Gio. Thanks for this. A great start. I also need the precinct-level demography matched to all election returns; election returns for state senate and city elections; the racial identification of all candidates; the name, party, and racial identification of all incumbents in House and Congressional districts.

I also need information on State House districts and elections.

Thanks,

ajl

Dr. Lichtman,

Please find attached the name, party and racial identification of the candidates.

I will get the precinct-level demographic data to you.

Justin can chime in with the State House districts. Please let me know if there is anything further I can provide.

Giovanni
