Re: Addendum to Assignment for Expert Report on Florida Redistricting Matter

Dear Dr. McCartan:

We have an addendum to the May 21, 2024 instructions previously provided in the above matter. In drawing congressional maps, you are to redraw CD 26 according to the instructions previously provided (Nos. 4 through 9). We will provide you with the existing map (Plan 109) with all districts assigned to be used in place of the map we previously provided in connection with Instruction No. 3.

Sincerely,

/s/ Patrick J. Jones
