Re: *William Whitford, et al. v. Gerald Nichol, et al.*, W.D. Wis. Case No. 15-CV-421

Dear Mr. Oppeneer:

We represent the plaintiffs in the captioned action. On May 16, 2016, in accordance with the Preliminary Pretrial Conference Order and the Court's stated preference to receive electronic copies of trial exhibits, we tendered the plaintiffs' trial exhibits to the Court. We have reformatted 14 of the demonstrative exhibits (Tr. Exs. 121-125, 157-160, 323-325, 329 & 368), and added nine demonstrative exhibits (for convenience, we have labeled these "Exhibit 475" through "Exhibit 483"). Copies of these exhibits are on the enclosed flash drive. We will file an amended exhibit list today.

Very truly yours,

Douglas M. Poland
