4	<p>1 committee will meet again tomorrow morning at 9:00 a.m. 2 to receive public comment on the Senate bill that 3 passed over to us. We will receive public comment from 4 9:00 a.m. until 10:00 a.m. The committee will then 5 begin to discuss and debate the bill that passed over 6 from the Senate today which, of course, is the 2016 7 contingent Congressional maps. So to the extent that 8 you can be here or listen in to the public comment, the 9 Chair would encourage you to do so. 10 REP. STEVENS: Mr. Chair. 11 REP. LEWIS: Representative Stevens, state your 12 purpose. 13 REP. STEVENS: Thank you. Mr. Chair, just for 14 an inquiry. Do we want to tell the committee that 15 there was a slight modification in that plan through 16 the Senate? The switching of a couple of precincts. I 17 didn't know if you wanted to make that clear. 18 REP. LEWIS: Sure, thank you, Representative. 19 The Chair will inform the body that the original bill 20 that was filed was amended in the Senate this morning. 21 The amendment consisted entirely of changing two and a 22 half precincts in Guilford County. When the original 23 plan was drawn, it was not the Chair's intent -- the 24 Chairs of the committee's intent to place the 25 residences of Representative Adams and Representative</p>
3	<p>1 CLERK: Representative Jackson. 2 REP. JACKSON: Here. 3 CLERK: Representative Johnson. 4 REP. JOHNSON: Here. 5 CLERK: Representative Jordan. 6 REP. JORDAN: Present. 7 CLERK: Representative McGrady. 8 REP. MCGRADY: Here. 9 CLERK: Representative Michaux. 10 REP. MICHAUX: Here. 11 CLERK: Representative Moore. 12 Representative Stam. 13 REP. STAM: Here. 14 CLERK: Representative Stevens. 15 REP. STEVENS: Here. 16 CLERK: Representative Dixon. 17 REP. HARDISTER: Mr. Chair. 18 REP. LEWIS: Representative Hardister, for what 19 purpose do you request recognition? 20 REP. HARDISTER: I just walked in. I wanted to 21 let you know I'm here. 22 REP. LEWIS: The Clerk will record 23 Representative Hardister as here. 24 Members, we're going to begin with a little bit 25 of housekeeping as we await the bill to arrive. The</p>
5	<p>1 Walker in the same district. That was inadvertently 2 done, however, and two precincts were changed to 3 correct that. Members will receive -- when you receive 4 your map and your stat pack tomorrow, it will reflect 5 that this is the amended plan that came from the 6 Senate. 7 Thank you for the chance to explain that, 8 Representative. 9 Members, for your planning purposes, we're 10 simply awaiting the bill to arrive from the print shop. 11 It should be just a moment. 12 Representative Moore, for what purpose does the 13 gentleman seek recognition? 14 REP. R. MOORE: I just wanted -- I heard that 15 while I was out, you did roll call. I just wanted to 16 reflect that I am here. 17 REP. LEWIS: The Clerk will record that 18 Representative Moore is present. That would be Moore 19 of Mecklenburg. 20 REP. R. MOORE: Absolutely. 21 REP. LEWIS: Members, the Chair directs that 22 the Proposed Committee Substitute for House Bill 2 be 23 distributed to the committee. The Chair would also 24 direct that any other members that are here that would 25 like a copy of the Proposed Committee Substitute one be</p>

6

1 provided, and to the extent available, one be provided  
2 to the public that may be present as well.  
3 Members, do members have copies of the Proposed  
4 Committee Substitute for House Bill 2? Is there any  
5 objection to the Proposed Committee Substitute for  
6 House Bill 2 being properly before the committee?  
7 Seeing none, so ordered.  
8 Representative Jones, you are recognized along  
9 with Representative Hardister at your discretion to  
10 present the Proposed Committee Substitute to House Bill  
11 2.  
12 REP. JONES: Thank you, Mr. Chairman. Ladies  
13 and gentlemen of the committee, let me just begin as I  
14 know you're just getting the bill before you and trying  
15 to read it, but I just want to thank our staff first  
16 and foremost. They have done quite a heroic effort to  
17 put this together. I think the more we have gotten  
18 into this, we have seen just the complications that you  
19 might not expect that would be associated with this,  
20 but I just want to say that, for the record, we just  
21 have a tremendously competent and dedicated staff that  
22 has worked very hard and put in long hours. And I also  
23 wanted to thank the input that we had from the Board of  
24 Elections, Kim Strach, and the leadership team there.  
25 A lot of people worked very hard to put this together.

7

1 Perhaps, I know we're all just looking at this. It's  
2 hot off the press it's coming to us. Perhaps we can  
3 walk through it together here. You see House Bill 2 is  
4 a bill to be entitled An Act to Revise Procedures for  
5 the Conduct of the 2016 Primary Election to Comply with  
6 the Court Order in Harris vs. McCrory.  
7 Section 1(a) establishes that we have a 2016  
8 U.S. House of Representatives primary election.  
9 Section 1(b) establishes the date of that  
10 election would be Tuesday, June 7, 2016.  
11 Section 1(c) establishes the filing period for  
12 this special election. It would open at 12:00 noon on  
13 Wednesday, March 16. And just to make note, as I'm  
14 sure you see, that would be after, of course, the March  
15 15 primary, but the next day. And would continue  
16 through 12:00 noon on Friday, March the 25th.  
17 Eligibility to file, Section 1(d). You have to  
18 be affiliated with the party that you're running under  
19 for at least 75 days. A person registered as  
20 "Unaffiliated" would be ineligible to file as a  
21 candidate in a party primary election.  
22 Section 1(e). You cannot run for two separate  
23 offices at the same time. That is current state law.  
24 The way this would work is if you are already running  
25 for an office, whether that be the state legislature or

8

1 another office in the state, and you are the nominee  
2 after the March 15 primary, you could file to run in  
3 the congressional primary. But as of that election on  
4 June 7, if you are the winner of that primary and you  
5 are the nominee of your party, you cannot run in the  
6 general election in two separate offices. You would  
7 have to withdraw from one. And this establishes that  
8 you would have to do that within -- no later than one  
9 week after the certification of both the primary  
10 election results.  
11 Section 1(f) provides for return on filing  
12 fees. So anyone who has previously filed for Congress  
13 already, as you know we are already in that election,  
14 this is establishing a new congressional election. So  
15 anyone that filed and paid the filing fee would be  
16 entitled to a return on their filing fee.  
17 Then going to Section 2 and 2(a), and it would  
18 mean for the primaries this year, there would be no  
19 second primary. We contemplated different options  
20 there. We felt like that that would by far be the  
21 simplest manner, to simply not have a second primary.  
22 It is going to be a reduced time in able to carry out  
23 this election. So just to be clear, there would be no  
24 second primary for the March 15 primary, and there  
25 would also be no second primary for the congressional

9

1 primary on June 7.  
2 Section 2(b), I would have to refer to staff.  
3 I'm not sure what -- what we're repealing there.  
4 Mr. Chair, could I ask staff to explain Section 2(b)?  
5 REP. LEWIS: The Chair would like to ask either  
6 Ms. Churchill or Ms. Tornow if they would address  
7 Section 2(b). Simply explain what is being repealed.  
8 MS. TORNOW: Sure. Kelly Tornow with  
9 Legislative Analysis. So Section 2(b) repeals Section  
10 2(d) of Session Law 2015-258. That is the  
11 Presidential Primary Bill, and it refers to second  
12 primaries in that session law. So it's repealing those  
13 references to second primaries.  
14 REP. LEWIS: Okay. Please proceed,  
15 Representative Jones.  
16 REP. JONES: Thank you, Mr. Chair.  
17 Section 2(c) says that any election authorized  
18 by statute that is set for the date of the second  
19 primary would be placed on the ballot at the times of  
20 this special congressional primary election. And so  
21 any other election that needed to take place, I  
22 believe, a judicial vacancy, for instance, would take  
23 place at the same time.  
24 Section 3 has to do with the nomination of  
25 electors to the Electoral College. This is, of course,

<p style="text-align: right;">10</p> <p>1 the presidential election. One presidential elector 2 would be nominated from each congressional district as 3 these districts existed on January 1, 2015, and two 4 from the state at-large. As you know, we get 15. We 5 have 13 congressional districts, and then we have the 6 two at-large. And what that basically says is that the 7 current congressional district map would remain in 8 place for political parties that would be nominating 9 their electors for president. It would be very, very 10 difficult, if not practically impossible, for the state 11 parties at this point to completely reorganize all of 12 their districts in compliance with the new 13 congressional districts. So for the purpose of 14 electing presidential electors, the current maps would 15 be used for that.</p> <p>16 And then we get to Section 4.(a) I'm reading 17 this for the first time along with you, so let's see 18 what this says.</p> <p>19 Mr. Chair, I think I'm going to ask if the 20 staff would clearly explain. They can probably explain 21 this better than I can.</p> <p>22 REP. LEWIS: Which section, Representative 23 Jones?</p> <p>24 REP. JONES: Section 4. Let's let them explain 25 Section 4. The staff is recognized.</p>	<p style="text-align: right;">12</p> <p>1 United States Supreme Court reverses or stays the 2 decision that has brought us all here.</p> <p>3 So, Mr. Chair, I would gladly take any 4 questions anyone may have.</p> <p>5 REP. LEWIS: Representative Michaux.</p> <p>6 REP. MICHAUX: Thank you, Mr. Chairman. What 7 did I hear about second primaries? Is there something 8 in this bill concerning second primaries, and what was 9 it?</p> <p>10 REP. JONES: Yes, sir, this says that there 11 will be no second primaries for this 2016 elections, 12 either for the March 15 election or for the special 13 congressional primary. There would not be second 14 primaries.</p> <p>15 REP. MICHAUX: What about -- are you saying 16 there's not going to be second primaries for 17 legislative seats and others? Is that what you're 18 telling me?</p> <p>19 REP. JONES: That is correct, and I believe 20 that is in Section 2.(a) that it points that out. That 21 for all 2016 primary elections they would be determined 22 by plurality, and no second primaries will be held 23 during the 2016 election cycle.</p> <p>24 REP. MICHAUX: Mr. Chairman, I -- there is a 25 problem, and I wish somebody would explain it to me.</p>
<p style="text-align: right;">11</p> <p>1 MS. TORNOW: Kelly Tornow with Legislative 2 Analysis, again. So Section 4 allows the State Board 3 of Elections to issue temporary orders to implement the 4 requirements of this act. It is the same authority 5 that the General Assembly gave the State Board of 6 Elections in 2015 for the presidential primary. It 7 just allows them to be able to implement in case, you 8 know, we forgot anything or there are administrative 9 rules that they need to be able to manipulate in order 10 to make this work.</p> <p>11 REP. JONES: Okay. Thank you. Mr. Chair, if I 12 may continue.</p> <p>13 REP. LEWIS: Please.</p> <p>14 REP. JONES: Section 5 clarifies that any 15 ballots that are cast on the March 15th ballot, those 16 ballots have already been printed, so there are going 17 to be congressional races on those ballots. Obviously, 18 those are null and void. This would be a new election. 19 So this says that the State Board of Elections will not 20 certify any ballots that are cast for Congress on the 21 March 15 election and that those results would remain 22 confidential.</p> <p>23 Section 6 simply says this act is effective 24 when it becomes law, and it applies to the 2016 25 election cycle unless, prior to March 16, 2016, the</p>	<p style="text-align: right;">13</p> <p>1 In the resolution that was passed this morning about 2 what this special session was about, that resolution 3 says, "All bills shall be excluded from introduction 4 and consideration in the House other than bills 5 adopting a new redistricting plans for the House of 6 Representatives of the Congress of the United States 7 and bills providing for the scheduling and 8 implementation of the congressional primary election in 9 2016." It doesn't say anything about any other 10 elections.</p> <p>11 REP. LEWIS: Thank you for your inquiry, 12 Representative. The Chair will rule that this bill 13 doing away with the second primary is necessary to 14 comply with the scheduling of the congressional 15 election contingent with the rules and the proclamation 16 from the Governor. Therefore, the matter is properly 17 before the committee.</p> <p>18 Further inquiries? Representative Jackson, 19 please state your purpose.</p> <p>20 REP. JACKSON: For an inquiry of whoever can -- 21 wishes to try to answer.</p> <p>22 REP. LEWIS: The gentleman may state his 23 inquiry.</p> <p>24 REP. JACKSON: I'm asking about Section 6, and 25 the way I read Section 6 is that the March 15 election</p>

14

1 will continue on even for congressional as it is  
2 currently scheduled and that the United States Supreme  
3 Court would have up until that day to issue a stay. So  
4 basically, if I am reading this correctly, people  
5 currently running for Congress would need to continue  
6 to campaign and continue to expend money just in case a  
7 stay got issued prior to the primary, that those  
8 ballots that are being cast, have been cast, and would  
9 be cast on the primary election date could actually  
10 turn out to be valid and elect a congressional  
11 representative; is that correct?  
12 REP. LEWIS: Representative Jackson, would one  
13 of our staff want to speak to that?  
14 MS. TORNOW: Mr. Chair, if the stay is not  
15 issued, then that is correct. The current law would  
16 apply prior to March 16.  
17 REP. JACKSON: Follow-up.  
18 REP. LEWIS: The gentleman is recognized for a  
19 follow-up.  
20 REP. JACKSON: So technically, if I was a  
21 congressional candidate at this time, I would not know  
22 until March 15 whether the March 15 election counted  
23 for me or not. And I would have to continue to expend  
24 money knowing that on that date, I might be elected as  
25 my party's representative to Congress or, in fact, a

15

1 stay could be issued. And I could live in the wrong  
2 congressional district; is that correct?  
3 REP. LEWIS: Representative Jackson, I think  
4 the gentleman points out the chaos that the Chairs have  
5 expressed concern with. I think the gentleman very  
6 accurately points out the confusion and the uncertainty  
7 that this court order has, in the opinion of the Chair,  
8 caused.  
9 Are there further inquiries? If not,  
10 Representative Jones is recognized for a motion.  
11 REP. JONES: Thank you, Mr. Chair. I move for  
12 approval for the Proposed Committee Substitute for  
13 House Bill 2, unfavorable to the original.  
14 REP. LEWIS: Representative Jones has moved  
15 that the Proposed Committee Substitute for House Bill  
16 Number 2 be given a favorable report, unfavorable  
17 report issued to the original bill. Those in favor --  
18 REP. JACKSON: Mr. Chairman.  
19 REP. LEWIS: Pardon me. Further discussion,  
20 further debate. Representative Jackson.  
21 REP. JACKSON: I had submitted an amendment to  
22 the Proposed Committee Substitute. Is that in order  
23 yet or after this vote? I just want to make sure it is  
24 considered.  
25 REP. LEWIS: Representative Jackson, the Chair

16

1 apologizes. The Chair was not aware that the gentleman  
2 had an amendment.  
3 Representative Jackson is recognized to send  
4 forward an amendment. Representative -- members will  
5 be distributed copies of the amendment, and then the  
6 gentleman may speak on his amendment when that has  
7 occurred.  
8 Do all members have copies of the amendment  
9 sent forward by Representative Jackson?  
10 Seeing no one is saying they do not,  
11 Representative Jackson sends forward amendment  
12 H2-ATC-1[v.1]. It moves to amend the bill on page 1,  
13 line 5, through page 2, line 28. Members have copies.  
14 Representative Jackson is recognized to explain  
15 his amendment.  
16 REP. JACKSON: Thank you, Mr. Chairman. My  
17 amendment would simply move all our primaries,  
18 including the ballot, the bond proposal, the  
19 presidential primary, everything until June 21, 2016.  
20 Let me tell you why first I chose that day. That is  
21 the date of the last presidential primary that I could  
22 find on the list of primaries scheduled. I think it  
23 has the potential to make North Carolina very exciting.  
24 We have two races that could very well go down to the  
25 wire in the presidential race. And what would be more

17

1 exciting than to have North Carolina choose who would  
2 be the Republican or the Democratic nominee for  
3 President?  
4 It also has a lot of other benefits. I heard  
5 the Elections Chair this morning -- or this afternoon  
6 talk about the savings and how it wouldn't be \$9.5 or  
7 \$10 million, but it would be a substantial cost  
8 savings. I looked at the Wake County Board of  
9 Elections website, and they advertise that as a  
10 precinct official you can make \$270 an election. So if  
11 we assume we save that, we save six to eight precinct  
12 officials in every precinct in Wake County, by my rough  
13 math, that is over \$300,000. Now, if we save that  
14 across the State, that becomes a pretty substantial  
15 savings.  
16 We are proceeding today as if we know what is  
17 going to happen in the federal courts, but the truth is  
18 we don't know this three-judge panel in Greensboro, if  
19 they're going to take two weeks or two months to  
20 approve these maps that we're getting ready to put out.  
21 And wouldn't it be terrible if it took them long enough  
22 that we had to come back here another time and schedule  
23 another primary. So I just picked the date that we  
24 could pick farthest off and get this all accomplished.  
25 I think it is the safest thing to do. I think it will

<p style="text-align: right;">18</p> <p>1 save the State money. And I think it has the potential 2 to turn out to be a very exciting election for us, and 3 I urge everyone's support. 4 REP. LEWIS: The Chair is going to recognize 5 the bill's sponsor, Representative Jones, and then move 6 to the members of the committee that the Chair has 7 recognized. 8 Representative Jones. 9 REP. JONES: Thank you, Mr. Chairman. I 10 appreciate Representative Jackson and his amendment. 11 Members, I would ask that you would defeat this 12 amendment. First of all, obviously there has already 13 been a tremendous disruption to our congressional 14 elections, but there's no reason to disrupt every 15 election in North Carolina because of it. So that is a 16 primary reason that we shouldn't do it. As far as 17 saving the state money, I believe we heard testimony 18 from the Director of the State Board of Elections at 19 our redistricting meeting earlier today that that would 20 not be the case. There has already been extensive 21 amounts of money spent on the ballots that have already 22 been printed and made up for March the 15th. So there 23 is certainly no reason to disrupt all of the primary 24 elections in North Carolina this year. And so I would 25 ask, please, that you would defeat this amendment.</p>	<p style="text-align: right;">20</p> <p>1 just spoke. I think we need to remember why we set 2 this primary date, and that was related to the 3 presidential primary. To now sort of look at the races 4 and say, well let's put us last because that would be 5 better. There is just a massive amount of money that 6 is involved in elections it's not just local 7 governments. I am particularly sensitive to the local 8 governments' concern having served as a County 9 Commissioner and recognizing that, but, you know, I 10 guess our state slogan is "First in Flight." And for 11 me, this would be "First in Fright." And I just would 12 ask my colleagues to oppose it. 13 REP. LEWIS: Representative Hager, for what 14 purpose does the gentleman seek recognition? 15 REP. HAGER: Thank you, Mr. Chairman, to speak 16 on the amendment. 17 REP. LEWIS: The gentleman has the floor to 18 debate the amendment. 19 REP. HAGER: Thank you, Mr. Speaker. It will 20 be no surprise that I ask you to vote no on this 21 amendment. And the reason is maybe a little different, 22 and maybe the same as what Representative Jones said, 23 you know. And I differ a little bit on Representative 24 Jackson. He's saying it will save money. I think 25 we've heard today from Ms. Strach that the money was</p>
<p style="text-align: right;">19</p> <p>1 REP. LEWIS: Representative Stam, for what 2 purpose does the gentleman seek recognition? 3 REP. STAM: To speak on the amendment. 4 REP. LEWIS: The gentleman has the floor to 5 debate the amendment. 6 REP. STAM: I would ask you to defeat the 7 amendment. I don't know, it might save the State a 8 little bit of money, but it will cost the hundreds of 9 candidates bucket-loads of money who have already 10 started their campaigns. They've worked backwards from 11 March 15 on their spending plans. They've spent a lot 12 of money. They've organized. Emotionally they're 13 ready for it to be over in three weeks or whatever it 14 is. And this would be a grave disservice to all of the 15 candidates for Council of State, State House, county 16 commissioners, some school boards. It just would be 17 horrible for them. I mean, it is bad enough for our 18 congressional candidates that this has happened, but to 19 do it to everybody would just be a bad thing. 20 REP. LEWIS: Representative McGrady, for what 21 purpose does the gentleman seek recognition? 22 REP. MCGRADY: To speak on the bill. 23 REP. LEWIS: The gentleman has the floor to 24 debate the amendment. 25 REP. MCGRADY: I agree with my colleague who</p>	<p style="text-align: right;">21</p> <p>1 not in the labor. It was actually in the ballot 2 coding. The ballot coding for more people on the 3 ballot in June will actually cost more money than you 4 would offset and you would save by the labor piece. So 5 I doubt very seriously this will save the state money. 6 Actually, it may end up costing us money. So in that 7 case, I would ask the representatives in the room to 8 vote against the amendment. 9 REP. LEWIS: Further discussion, further debate 10 on the amendment sent forth by Representative Jackson? 11 Seeing none, those favoring the amendment sent 12 forward by the gentleman from Wake will vote "aye," 13 those opposed will vote "no." 14 REP. MICHAUX: Mr. Chairman. 15 REP. LEWIS: The Chair apologizes. 16 Representative Michaux, please state your purpose. 17 REP. MICHAUX: Is a record being made on this? 18 REP. LEWIS: Yes, sir. The Chair was about to 19 announce that it will be a recorded vote. 20 Further discussion, further debate? 21 The question before the committee is the 22 adoption of the amendment sent forward by the gentleman 23 from Wake, Representative Jackson. Those favoring the 24 adoption will vote "aye," those opposed will vote "no." 25 The clerk will call the roll.</p>

22	<p>1 CLERK: Representative Lewis.                  2 REP. LEWIS: No.                  3 CLERK: Representative Lewis, no.                  4 Representative Jones.                  5 REP. JONES: No.                  6 CLERK: Representative Jones, no.                  7 Representative Brawley.                  8 REP. BRAWLEY: No.                  9 CLERK: Representative Brawley, no.                  10 Representative Cotham.                  11 REP. COTHAM: Aye.                  12 CLERK: Representative Cotham, aye.                  13 Representative Davis.                  14 REP. DAVIS: No.                  15 CLERK: Representative Davis, no.                  16 Representative Farmer-Butterfield.                  17 REP. FARMER-BUTTERFIELD: Aye.                  18 CLERK: Farmer-Butterfield, aye.                  19 Representative Hager.                  20 REP.
