EMERGENCY PETITION FOR WRIT OF MANDATE OR OTHER EXTRAORDINARY OR IMMEDIATE RELIEF

To the Honorable Patricia Guerrero, Chief Justice of the Supreme Court of California, and to the Honorable Associate Justices of the Supreme Court of California:

I. INTRODUCTION

The longstanding precedent of this Court clearly holds that it will interpret constitutional text to fulfill its purpose rather than adopt an absurd interpretation that renders it meaningless. In Article IV, § 8(a), the citizens of the state of California enshrined a right to have proposed legislation published for 30 days before the Legislature can hear or act upon it. This right serves an important purpose: Both the public and lawmakers must be afforded adequate time to review and deliberate upon proposed legislation before the Legislature acts upon it. The stark issue for this court to decide in this case is whether this constitutional right is merely the right to publication of a bill number rather than publication of the proposed legislation in that bill.

Here, the Governor announced on August 14, 2025, that the Legislature would enact a new and consequential package of legislation to change congressional district maps. This legislation is of intense public interest because, as explained below, it would enable the political dissection of numerous communities. This includes chopping counties 114 times and cities 141 times, carving historically Chinese- and Asian-American contiguous communities of Walnut, Diamond Bar, Rowland Heights, and Chino Hills into three different districts, cleaving the Hispanic enclaves of Baldwin Park, El Monte, and Pico Rivera from their existing districts, shattering San Joaquin County into five separate districts, and slicing Stockton's southern Hispanic core from the district containing the rest of Stockton.

Instead of a months-long transparent and participatory process overseen by an independent citizens redistricting commission for such a sensitive matter, the public would be presented instead with an up or down vote on maps unilaterally prepared in secret by the Legislature. This legislation was first published today, on August 18, 2025, the Legislature is holding hearings on it tomorrow after overruling objections based on the Constitution's 30-day rule, and every indication is that the Governor intends to sign the legislation this week to meet a deadline of August 22 set by the Secretary of State.

To circumvent the public's rights under the Constitution's thirty-day rule, the Legislature deleted the contents of two wholly unrelated old bills, Assembly Bill 604 ("AB 604") and Senate Bill 280 ("SB 280"), and simply inserted the contents of the entirely new legislative package into those bills. Collectively, these bills now comprise the newly named "Election Rigging Response Act" ("ERRA"). The Legislature claims that this self-serving tactic, known as "gut and amend," satisfies the public's right under the constitution to review proposed legislation for thirty days, even though the only information available to the public about AB 604 and SB 280 for more than thirty days has been their Assembly and Senate bill numbers.

Interpreting Article IV, § 8(a) of the Constitution to extend only to bill numbers rather than the substance of legislation would be comically absurd. While the court may one day face the harder case of a bill that has only been amended in some way that is relevant to its original content, that is not this case. The new legislative package announced by the Governor bears no relation to the original contents of AB 604 or SB 280. This case does not challenge the use of gut and amend for all purposes, but is confined to the narrow case where the Legislature blatantly and intentionally uses it to circumvent a constitutional right of the people to adequate time to review proposed legislation—a right that is inherently meant to restrain the

Legislature from ramming legislation into law without an opportunity for the public to review it. To be clear, this Petition does not ask this Court to enforce internal legislative rules, but rather to enforce an external constitutional constraint against the Legislature to protect the people's rights.

This Petition thus seeks the enforcement of a simple and nondiscretionary public duty of the California Secretary of State, the Chief Clerk of the Assembly, and the Secretary of the Senate. Specifically, Petitioners ask this Court to uphold the clear and direct requirements of our Constitution immediately by staying further action by the Legislature on the ERRA (AB 604 and SB 280) until the constitutionally required time for publication has elapsed.

PETITIONER RESPECTFULLY REQUESTS IMMEDIATE RELIEF, NOT LATER THAN AUGUST 20, 2025

II. QUESTION PRESENTED

The limited question presented here is whether it is a violation of California Constitution, Article IV, § 8(a) for Respondents to take legislative action with respect to the ERRA legislative package without first waiting until the thirty-first day after its text has been introduced.

III. PARTIES

1. Petitioners, Senator Tony Strickland, Senator Suzette Valladares, Assemblyman Tri Ta, and Assemblywoman Kathryn Sanchez, are members of the California Legislature and residents of the State of California.

2. Respondent Secretary of State Shirley N. Weber is the Secretary of State of the State of California. The Secretary of State receives all bills approved by the Governor, assigns chapter numbers, and maintains official custody of acts and journals.

3. Respondent Sue Parker is the Chief Clerk of the Assembly. The Chief Clerk serves as the Parliamentarian of the House. Under the direction of the Chief Clerk, the Chief Clerk's Office is responsible for publishing the official documents of the House and keeping all the bills, papers, and records of the proceedings of the Assembly

4. Respondent Erika Contreras is the Secretary of the Senate. The Secretary is the chief parliamentarian and keeper of the legislative records, responsible for the accurate drafting of bills and their preparation for presentation to the Governor. The Secretary is also the Executive Officer of the Senate, in charge of the day-to-day administration of the house.

IV. JURISDICTION

5. This Court has original jurisdiction to decide this matter pursuant to Article VI, § 10 of the California Constitution, Code of Civil Procedure §§ 1085 and 1086, and Rule 8.486 of the California Rules of Court. As the Court held in *Clean Air Constituency v. California State Air Resources Board* (1974) 11 Cal.3d 801, 808:

> The Supreme Court has original jurisdiction in mandamus pursuant to article VI, section 10, of the California Constitution, and will exercise that jurisdiction in appropriate cases when 'the issues presented are of great public importance and must be resolved promptly.' [Citations.] If these criteria are satisfied, the existence of an alternative appellate remedy will not preclude this court's original jurisdiction.

This case involves the construction and application of a constitutional provision that prohibits the Legislature from taking formal action on a bill unless it has been published for 30 days. Absent immediate intervention, the Legislature will act on ERRA before the thirty-day waiting period elapses in direct violation of the State Constitution, destroying the public's constitutional right to time to review this consequential proposed legislation. The importance of the issue is exacerbated because the objective of this rushed legislation in violation of the public's constitutional rights is to strip power from an independent citizens redistricting commission created by a citizen ballot initiative.

V. FACTS AND LAW

6. California Constitution, Article IV, § 8(a) states:

> At regular sessions no bill other than the budget bill may be heard or acted on by committee or either house until the 31st day after the bill is introduced unless the house dispenses with

this requirement by rollcall vote entered in the journal, three fourths of the membership concurring.

7. On February 5, 2025, Senator Sabrina Cervantes introduced SB 280, entitled "An act to amend Section 84309 of the Government Code, relating to the Political Reform Act of 1974." A true and correct copy of SB 280, as introduced, is attached hereto as Exhibit 1. SB 280 was passed by a vote of 39–0 in the Senate on May 29, 2025, and ordered to the Assembly, where until today, it had been read on the floor of the Assembly twice, with no additional progress.

8. On February 13, 2025, Assemblymember Marc Berman introduced AB 604, entitled "An act to repeal Section 2226 of the Elections Code, relating to elections." A true and correct copy of AB 604, as introduced, is attached hereto as Exhibit 2.

9. On August 14, 2025, Governor Gavin Newsom, "alongside state and legislative leaders," announced plans to "*introduce* a legislative package" (the ERRA) during the week of August 18, 2025, for a state constitutional amendment that would permit the Legislature to redraw the boundaries of California's congressional districts, discarding the work of the California Citizens Redistricting Commission in 2021 before the decennial federal census in 2030.

10. Under California Constitution, Article IV, § 8(a), such a "legislative package" could not be heard or acted upon by any committee or either house until September 18, 2025—thirty-one days after August 18, 2025—at the earliest.

11. On August 18, 2025, instead of introducing a new bill to enact the ERRA, an amendment to SB 280 was introduced (a bill already passed in the Senate and before the Assembly), to call for a special election to be held throughout California on November 4, 2025. It is noted that this amendment

not only changed every single word of the bill but also changed the sponsors of the bill in both chambers.

12. Though not the rule at issue in this Petition, we note that Assembly Rule 92 provides that "[a]n amendment to any bill, other than a bill stating legislative intent to make necessary statutory changes to implement the Budget Bill, whether reported by a committee or offered by a Member, is not in order when the amendment relates to a different subject than, is intended to accomplish a different purpose than, or requires a title essentially different than, the original bill."

13. Upon the proposal to amend SB 280, Assemblyman Gallagher raised a point of order and asserted that Assembly Rule 92 precludes the proposed amendment on grounds of germaneness. Assemblyman DeMaio raised the additional point that SB 280, as amended, would, in effect, be new legislation that the Assembly could not hear or act upon until thirty-one days after its *de facto* introduction under California Constitution, Article IV, § 8(a).

14. The Chair determined that both points of order were not well taken, the decisions of the Chair were appealed, and the Chair's decisions were upheld by roll call vote.

15. A true and correct copy of SB 280, as amended, is attached hereto as Exhibit 3.

16. Like Assembly Rule 92, Senate Rule 38.5 provides that "every amendment proposed must be germane," that is, "relate to the same subject as the original bill, resolution, or other question under consideration."

17. On August 18, 2025, instead of introducing a new bill to enact ERRA, an amendment to Assembly Bill 604 (a bill about voter list maintenance, which previously passed the Assembly and was before the Senate). The amendment would instead amend the Elections Code to draw new boundaries for congressional districts that would remain in effect through the 2030 legislative session. It is noted that this amendment not only changed every

single word of the bill but also changed the sponsors of the bill in both chambers.

18. Upon the amendment's proposal, Senator Strickland raised a point of order and asserted that Senate Rule 38.5 precludes the proposed amendment on grounds of germaneness.

19. The Chair of the Senate determined that the point of order was not well taken.

20. Senator Strickland appealed the ruling of the Chair, but by a roll call vote, the ruling of the Chair was upheld.

21. A true and correct copy of AB 604, as amended, is attached hereto as Exhibit 4.

VI. TIMELINESS OF PETITION AND REQUESTED RELIEF

22. This Petition is filed within hours of AB 604 and SB 280 being amended. The urgency of resolving this issue expeditiously is demonstrated by the fact that, without action by this Court, the Legislature will likely ram its unconstitutional bills through the legislative process on or before August 21, which could frustrate Petitioners' ability to seek relief and permanently deprive the public of their rights under the California Constitution.

23. California has long adhered to the Enrolled Bill Rule, which forecloses certain arguments upon the bill's enrollment. (See *Sherman v. Story* (1866) 30 Cal. 253, 271; *Parkinson v. Johnson* (1911) 160 Cal. 756, 761; *Longval v. Workers' Comp. Appeals Bd.* (1996) 51 Cal.App.4th 79).) Accordingly, unless this Court takes prompt action, Petitioners may lose their opportunity to seek judicial review of the Legislature's violation of the public's rights under the California Constitution.

24. This Court may grant the interim relief requested pending review of the writ, whether it requests oral argument or not. This case is best suited for resolution by this Court, rather than a superior court or the Court of Appeals, because this matter presents issues of statewide public importance and

constitutional interpretation that require speedy and final resolution. This Court has recognized its responsibility to exercise original jurisdiction in cases of great urgency and constitutional importance. (*California Redevelopment Ass'n v. Matosantos* (2011) 53 Cal.4th 231, 253) (assuming original jurisdiction to resolve matters of "sufficiently great importance" that require "immediate resolution".) Like *Matosantos*, this case involves a time-sensitive constitutional question with statewide implications that must be resolved immediately to avoid irreparable harm. If Petitioners were first to file a writ in a superior court or the Court of Appeals, the non-prevailing parties could then seek review in this Court, with additional opportunities for delay at each stage. Such a prolonged process would preclude the prompt resolution of a fundamental constitutional question before the injury became irreparable.

VII. IRREPARABLE INJURY/NECESSITY FOR RELIEF

25. Petitioners have no plain, speedy, and adequate remedy at law, other than the relief sought in this request.

26. Petitioners' irreparable injury is founded on the fundamental principle that both houses of the Legislature must wait a period of thirty days after legislation is introduced before hearing or acting upon it. If Respondents continue to take action on ERRA, including by conducting a dispositive vote on the measure, Respondents will be permitted to avoid entirely the requirements enshrined in Article IV, § 8(a), depriving Petitioners of their right to a period of adequate time for review and deliberation.

VIII. PRAYER FOR RELIEF

WHEREFORE, Petitioners pray that this Court:

(a) Grant the Petitioners' Petition for Writ of Mandate without a hearing, requiring Respondents to refrain from taking any action relating to

ERRA until September 18, 2025, as mandated by Article IV, § 8(a) of the California Constitution; or

(b) Issue an order to show cause why Petitioners' Petition for Writ of Mandate, which requires both house of the Legislature to wait until September 18, 2025, to conduct hearings or act on ERRA, issue the interim stay relief requested herein requiring Respondents to refrain from taking any action relating to ERRA, as mandated by Article IV, § 8(a) of the California Constitution pending the Court's determination on the merits; and hold a hearing and decide the matter not later than August 21, 2025.

Respectfully submitted,

MEMORANDUM OF POINTS AND AUTHORITIES IN SUPPORT OF EMERGENCY PETITION FOR WRIT OF MANDATE OR OTHER EXTRAORDINARY OR IMMEDIATE RELIEF

Petitioner hereby respectfully brings this Emergency Petition for Writ of Mandate or Other Extraordinary or Immediate Relief under Article VI, § 10 of the California Constitution, Code of Civil Procedure §§ 1085 and 1086, Rule 8.486 of the California Rules of Court, and *Clean Air Constituency v. California State Air Res. Bd.* (1974) 11 Cal.3d 801, 808.

I. INTRODUCTION

Petitioners seek this Writ of Mandate pursuant to Article VI, § 10 of the California Constitution, Code of Civil Procedures §§ 1085 and 1086, and Rule 8.486 of the California Rules of Court, contending that Respondents action on the Election Rigging Response Act ("ERRA") is unconstitutional, as it violates the thirty-day waiting period established by Article IV, § 8(a) of the California Constitution.

This Court has long held that a constitutional provision must be interpreted in a manner that effectuates its purpose and that interpretations which render provisions a nullity are impermissible. Article IV, § 8(a) of the California Constitution was approved by the people of California to ensure that the Legislature cannot enact legislation until the public has adequate time (30 days) to review it.

Respondents seek to avoid satisfying the constitutional command of Article IV, § 8(a) and its essential purpose by simply replacing the contents of two previously introduced and unrelated bills, Assembly Bill 604 ("AB 604") and Senate Bill 280 ("SB 280"), with the provisions of the ERRA to circumvent their constitutional obligation to California voters. Because AB 604 and SB 280 were introduced months ago, Respondents may contend that the Legislature has sufficiently met its duty to the people to inform them of pending bills well in advance of formal legislative action. But, regardless of

how long these bills have been publicly accessible, the only things they now have in common with their original versions are the bill numbers. The public's constitutional right to see and consider proposed legislation has therefore been utterly thwarted. This "gut and amend" maneuver flagrantly contravenes the purpose of Article IV, § 8(a), and unless stopped by this Court, renders the guarantees of our State Constitution a dead letter.

This petition seeks immediate relief prohibiting Respondents from taking further action on AB 604 and SB 280, as amended, until September 18, 2025, after the constitutionally prescribed period of public review has elapsed.

This is an urgent matter because Respondents have demonstrated their intent to take action on AB 604 and SB 280 before waiting the required thirty days. Without action by this Court, the Legislature will violate the California Constitution by enacting significant new legislation that the public has only seen for, at most, a few days. This consequential legislation is designed to undo vital constitutional provisions that were enacted by the citizens through the initiative process—taking away from an independent citizens commission the power to draw congressional districts, restoring it to the Legislature from whom the citizens removed it, and carving numerous communities into political fragments. Therefore, adherence to the requirements of our Constitution, which mandate that the people have 30 days to review proposed legislation, should be strictly enforced.

II. ARGUMENT

A. The California Constitution Mandates That the Public Have 30 Days to Consider New Legislation Absent a Vote of Three Quarters of Each Chamber of the Legislature

This matter involves a simple but consequential question of constitutional interpretation—whether the Legislature may adopt new and consequential legislation immediately after its publication when the State

Constitution expressly requires that the public have thirty days to review the legislation.

The California Constitution Article IV, § 8(a) imposes this unambiguous requirement:

> At regular sessions, no bill other than the budget bill may be heard or acted on by committee or either house until the 31st day after the bill is introduced unless the house dispenses with this requirement by rollcall vote entered in the journal, three fourths of the membership concurring.

This Court has yet to evaluate the full contours of this prohibition. Accordingly, the circumstances here present this Court with a matter of first impression. When addressing matters of first impression, California courts "begin with principles of statutory construction." (*Golden Door Properties, LLC v. Superior Ct. (San Diego)* (2020) 53 Cal.App.5th 733, 762; accord *Zilog, Inc. v. Superior Ct. (Santa Clara)* (2001) 86 Cal.App.4th 1309, 1318.)

The principles of statutory construction are clear. "Well-established rules require [this Court] to ascertain the intent of the enacting legislative body so that [it] may adopt the construction that best effectuates the purpose of the law." (*Hassan v. Mercy Am. River Hosp.* (2003) 31 Cal.4th 709, 715 [citing *Esberg v. Union Oil Co.* (2002) 28 Cal.4th 262, 268]; *Klein v. United States* (2010) 50 Cal.4th 68, 77 [citing *Hassan*]; *Chavez v. City of Los Angeles* (2010) 47 Cal.4th 970, 986 [same].) First, the Court "examines the words themselves because the statutory language is generally the most reliable indicator of legislative intent." (*Hassan*, *supra*, 31 Cal.4th at p. 715 [citing *People v. Trevino* (2001) 26 Cal.4th 237, 241]; accord *City of Burbank v. State Water Res. Control Bd.* (2005) 35 Cal.4th 613, 625 [citing *Hassan*].)

"But the 'plain meaning' rule does not prohibit a court from determining whether the literal meaning of a statute comports with its purpose[.]" (*Rincon Del Diablo Mun. Water Dist. v. San Diego Cnty. Water*

Auth. (2004) 121 Cal.App.4th 813, 818 [quoting *Lungren v. Deukmejian* (1988) 45 Cal.3d 727, 735].) "Literal construction should not prevail if it is contrary to the legislative intent apparent in the statute." (*Id.* [quoting *Lungren*, *supra*, 45 Cal.3d at p. 735]). "Statutes should be construed so as to be given a reasonable result consistent with the legislative purpose[,]" and "[t]he court should take into account matters such as context, the object in view, the evils to be remedied, the history of the times and of legislation upon the same subject, public policy, and contemporaneous construction." (*Id.* at pp. 818–819 [quoting *Carlton Santee Corp. v. Padre Dam Mun. Water Dist.* (1981) 120 Cal.App.3d 14, 25].)

The canons of statutory interpretation "generally preclude judicial construction that renders part of [a] statute 'meaningless or inoperative' " (*Hassan*, *supra*, 31 Cal.4th at pp. 715–716 [quoting *Mfrs. Life Ins. Co. v. Superior Ct. (San Francisco)* (1995) 10 Cal.4th 257, 274]; *T.M. v. Superior Ct. (Contra Costa)* (2024) 104 Cal.App.5th 664, 683 [quoting *Hassan*, *supra*, 31 Cal.4th at pp. 715–716]; *Am. Chem. Council v. Dep't of Toxic Substances Control* (2022) 86 Cal.App.5th 146, 184 [same].)

These fundamental principles guide the appropriate construction of constitutional provisions as well. (See *Silicon Valley Taxpayers' Ass'n, Inc. v. Santa Clara Open Space Auth.* (2008) 44 Cal.4th 431, 448; *Bowens v. Superior Ct. (Alameda)* (1991) 1 Cal.4th 36, 46; *Lungren*, *supra*, 45 Cal.3d at p. 735 [citing *Stanton v. Panish* (1980) 28 Cal.3d 107, 115]; *Bd. of Supervisors v. Lonergan* (1980) 27 Cal.3d 855, 863; *Amador Valley Joint Union High Sch. Dist. v. State Bd. of Equalization* (1978) 22 Cal.3d 208, 244–245.) If a constitutional provision "is amenable to two alternative interpretations, the one that leads to the more reasonable result will be followed." (*Lungren*, *supra*, 45 Cal.3d at p. 735 [citing *Metro. Water Dist. of S. Cal. v. Adams* (1948) 32 Cal.2d 620, 630–631].)

The plain language of Article IV, § 8(a) mandates that neither house of the Legislature may hear or act upon a "bill" until the thirty-first day after its introduction. This waiting period serves two distinct purposes.

First, the period exists to "giv[e] the interested public time to review the [legislative] proposal." (*Mission Hosp. Reg. Med. Ctr. v. Shewry* (2008) 168 Cal.App.4th 460, 492.) Were either house to introduce and act upon a measure on the same day, members of the public would be deprived of any meaningful time to review the measure's contents, contact their representatives, and voice their approval or disagreement. That is why, in 1962, a proposal to shorten this period from thirty days to twenty days was rejected. Members of the public indicated that the full thirty days was required to provide them with sufficient time to "review legislation" and, in the case of public-facing organizations, notify their members "of the pendency of measures in which they are interested." (Cal. Const. Rev. Comm'n, Constitution Revision History & Perspective 29 (1996) [available at: https://www.californiacityfinance.com/CCRChistory.pdf].)

Second, the provision serves the practical purpose that legislators themselves have adequate time to review the proposed measure before they are called upon to speak intelligently about its contents and implications, as well as vote on it.

The question presented here can be summarized as whether the Constitution's reference to a "bill" means a piece of proposed legislation, like the ERRA, or just a bill number, such as "AB 604" and "SB 280." The principles of statutory construction and the purposes of Article IV, § 8(a) require that both houses wait at least thirty days after a wholly new and significant piece of legislation is first introduced to hear or act upon it.

Respondents' absurd position appears to be that the only right conferred by § 8(a) on the public is the right to know a bill number, and it is for this weighty purpose that the provision only allows the public's right to

be overridden by an extraordinary three-quarters vote of each chamber. Construing § 8(a) to permit acting upon new and significant legislation before the thirty-first day after its introduction just because an old bill number was borrowed for the new legislation runs squarely against the central purposes of the requirement. (*Lungren*, *supra*, 45 Cal.3d at p. 735.) Thus, § 8(a), as appropriately construed, would provide both the public and legislators thirty days during which they may review a wholly new "legislative package" that would trigger significant consequences before it could be heard and enacted.

B. ERRA Cannot be Properly Heard or Acted Upon Before September 18, 2025

i. In Attempting to Pass ERRA Before September 18, 2025, Respondents Are Violating Article IV, § 8(a)

Through a citizens' initiative, the people of California took redistricting away from the Legislature. (Prop 11 (2008) and Prop. 20 (2010)). The ERRA is designed to permit the Legislature to engage in congressional redistricting after the Citizens Redistricting Commission already did so at the beginning of the decade, but before the decennial federal census is conducted in 2030. Specifically, the ERRA calls for a special election to be held on November 4, 2025, to vote on ACA 8 of the 2025–26 Regular Session—which would adopt the new congressional districts drawn by the Legislature as reflected in AB 604, as amended—through SB 280. A true and correct copy of ACA 8, as amended on August 18, 2025, is attached hereto as Exhibit 5. The ERRA additionally, through AB 604, defines the boundaries of new single-member congressional districts and takes effect upon the adoption of ACA 8. The substantive text of the ERRA was first introduced in the Assembly on August 18, 2025, in the form of amendments to ACA 8, AB 604, and SB 280.

Under Article IV, § 8(a), the ERRA could, if it were a typical measure, be heard or acted upon no earlier than September 18, 2025, thirty-one days after August 18. In seeking to ram the ERRA through the legislative process before thirty days have elapsed, Respondents are failing to adhere to the public review period imposed by § 8(a).

ii. Respondents Cannot Circumvent This Requirement by Gutting and Amending AB 604 and SB 280

To circumvent the Constitution to deprive the public of their right to evaluate this new legislation, Respondents are employing an underhanded legislative gimmick that, if successful, would render Article IV, § 8(a) a meaningless nullity, unless stopped by this Court.

Until today, the ERRA has never been published and is unrelated to any pending bills. To feign compliance with Article IV, § 8(a), Respondents have inserted it into unrelated bills introduced by Senator Sabrina Cervantes on February 5, 2025, and Assemblymember Marc Berman on February 13, 2025. (See Exhibits 1, 2). In their original forms, AB 604 concerned repealing obsolete versions of statutes concerning voter list maintenance procedures (Exhibit 2), and SB 280 sought to accomplish the limited goal of expanding the Political Reform Act of 1974 to prohibit "the receipt, delivery, or attempted delivery of a contribution" in "local government office buildings and offices for which the state or a local government pays rent." (Exhibit 1). In addition, SB 280, as introduced, would "eliminate the exception for legislative district offices." (*Ibid.*)

SB 280 was read on the floor of the Senate three times before being passed by a vote of 39–0 on May 29, 2025. After being passed in the Senate, SB 280 was ordered to the Assembly, which referred it to the Assembly Committee on Elections on June 5, 2025. As of August 17, 2025, SB 280 had been read on the floor of the Assembly twice, with no additional progress.

AB 604 was passed in the Assembly by a vote of 75–1 on April 1, 2025, and ordered to the Senate.

On August 18, 2025, the Legislature amended AB 604 and SB 280. The amendments removed all substantive language from these bills and replaced that language *in toto* with provisions from the ERRA concerning a proposed constitutional amendment that would permit the Legislature to engage in mid-decade redistricting, as well as a special election for voting on that amendment, to be held on November 4, 2025.

This legislative tactic is referred to as "gut and amend." (See *Brown v. Superior Ct. (Sacramento)* (2016) 63 Cal.4th 335, 348 [Gut and amend "refers to instances where the contents of a bill are deleted and replaced with different provisions at a late stage, bypassing the usual legislative process."]; *Grassi v. Superior Ct. (Orange)* 73 Cal.App.5th 283, 303 (2021).)

California courts have not directly addressed whether gutting and amending a pending bill satisfies Article IV, § 8(a). Other states, however, have squarely condemned the practice when used to circumvent legislative requirements. For example, in 2021, the Supreme Court of Hawaii determined that non-germane amendments to a bill originally concerning recidivism reporting were improper as they violated the Hawaii Constitution's requirement that a bill receive three separate readings before its passage. (*League of Women Voters of Honolulu v. Hawaii* (Haw. 2021) 499 P.2d 382, 406.) In Pennsylvania and Kentucky, similar tactics have been rejected. (*Washington v. Dep't of Pub. Welfare* (Pa. 2018) 188 A.3d 1135, 1151–1152; see *Bevin v. Kentucky ex rel. Beshear* (Ky. 2018) 563 S.W.3d 74, 92–92.) Though this is not an action to enforce internal legislative rules, we note that both the California Assembly and Senate have rules that prohibit "gut and amend" by requiring that amendments be germane to a bill's subject matter. (See H.R. 1 (2024), at Rule 92; S.R. 4 (2024), at Rule 38.5.)

Various state constitutions also have provisions that prevent state legislators from adopting legislation without satisfying a requisite timing requirement:

> "The purpose of these clauses is to prevent hasty and improvident legislation, and to compel, so far as any previous law can accomplish that result, the careful examination of proposed laws, or at least the affording of opportunity for that purpose, which will not always be done when bills may be introduced up to the very hour of adjournment, and, with the concurrence of the proper majority, put immediately upon their passage."

(Thomas Cooley, A Treatise on the Constitutional Limitations Which Rest Upon the Legislative Power of the States of the American Union 138 (Little, Brown & Co., 2d ed., 1871), available at https://repository.law.umich.edu/cgi/viewcontent.cgi?article=1009&context=books.)

The Legislature's use of "gut and amend" to evade Article IV, § 8(a) of the California Constitution's minimum review time is wholly contrary to that section's purpose and unlawfully nullifies it. If upheld by this Court, the Constitution's waiting period provision would be rendered meaningless. Any legislator could avoid the waiting period altogether by simply "gutting and amending" a pending bill and bringing it to a vote despite it being wholly different from its original content and purpose. Such a practice would deprive the public and legislators of sufficient time to review proposed legislation, the critical purpose animating Article IV, § 8(a).

Permitting the "gut and amend" process, therefore, should not be endorsed by this Court. (See *Hassan*, *supra*, 31 Cal.4th at pp. 715–716.) As former Senator Sam Blakeslee testified, in gut-and-amend maneuvers both legislators and the public lose; the media loses too, as a function of not

receiving accurate and timely information. (Initiative Hearing: Proposed Initiative #1742, Joint Informational Hearing Transcript 17–18 (June 15, 2016).) This underscores the precise harm Article IV, § 8(a) was designed to prevent: the suppression of public oversight through compressed or nonexistent review periods.

By mandating a thirty-one-day period between a bill's introduction and its passage, this provision ensures that the people can review proposed legislation and participate in its public deliberation. Here, the Legislature used the "gut and amend" maneuver to transform AB 604, a bill that previously concerned updating voter registration records, and SB 280, a bill that previously made modest changes to the Political Reform Act, into a measure that would replace congressional maps created through the independent, transparent, and participatory redistricting process of the California Citizens Redistricting Commission with partisan maps drawn by the Legislature in secret. The Legislature's proposed maps would carve up counties 114 times and cities 141 times, more and differently than existing maps. It would dissect historically Chinese- and Asian-American contiguous communities of Walnut, Diamond Bar, Rowland Heights, and Chino Hills into three different districts. It would cleave the Hispanic enclaves of Baldwin Park, El Monte, Pico Rivera, and part of Stockton from their existing districts. And it would shatter San Joaquin County into five separate districts, slicing Stockton's southern Hispanic core from the district containing the rest of Stockton.

As an external constraint on the Legislature, the California Constitution plainly grants the people of California the right to 30 days to review what the Legislature is proposing before it can adopt such a consequential measure profoundly impacting their communities.

///

C. Writ Relief is Appropriate Now

This Petition is filed within a few hours of the Legislature adopting the amendments to AB 604 and SB 280. The Legislature has already published the schedule for election law committee hearings to consider the matter tomorrow, August 19, 2025, and the Secretary of State has announced that the Legislature must pass the ERRA by August 22, 2025, four days from the filing of this Writ. Therefore, it is all but certain that, absent an order from this Court, the Assembly will continue to take action with respect to the ERRA before the constitutionally defined period has elapsed, and, indeed, by August 22. If the Legislature passes the ERRA on or before August 22 without action by this Court, the Legislature will have irreparably deprived the public and the legislators of their Constitutional right to review proposed legislation for 30 days.

D. Petitioners Will Suffer Irreparable Injury if Relief Is Not Granted Promptly

Writ relief must be granted before Respondents conduct a dispositive legislative vote on the ERRA. If the Legislature is permitted to consider and vote upon the ERRA without first waiting the constitutionally mandated period, the procedural requirements specified in Article IV, § 8(a) will be avoided, and Petitioners and the public will not have time to conduct an appropriate and measured evaluation of the ERRA as the Constitution requires.

E. Petitioners Have Standing to Sue and the Respondents are the Proper Respondents

Petitioners are proper parties to bring this action because they are California residents.

> [W]here the question is one of public right and the object of the mandamus is to procure the enforcement of a public duty, the petitioner need not show that he has any legal or special interest

> in the result, since it is sufficient that he is interested as a citizen in having the laws executed and the duty in question enforced. This public right/public duty exception to the requirement of beneficial interest for a writ of mandate promotes the policy of guaranteeing citizens the opportunity to ensure that no governmental body impairs or defeats the purpose of legislation establishing a pubic right.

(*Save the Plastic Bag Coal. v. City of Manhattan Beach* (2011) 52 Cal.4th 155, 166 [internal citations omitted].)

In addition, Petitioners are members of the California Assembly and Senate, and as such, are harmed in that they are being deprived of any meaningful ability to consider and deliberate upon the ERRA, including being deprived of a meaningful opportunity to confer with their constituents, which a proper application of Article IV, § 8(a) would have allowed.

Respondents Secretary of State Shirley N. Weber, Assembly Chief Clerk Sue Parker, and Secretary of the Senate Erika Contreras are the proper respondents because Secretary of State Weber is responsible for receiving all bills signed by the governor, and Chief Clerk Parker and Secretary of the Senate Contreras are chiefly responsible for maintaining their respective house's legislative records.

III. CONCLUSION

For the reasons stated above, a writ of mandate requiring compliance with the constitutional 30-day public review period in Article IV, § 8(a) should issue as prayed for, together with such other and further relief this Court deems just and proper. Alternatively, the Court may stay the Legislature's consideration of the ERRA and issue an Order to Show Cause why the ERRA is not subject to the 30-day public review period in Article IV, § 8(a).

SENATE BILL **No. 280**

Introduced by Senator Cervantes

February 5, 2025

An act to amend Section 84309 of the Government Code, relating to the Political Reform Act of 1974.

LEGISLATIVE COUNSEL'S DIGEST

SB 280, as introduced, Cervantes. Political Reform Act of 1974: prohibition on contributions in state and local government office buildings.

The Political Reform Act of 1974 comprehensively regulates political campaigns, including campaign contributions. The act prohibits the receipt, delivery, or attempted delivery of a contribution in the State Capitol, any state office building, or any office for which the state pays the majority of the rent other than a legislative district office.

This bill would expand that prohibition to apply to local government office buildings and offices for which the state or a local government pays rent. The bill would also eliminate the exception for legislative district offices.

A violation of the act is punishable as a misdemeanor. By expanding the scope of restrictions on contributions, this bill would expand the scope of an existing crime, and therefore would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

The Political Reform Act of 1974, an initiative measure, provides that the Legislature may amend the act to further the act's purposes

upon a ⅔ vote of each house of the Legislature and compliance with specified procedural requirements.

This bill would declare that it furthers the purposes of the act.

Vote: ⅔. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.

The people of the State of California do enact as follows:

SECTION 1. Section 84309 of the Government Code is amended to read:

84309. (a) ~~No~~ *A* person shall *not* receive or personally deliver or attempt to deliver a contribution in the State Capitol, ~~in~~ any state *or local government* office building, or ~~in~~ any office for which the state ~~pays the majority of the rent other than a legislative district office.~~ *or a local government pays rent.*

(b) For purposes of this section:

(1) "Personally deliver" means delivery of a contribution in person or causing a contribution to be delivered in person by an agent or intermediary.

(2) "Receive" includes the receipt of a campaign contribution delivered in person.

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

SEC. 3. The Legislature finds and declares that this bill furthers the purposes of the Political Reform Act of 1974 within the meaning of subdivision (a) of Section 81012 of the Government Code.

EXHIBIT 2

ASSEMBLY BILL No. 604

Introduced by Assembly Member Berman

February 13, 2025

An act to repeal Section 2226 of the Elections Code, relating to elections.

LEGISLATIVE COUNSEL'S DIGEST

AB 604, as introduced, Berman. Voter registration: residency confirmation.

Existing law requires county elections officials to update a voter's registration record if change-of-address information indicates the voter has moved to a new residence address in California. Existing law requires county elections officials to change a voter's registration status to inactive if mailings have been returned as undeliverable or if other sources of information indicate that the voter has moved out of state.

This bill would repeal an obsolete version of these requirements.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.

The people of the State of California do enact as follows:

SECTION 1. Section 2226 of the Elections Code, as amended by Section 6 of Chapter 262 of the Statutes of 2019, is repealed.

~~2226. (a) Based on change-of-address information received pursuant to Sections 2220 to 2225, inclusive, or change-of-address information provided directly by the voter, the county elections official shall take the following actions as appropriate:~~

~~(1) If the information indicates the voter has moved to a new residence address in California, the county elections official shall immediately update the voter's registration record.~~

~~(2) If the mailings have been returned as undeliverable, or if NCOA, Operation Mail, a returned mailing, or postal service change-of-address data received from a nonforwardable mailing indicates that the voter has moved and left no forwarding address, or if any of these sources indicate that a voter has moved out of the state, the county elections official shall update the status of the voter's registration to inactive. Voters with an inactive voter registration status do not receive election materials and are not included in calculations to determine the number of signatures required for qualification of candidates and measures, precinct size, or other election administration-related processes.~~

~~(3) If a voter's registration status is inactive based on the voter's failure to confirm the voter's address pursuant to Section 2224, the county elections official shall send a forwardable address verification mailing, as set forth in subdivision (c) of Section 2225. The voter registration record of a voter who fails to respond to the address verification mailing, and who does not offer to vote or vote at any election between the date of the mailing described in Section 2225 and two federal general elections after the date of that mailing, shall be canceled.~~

~~(b) The voter registration record of a voter whose status is inactive for failure to respond to an address verification mailing required by subdivision (c) of Section 2225, and who does not offer to vote or vote at any election between the date of the mailing and two federal general elections after the date of that mailing, shall be canceled.~~

~~(c) A voter who has a registration status of inactive, who offers to vote at any election between the date of the verification mailing required by subdivision (c) of Section 2225 and two federal general elections after the date of that mailing, or who notifies the elections official of a continued residency, shall have the voter's voter registration status updated to active.~~

~~(d) All address updates, cancellations, and active and inactive transactions made to voter registration records pursuant to this section shall be reflected on the voter list as required by Section 2191.~~

~~(e) This section shall remain in effect only until the date that the Secretary of State certifies that the state's statewide voter registration database, which was developed in compliance with the requirements of the federal Help America Vote Act of 2002 (52 U.S.C. Sec. 20901 et seq.), has been modified to notify county elections officials when a voter confirms the voter's registration record on the Secretary of State's internet website, and as of that date is repealed.~~

February 5, 2025

~~An act to amend Section 84309 of the Government Code, relating to the Political Reform Act of 1974.~~ *An act to add and repeal Chapter 1.5 (commencing with Section 8160) of Part 1 of Division 8 of the Elections Code, relating to elections, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.*

LEGISLATIVE COUNSEL'S DIGEST

SB 280, as amended, Cervantes. ~~Political Reform Act of 1974: prohibition on contributions in state and local government office buildings.~~ *Elections.*

(1) Existing law authorizes a candidate for elective office to submit a petition containing a specified number of signatures in lieu of all or part of the fee for filing nomination papers. Existing law requires the Secretary of State to make forms for securing signatures available to each candidate commencing 60 days before the first day for circulating nomination papers, except as specified, and requires candidates to file in-lieu-filing-fee petitions at least 30 days before the close of the nomination period.

This bill, for the June 2, 2026, statewide direct primary election, would require the Secretary of State to make those forms available beginning December 19, 2025. This bill would require the Secretary of State to prepare a calendar of key election dates and deadlines and requirements for the nomination of candidates by the date that the in-lieu-filing-fee petition forms are made available.

(2) Existing law requires each county elections official to provide the Secretary of State with specified information regarding the number of voters and their party preferences in the county and each supervisorial, Congressional, Senate, Assembly, and Board of Equalization district in the county on the 135th day before each direct primary election, with respect to all voters who are registered voters on the 154th day before the primary election. Existing law requires the Secretary of State to compile a statewide list of this information within 30 days after receiving it from each county elections official.

This bill would require the Secretary of State to determine, by December 19, 2025, whether it is feasible to include in the statewide list described above the number of voters by party preference in each congressional district with respect to all voters who are registered voters on the 154th day before the June 2, 2026, statewide direct primary election. If the Secretary of State determines it is not feasible, the bill would not require that information to be included in the information provided by the counties and the compiled statewide list. The bill would require the Secretary of State to prepare a supplemental statewide list showing that information on a date specified by the Secretary of State, but not later than the 88th day before the June 2, 2026, statewide direct primary election.

(3) Existing law authorizes a candidate for elective office to designate that certain specified words appear below the candidate's name on the ballot, including, among others, the word "incumbent."

This bill, for the June 2, 2026, statewide direct primary election, would prohibit a candidate for the office of Representative in Congress from choosing the word "incumbent" as a designation to appear on the ballot. The bill would make conforming changes relating to the deadline for a person to file nomination documents for an office if a current holder of the office does not file nomination documents. These provisions would become operative only if ACA 8 of the 2025–26 Regular Session is approved by the voters and another state adopts a new congressional district map that takes effect after August 1, 2025.

(4) The bill would repeal the provisions described in paragraphs (1) to (3) above on January 1, 2027.

(5) Existing law requires a constitutional amendment submitted to the people by the Legislature to appear on the ballot of the first statewide election occurring at least 131 days after the adoption of the proposal.

This bill would call a special election to be held throughout the state on November 4, 2025, and, notwithstanding the 131-day requirement, would require the submission of ACA 8 of the 2025–26 Regular Session to the voters at that special election. The bill would authorize a local election called on or before August 8, 2025, and scheduled to be held on November 4, 2025, to be consolidated with the statewide special election. The bill would require that the impartial analysis prepared by the Legislative Analyst for the state voter information guide for the special election include specified content regarding 2021 and 2025 congressional district maps.

The bill would specify the procedures under which the special election would be conducted. Counties that conduct all-mailed ballot elections using vote centers would be required to maintain at least one vote center for every 30,000 registered voters from November 1, 2025, to November 4, 2025, and at least one vote center for every 60,000 registered voters from October 25, 2025, through October 31, 2025. Other counties would be authorized to consolidate polling places at a maximum ratio of one for every 10,000 registered voters.

The bill would appropriate an amount from the General Fund to the Controller for the actual and reasonably necessary costs for counties to conduct the special election, as determined by the Director of Finance. The bill would also appropriate an amount from the General

Fund to the Secretary of State for the actual and reasonably necessary costs for the Secretary of State to administer the special election, as determined by the Director of Finance.

This bill would declare that it is to take effect immediately as an urgency statute.

~~The Political Reform Act of 1974 comprehensively regulates political campaigns, including campaign contributions. The act prohibits the receipt, delivery, or attempted delivery of a contribution in the State Capitol, any state office building, or any office for which the state pays the majority of the rent other than a legislative district office.~~

~~This bill would expand that prohibition to apply to local government office buildings and offices for which the state or a local government pays rent. The bill would also eliminate the exception for legislative district offices.~~

~~A violation of the act is punishable as a misdemeanor. By expanding the scope of restrictions on contributions, this bill would expand the scope of an existing crime, and therefore would impose a state-mandated local program.~~

~~The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that no reimbursement is required by this act for a specified reason.~~

~~The Political Reform Act of 1974, an initiative measure, provides that the Legislature may amend the act to further the act's purposes upon a ⅔ vote of each house of the Legislature and compliance with specified procedural requirements.~~

~~This bill would declare that it furthers the purposes of the act.~~

Vote: ⅔. Appropriation: ~~no~~ *yes*. Fiscal committee: yes. State-mandated local program: ~~yes~~ *no*.

The people of the State of California do enact as follows:

SECTION 1. Chapter 1.5 (commencing with Section 8160) is added to Part 1 of Division 8 of the Elections Code, to read:

CHAPTER 1.5. JUNE 2, 2026, STATEWIDE DIRECT PRIMARY ELECTION

8160. This chapter applies only to the June 2, 2026, statewide direct primary election.

8161. For purposes of this chapter, "statewide direct primary election" means the June 2, 2026, statewide direct primary election.

8162. (a) Notwithstanding subdivision (b) of Section 8106, forms for securing signatures on an in-lieu-filing-fee petition shall be made available beginning December 19, 2025.

(b) Notwithstanding subdivision (a) of Section 8106, the elections official shall reduce the required number of signatures on an in-lieu-filing-fee petition by the same proportion as the reduction in the number of days for the candidate to collect signatures on such a petition compared to the number of days for a candidate to collect signatures on a petition, as provided by subdivision (b) of Section 8106.

8163. Not later than December 19, 2025, the Secretary of State shall determine whether it is feasible to include the number of voters, by party preferences, in each congressional district in the state in the statewide list compiled by the Secretary of State pursuant to subdivision (b) of Section 2187 with respect to all voters who are registered voters on the 154th day before the statewide direct primary election in accordance with paragraph (1) of subdivision (c) of Section 2187, and shall publicly announce that determination. If the Secretary of State determines that it is not feasible to include that information, all of the following apply:

(a) Notwithstanding paragraph (5) of subdivision (a) of Section 2187, the information provided by the county elections official pursuant to paragraph (1) of subdivision (c) of Section 2187 is not required to include the number of voters by political party preferences in congressional districts located in whole or in part within the county.

(b) Notwithstanding subdivision (b) of Section 2187, the statewide list compiled by the Secretary of State pursuant to that subdivision with respect to all voters who are registered voters on the 154th day before the statewide direct primary election shall

not include the number of voters, by party preferences, in each congressional district in the state.

(c) (1) The Secretary of State shall prepare a supplemental statewide list showing the number of voters, by party preference, in the state and in each county, city, supervisorial district, Assembly district, Senate district, and congressional district in the state with respect to all voters who are registered voters on a date specified by the Secretary of State. The date specified by the Secretary of State shall be as soon as is feasible, as determined by the Secretary of State, but not later than the 88th day before the statewide direct primary election. The Secretary of State shall compile this list within 30 days of receiving the information specified in paragraph (2). A copy of this list shall be made available, upon request, to any elector in this state.

(2) For the purpose of preparing the supplemental statewide list required by paragraph (1), each county elections official shall prepare the information referenced in subdivision (a) of Section 2187 and provide notice to the Secretary of State by a date specified by the Secretary of State.

8164. Not later than the date that forms for securing signatures on an in-lieu-filing-fee petition are made available in accordance with Section 8162, the Secretary of State shall prepare a calendar of key election dates and deadlines and requirements for the nomination and election of candidates pursuant to California law, including this chapter.

8165. (a) Notwithstanding paragraph (2) of subdivision (a) of Section 13107, a candidate for the office of Representative in Congress shall not choose the word "incumbent" as a designation to appear on the ballot. This subdivision shall not be construed to prevent a candidate from choosing a designation of the elective office which the candidate holds at the time of filing the nomination documents, to which the candidate was elected by vote of the people in accordance with paragraph (1) of subdivision (a) of Section 13107.

(b) (1) Section 8022, as it pertains to the office of Representative in Congress, shall not be operative.

(2) Notwithstanding Section 8020 or any other law, a person shall have until 5 p.m. on the 83rd day before the statewide direct primary election to file nomination documents for the office of Representative in Congress, if either of the following is true:

(A) No person who currently holds the office of Representative in Congress delivered nomination documents for that district by 5 p.m. on the 88th day before the statewide direct primary election.

(B) Every person who currently holds the office of Representative in Congress who delivered nomination documents for that district by 5 p.m. on the 88th day before the statewide direct primary election also withdrew those nomination documents before 5 p.m. on the 88th day before the statewide direct primary election.

(c) This section shall become operative only if Assembly Constitutional Amendment 8 of the 2025–26 Regular Session is approved by the voters and takes effect, and subdivision (b) of Section 4 of Article XXI of the California Constitution, as added by that constitutional amendment, becomes operative.

8166. This chapter shall remain in effect only until January 1, 2027, and as of that date is repealed.

SEC. 2. (a) (1) A special election is hereby called to be held throughout the state on November 4, 2025.

(2) Notwithstanding Sections 10403 and 10406 of the Elections Code or any other law, a regular or special local election for the submission of any question, proposition, or office to be filled, which was called by a district, city, or other political subdivision on or before August 8, 2025, and scheduled to be held on November 4, 2025, may be consolidated with the statewide special election. A district, city, or other political subdivision shall not call a special election to be held on November 4, 2025, after the effective date of this act.

(b) (1) Notwithstanding Sections 9040, 9043, 9044, 9061, 9082, and 9094 of the Elections Code or any other law, the Secretary of State shall submit Assembly Constitutional Amendment 8 of the 2025–26 Regular Session to the voters at the November 4, 2025, statewide special election.

(2) Notwithstanding Section 13117 of the Elections Code, the measure described in paragraph (1) shall be designated as Proposition 50.

(c) Notwithstanding Section 9054 of the Elections Code or any other law, if a city, county, or city and county is required to provide a translation of ballot materials in a language other than English, the Secretary of State shall provide a translation of the ballot title and summary and the ballot label for the measure described in

subdivision (b) to the city, county, or city and county not later than a date determined by the Secretary of State. The Secretary of State is not required to consult with an advisory body of language experts and nonpartisan organizations that advocate on behalf of, or provide services to, individuals that speak that language for these purposes. The translations of the ballot title and summary and the ballot label may be made available for public examination at a later date than the start of the public examination period for the state voter information guide, provided that the translations of the ballot title and summary and the ballot label shall remain available for public examination for eight days. A voter may seek a writ of mandate for the purpose of requiring the translations, or portions thereof, to be amended or deleted only within that eight-day period.

(d) Notwithstanding Section 13282 of the Elections Code or any other law, the public shall be permitted to examine the condensed ballot title and summary of the measure described in subdivision (b) for eight days. A voter may seek a writ of mandate for the purpose of requiring the condensed ballot title and summary, or portions thereof, to be amended or deleted only within that eight-day period.

(e) Notwithstanding Sections 303, 9050, and 9051 of the Elections Code or any other law, the ballot label for the measure described in subdivision (b) shall not include a list of supporters and opponents.

(f) The impartial analysis prepared by the Legislative Analyst pursuant to Section 9087 of the Elections Code for inclusion in the state voter information guide prepared by the Secretary of State pursuant to Section 9081 of the Elections Code for the statewide special election called by paragraph (1) of subdivision (a) of this section shall include all of the following:

(1) A hyperlink to the text of Assembly Bill 604 of the 2025–26 Regular Session.

(2) One or more visual depictions of the geographic map or maps of the congressional districts that were certified by the Citizens Redistricting Commission in 2021.

(3) One or more visual depictions of the geographic map or maps of the congressional districts that are created by Assembly Bill 604 of the 2025–26 Regular Session. For the purpose of complying with this requirement, the Legislative Analyst may use

the geographic map or maps of the congressional districts that are displayed on the webpage of the Assembly Committee on Elections or of the Senate Committee on Elections and Constitutional Amendments.

SEC. 3. (a) This section applies only to the statewide special election held on November 4, 2025.

(b) (1) A county that does not conduct the statewide special election pursuant to Section 4005 of the Elections Code shall provide at least two vote by mail ballot drop-off locations within the county or at least one vote by mail ballot drop-off location for every 30,000 registered voters within the county, as determined by the last report of registration issued by the Secretary of State pursuant to Section 2187 of the Elections Code, whichever results in more vote by mail ballot drop-off locations. For a county with fewer than 30,000 registered voters, at least one vote by mail ballot drop-off location shall be provided.

(2) A county that conducts the statewide special election pursuant to Section 4005 of the Elections Code shall provide at least two ballot drop-off locations within the county or at least one ballot drop-off location provided for every 15,000 registered voters within the county, as determined by the last report of registration issued by the Secretary of State pursuant to Section 2187 of the Elections Code, whichever results in more ballot drop-off locations.

(3) A ballot drop-off location provided for under this subdivision consists of a secure, accessible, and locked ballot box located as near as possible to established public transportation routes and that is able to receive voted ballots. All ballot drop-off locations shall be open at least during regular business hours beginning not later than October 7, 2025, through November 4, 2025. At least one ballot drop-off location shall be an accessible, secured, exterior drop box that is available for a minimum of 12 hours per day including regular business hours.

(c) A county that conducts the statewide special election pursuant to Section 4005 of the Elections Code may choose to have its vote centers open in accordance with the following provisions, in lieu of the requirements of paragraph (3) of, and subparagraphs (A) and (B) of paragraph (4) of, subdivision (a) of Section 4005 of the Elections Code:

(1) From November 1, 2025, to November 3, 2025, inclusive, for a minimum of eight hours per day at regular hours convenient for members of the public, and on November 4, 2025, from 7 a.m. to 8 p.m., inclusive, at least one vote center shall be provided for every 30,000 registered voters within the county, as determined by the most recent report of registration issued by the Secretary of State pursuant to Section 2187 of the Elections Code. For a county with fewer than 30,000 registered voters, a minimum of one vote center shall be provided.

(2) Beginning October 25, 2025, and continuing daily up to and including October 31, 2025, for a minimum of eight hours per day at regular hours convenient for members of the public, at least one vote center shall be provided for every 60,000 registered voters within the county, as determined by the most recent report of registration issued by the Secretary of State pursuant to Section 2187 of the Elections Code. For a county with fewer than 60,000 registered voters, a minimum of one vote center shall be provided.

(d) (1) A county that does not conduct the statewide special election pursuant to Section 4005 of the Elections Code may choose to follow the procedures described in this subdivision as an alternative to procedures that would otherwise be applicable in that county.

(2) (A) While maintaining separate geographical precincts under the existing limits on number of voters provided in Section 12223 of the Elections Code, the elections official may establish consolidated precinct boards, located within the same physical polling place, serving the voters residing in multiple adjacent precincts established pursuant to Section 12223 of the Elections Code at a maximum ratio of one consolidated precinct board location for every 10,000 registered voters. These consolidated polling locations shall be open from November 1, 2025, through November 3, 2025, for at least eight hours each day at regular hours convenient for members of the public. On November 4, 2025, the consolidated polling location shall be open from 7 a.m. to 8 p.m.

(B) In establishing the consolidated polling places, the elections official shall take into consideration the boundaries of state legislative, congressional, county supervisorial, and any other affected local legislative districts.

(C) The elections official shall ensure that the consolidated polling places are equitably distributed across the county to afford maximally convenient options for all voters and are established at accessible locations as near as possible to established public transportation routes. A consolidated polling place shall be located within the boundary of one of the precincts it serves.

(D) (i) The consolidated polling places shall be equipped with voting units or systems that are accessible to individuals with disabilities and provide the same opportunity for access and participation as is provided to voters who are not disabled, including the ability to vote privately and independently, in accordance with Sections 12280 and 19240 of the Elections Code. Each consolidated polling place shall have at least three voting machines that are accessible to voters with disabilities.

(ii) The consolidated polling places shall comply with the accessibility requirements described in Article 5 (commencing with Section 12280) of Chapter 3 of Division 12 of the Elections Code, the federal Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12101 et seq.), the federal Help America Vote Act of 2002 (52 U.S.C. Sec. 20901 et seq.), and the federal Voting Rights Act of 1965 (52 U.S.C. Sec. 10101 et seq.).

(E) The elections official shall provide each consolidated polling place with enough ballots, provisional ballots, and provisional ballot envelopes to ensure every voter can be accommodated, as necessary.

(3) In a county with consolidated polling places as described in this subdivision, the elections official shall provide at least one location, open at least during regular business hours beginning not later than October 7, 2025, at which a voter may do any of the following:

(A) Return, or vote and return, the voter's vote by mail ballot.

(B) Register to vote, update the voter's voter registration, and vote pursuant to Section 2170 of the Elections Code.

(C) Receive and vote a provisional ballot pursuant to Section 3016 of the Elections Code or Article 5 (commencing with Section 14310) of Chapter 3 of Division 14 of the Elections Code.

(D) Receive a replacement ballot after submitting a valid replacement ballot request as provided for in Section 3014 of the Elections Code.

(E) Vote a regular, provisional, or replacement ballot using accessible voting equipment that provides for a private and independent voting experience.

(4) In determining the locations of consolidated polling places pursuant to this subdivision, the county elections official shall consider consolidated polling place location proximity to communities with historically low vote by mail usage. County elections officials shall also consider the other criteria described in subparagraph (B) of paragraph (10) of subdivision (a) of Section 4005 of the Elections Code, to the extent data is readily available.

(5) After finalizing the locations of consolidated polling places, the county elections official shall provide public notice, in all legally required languages for that county, of the proposed consolidated polling place locations, post a copy of those locations on the county elections official's internet website, and accept public comments on the final locations. The county elections official shall accept public comment for at least 48 hours after providing public notice of the proposed locations. Following the public comment period, the county elections official shall consider any comments the official receives from the public and shall adjust consolidated polling place locations in response to the public comments to the extent the official deems appropriate. Notice of any adjustments shall be immediately posted on the county election official's internet website and social media platforms.

(e) (1) The Secretary of State shall establish a process to consider requests from counties to adjust or partially waive the minimally required number, location, or operational duration of consolidated polling places described in subdivision (d), or to partially waive the provisions regarding the maximum number of voters in a precinct as required by Section 12223 of the Elections Code. The process shall include, but not be limited to, review and modification, denial, or granting of a county's request in a timeframe to be determined by the Secretary of State. The Secretary of State shall not grant a county a complete waiver of the minimally required number, location, or operational duration of consolidated polling places described in subdivision (d), and shall not grant a county a waiver of the provisions regarding the maximum number of voters in a precinct as required by Section 12223 of the Elections Code that would result in more than 3,000 voters being assigned to any single precinct.

(2) (A) The Secretary of State shall not grant a partial waiver or modification to a county unless the elections official in that county demonstrates all of the following:

(i) The official made best efforts to secure the required in-person voting locations.

(ii) The plan will not have a negative disparate impact on disabled voters or any protected class of voters.

(iii) The plan will not reduce in-person voting locations below a number of locations necessary to safely and efficiently accommodate the anticipated demand for in-person voting services.

(B) For the purposes of this paragraph, "protected class" means a class of voters who are members of a race, color, or language minority group, as referenced and defined in the federal Voting Rights Act of 1965 (52 U.S.C. Sec. 10101 et seq.).

(f) (1) Notwithstanding Section 15301 or 15372 of the Elections Code, or any other law, the elections official shall not certify the results of the November 4, 2025, statewide special election prior to the 28th calendar day following the election.

(2) Notwithstanding paragraph (1), if during the official canvass there are no vote by mail ballots remaining for which a voter has the opportunity either to verify their signature pursuant to subdivision (d) of Section 3019 of the Elections Code or to provide their signature pursuant to subdivision (e) of Section 3019 of the Elections Code and has not already done so, the elections official may certify the results of the November 4, 2025, statewide special election prior to the 28th calendar day following the election.

(g) Notwithstanding Section 3019 of the Elections Code, the elections official shall accept a completed signature verification statement, unsigned identification envelope statement, or a combined vote by mail ballot signature verification statement and unsigned identification envelope statement until 5 p.m. on the 26th calendar day following the November 4, 2025, statewide special election.

(h) Notwithstanding Section 15301 of the Elections Code, if the only ballots that the elections official has left to count as part of the official canvass are vote by mail ballots for which a voter has the opportunity either to verify their signature pursuant to subdivision (d) of Section 3019 of the Elections Code or to provide their signature pursuant to subdivision (e) of Section 3019 of the Elections Code, and the elections official does not need to continue

the official canvass for at least six hours per day in order to complete the official canvass by the 28th calendar day following the election, the official canvass may be continued for fewer than six hours per day until completion.

SEC. 4. (a) It is the intent of the Legislature to ensure counties have sufficient funding to effectuate the November 4, 2025, statewide special election. An amount is hereby appropriated from the General Fund to the Controller for the actual and reasonably necessary costs, as determined by the Director of Finance, for the counties to conduct the November 4, 2025, statewide special election.

(b) Notwithstanding any other law, the Controller shall allocate these funds to counties according to a schedule provided by the Director of Finance. Any excess funds received by the county shall be used to offset state costs for the next statewide election conducted by the county. Each county shall report its final total cost to administer the statewide special election to the Secretary of State in a manner and by a date determined by the Secretary of State.

(c) An amount is hereby appropriated from the General Fund to the Secretary of State for the actual and reasonably necessary costs, as determined by the Director of Finance, for the Secretary of State to administer the November 4, 2025, statewide special election.

(d) No later than April 1, 2026, the Secretary of State shall report on the final costs of the statewide special election to the Director of Finance and the Joint Legislative Budget Committee. The report shall include all of the following:

(1) The total cost of the statewide special election by county.

(2) The costs broken out by category for each county.

(3) Any funds remaining, by county, that can be used to offset state costs for the next election conducted by the county.

SEC. 5. The provisions of this act are severable. If any provision of this act or its application is held invalid, that invalidity shall not affect other provisions or applications that can be given effect without the invalid provision or application.

SEC. 6. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the California Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to hold a statewide special election on November 4, 2025, so that congressional district boundaries can be adjusted and implemented in time for the June 2, 2026, statewide direct primary election, it is necessary that this act take effect immediately.

~~SECTION 1. Section 84309 of the Government Code is amended to read:~~

~~84309. (a) A person shall not receive or personally deliver or attempt to deliver a contribution in the State Capitol, any state or local government office building, or any office for which the state or a local government pays rent.~~

~~(b) For purposes of this section:~~

~~(1) "Personally deliver" means delivery of a contribution in person or causing a contribution to be delivered in person by an agent or intermediary.~~

~~(2) "Receive" includes the receipt of a campaign contribution delivered in person.~~

~~SEC. 3. The Legislature finds and declares that this bill furthers the purposes of the Political Reform Act of 1974 within the meaning of subdivision (a) of Section 81012 of the Government Code.~~

EXHIBIT 4

AMENDED IN SENATE AUGUST 18, 2025

CALIFORNIA LEGISLATURE—2025–26 REGULAR SESSION

ASSEMBLY BILL No. 604

Introduced by ~~Assembly Member Berman~~ *Assembly Member Aguiar-Curry* and Senator Gonzalez

February 13, 2025

~~An act to repeal Section 2226 of the Elections Code, relating to elections.~~ *An act to add and repeal Chapter 5 (commencing with Section 21400) of Division 21 of the Elections Code, relating to redistricting, and declaring the urgency thereof, to take effect immediately.*

LEGISLATIVE COUNSEL'S DIGEST

AB 604, as amended, ~~Berman~~ *Aguiar-Curry*. ~~Voter registration: residency confirmation.~~ *Redistricting: congressional districts.*

The California Constitution requires the Citizens Redistricting Commission to adjust the boundary lines of the congressional, State Senate, Assembly, and State Board of Equalization districts in the year following the year in which the national decennial census is taken and requires the districts be redrawn in conformance with specified standards.

This bill would specify the elements that define the congressional districts if ACA 8 of the 2025–26 Regular Session is adopted by the voters. These provisions would become operative only if specified provisions of that constitutional amendment become operative, and would remain in effect only until a new map of congressional districts is certified by the Citizens Redistricting Commission as described above.

This bill would declare that it is to take effect immediately as an urgency statute.

~~Existing law requires county elections officials to update a voter's registration record if change-of-address information indicates the voter has moved to a new residence address in California. Existing law requires county elections officials to change a voter's registration status to inactive if mailings have been returned as undeliverable or if other sources of information indicate that the voter has moved out of state.~~

~~This bill would repeal an obsolete version of these requirements.~~

Vote: ~~majority~~ *2/3*. Appropriation: no. Fiscal committee: ~~no~~ *yes*. State-mandated local program: no.

The people of the State of California do enact as follows:

Assembly Constitutional Amendment No. 8—A resolution to propose to the people of the State of California an amendment to the Constitution of the State, by ~~amending Section 16 of Article VI~~ *adding Section 4 to Article XXI* thereof, relating to ~~the judiciary.~~ *redistricting.*

LEGISLATIVE COUNSEL'S DIGEST

ACA 8, as amended, ~~Pellerin~~ *Rivas*. ~~Elections: incumbent judges of the Supreme Court and courts of appeal.~~ *Congressional redistricting.*

The California Constitution establishes the Citizens Redistricting Commission, which is required to adjust the boundary lines of congressional, Senate, Assembly, and State Board of Equalization

districts in the year following the year in which the national census is taken at the beginning of each decade.

This measure, notwithstanding the authority of the Citizens Redistricting Commission, would require the state to temporarily use the congressional districts reflected in AB 604 of the 2025–26 Regular Session for every congressional election until the new congressional boundary lines are drawn by the commission in 2031. This measure would make the congressional districts reflected in AB 604 operative only if Texas, Florida, or another state adopts a new congressional district map that takes effect after August 1, 2025, and before January 1, 2031, and such redistricting is not required by a federal court order.

~~Under the California Constitution, an incumbent judge of the Supreme Court or a court of appeal who seeks a successive term in office must file a declaration of candidacy. If a declaration is not filed, the Governor must nominate a candidate. At the next general election, the name of the candidate that is declared or nominated will appear on the ballot, which must present the question of whether the candidate should be elected.~~

~~This measure would authorize the Legislature to enact a statute providing that if an incumbent judge of the Supreme Court or a court of appeal files a declaration of candidacy, the judge's name will not appear on the ballot and the judge will instead be deemed elected, unless a petition is filed by a requisite number of voters requesting that the judge's name appear on the ballot for a vote.~~

Vote: ⅔. Appropriation: no. Fiscal committee: ~~no~~ *yes*. State-mandated local program: no.

Resolved by the Assembly, the Senate concurring, That the Legislature of the State of California at its 2025–26 Regular Session, commencing on the second day of December 2024, two-thirds of the membership of each house concurring, hereby proposes to the people of the State of California that the Constitution of the State be amended as follows:

First—This measure shall be known, and may be cited, as the "Election Rigging Response Act."

Second—The people of the State of California find and declare all of the following:

(a) President Donald Trump has called on Republican-led states to undertake an unprecedented mid-decade redistricting of

congressional seats to rig the 2026 United States midterm elections before voting begins.

(b) The State of Texas has convened a special session of its Legislature to redraw congressional district maps to unfairly advantage Republicans.

(c) The Legislature of the State of Florida has established a select committee to advance an extraordinary mid-decade redistricting to unfairly advantage Republicans.

(d) Republicans have urged the State of Ohio to conduct its mid-decade redistricting to unfairly produce more Republican seats in Congress.

(e) Republican officials in the States of Indiana, Missouri, New Hampshire, Nebraska, and South Carolina are also considering President Trump's call for the mid-decade redistricting of congressional seats to unfairly advantage Republicans.

(f) President Trump and Republicans are attempting to gain enough seats through redistricting to rig the outcome of the 2026 United States midterm elections regardless of how the people vote.

(g) President Trump's election-rigging scheme is an emergency for our democracy.

(h) The 2026 United States midterm elections are voters' only chance to provide an essential check and balance against President Trump's dangerous agenda.

(i) California has long stood as a national leader for fair, independent, and nonpartisan redistricting.

(j) California calls on all other states to commit to fair and impartial drawing of maps.

(k) California has a duty to defend democracy.

(l) The 2026 United States midterm elections for Congress must be conducted on a level playing field without an extreme and unfair advantage for Republicans.

(m) The people of California, not politicians, should have the power to approve temporary congressional district maps in response to President Trump's election-rigging scheme.

(n) It is the intent of the people that California's temporary maps be designed to neutralize the partisan gerrymandering being threatened by Republican-led states without eroding fair representation for all communities.

Third—That Section 4 is added to Article XXI thereof, to read:

SEC. 4. (a) It is the policy of the State of California to support the use of fair, independent, and nonpartisan redistricting commissions nationwide. The people of the State of California call on the Congress of the United States to pass federal legislation and propose an amendment of the United States Constitution to require the use of fair, independent, and nonpartisan redistricting commissions nationwide.

(b) Notwithstanding any other provision of this Constitution or existing law, the single-member districts for Congress reflected in Assembly Bill 604 of the 2025–26 Regular Session shall temporarily be used for every congressional election for a term of office commencing on or after the date this subdivision becomes operative and before the certification of new congressional boundary lines drawn by the Citizens Redistricting Commission pursuant to subdivision (e).

(c) (1) Subdivision (b) shall become operative only if Texas, Florida, or another state adopts a new congressional district map that takes effect after August 1, 2025, and before January 1, 2031, and such redistricting is not required by a federal court order.

(2) The condition described in paragraph (1) shall include a new congressional district map adopted by the State of Ohio only if the map is adopted pursuant to division (F)(3) of Section 1 of Article XIX of the Ohio Constitution.

(d) (1) The Attorney General has the sole legal standing to defend any action regarding a congressional district map adopted pursuant to subdivision (b).

(2) The California Supreme Court has original and exclusive jurisdiction in all proceedings in which a congressional district map adopted pursuant to subdivision (b) is challenged.

(e) The Citizens Redistricting Commission established pursuant to Section 1 shall continue to adjust the boundary lines of the congressional, State Senatorial, Assembly, and Board of Equalization districts in conformance with the standards and process set forth in Section 2 in 2031, and every 10 years thereafter as provided in Section 1.

Fourth—The provisions of this measure are severable. If any portion, section, subdivision, paragraph, clause, sentence, phrase, word, or application of this measure is for any reason held to be invalid by a decision of any court of competent jurisdiction, that decision shall not affect the validity of the remaining portions of

this measure. The Legislature hereby declares that it would have proposed, and the voters hereby declare that they would have adopted, this measure and every portion, section, subdivision, paragraph, clause, sentence, phrase, word, and application not declared invalid or unconstitutional without regard to whether any portion of this measure or application of this measure would be subsequently declared invalid.

~~That Section 16 of Article VI thereof is amended to read:~~

~~SEC. 16. (a) Judges of the Supreme Court shall be elected at large and judges of courts of appeal shall be elected in their districts at general elections at the same time and places as the Governor. Their terms are 12 years beginning the Monday after January 1 following their election, except that a judge elected to an unexpired term serves the remainder of the term. In creating a new court of appeal district or division the Legislature shall provide that the first elective terms are 4, 8, and 12 years.~~

~~(b) Judges of superior courts shall be elected in their counties at general elections except as otherwise necessary to meet the requirements of federal law. In the latter case the Legislature, by two-thirds vote of the membership of each house thereof, with the advice of judges within the affected court, may provide for their election by the system prescribed in subdivision (d), or by any other arrangement. The Legislature may provide that an unopposed incumbent's name not appear on the ballot.~~

~~(c) Terms of judges of superior courts are six years beginning the Monday after January 1 following their election. A vacancy shall be filled by election to a full term at the next general election after the second January 1 following the vacancy, but the Governor shall appoint a person to fill the vacancy temporarily until the elected judge's term begins.~~

~~(d) (1) Within 30 days before August 16 preceding the expiration of the judge's term, a judge of the Supreme Court or a court of appeal may file a declaration of candidacy to succeed to the office presently held by the judge. If the declaration is not filed, the Governor before September 16 shall nominate a candidate. Except as provided in paragraph (2), at the next general election, only the candidate so declared or nominated may appear on the ballot, which shall present the question whether the candidate shall be elected. The candidate shall be elected upon receiving a majority~~

~~of the votes on the question. A candidate not elected may not be appointed to that court but later may be nominated and elected.~~

~~(2) The Legislature may provide by statute that the name of a judge of the Supreme Court or a court of appeal who files a declaration of candidacy shall not appear on the ballot, and instead the judge shall be deemed elected, unless a petition requesting that the judge's name appear on the ballot is filed by a requisite number of registered voters qualified to vote for the office.~~

~~(3) The Governor shall fill vacancies in those courts by appointment. An appointee holds office until the Monday after January 1 following the first general election at which the appointee had the right to become a candidate or until an elected judge qualifies. A nomination or appointment by the Governor is effective when confirmed by the Commission on Judicial Appointments.~~

~~(4) Electors of a county, by majority of those voting and in a manner the Legislature shall provide, may make this system of selection applicable to judges of superior courts.~~

Tiene 30 DÍAS DE CALENDARIO después de que le entreguen esta citación y papeles legales para presentar una respuesta por escrito en esta corte y hacer que se entregue una copia al demandante. Una carta o una llamada telefónica no lo protegen. Su respuesta por escrito tiene que estar en formato legal correcto si desea que procesen su caso en la corte. Es posible que haya un formulario que usted pueda usar para su respuesta. Puede encontrar estos formularios de la corte y más información en el Centro de Ayuda de las Cortes de California (www.sucorte.ca.gov), en la biblioteca de leyes de su condado o en la corte que le quede más cerca. Si no puede pagar la cuota de presentación, pida al secretario de la corte que le dé un formulario de exención de pago de cuotas. Si no presenta su respuesta a tiempo, puede perder el caso por incumplimiento y la corte le podrá quitar su sueldo, dinero y bienes sin más advertencia.

Hay otros requisitos legales. Es recomendable que llame a un abogado inmediatamente. Si no conoce a un abogado, puede llamar a un servicio de remisión a abogados. Si no puede pagar a un abogado, es posible que cumpla con los requisitos para obtener servicios legales gratuitos de un programa de servicios legales sin fines de lucro. Puede encontrar estos grupos sin fines de lucro en el sitio web de California Legal Services, (www.lawhelpcalifornia.org), en el Centro de Ayuda de las Cortes de California, (www.sucorte.ca.gov) o poniéndose en contacto con la corte o el colegio de abogados locales. AVISO: Por ley, la corte tiene derecho a reclamar las cuotas y los costos exentos por imponer un gravamen sobre cualquier recuperación de $10,000 ó más de valor recibida mediante un acuerdo o una concesión de arbitraje en un caso de derecho civil. Tiene que pagar el gravamen de la corte antes de que la corte pueda desechar el caso.

NOTICE! You have been sued. The court may decide against you without your being heard unless you respond within 30 days. Read the information below.

You have 30 CALENDAR DAYS after this summons and legal papers are served on you to file a written response at this court and have a copy served on the plaintiff. A letter or phone call will not protect you. Your written response must be in proper legal form if you want the court to hear your case. There may be a court form that you can use for your response. You can find these court forms and more information at the California Courts Online Self-Help Center (*www.courtinfo.ca.gov/selfhelp*), your county law library, or the courthouse nearest you. If you cannot pay the filing fee, ask the court clerk for a fee waiver form. If you do not file your response on time, you may lose the case by default, and your wages, money, and property may be taken without further warning from the court.

There are other legal requirements. You may want to call an attorney right away. If you do not know an attorney, you may want to call an attorney referral service. If you cannot afford an attorney, you may be eligible for free legal services from a nonprofit legal services program. You can locate these nonprofit groups at the California Legal Services Web site (*www.lawhelpcalifornia.org*), the California Courts Online Self-Help Center (*www.courtinfo.ca.gov/selfhelp*), or by contacting your local court or county bar association. **NOTE:** The court has a statutory lien for waived fees and costs on any settlement or arbitration award of $10,000 or more in a civil case. The court's lien must be paid before the court will dismiss the case.
