Yup. The dichotomy between Black survey responses and voting patterns is one of the largest and weirdest in politics.

The practical question here, though, is "Can it be ended?"

Superflowspitta ✓ @superflowspitta · Apr 10, 2023

Most black people vote Democrat because they think the GOP is full of klansmen. This is quite literal amongst many in the South. But when you actually start talking to black folks about what they believe, it's decidedly conservative. Black people, at large, don't rock with woke
