Included in these charts are the statistics of Registered Voters (RV) and Voter Turnout (VT) for the 2016 and 2014 general and primary elections. For example, the column entitled "DEM RV" indicates the percentage of registered Democrats who are Black and the percentage of registered Democrats who are Hispanic. Conversely, the percentage of Black registered voters who are Democrats, and the percentage of Hispanic registered voters who are Democrat, can be found in the column entitled "Hispanic RV." This set of statistics is provided as part of the functional analysis for this plan's performing minority districts. All statistics denoted are percentages.

Included in these charts are the statistics of Registered Voters (RV) and Voter Turnout (VT) for the 2012 general and primary elections. For example, the column entitled "DEM RV" indicates the percentage of registered Democrats who are Black and the percentage of registered Democrats who are Hispanic. Conversely, the percentage of Black registered voters who are Democrats, and the percentage of Hispanic registered voters who are Democrat, can be found in the column entitled "Hispanic RV." This set of statistics is provided as part of the functional analysis for this plan's performing minority districts. All statistics denoted are percentages.
