David,

Good meeting you in person today! Kara and I will be in touch with questions for Wednesday's committee meetings.

FWIW, here is a list of every FL county I know to have abolished prison gerrymandering. This is larger than the Prison Policy Initiative List. It's almost every county that has (1) single-member districts, (2) prisons, AND (3) a small enough population for the prison population to actually make a difference:

1. Jackson
2. Gulf
3. Franklin
4. Jefferson
5. Taylor
6. Madison
7. Hamilton
8. Union
9. Bradford

Additionally, PPI has identified these counties which do NOT have single-member districts (but which do have residency areas for county commission/school board), as having abolished prison gerrymandering:

1. Washington
2. Lafayette
3. Okeechobee

So, every county* that is advantaged by prison gerrymandering at the state level, and has had an opportunity to abolish it themselves, has done so.

*Except Calhoun

Best,

Nick

Hey Nick,

We are set to meet with Rep. Driskell (and possibly others) Monday from 2:00 PM to 2:45. Are you still free to join us in person at the Capitol?

Thanks!

Hi David and Nick,

Just wanted to connect you both. David is the fabulous Staff Director for the House Democratic Office. He's looking for someone to come speak to House legislators about prison gerrymandering. Nick is our fabulous voting rights attorney who, fortunately for us, is located in Tallahassee.

Thank you both and, David, I'm sure we'll be in touch later in the week on other things.

Best,
Kara
