## PRAYER

The following prayer was offered by Pastor Gary Austin, Faith Fellowship Church, Crawfordville, an employee of the Office of the Senate Sergeant at Arms:

Our heavenly Father, thank you for this day and the blessings we have already received today and will continue to receive. We are not guaranteed a tomorrow, which is and has been vividly displayed before us all and to those around the world. Many in this chamber have been touched by the loss of a life in some capacity or another. We want to lift them up to you this afternoon and ask that you bring comfort and healing to their hearts. Let us be willing participants to bring encouragement and support to those we know.

As for today and the following days of session, you have brought this group of Senators and supporting staff to come together to bring forth legislation and ultimately laws that we will follow for many years to come. Much thought and planning has gone into every process which brings bills into this chamber to be debated and voted on. Your word, in Romans 13:1, tells us you have placed each member behind these desks to fulfill your purpose and will. I ask, Lord, that you would give each Senator clarity of thought as they enact the responsibilities they were elected by their constituents to perform. Bless every person who has a part in this institution, and keep us all safe as we move forward. I also ask that you would protect each family represented, as many are away from home to fulfill their calling. Thank you for giving us this opportunity to be in this place and to serve the good people of Florida in every capacity bestowed upon us in this institution. May what is done in this

chamber, which will impact up-and-coming generations, be done with your blessing and guidance. Thank you, Lord, for all that you do, for in Jesus' name we pray. Amen.

At the request of Senator Passidomo—

By Senator Passidomo—

**SR 240**—A resolution recognizing November 13-19, 2022, as “Thyroid Eye Disease Awareness Week” in Florida.

WHEREAS, thyroid eye disease (TED) is a serious, progressive, and rare autoimmune condition in which the body’s immune system mistakenly attacks healthy muscle and fat tissue behind the eye, causing inflammation and the formation of scar tissue, and

WHEREAS, people living with TED often have debilitating symptoms of eye bulging, double vision, blurred vision, pain, and facial disfigurement, and can develop blindness in severe cases, and

WHEREAS, people living with TED often experience long-term functional, psychosocial, and economic burdens, including the inability to work or perform daily activities, and

WHEREAS, TED is a vision-threatening condition that can worsen over time and, in the general population, is estimated to have a prevalence of 16 per 100,000 women and 2.9 per 100,000 men, and

WHEREAS, a diagnosis of TED is based upon identification of characteristic symptoms, a detailed patient history, a thorough clinical evaluation, and a variety of specialized tests, and

WHEREAS, there is a genetic component to the condition, and people who have a family history of TED or a family history of autoimmune disease are at a greater risk of developing the condition, but the exact underlying process by which TED occurs is not fully understood, NOW, THEREFORE,

*Be It Resolved by the Senate of the State of Florida:*

That November 13-19, 2022, is recognized as “Thyroid Eye Disease Awareness Week” in Florida.

—was introduced, read, and adopted by publication.

**House Amendment 1 (269533) (with title amendment)**—Remove everything after the enacting clause and insert:

Section 1. Section 8.0001, Florida Statutes, is amended to read:

*(Substantial rewording of section. See*

*s. 8.0001, F.S., for present text.)*

**8.0001 Definitions.**—In accordance with s. 8(a), Art. X of the State Constitution, the United States Decennial Census of 2020 is the official census of the state for the purposes of congressional redistricting.

(1) The following delineation of congressional districts employs areas included within official county, tract, block groups, and block boundary descriptions used by the United States Department of Commerce, Bureau of the Census, in compiling the United States Decennial Census of 2020 in this state. The populations within these census geographic units are the population figures reported in the counts of the United States Decennial Census of 2020 provided to the state in accordance with Pub. L. No. 94-171.

(2) As used in this chapter, the term:

(a) “Block” describes the smallest geographic unit for which population was tabulated in the 2020 decennial census. Blocks are nested within tracts and within block groups. A block is identified by a three-character number that is unique within a block group.

(b) “Block equivalency file” describes a list of all blocks within the state and the congressional district number designated for each block. Blocks are listed by a 15-character number that combines the five-character county-level Federal Information Processing (FIPS) code, the six-character tract number with leading zeros and an implied decimal, the single-character block group number, and the three-character block number.

(c) “Block group” describes a cluster of blocks within the same census tract. Block groups are nested within tracts, and are uniquely identified by a single character number with a valid range of 0 through 9.

(d) “County” describes a legal governmental subdivision of the state. Boundaries of counties described in this chapter reflect those boundaries in effect as of January 1, 2020.

(e) “Geographical information systems map” describes an electronic map that represents the boundaries of the congressional districts of the state in a commonly accepted and readable format.

(f) “Tract” describes a relatively permanent statistical subdivision of a county. Tracts are nested within counties, and are uniquely identified by an up to four-character number and a two-digit suffix.

Section 2. Section 8.0002, Florida Statutes, is amended to read:

*(Substantial rewording of section. See*

*s. 8.0002, F.S., for present text.)*

**8.0002 Division of state into congressional districts.**—For the election of representatives to the United States House of Representatives, the state is divided into 28 consecutively numbered, single-member congressional districts of contiguous territory, to be designated by such numbers as follows:
