Included in this chart are statistics of Registered Voters in Florida. This chart shows the percentage of all registered voters who, at the 2012, 2014, 2016, 2018 and 2020 general election, were (1) Black; (2) Hispanic; (3) Democrats; (4) Republicans; and (5) neither Democrats nor Republicans. This set of statistics is provided as part of the functional analysis for this plan's performing minority districts. All statistics denoted are percentages.

Included in this chart are the results of Florida's 14 statewide general-election contests from 2012 to 2020. Highlighted cells indicate the contest's winner. This set of statistics is provided as part of the functional analysis for this plan's performing minority districts. All statistics denoted are percentages.

*Included in this chart are the statistics of Registered Voters (RV) and Voter Turnout (VT) for the 2020 general election. For example, the column entitled "DEM RV" indicates the percentage of registered Democrats who are Black and the percentage of registered Democrats who are Hispanic. Conversely, the percentage of Black registered voters who are Democrats, and the percentage of Hispanic registered voters who are Democrat, can be found in the column entitled "Hispanic RV." This set of statistics is provided as part of the functional analysis for this plan's performing minority districts. All statistics denoted are percentages.*

Included in this chart are the statistics of Voter Turnout (VT) for the 2020 primary election. For example, the column entitled "Total Voter Turnout (VT)" indicates the percentage of actual voters at the 2020 primary election who were (1) registered Democrats; (2) registered Republicans; (3) Black; and (4) Hispanic. Similarly, the column entitled "DEM VT" indicates the percentage of the electorate in the Democratic primary who were Black and the percentage of the electorate in the Democratic primary who were Hispanic. This set of statistics is provided as part of the functional analysis for this plan's performing minority districts. All statistics denoted are percentages.

Included in this chart are the statistics of Voter Turnout (VT) for the 2018 primary election. For example, the column entitled "Total Voter Turnout (VT)" indicates the percentage of actual voters at the 2018 primary election who were (1) registered Democrats; (2) registered Republicans; (3) Black; and (4) Hispanic. Similarly, the column entitled "DEM VT" indicates the percentage of the electorate in the Democratic primary who were Black and the percentage of the electorate in the Democratic primary who were Hispanic. This set of statistics is provided as part of the functional analysis for this plan's performing minority districts. All statistics denoted are percentages.

Included in this chart are the statistics of Voter Turnout (VT) for the 2016 primary election. For example, the column entitled "Total Voter Turnout (VT)" indicates the percentage of actual voters at the 2016 primary election who were (1) registered Democrats; (2) registered Republicans; (3) Black; and (4) Hispanic. Similarly, the column entitled "DEM VT" indicates the percentage of the electorate in the Democratic primary who were Black and the percentage of the electorate in the Democratic primary who were Hispanic. This set of statistics is provided as part of the functional analysis for this plan's performing minority districts. All statistics denoted are percentages.

*Included in this chart are the statistics of Registered Voters (RV) and Voter Turnout (VT) for the 2014 general election. For example, the column entitled "DEM RV" indicates the percentage of registered Democrats who are Black and the percentage of registered Democrats who are Hispanic. Conversely, the percentage of Black registered voters who are Democrats, and the percentage of Hispanic registered voters who are Democrat, can be found in the column entitled "Hispanic RV." This set of statistics is provided as part of the functional analysis for this plan's performing minority districts. All statistics denoted are percentages.*

Included in this chart are the statistics of Voter Turnout (VT) for the 2012 primary election. For example, the column entitled "Total Voter Turnout (VT)" indicates the percentage of actual voters at the 2012 primary election who were (1) registered Democrats; (2) registered Republicans; (3) Black; and (4) Hispanic. Similarly, the column entitled "DEM VT" indicates the percentage of the electorate in the Democratic primary who were Black and the percentage of the electorate in the Democratic primary who were Hispanic. This set of statistics is provided as part of the functional analysis for this plan's performing minority districts. All statistics denoted are percentages.
