Chris Pringle Ad

State Rep. [Chris Pringle](#) (R-Mobile) is running for Congress in Alabama's 1st Congressional District and he wants voters to understand that if you look like him, things are tough these days.

The new ad starts out with Pringle saying, "I'm Chris Pringle. These days, if you look like me and believe like me, every wrong in society is your fault."

"If you're straight, Southern, conservative and, heaven forbid, Christian, they call you a racist and blame you for everyone else's problems," he continues. "Maybe I'm not supposed to say that, but someone has to."

He concludes the message with, "I'm Chris Pringle, and I approve this message because saving this country means keeping the radical left from killing it."

The AL-01 Republican primary includes 4 other Republicans, [Jerry Carl](#), [Bill Hightower](#), [Wes Lambert](#), and [John Castorani](#).

The Republican primary will be held on March 3, 2020.
