77

	1		legislature.
	2	Q	Whyte Hirschboeck?
	3	Α	Whyte Hirschboeck. Yes.
	4	Q	When did you hire counsel?
03:23PM	5	Α	I have not.
	6	Q	Let me strike that question. Did you hire
	7		counsel?
	8	Α	I have not gone out and hired counsel or signed a
	9		contract.
03:23PM	10	Q	Have you asked anyone to represent you?
	11	Α	Yes.
	12	Q	Who did you ask to represent you?
	13	Α	Upon being served the subpoena, I asked the
	14		legislative attorneys if I was still as their
03:23PM	15		consultant covered by that representation.
	16	Q	That's how you came to be represented today by
	17		Ms. Buchko sitting to your right?
	18	Α	Correct.
	19	Q	Okay. Have you spoken to any attorneys other than
03:24PM	20		attorneys at Whyte Hirschboeck in preparation for
	21		today's deposition?
	22	Α	No.
	23	Q	Who have you consulted with in preparing for
	24		today's deposition other than counsel at Whyte
03:24PM	25		Hirschboeck?
			8

	1		
	1	Α	I have not consulted with anybody other than the
	2		attorneys at Whyte Hirschboeck.
	3	Q	So you have not discussed the subject matter of
	4		this deposition and your activities in the
03:24PM	5		redistricting project after receiving the notice
	6		of this deposition with anybody other than
	7		attorneys at Whyte Hirschboeck?
	8	Α	Not other than to inform my superiors that I would
	9		be having this deposition; that I would be taking
03:24PM	10		vacation time.
	11	Q	Did you review any documents?
	12	Α	Yes.
	13	Q	What documents did you review?
	14	Α	I reviewed last night and today my two prior
03:25PM	15		depositions. Actually, correct that. I believe
	16		it was considered one ongoing deposition given
	17		over two days. I reviewed those documents.
	18	Q	Anything else?
	19	Α	I also reviewed some E-mails that had been
03:25PM	20		disclosed by the I believe they were disclosed
	21		by the plaintiffs during some recent interactions
	22		with the Court.
	23	Q	Had you ever seen those E-mails before?
	24	Α	Yes.
03:25PM	25	Q	When had you seen them before?
			9

		1	
	1	Α	When had I seen them before?
	2	Q	Yes.
	3	Α	I had seen them around the time of the previous
	4		depositions.
03:25PM	5	Q	Did you bring any papers with you today?
	6	Α	No.
	7	Q	Mr. Handrick, I want to ask you a series of
	8		questions about your activities related to the
	9		redistricting project in particular with regards
03:26PM	10		to the production of documents and your use of
	11		computers in that process. Would you identify
	12		we will start by identifying all of the computers
	13		that you used to work on the redistricting
	14		process. Can you tell me about them. Describe
03:26PM	15		them to me.
	16	Α	The redistricting computer that I used?
	17	Q	That wasn't the question. I'm asking you to
	18		identify all computers that you made use of in the
	19		course of your redistricting work.
03:26PM	20	Α	The redistricting computer that was housed at
	21		Michael Best & Friedrich.
	22	Q	Anything else?
	23	Α	I had a laptop provided by the Reinhart law firm.
	24	Q	Anything else?
03:27PM	25	Α	Not that I can recall.
			10

	1	Q	You didn't have a standalone computer at Reinhart?
	2	Α	No.
	3	Q	Did you have a computer at home that you used?
	4	Α	No.
03:27PM	5	Q	Did you have any personal computer anywhere else
	6		that you used?
	7	Α	No.
	8	Q	So your testimony here today is that the entire
	9		universe of the computers that you used for
03:27PM	10		redistricting consisted of the State computer
	11		housed at the Michael Best & Friedrich law firm
	12		and a laptop provided to you by Reinhart?
	13	Α	That's to the best of my memory. Yes.
	14	Q	Describe for me the use that you made of the
03:27PM	15		laptop.
	16	Α	The laptop was my computer that I used between the
	17		two Reinhart offices in the place of what you
	18		would call a standalone computer.
	19	Q	Was that connected by Citrix or similar type
03:28PM	20		program to a network?
	21	Α	Yes.
	22	Q	What network was it connected to?
	23	Α	When that computer was at one of the two Reinhart
	24		offices, it was part of the Reinhart network.
03:28PM	25	Q	What about remotely when you were in neither
			11

	1		location or when you were at home for example?
	2	Α	When I was at home, I could use it only for
	3		E-mail. I don't believe I had the ability to tie
	4		into the Reinhart network from home.
03:28PM	5	Q	But you used it for E-mail?
	6	Α	Yes.
	7	Q	And what E-mail accounts did you use for
	8		redistricting? Let me rephrase that question.
	9		I'll withdraw that one. Okay? Would you identify
03:29PM	10		every E-mail account through which you received or
	11		sent messages that in any way related to your
	12		redistricting activities.
	13	Α	A Reinhart.com E-mail address, and an MSN.com
	14		E-mail address.
03:29PM	15	Q	Did you use any other electronic means of
	16		communication in connection with your
	17		redistricting work?
	18	Α	I believe I had submitted at least one document
	19		that was a Facebook messaging correspondence, so I
03:29PM	20		believe that would be included in your question.
	21	Q	So your testimony is you used the Facebook social
	22		media to communicate about redistricting matters?
	23	Α	Yes.
	24	Q	Did you engage in any communication with anybody
03:30PM	25		about redistricting on Facebook beyond the
			12

	1		printout of your communication with Mr. Gaddie?
	2	Α	Not that I'm aware of.
	3	Q	That printout we have of your communication with
	4		Mr. Gaddie, that was the sum total of your use of
03:30PM	5		social media for purposes of redistricting
	6		communications?
	7	Α	I believe so. Yes.
	8	Q	The Reinhart.com E-mail address, did you use
	9		how extensively did you use that in connection
03:30PM	10		with the redistricting activity?
	11	Α	That was the primary E-mail that I used, so the
	12		answer would be extensively.
	13	Q	Would you please describe for me how it was that
	14		you gathered responsive documents from that E-mail
03:31PM	15		account for purposes of responding to the
	16		subpoenas that were issued in the redistricting
	17		case prior to your deposition.
	18	Α	Certainly. The Reinhart information technology
	19		section I'm sorry. They may have a name. But
03:31PM	20		the IT section under the direction of counsel at
	21		the firm did a search of my E-mail system
	22		searching for E-mails to and from any person that
	23		had been associated with the process.
	24	Q	Who comprised the list of persons associated with
03:31PM	25		the process?
			13

	1	Α	Who comprised the list or compiled the list?
	2	Q	Compiled the list.
	3	Α	Compiled the list.
	4	Q	Accuracy is important.
03:31PM	5	Α	I don't know who exactly compiled that list.
	6	Q	Well, do you know who was on the list that was
	7		actually checked?
	8	Α	What they were looking for was any E-mail from me
	9		or to me that related to redistricting. So they
03:32PM	10		would have then done a search for any of the
	11		people with whom I had been in contact with
	12		regarding redistricting.
	13	Q	I want precise knowledge here, precise facts. Who
	14		compiled the specifications for that search?
03:32PM	15		MS. BUCHKO: Objection, asked and
	16		answered.
	17	Α	I don't know who particularly or exactly compiled
	18		that list.
	19	Q	So you were not party to any discussion with
03:32PM	20		regards to the specifications for searching the
	21		Reinhart E-mail system for documents responsive to
	22		the subpoena? Is that an accurate statement?
	23		THE WITNESS: Can you repeat that.
	24		(Question read)
03:33PM	25	Α	No.
			14

	1	Q	Who did you have discussions with about the
	2		specifications?
	3	Α	I believe it was Patrick Hodan who gave the
	4		overall instructions to the IT people to gather
03:33PM	5		all of the relevant E-mails.
	6	Q	That wasn't the question. Is the answer to the
	7		question that you had discussions with
	8		Patrick Hodan about the specifications?
	9	Α	I don't remember the exact conversation.
03:33PM	10	Q	Okay. You have testified the sum total of your
	11		knowledge about the subject of the specifications
	12		or the search for responsive E-mails on the
	13		Reinhart E-mail system. Is that an accurate
	14		statement?
03:34PM	15	Α	Yes.
	16	Q	How did you conduct a search for responsive
	17		documents from your MSN.com account?
	18	Α	Similarly. I went into both my sent as well as my
	19		incoming folders and gathered any E-mail that was
03:34PM	20		related to redistricting and printed it.
	21	Q	What kinds of parameters did you use for that
	22		search?
	23	Α	The parameters were if it was related to
	24		redistricting.
03:34PM	25	Q	Were there any date parameters?
			15

	1	Α	Yes.
	2	Q	What were the date parameters?
	3	Α	If something was after November 22, 2011, I would
	4		not have printed those off.
03:35PM	5	Q	November 22, 2011?
	6	Α	I think that would be the date. Yes.
	7	Q	And what was the basis for that date limitation?
	8	Α	My understanding is that was the date after which
	9		I was part of a firm that was helping the attorney
03:35PM	10		general's office represent the GAB in a phase of
	11		the case.
	12	Q	Did you withhold any documents on a topical basis
	13		related to redistricting?
	14	Α	I don't understand what that means, on a topical
	15		basis.
	16	Q	Well, did you exclude documents related to SB 150
	17		from your search?
	18	Α	Can you help me with what that is.
	19	Q	SB 150?
03:36PM	20	Α	Yes.
	21	Q	You are obviously living a fruitful and happy life
	22		because you have forgotten what that means.
	23		SB 150 was Act 39 which was the legislation that
	24		dealt with the sequencing of the ward line drawing
03:36PM	25		in relationship to State redistricting.
			16

	1	А	Now you know why I've left lobbying. No. I would
	2		have printed and gathered any E-mail related to
	3		redistricting.
	4	Q	So is it accurate to say that you compiled a pile
03:36PM	5		of documents for purposes of responding to the
	6		subpoena?
	7	Α	Yes.
	8	Q	Were the documents gathered by Patrick Hodan at
	9		Reinhart given to you?
03:37PM	10	Α	No.
	11	Q	Do you know whether Patrick Hodan or anybody else
	12		at Reinhart did something with the documents
	13		gathered on your behalf from the Reinhart computer
	14		system?
03:37PM	15	Α	Yes.
	16	Q	What do you know about that?
	17	Α	My understanding is that they were all delivered
	18		to Eric McLeod at Michael Best & Friedrich.
	19	Q	Were you ever given a log or inventory of those
03:37PM	20		documents?
	21	Α	Not that I remember.
	22	Q	You never went through the pile yourself?
	23	Α	Counsel, are you referring to the pile from the
	24		Reinhart machine?
03:37PM	25	Q	Yes.
			17_

			1
	1	Α	Not that I remember.
	2	Q	Do you know what format they were given to
	3		Eric McLeod in?
	4	Α	No. I would have no idea.
03:37PM	5	Q	Did you ever discuss that group of documents with
	6		anybody at the Michael Best law firm?
	7	Α	Yes.
	8	Q	Who did you discuss them with?
	9	Α	Eric McLeod.
03:38PM	10	Q	Do you recall when that conversation occurred?
	11	Α	Just generally it was around the time of my
	12		depositions.
	13	Q	Now, with regards to the pile of documents that
	14		you compiled from your MSN.com account and your
03:38PM	15		laptop or anywhere else that you had documents,
	16		what did you do with that pile?
	17	Α	Those were provided to Mr. Hodan or one of his
	18		assistants at Reinhart.
	19	Q	So you did not give them or deliver them directly
03:39PM	20		to Michael Best yourself. It was somebody at
	21		Reinhart who did that?
	22	Α	That's my memory. Yes. It was someone at
	23		Reinhart that delivered them.
	24	Q	Do you know if a log was created of those
03:39PM	25		documents?
			18

	ĺ		
	1	Α	I do not.
	2	Q	Did you ever ask Patrick Hodan or any other lawyer
	3		at Reinhart whether they created a log of the
	4		documents that they gathered on your behalf?
03:39PM	5	Α	No. Not that I remember.
	6	Q	Do you know if there were any document control
	7		approaches used with the management of those
	8		documents?
	9		MS. BUCHKO: Object, foundation.
03:39PM	10	Α	No. I don't know if there were.
	11	Q	Do you know if they were Bates numbered or
	12		anything like that?
	13	Α	No. I do not.
	14	Q	Do you know if they were imaged?
03:39PM	15	Α	No. I do not.
	16	Q	Did you discuss that second pile of documents with
	17		anybody after you turned them over to
	18		Patrick Hodan?
	19	Α	Yes.
03:39PM	20	Q	Who did you discuss them with?
	21	Α	Eric McLeod at Michael Best.
	22	Q	And that was prior to your deposition?
	23	Α	I believe so.
	24	Q	Were any of the documents that you turned over to
03:40PM	25		Patrick Hodan to your knowledge not turned over to
			19

	1		the plaintiffs in the case?
	2	Α	I believe the answer is yes.
	3	Q	What documents were not turned over?
	4	Α	There were documents related to Act 39 that were,
03:40PM	5		as far as I know, not turned over by Michael Best.
	6	Q	Were you aware that those documents were being
	7		withheld before the production occurred on your
	8		behalf?
	9	Α	No.
03:40PM	10	Q	Was there an explanation given to you as to why
	11		those documents were not turned over?
	12	Α	No, because I was not necessarily aware at that
	13		time that they weren't.
	14	Q	So at the time you were deposed, you were not
03:41PM	15		aware that the documents related to Act 39 had
	16		been withheld from production?
	17	Α	That's correct.
	18	Q	Were there any other documents that were withheld
	19		from production to your knowledge other than the
03:41PM	20		Act 39 documents?
	21	Α	To my knowledge no.
	22	Q	Okay. The next topic I'm going to ask you about
	23		is your use of the computer at Michael Best.
	24		Okay? Is it accurate to say that you were
03:41PM	25		assigned a computer at Michael Best?
			20

	1	Α	Yes.
	2	Q	Was that computer set up and functioning when you
	3		first had opportunity to use it?
	4	Α	Yes.
03:41PM	5	Q	Who instructed you on how to use that computer?
	6	Α	Primarily Tad Ottman.
	7	Q	When did you first start working on that computer
	8		over at Michael Best?
	9	Α	Roughly speaking, it would have probably been in
03:42PM	10		the neighborhood of February of 2011.
	11	Q	So it's your testimony that in February of 2011
	12		you went over to Michael Best and that computer
	13		was there and you started using it?
	14	Α	That's my recollection. Yes.
03:42PM	15	Q	When were you hired I know we covered this in
	16		your deposition. It's not readily available on my
	17		abstract. When were you hired to work on the
	18		redistricting project?
	19	Α	The law firm of Reinhart was retained by the law
03:42PM	20		firm of Michael Best I believe in January of 2011.
	21	Q	And that retention agreement was in order to
	22		provide your consulting services to the
	23		redistricting project, correct?
	24	Α	Yes.
03:43PM	25	Q	I won't go through the testimony we gathered from
			21

	Ī		
	1		you about that process before, but I just want to
	2		use it as a point of departure. How soon did you
	3		end up over at Michael Best after that retainer
	4		agreement was worked out between Reinhart and
03:43PM	5		Michael Best?
	6	Α	My memory, and it is quite awhile ago, is probably
	7		within a few weeks.
	8	Q	How certain are you that in February of 2011 you
	9		went over there and were given use of a computer?
03:43PM	10	Α	I would not bet my house on it.
	11	Q	You want to keep your house?
	12	Α	It is for sale.
	13		MR. JACOB: That would be a candid
	14		response.
03:43PM	15		MR. EARLE: So far I think we're
	16		getting candid responses.
	17	Q	Now, when you went over there and first had use of
	18		the computer at Michael Best, how many computers
	19		were in the room where you would work?
03:44PM	20	Α	My recollection is that there were three.
	21	Q	Is it your understanding that there was one
	22		computer that you had exclusive access to?
	23	Α	No.
	24	Q	Okay. Is there one computer that you used
03:44PM	25		exclusively?
			22

	1	Α	Yes.
	2	Q	Who else had access to that computer that you used
	3		exclusively?
	4	Α	Tad Ottman and Adam Foltz both would have access
03:44PM	5		to the computer that I had use of.
	6	Q	How often did you use that computer?
	7	Α	Between February and June of 2011 the best answer
	8		I could give you was probably a couple times a
	9		week.
03:45PM	10	Q	On those two times per week, how long were those
	11		occasions?
	12	Α	Again, on an average I would say a typical stint
	13		there would probably be three to four hours.
	14	Q	So six to eight hours a week from February through
03:45PM	15		June of 2011? Is that a fair description of your
	16		use of that computer?
	17	Α	Yes. Evened out over time.
	18	Q	During that period of time, did you delete any
	19		documents related to the redistricting process
03:45PM	20		from that computer?
	21	Α	During that time or any other time I did not
	22		delete any documents or files from that computer.
	23	Q	Are you aware of anybody else deleting any
	24		documents from your computer that was housed at
03:46PM	25		Michael Best during the time that you had access
			23

	ľ		
	1		to it?
	2	Α	No. I'm not.
	3	Q	Did you ever discuss the deletion of documents
	4		related to redistricting with anybody during the
03:46PM	5		time that you participated in the process?
	6		MR. JACOB: Object to form.
	7	Α	Yes.
	8	Q	Who did you discuss it with?
	9	Α	Patrick Hodan.
03:46PM	10	Q	When was that?
	11	Α	Again, around the time of the depositions.
	12	Q	That would have been in December of 2010 and
	13		January of 2011?
	14	Α	No. I think you're a year off. I'm sorry,
03:46PM	15		counsel. Were you still referring to the Michael
	16		Best computer?
	17	Q	Yes.
	18		THE WITNESS: Can you please repeat
	19		his original question. I answered a question
03:46PM	20		he didn't ask.
	21	Q	Why don't you tell me what question you answered
	22		before we repeat the question I asked.
	23	Α	What I heard was did I discuss the subject of
	24		deletion of documents on any computer during that
03:47PM	25		time, and I was going back to what we had
			24

	1		previously discussed about what Patrick Hodan was
	2		securing all of my E-mails and was telling me make
	3		sure I don't delete anything. That of course was
	4		in reference to the Reinhart computer.
03:47PM	5	Q	Got you. We will read the question back.
	6		(The following was read by the reporter:
	7		Q "Did you ever discuss the deletion of
	8		documents related to redistricting with anybody
	9		during the time that you participated in the
03:46PM	10		process?")
	11	Α	The context is on that computer. No.
	12	Q	And when I say during the process, that means the
	13		process you were operating as a consultant related
	14		to the redistricting process.
03:48PM	15	Α	Correct.
	16	Q	Okay. All right. Did anybody at Michael Best
	17		ever instruct you to preserve documents and not
	18		delete them?
	19	Α	Not to the best of my memory. No.
03:48PM	20	Q	Did you ever discuss with Adam Foltz or Tad Ottman
	21		whether documents had been deleted from the
	22		computers at Michael Best during the time that
	23		those computers were deployed for the purposes of
	24		redistricting?
03:48PM	25	Α	No. Not to my memory.
			25

	4	_	Name and the state of the same and the same
	1	Q	Now, were you involved with bringing any of those
	2		computers over to the Reinhart law firm?
	3	Α	No.
	4	Q	Were you aware of whether any of the computers
03:49PM	5		from Michael Best were brought over to the
	6		Reinhart law firm at any point in time, any point
	7		in time?
	8	Α	Yes.
	9	Q	What do you know about that?
03:49PM	10	Α	My memory is that during the trial itself there
	11		was a computer there.
	12	Q	What do you know about that?
	13	Α	My memory is that it was brought over by
	14		Adam Foltz and used by Adam Foltz.
03:49PM	15	Q	And what do you know about who made that
	16		arrangement?
	17	Α	Sorry. I don't.
	18	Q	Were you involved in any way, shape, or form with
	19		the use of that computer at Reinhart during the
03:49PM	20		course of the redistricting trial?
	21	Α	Not to my memory.
	22	Q	Where within the Reinhart law firm was that
	23		computer located?
	24	Α	Boy. I honestly can't remember.
03:50PM	25	Q	Were you working at Reinhart during the
			26

	i		
	1		redistricting trial?
	2	Α	Yes.
	3	Q	Were you involved in any way with the defense of
	4		the plaintiffs during the redistricting trial?
03:50PM	5	Α	Yes.
	6	Q	Without communicating to me about your
	7		communications with defense counsel, what was your
	8		role?
	9	Α	My role was to assist the legal team as they
03:50PM	10		appeared before the court. In defending Acts 43
	11		and 44, my role was to help them understand sort
	12		of that translation between what was in the map
	13		itself and how to turn that into language to
	14		explain to the Court or to anyone else who would
03:51PM	15		ask.
	16	Q	Which attorneys did you work with in the course of
	17		assisting the defense during the redistricting
	18		trial?
	19	Α	I worked with Attorneys Dan Kelly, Patrick Hodan,
03:51PM	20		Maria Lazar, Joe Voiland, and Jacob Curtis.
	21	Q	Did Adam Foltz interact with that team during that
	22		period of time?
	23	Α	During the trial. Yes.
	24	Q	Did you witness Adam Foltz interacting with that
03:51PM	25		defense team during the trial?
			27

	ľ		
	1	Α	Yes.
	2	Q	What did you witness?
	3	Α	What I witnessed was when a witness would need a
	4		graphical representation of something that was in
03:52PM	5		the map, Adam would be the one who could produce
	6		that for them.
	7	Q	So is it your testimony that Adam Foltz prepared
	8		demonstrative exhibits for the trial with the
	9		computer that was brought over there?
03:52PM	10	Α	No.
	11	Q	Is that an incorrect statement that I just made?
	12	Α	I would have no way of knowing what he was
	13		producing to help somebody view something whether
	14		that became a demonstrative exhibit or not.
03:52PM	15	Q	I see. But he produced documents from the
	16		computer to assist in the defense of the trial.
	17		Is that your testimony?
	18	Α	Yes.
	19	Q	What do you know about that?
03:52PM	20	Α	That is what I know about that.
	21	Q	Well, did you see any of the documents he produced
	22		during the course of the trial to assist in the
	23		defense of the trial?
	24	Α	I may have, but none of them were produced to me.
03:53PM	25	Q	Were you given an opportunity to review any of
			28

	1	them at that time?
	2	A Not that I recall.
	3	Q Who was Adam Foltz interacting with in that
	4	regard?
03:53PM	5	A Primarily my recollection it was Professor
	6	Bernard Grofman.
	7	Q Which lawyers were involved with that and
	8	Professor Grofman?
	9	A My recollection would be probably Patrick Hodan.
03:53PM	10	Q Did you hear any discussions about the type of
	11	information that was being provided to either
	12	Patrick Hodan or Bernard Grofman by Adam Foltz?
	13	Listen to the question.
	14	MS. BUCHKO: Repeat the question,
03:54PM	15	please.
	16	(Question read)
	17	MR. EARLE: That was artfully
	18	worded to avoid your objection.
	19	MS. BUCHKO: Say that again,
	20	please.
	21	(Question read)
	22	MS. LAZAR: I will object. That's
	23	going into attorney-client privilege. You're
	24	asking about conversations that were leading
03:54PM	25	to the defense of the defendants in the case.
		29

	1	You're asking what the subject of
	2	MR. EARLE: How could there be a
	3	privilege with the presence of Adam Foltz in
	4	the room? If you can tell me that, a basis
03:55PM	5	for that, then I will back off. I don't see
	6	that I did not ask what Patrick Hodan
	7	said.
	8	MS. LAZAR: No. But the question
	9	was if he heard any discussions. If the
03:55PM	10	discussions were between Patrick Hodan and
	11	Bernard Grofman and Adam Foltz wasn't there,
	12	then those are privileged. You didn't ask
	13	him that. You asked if he heard any
	14	discussion. He can answer if he heard
03:55PM	15	discussions, and then we will see who was
	16	present in the room.
	17	A I don't remember any.
	18	Q Okay. You don't remember any or you don't
	19	remember the content of any?
03:55PM	20	A I don't remember the content.
	21	Q But you do remember that there were discussions
	22	between Patrick Hodan and Bernard Grofman and
	23	Adam Foltz about material which involved using the
	24	computer in some fashion, correct?
03:56PM	25	A Yes.
		30

	1	Q	Do you remember anything that Adam Foltz said
	2		during that time frame?
	3	Α	No.
	4	Q	Did you know that that was one of the computers
03:56PM	5		from the Michael Best law firm here in Madison?
	6	Α	I presumed it was.
	7	Q	Did you find that surprising?
	8	Α	No.
	9	Q	What room was that computer in?
03:57PM	10	Α	I really don't recall, counselor.
	11	Q	Was there a war room set up over at Reinhart?
	12	Α	There was a room held for us to have conferences
	13		during the trial.
	14	Q	Was that the room that the computer was in?
03:57PM	15	Α	My memory is that it was, but I couldn't identify
	16		where that room was or what type of room it was.
	17	Q	When you work at Michael Best, did you correspond
	18		with anybody when you were consulting on behalf
	19		of Reinhart for Michael Best on the redistricting,
03:58PM	20		did you talk with anybody about the role of
	21		citizenship in calculating or determining whether
	22		or not the Latino community would constitute an
	23		effective voting majority in electoral districts
	24		in Milwaukee?
03:58PM	25	Α	No.
			31

	1	Q	Did you see any communications from anybody about
	2		the subject of whether citizenship was a factor to
	3		consider in that process?
	4	Α	Yes.
03:58PM	5	Q	What did you see?
	6	Α	I've seen communications that I believe you
	7		disclosed at around the time of the deposition for
	8		trial between Mr. Troupis and a Latino
	9		organization.
03:59PM	10	Q	Anything else?
	11	Α	My own deposition you spoke to some length about
	12		that topic.
	13	Q	And we have that record. I'm not going to rehash
	14		that. I want to know whether you had any
03:59PM	15		conversations with Adam Foltz, Tad Ottman,
	16		Eric McLeod, Ray Taffora, or anybody else at
	17		Michael Best or Jim Troupis about that subject
	18		while you were a consultant working on
	19		redistricting over at Michael Best.
03:59PM	20		MS. BUCHKO: I'm going to object.
	21		I think this goes beyond the scope of this
	22		intended deposition which should relate to
	23		pretrial discovery issues and not rehashing
	24		the merits of the redistricting case.
03:59PM	25		MR. EARLE: This is not a topic of
			32

	Í	
	1	the 30(b)(6).
	2	MS. BUCHKO: I disagree. The Court
	3	has given you an instruction to go ahead or
	4	authorization to pursue with discovery
04:00PM	5	related to pretrial discovery issues. I
	6	think this is going outside the scope and is
	7	rehashing merits issues.
	8	MR. EARLE: It's not.
	9	Q Go ahead.
04:00PM	10	A No.
	11	Q Okay. Is it accurate to say that you were kind of
	12	a somewhat less involved participant in the
	13	redistricting process compared to the role of the
	14	others working at Michael Best here in Madison?
04:00PM	15	A By others you mean?
	16	MR. JACOB: Object as to form.
	17	Q Ottman and Foltz and McLeod and Taffora.
	18	A Yes. That's a fair statement.
	19	Q At any point in time did you hear any discussions
04:01PM	20	about withholding documents from the plaintiffs?
	21	A Yes.
	22	Q What did you hear?
	23	A After.
	24	MR. JACOB: Object as to form.
04:01PM	25	Go ahead.
		33

		1	The state of the s
	1	Q	Go ahead.
	2	Α	After all my documents were submitted to Michael
	3		Best, I made an inquiry as to who decides whether
	4		or not they're responsive to the subpoena, and I
04:01PM	5		was told that that was the lawyers will make
	6		that decision.
	7	Q	0kay.
	8	Α	And so insofar as that goes, I mean the reverse
	9		of that is if they felt something wasn't
04:01PM	10		responsive, they would be "withholding" it.
	11	Q	Okay. I want to understand more about that.
	12	Α	Yes.
	13	Q	So let's talk about that. To whom did you make
	14		that inquiry?
04:02PM	15	Α	Eric McLeod.
	16	Q	And this is after your first deposition or when
	17		was it in relationship to let's say your first
	18		deposition?
	19	Α	I believe it would have been before my first
04:02PM	20		deposition.
	21	Q	Before? Okay.
	22	Α	But certainly before the second.
	23	Q	Maybe before the first and certainly before the
	24		second?
04:02PM	25	Α	Yes.
			34

	i		
	1	Q	And where did that where were you when you made
	2		that inquiry?
	3	Α	That was in the offices of Michael
	4		Best & Friedrich.
04:02PM	5	Q	Who else was present?
	6	Α	There was a young attorney named Joe. I'm sorry.
	7	Q	Screnock?
	8		MR. POLAND: 01son.
	9	Q	Joe Olson.
04:02PM	10	Α	But I quite honestly can't tell you for sure
	11		whether he was there at the moment or not that I
	12		asked that question.
	13	Q	Was either Foltz or Ottman there?
	14	Α	No.
04:03PM	15	Q	And how did you phrase the inquiry to Eric McLeod?
	16	Α	I asked I said This is everything that relates
	17		to redistricting that came off of the Reinhart
	18		computer and my E-mail. Who is going to decide
	19		what is responsive and what isn't?
04:03PM	20	Q	Okay. What did he say?
	21	Α	He said We decide. We will decide that.
	22	Q	Is there anything more to the conversation beyond
	23		that?
	24	Α	Yes.
04:03PM	25	Q	Okay. Tell me about it.
			35

	1	Α	I asked a follow-up question. I asked <i>If you were</i>
	2		to not supply something that later was determined
	3		that should have been supplied, who answers for
	4		that, me or you as counsel?
04:03PM	5	Q	Okay. What did he say when you asked that?
	6	Α	He said That's why you have counsel. He said
	7		We're responsible for that.
	8	Q	Did you ask any further follow-up?
	9	Α	No. I was satisfied at that point.
04:04PM	10	Q	Did you ask him to give it to you in writing?
	11	Α	No.
	12	Q	You should have. I'm kidding.
	13		MS. BUCHKO: Are you threatening
	14		the witness there, counsel?
04:04PM	15		MR. EARLE: No. I was joking.
	16		That comment was made, for the transcript
	17		purposes, for a little levity.
	18		I'll withdraw that comment.
	19		MS. BUCHKO: Okay.
04:04PM	20	Q	Did you discuss that issue with anybody else other
	21		than Eric McLeod?
	22	Α	In that time period?
	23	Q	Yes.
	24	Α	No.
04:04PM	25	Q	Did you discuss that issue with anybody else after

	3	Α	That was a statement. I'm waiting for your
	4	Q	I'm going to ask you. I'm asking you whether you
04:06PM	5		have any knowledge.
	6		MS. BUCHKO: Same objections.
	7	Q	I'm asking you whether you have any knowledge of
	8		any unlawful conduct in which the three computers
	9		at Michael Best played a part.
04:06PM	10	Α	All right.
	11		MS. BUCHKO: Same objections.
	12	Α	I'm sorry. I'm not trying to be difficult. I'm
	13		trying to be precise. The answer is no.
	14	Q	Do you have any knowledge about anybody in the
04:06PM	15		redistricting process destroying documents in
	16		order to avoid production of them?
	17	Α	No.
	18	Q	I will rephrase I'm going to ask you a
	19		different variation of the first of those
04:06PM	20		questions that I asked. Are you aware of any
	21		misuse of the three computers that were located at
	22		Michael Best?
	23		MS. BUCHKO: Object to form,
	24		foundation, competency.
04:07PM	25	Α	No.
			38

	1	MR. EARLE: Your witness.
	2	<u>EXAMINATION</u>
	3	By Mr. Poland:
	4	Q Mr. Handrick, at the time that you used the
04:07PM	5	redistricting computer at Michael Best's offices,
	6	was there also an external hard drive, disc drive,
	7	attached to that computer?
	8	A Not that I know of. I wouldn't know what one
	9	looked like. Not that I know of.
04:07PM	10	Q Was there any kind of a sort of metal box about
	11	the size of a tissue box that had a cable that was
	12	hooked up to the computer?
	13	A Not that I can recall.
	14	Q Was there any backup system that you know about
04:07PM	15	that was backing up the contents of the
	16	redistricting computer that you were working on?
	17	A My memory is that LTSB backed up all three of
	18	those computers, but I can't answer as to whether
	19	that was on a network or whether they came and
04:08PM	20	physically did that to each one.
	21	Q Did you ever access the Internet through your
	22	redistricting computer?
	23	A I tried.
	24	Q That was when it was at Michael Best & Friedrich,
04:08PM	25	correct?
		39

	1	Α	Yes.
	2	Q	Did you succeed?
	3	Α	No.
	4	Q	What did you try to do to access the Internet?
04:08PM	5	Α	I was curious one day because my memory was
	6		failing me as to the exact boundaries of the
	7		Lac Courte Oreilles reservation. So I wanted to
	8		go find a map of the Lac Courte Oreilles
	9		reservation. I had viewed that many times before
04:08PM	10		on their website. So I tried to find it on the
	11		Internet.
	12	Q	And you couldn't connect to the Internet?
	13	Α	I could connect, but a screen came up that said
	14		Michael Best & Friedrich has blocked you from this
04:09PM	15		type of website.
	16	Q	Okay. Did you ever try to connect to any other
	17		type of website through your redistricting
	18		computer?
	19	Α	Not that I recall.
04:09PM	20	Q	Did you access any kind of web mail like MSN web
	21		mail from the redistricting computer?
	22	Α	Not that I recall.
	23	Q	It's your testimony here today then that you have
	24		no recollection of any external hard drive that
04:09PM	25		was hooked up to your redistricting computer?
			40

	1	Α	That's correct.
	2	Q	And you certainly never operated or handled such
	3		an external hard drive to your knowledge?
	4	Α	Definitely not.
04:09PM	5	Q	You testified in response to questions that
	6		Mr. Earle asked you about documents that you
	7		printed and gave to Mr. McLeod for production,
	8		correct?
	9	Α	Well, I didn't give them to him.
04:10PM	10	Q	I thought you said you had a big stack of
	11		documents that you
	12	Α	I produced them for Mr. McLeod. I think what I
	13		testified was that I didn't actually deliver them.
	14	Q	All right. Fair enough. You had a big stack of
04:10PM	15		documents that you produced for Mr. McLeod, but
	16		you weren't the one who physically handed them to
	17		Mr. McLeod; is that correct?
	18	Α	Correct.
	19	Q	And as you searched for documents that were
04:10PM	20		responsive to plaintiffs' subpoenas, you mentioned
	21		that you did not exclude documents pertaining to
	22		SB 150, correct?
	23	Α	That is correct.
	24	Q	There's a stack of documents in front of you,
04:10PM	25		Mr. Handrick. They should be in number order with
			41

	1		the exhibit stickers, the yellow exhibit stickers.
	2		I'm going to ask you to pull out what's been
	3		marked as Exhibit No. 12 in that stack.
	4	Α	Okay. I have No. 12 in front of me.
04:11PM	5	Q	I would like you to take a look at the second page
	6		of Exhibit No. 12. I don't know if you remember
	7		this from your last deposition, but lawyers like
	8		to use fancy names for things. We put these
	9		numbers on the bottom of the documents, and we
04:11PM	10		call them Bates stamps. The second page you will
	11		see in the lower right-hand corner is Bates No.
	12		Evans 000108. Do you see that?
	13	Α	Yes.
	14	Q	I would like you to look at the top of that page.
04:11PM	15		Do you see that there is an E-mail there. It's
	16		from you and it's going to Mr. Taffora,
	17		Mr. Ottman, Mr. Foltz, and Mr. Troupis on July 18,
	18		2011. Do you see that?
	19	Α	Yes.
04:11PM	20	Q	Now, I will represent to you that this is an
	21		E-mail that was not produced to the plaintiffs in
	22		the litigation. All right? Is this a document
	23		that you believe you printed out and was provided
	24		to Mr. McLeod as part of the document production
04:12PM	25		process?
			42

	1	Α	No. I believe this is a document that would have
	2		been pulled off of the Reinhart computer doing
	3		their search.
	4	Q	So you believe that the search that was conducted
04:12PM	5		on Reinhart's own E-mail system would have snagged
	6		this document or located this document and that
	7		would have been printed and provided to
	8		Mr. McLeod?
	9	Α	Yes.
04:12PM	10	Q	Have you seen that particular E-mail before?
	11	Α	Yes.
	12	Q	You saw it on or about the date that you sent it?
	13	Α	Yes. I would have seen it on the day I wrote it.
	14	Q	Did you see it after the day that you wrote it?
04:12PM	15	Α	Yes.
	16	Q	When did you see it after the day that you wrote
	17		it?
	18	Α	Last Friday.
	19	Q	Who showed it to you last Friday?
04:12PM	20	Α	My counsel.
	21	Q	I would like to turn your attention to I think
	22		on these there's no distinction between individual
	23		documents, so it might be a little bit difficult.
	24		Let me do this: I would like you to just page
04:13PM	25		through Exhibit No. 12
			43

	1	Α	0kay.
	2	Q	and identify for me documents that you don't
	3		believe were provided to Michael Best & Friedrich
	4		by Reinhart as part of the document production.
04:13PM	5	Α	Documents I don't believe.
	6	Q	Correct. Documents that you do not believe were
	7		provided to Michael Best & Friedrich by Reinhart
	8		as part of the document production process.
	9	Α	The document on the front page, counselor, on
04:15PM	10		Evans 000112 I would have no reason to believe
	11		that that document would have been picked up by
	12		the Reinhart document search. Counselor, Evans
	13		000117. That looks like that might be the same
	14		document, but I don't believe that would have been
04:15PM	15		picked up by the Reinhart document search. That
	16		same document appears to be reproduced on 000122.
	17		I'm on Evans 000123. Counselor, the E-mail at the
	18		top to Ray Taffora from Jim Troupis I don't
	19		believe that would have been picked up by the
04:16PM	20		Reinhart document search. The same goes for the
	21		E-mail at the bottom of that page. On the next
	22		page, 00124. Rodriguez E-mail I do not believe
	23		would have been picked up by the Reinhart document
	24		search. 000127 also an E-mail. I don't see
04:17PM	25		anything that would indicate that that would have
			44

	1	been picked up by Reinhart in its document search.
	2	000129. There are two messages there. I don't
	3	believe either would have been picked up by the
	4	Reinhart document search. On the bottom of 000131
04:18PM	5	there's a repeat of one I already identified.
	6	Counselor, at the top of 000133 E-mail Troupis to
	7	Taffora. That would not have been picked up by
	8	the Reinhart document search. 135. Again,
	9	there's one, a repeat. 136 is an E-mail that I
04:19PM	10	don't believe Reinhart's search would have picked
	11	up. Same goes for the E-mail on 137. On 145
	12	there are E-mails there I don't believe would have
	13	been picked up by the Reinhart search. On 147
	14	there's what appears to be a string of E-mails
04:20PM	15	that I don't believe would have been picked up by
	16	the Reinhart search. On 156 there's again a
	17	repeat of an E-mail that I don't believe would
	18	have been picked up by that search.
	19	Q Other than the documents you have identified
04:21PM	20	specifically by their Bates number, you would have
	21	expected the other documents to have been picked
	22	up by the Reinhart search and provided to Michael
	23	Best & Friedrich as part of the document
	24	production process?
04:21PM	25	MR. JACOB: Objection, form and
		45

	1		foundation.
	2	Α	Yes.
	3	Q	Are there any other documents other than what you
	4		have identified for Mr. Earle by category and what
04:21PM	5		we have just been through that you were aware of
	6		that were located either on your own search for
	7		documents as part of the production process in the
	8		litigation or identified by the Reinhart law firm
	9		from your files on their system that related to
04:22PM	10		redistricting and were provided to Michael
	11		Best & Friedrich but were not produced to
	12		plaintiffs?
	13	Α	I'm not aware of any.
	14	Q	When you were engaged to work with Michael
04:22PM	15		Best & Friedrich in the redistricting process in
	16		2011, were you told that that engagement was going
	17		to be subject to an attorney-client privilege?
	18	Α	Yes.
	19	Q	Were you told that there was also some kind of
04:22PM	20		privilege relating to anticipated litigation?
	21	Α	That I don't recall.
	22	Q	Do you recall ever being told that litigation was
	23		possible over redistricting?
	24	Α	My memory is that the litigation had already
04:23PM	25		started so yes I was aware that there would be.
			46

	1	Q	I'm going to ask you if you could take a look at
	2		Exhibit No. 9 that's in front of you. It might be
	3		somewhere in the stack. Do you have that in front
	4		of you, Mr. Handrick?
04:23PM	5	Α	Yes.
	6	Q	Do you see this was a document we had actually
	7		marked back at your deposition in 2012? Do you
	8		see this is an E-mail that was sent from
	9		Mr. Troupis to a number of people and you were
04:23PM	10		copied on it, correct?
	11	Α	Yes.
	12	Q	You see up at the top it states Attorney Client
	13		Privilege Litigation Preparation? Do you see
	14		that?
04:23PM	15	Α	Yes.
	16	Q	Were you ever told what that means, Attorney
	17		Client Privilege Litigation Preparation?
	18	Α	No.
	19	Q	Were you ever instructed to retain and not discard
04:24PM	20		any of the materials that you had relating to
	21		redistricting?
	22	Α	Are we now in the time frame of my consultation at
	23		Michael Best?
	24	Q	We are in the time frame of your yes.
04:24PM	25	Α	During that time frame? No.
			47

	1	Q When was the first time you were instructed as
	2	part of the redistricting process or the
	3	litigation that you should not discard and you
	4	should retain documents?
04:24PM	5	A By the Reinhart attorneys at around the time of my
	6	depositions.
	7	Q And that would have been in approximately December
	8	of 2011?
	9	A Yes.
04:24PM	10	MR. POLAND: I think I'm finished.
	11	MS. LAZAR: I have no questions.
	12	<u>EXAMINATION</u>
	13	By Mr. Jacob:
	14	Q Mr. Handrick
04:24PM	15	A When you did introduce yourself before, I didn't
	16	even catch it.
	17	Q That's okay.
	18	MR. EARLE: He's the lawyer for
	19	Michael Best.
04:25PM	20	Q And an individual with a name.
	21	A You may have gathered I have a little trouble with
	22	retaining names.
	23	Q My name is Ayad Jacob. I am representing Michael
	24	Best.
04:25PM	25	Mr. Handrick, did you at any point discard or
		48

	1		delete any documents relating to redistricting?
	2	Α	As I stated before, I never deleted anything from
	3		that computer.
	4	Q	From the computer. The computer you're referring
04:25PM	5		to is the computer at Michael Best and the
	6		computer you used at Michael Best, the
	7		redistricting computer?
	8	Α	Correct.
	9	Q	And the only other computer that you're referring
04:25PM	10		to is your Reinhart computer?
	11	Α	Correct.
	12	Q	Now, earlier you had testified that there was a
	13		Reinhart or what you referred to as a Reinhart
	14		document search. Could you tell me who conducted
04:26PM	15		that search again.
	16	Α	It was conducted by the IT department.
	17	Q	Do you recall specifically whom?
	18	Α	No. I don't.
	19	Q	And they conducted this search based on search
04:26PM	20		terms or just individuals that you corresponded
	21		with?
	22	Α	My understanding is that they did it based on
	23		search terms and subject lines as well as to or
	24		from any individuals that I would have worked with
04:26PM	25		redistricting on.
			49

	1	Q	And they then compiled the results of the search?			
	2	Α	Yes.			
	3	Q	And did you review their search results prior to			
	4		it being provided to Eric McLeod?			
04:27PM	5	Α	I do not recall reviewing the Reinhart search			
	6		results.			
	7	Q	So you cannot say whether let's back up. You			
	8		did not review the search results, the documents			
	9		that resulted from the Reinhart document search,			
04:27PM	10		and you did not provide those documents directly			
	11		to Eric McLeod; is that correct?			
	12	Α	That's correct.			
	13	Q	So you have no knowledge regarding the specific			
	14		documents provided to Eric McLeod, do you?			
04:27PM	15	Α	That would be correct.			
	16	Q	So as you sat here today and Mr. Poland was going			
	17		to specific documents that would have been			
	18		provided to Michael Best, you have no way of			
	19		saying whether those documents were in fact			
04:28PM	20		provided, correct?			
	21		MS. BUCHKO: Object to form.			
	22	Α	I would have no way of literally knowing whether			
	23		they were. That's correct.			
	24	Q	Because you didn't review the search results that			
04:28PM	25		Reinhart conducted and you didn't provide the			
			50			

	1	actual documents to Michael Best, correct?				
	2	A That's correct.				
	3	MR. JACOB: That's all.				
	4	MS. BUCHKO: I just have a couple				
04:29PM	5	of quick questions.				
	6	<u>EXAMINATION</u>				
	7	By Ms. Buchko:				
	8	Q Mr. Handrick, I want to talk only about the				
	9	computer that you used that was in the Michael				
04:29PM	10	Best & Friedrich offices for redistricting. Okay?				
	11	When you were present working on that computer,				
	12	did you ever have occasion to see staff from the				
	13	Legislative Technology Services Bureau performing				
	14	any sort of service or maintenance on that				
04:29PM	15	computer?				
	16	A No.				
	17	Q Are you aware of whether they did perform any				
	18	service or maintenance on that computer?				
	19	A Yes.				
04:29PM	20	Q What are you aware of them doing?				
	21	A On occasion, maybe a couple of times, something				
	22	wouldn't work right so I would let the other guys				
	23	know something wasn't working right, and then they				
	24	would put in a request to LTSB to get it fixed.				
04:30PM	25	Q Do you know whether or not LTSB from the time you				
		51				

	i					
	1	started using the computer at Michael				
	2	Best & Friedrich through the time of the enactment				
	3	of Acts 43 and 44 if they ever had occasion to				
	4	update the software or the data that was on that				
04:30PM	5	computer?				
	6	A If they did, I'm not aware of it.				
	7	MS. BUCHKO: Okay. That's all I've				
	8	got.				
	9	MS. LAZAR: No questions.				
04:30PM	10	MR. EARLE: Thanks, Joe.				
	11	MR. POLAND: We're done.				
	12	THE VIDEOGRAPHER: We're going off				
	13	the record. This concludes the video				
	14	deposition of Mr. Joseph Handrick. The time				
04:30PM	15	is 4:29 p.m.

I further certify that I am neither attorney or counsel for, nor related to or employed by any of the parties to the action in which this deposition is taken and further that I am not a relative or employee of any attorney or counsel employed by the parties hereto or financially interested in the action.
