Here's America's 100% Safe & Secure Elections In Action

Poll Watcher confronts woman with a stack of ballots in a downstairs room away from everyone else

"We're wondering why are ballots being handled down here and not up there with the elections."

She refuses to answer or give any information as to why she's down there. We all know why. See less

i just figured out why Biden was abouy to fall over in the debate but later he was better.

It is because he, a typical addict, has developed a tolerance to whatever they give him and the timing of administration was misjudged. His doctor should be fired.
