

All Driver License Transactions

Year 2014

Local Offices include all county probate, licensing and revenue offices that renew and provide duplicates of Alabama driver licenses and identification cards.

		% of all transactions	% within category	% against ALEA-only Transactions
Transactions				
1,587,181	Total Statewide Transactions			
840,806	Total Local Office Transactions	53.0%		
746,375	Total ALEA Transactions	47.0%		
33,056	Total ALEA Suspended Offices	2.1%		4.43%

Transactions include every driver license or identification card-related interaction with a person performed by any government office in Alabama.

Issuances (note: each issuance costs \$3.50 to MorphoTrust)				
1,249,065	Total Statewide Issuances	78.7%		
840,806	Total Local Office Issuances		67.3%	
408,259	Total ALEA Issuances		32.7%	54.7%
21,048	Total ALEA Suspended Offices		1.7%	

Issuances are a type of transaction where a person receives a license or ID card. This process includes initial issuances, as well as renewals and duplications.

Potential Online Transactions				
1,008,453	Total Statewide Online Opportunities	63.5%		
840,806	Total Local Office Online Opportunities		83.4%	
167,647	Total ALEA Online Opportunities		16.6%	22.5%
5,423	Total ALEA Suspended Offices		0.5%	0.7%

Online Opportunities are transactions that are available over the Internet and do not require a in-person visit to a driver license office.

Exclusive ALEA Transactions				
578,728	Total ALEA Statewide	36.5%		
27,633	Total ALEA Suspended Offices	1.7%	4.8%	

Exclusive Transactions can only be performed at an ALEA driver license office, such as initial issuance, driving tests, and reinstatement
