THEN: Democrats approved spending \$50 MILLION in legal funds for fighting against President Trump.

NOW: They’re threatening to RIG our Congressional Districts for Democrats to FLIP at LEAST 5 House seats and take control of the House.

Jocelynn, Election Day is in less than 11 days.

We still need 2 more responses from 92627 if we're going to prevent a COMPLETE Democrat takeover!

Democrats are losing ground, and they know it. California Republicans are growing at a rate 11x FASTER than the Left.

That's why the Left has cooked up a new scheme to maintain power in California..

Their plan? REDRAW our Congressional Districts in a way that gives Democrats an UNFAIR advantage!

We cannot and must not allow this to happen. If Democrats succeed, it will mean the end of a Republican House majority and would bring the America First Agenda to a drastic halt!

Please, we need to hear from 92627 before midnight: **will you rush in a donation and show that you stand with California Republicans?**

We still need 2 more responses from 92627 if we're going to prevent a COMPLETE Democrat takeover!

Democrats are losing ground, and they know it. California Republicans are growing at a rate 11x FASTER than the Left.

That's why the Left has cooked up a new scheme to maintain power in California..

Their plan? REDRAW our Congressional Districts in a way that gives Democrats an UNFAIR advantage!

We cannot and must not allow this to happen. If Democrats succeed, it will mean the end of a Republican House majority and would bring the America First Agenda to a drastic halt!

Please, we need to hear from 92627 before midnight: **will you rush in a donation and show that you stand with California Republicans?**

Dear Francisco,

The fight against Prop 50 is not just about showing up at the ballot box. It's about winning the conversation every single day. That's why we've been putting out new videos daily on our social media channels exposing the truth about this blatant power grab.

Go check out our latest VIDEO and share it with your friends.

But we can't do it alone. We need YOU to help spread the message. Share these videos with your networks, repost them, and make sure Californians see what Sacramento politicians are trying to do. Every share multiplies our reach and builds momentum.

We've also put together Prop 50 Talking Points on our website so you have the facts ready to go when you're talking to friends, family, or neighbors. The more people understand what's at stake, the stronger our movement becomes.

Here are two key points to use when talking about Prop 50:

- Prop 50 takes away your political power, voice, and influence, while separating our communities and dismantling our democracy.
- It hands power back to career politicians, special interests, and consultants. Don't vote your voice away, vote NO on Prop 50.

Visit the website today, and grab the talking points:

The only way to stop them is to have trained Republicans inside polling locations. That's where YOU come in. >>>

By becoming a Poll Observer, you'll be the eyes and ears on the ground. All trainings are on Zoom, and you can pick whichever session works best for your schedule.

- The rules that keep Democrats accountable

This is your chance to defend election integrity. America is counting on you.

From CAGOP <info@updates.cagop.org>

Date Mon 12/1/2025 3:48 PM

To Jocelynn Florian <jflorian@cagop.org>

Jocelynn,

Prop 50 is a direct attack on Republican representation in California. To stop it, we need citizens like you to serve as Poll Observers.

Poll Observers are critical to protecting the vote.

And joining is simple: take a training on how to observe the polls. All trainings are held via Zoom, and you get to choose the time that works best for you.

Training will prepare you with:

- Step-by-step instructions for Election Day
- What to watch for at your polling place
- How to report issues in real time to our legal team

With Republicans like you stepping up, we can keep elections honest and stop Prop 50.

From CAGOP Political <info@updates.cagop.org>

Date Mon 12/1/2025 3:07 PM

To Jocelynn Florian <jflorian@cagop.org>

Jocelynn,

There's just one week until the November 4 election — and Prop 50 could reshape California's political map, putting Republican seats in jeopardy. We can't wait.

Here's what you *must* do:

- Vote as soon as possible. Don't wait until Election Day. Use early voting, drop off your mail-in ballot, or head to a vote center. Every ballot returned early is one more vote that's safe.
- Remind 5 friends to vote now. Your vote matters — and theirs does too.
- Sign up to volunteer — just a couple of hours in your community contacting voters or serving as a poll observer helps ensure transparency and fairness.

Our window is closing fast. The decisions we make this week will echo in districts across our state and send a message loud and clear: Republicans will be active, visible, and heard.

On November 4, Californians will decide Prop 50, Gavin Newsom's scheme to wipe out Republican seats in Congress. If Republicans aren't registered, we can't stop him.

Here's what you need to do right now:

- **Check your voter registration** and make sure your information is current.

[PROOF] Volunteer attorneys are critical in protecting the vote

From CAGOP <info@updates.cagop.org>**Date** Mon 12/1/2025 3:31 PM**To** Jocelynn Florian <jflorian@cagop.org>

Jocelynn,

On November 4, Californians will vote on Prop 50 — Gavin Newsom's dangerous scheme to eliminate Republican seats in Congress. The stakes couldn't be higher.

To stop it, **we need attorneys on the front lines of our Election Integrity operation.**

Volunteer attorneys are critical in protecting the vote — monitoring polling places, ensuring election laws are enforced, and standing ready to act if Democrats attempt to undermine the process.

This is your call to action. Your training and expertise can make the difference in whether Republican seats are protected or lost.

Step forward now and join our team of volunteer attorneys. California's Republican seats depend on it.

[PROOF] Vote by Mail ballots are hitting mailboxes today!

From CAGOP <info@updates.cagop.org>

Date Mon 12/1/2025 3:37 PM

To Jocelynn Florian <jflorian@cagop.org>

Jocelynn,

Today, October 6, Vote by Mail ballots are hitting mailboxes across California.

This election will decide the fate of our Republican seats in Congress. Proposition 50 is Gavin Newsom's scheme to wipe them out — and we cannot let that happen.

You must return your ballot immediately. Don't wait. Every Republican ballot returned early is a ballot secured against Democrat attempts to undermine this election.

And every Republican must step up to protect the process. That's why we are building the strongest Election Integrity team in California history — volunteers trained and ready to monitor polling places, report issues, and hold Democrats accountable.

Return your ballot today. **Join our Election Integrity team and help defend our seats.**

Prop 50 isn't just about California. It's part of the Democrats' plan to erase Republican seats in Congress and tip the balance of power in Washington.

That's why we need patriots like YOU to step up as Poll Observers on November 4.

Poll Observers are the front line of election integrity. By serving, you'll make sure Democrats are held accountable and that every ballot is handled properly.

All trainings are held on Zoom, and when you sign up, you'll choose the session time that fits your schedule.

Training will give you the tools to:

- Recognize and report problems at polling locations
- Safeguard the process so every vote is counted fairly
- Stand as a visible deterrent against misconduct

Jocelynn,

Governor Newsom and the Democrats are counting on one thing this November 4: Republicans staying home. Prop 50 is designed to erase our seats in Congress — and if we don't fight back, they win by default.

We can't let that happen.

By becoming a Poll Observer, you'll be the eyes and ears inside polling locations, making sure Democrats are never left unchecked. Without trained Republicans in the room, there is no accountability.

Signing up is simple. All trainings are on Zoom, and you'll be able to pick the session time that works best for you. Training will cover everything you need to know to be confident and prepared on Election Day.

The stakes couldn't be higher. If we don't show up, we lose the House — and President Trump's agenda stalls.

SIGN UP FOR TRAINING TODAY
