**[PROOF] Last Week's Recap**

---

**From** CAGOP Communications <info@updates.cagop.org>**Date** Mon 2025-12-01 14:44**To** Francisco Bedoya <fbedoya@cagop.org>**LAST WEEK'S RECAP**

**5 THINGS** CALIFORNIA REPUBLICANS DID LAST WEEK

**PROP 50: VOTE NO**  
SPECIAL ELECTION ON NOVEMBER 4

**PROP 50 TAKES CALIFORNIA BACKWARDS**  
Californians created the gold standard for fair elections: independent, citizen-led redistricting that ensures voters pick their representatives, not the other way around.  
Prop 50 would tear that down, even temporarily, and hand the power back to Sacramento politicians. That's not progress. That's regression.  
We're the Golden State, not the rigged state.

**WE NEED YOU TO COMPLETE STEPS 1, 2, & 3**

<b>1. Make sure your voter registration is up to date:</b> <b>REGISTER TO VOTE</b>	<b>2. Volunteer to help the California Republican Party contact voters:</b> <b>SIGN UP TO VOLUNTEER</b>	<b>3. Rush in a donation &amp; help fuel our efforts to stop this from passing:</b> <b>DONATE NOW</b>
---	--	--

**CALIFORNIANS LOSE, POLITICIANS WIN**  
Voters are supposed to choose their representatives, not the other way around. While the nation debates term and age limits for politicians, California's politicians are working overtime to decieve you into ensuring they never have to face a reelection challenge or accountability.

**From** CAGOP <info@updates.cagop.org>**Date** Mon 2025-12-01 10:20**To** Francisco Bedoya <fbedoya@cagop.org>

*Francisco, could this be the end of President Trump's Presidency?*

Gavin Newsom's newest CORRUPT scheme involves making California a PERMANENT blue state and redrawing EVERY Congressional district BLUE.

**And if Democrats in California get away with this, it could pave the path for states like Arizona, Wisconsin, Pennsylvania, Michigan, and others to do the exact SAME thing....**

Francisco, the truth is, if Newsom & Democrats succeed this would effectively be the END of President Trump's Presidency.

California Republicans are fighting this with everything we have, but we can't do it alone.

That's why we're asking: **please rush a donation to California Republicans today. We need to know we have your support as we push forward in the fight.**

Democrats are losing ground, and they know it. California Republicans are growing at a rate 11x FASTER than the Left.

Jocelynn, we're going to be blunt about this.

We cannot risk giving Democrats even an INCH in this battle.

We're finalizing our list of day one supporters in this effort soon, and we need your name on it. **Please, join us today. >>**

**[PROOF] CAGOP Statement on Gavin Newsom Redistricting Plan**

---

**From** CAGOP Communications <info@updates.cagop.org>**Date** Mon 2025-12-01 11:20**To** Francisco Bedoya <fbedoya@cagop.org>**CAGOP Statement on Governor Gavin Newsom's Redistricting Plan**

**SACRAMENTO** — Today, CAGOP Chairwoman Corrin Rankin issued the following statement on Governor Gavin Newsom's Redistricting Plan:

"Governor Newsom has signed into law a blatant power grab, rushed through in secret by Democrats in the very kind of backroom process Californians voted to abolish when they created the independent Citizens Redistricting Commission. Voters established the Commission to guarantee fairness and transparency, and Democrats just shredded it to protect their own power.

This scheme will waste hundreds of millions of taxpayer dollars on a rushed special election at a time when Californians are struggling with the cost of living, crime, and homelessness. It's an abuse of taxpayer money and a direct attack on democracy in our state.

The California Republican Party will fight this corruption in court and at the ballot box. We will defend fair maps, voter voices, and the independent commission that Californians overwhelmingly support."

We're recruiting Poll Observers to safeguard the process, protect the vote, and hold Democrats accountable.

[PROOF] ATTN: Attorneys needed

---

From CAGOP <info@updates.cagop.org>

Date Mon 12/1/2025 4:08 PM

To Jocelynn Florian <jflorian@cagop.org>

Jocelynn,

On November 4, Californians will vote on Prop 50 — Gavin Newsom's scheme to wipe out Republican congressional seats. To stop it, we need more than voters. We need attorneys.

The CAGOP is recruiting volunteer attorneys to join our Election Integrity Team. Attorneys play a vital role on Election Day— monitoring polling locations, ensuring laws are followed, and standing ready to act if Democrats attempt to bend the rules.

This is your opportunity to put your training to work and defend free and fair elections in California. Together, we can hold Democrats accountable and protect the vote.

**To stop them, we need YOU to step up as a Poll Observer in this critical NO on Prop 50 election.**

This special election will decide the political balance of our state and the nation. We can't risk losing the U.S. House of Representatives — not for President Donald J. Trump, not for America's future.

**Sign up today.** Poll Observers are the eyes and ears on the ground. Your presence at voting locations deters misconduct, keeps the process honest, and ensures Democrats are held accountable.

Jocelynn,

There is so much at stake, and we must ensure that our elections are safe and secure. **That's why we need YOU as a Poll Observer.**

Jocelynn,

Prop 50 is more than a California issue — it's part of the Democrats' plan to take away our Republican majority in Congress and hand Gavin Newsom unchecked power.

This November 4, we must draw the line. The only way to stop them is to make sure every ballot is watched, every vote is counted fairly, and every procedure is followed. That's where YOU come in.

**By serving as a Poll Observer, you'll be on the front lines of election integrity.**

Your presence keeps the process honest, deters misconduct, and ensures Democrats are held accountable. Without trained Republicans in the room, they're free to operate without scrutiny. We can't let that happen.

America's future depends on citizens like you stepping up when it matters most. That time is now.

Jocelynn,

On November 4, Prop 50 puts our congressional majority at risk. We can't afford a single polling place without Republican eyes and ears.

That's why we're recruiting Poll Observers across California — citizens who will keep procedures tight, deter misconduct, and ensure Democrats never go unchecked. **All trainings are on Zoom, and you can select any session time that fits your schedule.**

You'll leave training with clear, step-by-step guidance: what to watch for, how to escalate issues fast, and how to document everything so problems are fixed in real time. When Republicans show up, the rules get followed — and the results speak for themselves.

Stand with us. Protect the vote. Get trained.

[PROOF] Four days until the November 4 election

---

From CAGOP Political <info@updates.cagop.org>

Date Mon 12/1/2025 10:33 AM

To Jocelynn Florian <jflorian@cagop.org>

Jocelynn,

Four days until the November 4 election — and there's no time to waste. Prop 50 is trying to redraw congressional maps and wipe out Republican seats.

Here's what you need to do right now:

- If you have a Vote-by-Mail ballot, fill it out and return it early. Don't let postal delays strip you of your vote.
- If you haven't voted yet, find your nearest polling place or vote center and plan when you'll go.
- Remind five friends to vote too — their votes matter just as much.

This election will shape representation in Congress. Vote early. Vote decisively. Vote No on Prop 50.

Jocelynn,

Prop 50 is designed to wipe out Republican representation in Congress. ***The way we stop it is simple:*** put trained Republicans inside polling locations on Election Day.

**Become a Poll Observer and get ready to protect the vote.** All trainings are on Zoom, and you'll choose the session time that works best for you.

In training, we'll cover exactly what you need to be effective from the moment you walk in: how to check in, where you can stand, what you can observe, how to document issues, and how to get rapid help from our team.

**When Republicans are in the room, the process stays honest and Democrats are held accountable.**

This election is too important to leave to chance. Get trained, get credentialed, and be ready.

*Jocelynn, it's plain and simple: Gavin Newsom's RIGGED maps are UNCONSTITUTIONAL.*

That's why we filed a lawsuit to make the maps INVALID!

The fight didn't end on Election Day. We're working each and every day to defend Republicans up and down the ballot.

**If you're able to, would you consider rushing in support today?**

From CAGOP <info@updates.cagop.org>

To Jocelynn Florian <jflorian@cagop.org>

Jocelynn,

Let's be clear: Democrats don't want Republicans serving as poll watchers. They know our presence makes it harder to cut corners, harder to bend rules, and harder to operate unchecked.

That's exactly why we need you at the polls on November 4th.  
***Make a commitment to serve as a Poll Observer TODAY.>>>***

If Republicans aren't in the room, Democrats are free to run the show without accountability. But if YOU are there, trained and ready, everything changes. You'll be the one making sure ballots are handled properly, that procedures are followed, and that the election is conducted fairly.

Step one is simple:

To Jocelynn Florian <jflorian@cagop.org>

Jocelynn,

It's Election Day, November 4. This is it. Prop 50 is on the line — and it will decide the future of Republican seats in Congress.

If you haven't voted yet:

- Head to your polling place NOW — polls open at 7:00 AM and close at 8:00 PM.
- Drop off your mail ballot at a nearby drop box or vote location.
- Bring your friends, family, neighbors — remind five people to vote today. Every vote counts.

This is your chance to protect your district, your party, and your voice. Make it count.
