Dear Mr. Attorney General:

This refers to Act No. 2002-57, which adopts the 2002 Congressional redistricting plan for the State of Alabama, submitted to the Attorney General pursuant to Section 5 of the Voting Rights Act, 42 U.S.C. 1973c. See the Procedures for the Administration of Section 5 (28 C.F.R. 51.41 and 51.43).

**RE: Submission under Section 5 of the Voting Rights Act of 1965
Expedited Consideration Requested**

Dear Sir:

Pursuant to Section 5 of the Voting Rights Act of 1965, 42 U.S.C. § 1973c, we submit for preclearance by the Attorney General of the United States Act No. 2002-57 from the 2002 Regular Session of the Alabama Legislature. Act No. 2002-57 provides for the redistricting of Alabama's seven seats in the United States House of Representatives. The Act was passed and signed into law by the Governor on January 31, 2002. **Because the deadline for candidates to qualify to run in the party primaries is April 5, 2002, we respectfully request expedited consideration and a response to this submission as soon as possible.**

In this regard, legislation pending in the Alabama State Legislature would move the qualifying deadline to a later date if preclearance is not obtained by March 22, 2002. That statutory change, which has not yet been enacted and would itself require preclearance, would be moot if preclearance were obtained on or before March 21, 2002. Similarly, the three-judge federal district court has scheduled a status conference for March 4, 2002, and is likely to ask about the status of this submission at that time.

Act 2002-57 was enacted by the Alabama Legislature in its 2002 Regular Session, which began on January 8, 2002. In its final Senate vote, SB22 passed by a vote of 27 to 7, with 1 Senator not voting. The House concurred by a margin of 60 to 38, with one member abstaining and 6 recorded as present. All 8 of the African-American state Senators voted for the plan, and 24 of 27 African-American House members voted for the plan. In the House,

Chief, Voting Section
February 1, 2002
Page 2

Representatives Bandy and Maull are recorded as present, and Representative Mitchell abstained. In any event, the plan received the affirmative votes of nearly all of the African-American legislators.

In compliance with 28 C.F.R. § 51.27 (2001), we submit the following information to the Attorney General:

- (a) A copy of Act No. 2002-57 is attached as exhibit A-1. A map of the congressional redistricting plan adopted in Act No. 2002-57 is attached as Exhibit A-2. A printout of demographic data for each of the districts adopted in Act No. 2002-57, using both total population and voting age population, is attached as Exhibit A-3. A printout of compactness and contiguity scores is attached as Exhibit A-4.
- (b) The seven Alabama congressional districts used in elections in 1992, 1994, 1996, 1998, and 2000 were adopted by a three-judge panel of the United States District Court for the Southern District of Alabama in *Wesch v. Hunt*, 785 F. Supp. 1491 (S.D. Ala.), *aff'd sub nom. Camp v. Wesch*, 504 U.S. 902 (1992), and *aff'd sub nom. Figures v. Hunt*, 507 U.S. 901 (1993). A copy of the 1992 *Wesch* court plan is attached as Exhibit B-1. A map of the congressional redistricting plan adopted in the 1992 *Wesch* court plan is attached as Exhibit B-2. A printout of demographic data for the 1992 *Wesch* court plan, using 2000 Census data, is attached as Exhibit B-3. A printout of demographic data for the 1992 *Wesch* court plan, using 1990 Census data, is attached as Exhibit B-4.
- (c) Act No. 2002-57 provides for congressional redistricting.
- (d) Persons making the submission – John J. Park, Jr., and Charles B. Campbell, Assistant Attorney General, State of Alabama, Alabama State House, 11 South Union Street, Montgomery, AL 36130, telephone 334/242-7300.
- (e) Submitting Authority – Attorney General, State of Alabama. Jurisdiction responsible for change – State of Alabama.
- (f) Submitting authority is located in Montgomery, Alabama.
- (g) Body responsible for change – Alabama Legislature. Mode of change – legislative act.

Chief, Voting Section
February 1, 2002

- (h) Act No. 2002-57 was adopted pursuant to U.S. Const. art. I, § 4, cl. 1, the Legislature's state constitutional authority to enact laws, Ala. Const. art. IV, and the Governor's state constitutional authority to approve laws passed by the Legislature, Ala. Const. art. V, § 125.
- (i) Date adopted – Act No. 2002-57 was adopted on January 31, 2002.
- (j) Act No. 2002-57 became effective upon passage and approval by the Governor which occurred on January 31, 2002. Act No. 2002-57 cannot, however, be enforced until precleared pursuant to Section 5 of the Voting Rights Act, 42 U.S.C. § 1973c.
- (k) The redistricting plan adopted in Act No. 2002-57 has not been enforced.
- (l) Act No. 2002-57 affects the entire State of Alabama.
- (m) Reason for change: Act No. 2002-57 was adopted because the results of the 2000 Census indicate that the congressional districts adopted in the 1992 *Wesch* court plan are now malapportioned. *See* Exhibit B-3.
- (n) Anticipated effect on minority groups – A comparison of the demographic data attached in Exhibit A-3 regarding the plan adopted in Act No. 2002-57 with the demographic data attached in Exhibits B-3 (and Exhibit B-4) with respect to the 1992 *Wesch* court plan, will show that the redistricting plan adopted in Act No. 2002-57 does not have a retrogressive purpose or effect with respect to minority voting strength.

In this regard, the State notes that nearly all of the African-American legislators voted in favor of the plan, and none of them voted against it. Those members would certainly have dissented if the plan had a retrogressive purpose or effect.

There is one African-American majority district in both the 1992 *Wesch* plan and the new plan. That district is District 7 which is located in the west central portions of Alabama. The table below shows the total and voting age population for the district under the new plan and the old plan with 2000 Census data.

Chief, Voting Section
 February 1, 2002
 Page 4

2001 Plan				Wesch Plan with 2000 data			
Total	%	VAP	%	Total	%	VAP	%
396,355	62.389	272,892	58.327	382,760	70.345	264,684	67.242

These data show that the percentage of total black population declined from 70.345% to 62.389% and the black voting age population declined from 67.242% to 58.327% from the old plan to the new plan.

This decline should not be regarded as retrogressive for several reasons. First, the 2000 Census data show that District 7, under the old plan, was underpopulated by 14.353% and needed to gain 91,183 people. Obviously, the population that was added had a substantially larger percentage of white population than the old district. The African-American majority was further reduced by the transfer of Lowndes County and a portion of Montgomery County to District 2. Even after those transfers and additions were made, however, District 7 remains an effective African-American majority district, with a total population that is 62.389% black and a voting age population that is 58.327% black.

These changes were made by the Legislature, with the concurrence of nearly all of the African-American members of both houses. They were made with the knowledge that the incumbent Congressman Earl Hilliard, who is African-American, has been reelected by substantial margins, and his son, John Hilliard, a member of the Alabama House of Representatives, voted in favor of the plan.

Finally, in the course of its preparatory work, the Reapportionment Committee received a report from Dr. Richard Engstrom, a copy of which was furnished to you as part of Exhibit K to the submission of Act No. 2001-727 (your file 2001-2406) and is incorporated by reference into this submission. In that report, Engstrom asserted that a district with a black voting age population of about 55% provides African-Americans with a reasonable opportunity to elect the representative of their choice.

- (o) Past or pending litigation – As noted, Alabama's current redistricting plan was adopted in *Wesch v. Hunt, supra*. There are presently three consolidated cases pending in the United States District Court for the Middle District of Alabama regarding congressional redistricting in the light of the 2000 Census. Those cases are: *Douglas v. State of Alabama*, No. CV-01-D-922-N, *Montiel v. Bennett*, No. CV-01-D-1376-N, and *Barnett v. State of Alabama*, No. CV-01-D-1377-N.

These cases were tried for four days from January 28-31, 2002. At the conclusion of the trial, the court advised counsel that post-trial briefs would be due on February 28, 2002, and a status conference would be scheduled for March 4, 2002.

More information on these cases will follow under separate cover.

- (p) The 1992 *Wesch* court plan was not subject to preclearance, and was twice affirmed by the Supreme Court of the United States.
- (q) The block assignment files specified in 28 C.F.R. § 51.28(a)(5) are being sent to you as Exhibit C. The files will include block assignment files for the plans enclosed as Exhibits A-1 and B-1. A map of each of these plans, as requested in 28 C.F.R. § 51.28(b), is enclosed as Exhibits A-2 and B-2. The demographic information referred to in 28 C.F.R. § 51.28(a)(1) is included as Exhibits A-3, B-3, and B-4.

- (s) Other information: The State notes that the plan comports as closely as possible to the Reapportionment Committee Guidelines for Legislative, State Board of Education, and Congressional Redistricting, State of Alabama that the Permanent Legislative Committee on Reapportionment adopted on March 1, 2001. Those Guidelines were furnished to you as Exhibit G to the State's submission of Act No. 2001-727 (your file 2001-2406), and are incorporated by reference into this submission. In regard to those Guidelines, the State notes:

1. The overall population deviation is 0.00%, which comports with the applicable constitutional standards.

Chief, Voting Section
February 1, 2002
Page 9

2. All districts are contiguous. Exhibit A-4 shows that District 4 has one hole, and District 5 has one single point of contiguity. Those features represent county boundaries and are present in the Alabama State Senate districting plan (*see* Exhibit A-4 to your file 2001-2406), as well as in many of the alternative congressional redistricting plans that use the same county boundaries to separate Districts 4 and 5. As noted in paragraph (t) below, those alternative plans will be furnished to you under separate cover.
 3. The compactness scores for the districts established in Act No. 2002-57 are satisfactory. *See* Exhibit A-4.
 4. While the plan splits counties, some splitting is inevitable given the constitutional requirement of absolute population equality. The plan splits seven counties, five of which were split in the 1992 *Wesch* plan, which also split seven counties.
 5. A complete demographic picture of the State, its counties and its cities is available at the U.S. Census Bureau, U.S. Department of Commerce, *Profiles of General Demographic Characteristics 2000*, 2000 Census of Population and Housing, Alabama, and on the internet at <http://www.census.gov/prod/cen2000/dpl/2khol.pdf> (May 2001).
- (t) Alternative plans: There have been numerous alternative plans submitted in both the legislature and in the three court cases mentioned above. We will provide the block assignment files for each of these plans under separate cover.

12 blocks, and counties as generated by complex computer software
13 based upon maps drawn by the Legislature. The official maps,
14 which reflect the true intent of the Legislature in the
15 establishment of districts, shall be retained in the office of
16 the Secretary of State and printed as a part of the Acts. In
17 the event of any conflict, it is the intention of the
18 Legislature that the boundary descriptions provided by the

23 immediately upon its passage and approval by the Governor, or
