**Supplemental Expert Report of Dr. Carolyn B. Abott, Ph.D.**

November 26, 2025

1. My name is Dr. Carolyn Abott. I previously served an expert report on March 21, 2025 ("Initial Report") in this case. My Initial Report describes my engagement, qualifications, prior testimony, and compensation. I also served a rebuttal expert report on June 20, 2025 and an errata to my first two reports on June 27, 2025.

2. For this Supplemental Report, Plaintiffs' counsel has asked me to supplement two tables in my Initial Report to incorporate data regarding an additional alternative State House plan (Plaintiffs' map D) provided by Plaintiffs' counsel. In preparing this Supplement, I relied on the same data and documents I relied on to produce the original tables, plus Plaintiffs' map D provided by counsel.
