

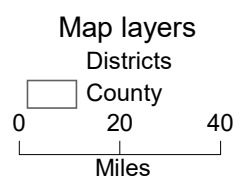

EXHIBIT 14

This map displays the 159 counties of Georgia, each identified by a unique number and name. The counties are color-coded into three main regions: red for the northern and central parts, yellow for the western and southern parts, and green for the coastal and southern parts. The map is titled 'Georgia' at the top center.

The counties are arranged in a grid-like pattern, with some counties having multiple numbers. The map is titled 'Georgia' at the top center.
