CHAIRMAN FIELDS: Bill by Senator Womack, Senate Bill 8. Senate Bill 8 by Senator Womack provides for redistricting of the Louisiana congressional districts.

(Pause.)

SENATOR WOMACK: Thank you, Mr. Chairman. Members of the committee, I have an amendment, if I could pass out, please. If I could, I'll -- I'll begin with my opening.

CHAIRMAN FIELDS: All right. Senator Womack, you are recognized, and you may proceed, sir.

SENATOR WOMACK: Thank you. As you know, Louisiana congressional districts must be drawn given the Federal Voting Rights Act litigation that is still ongoing in the US District Court for the Middle District of Louisiana. The map is the bill that I'm introducing, which, as the product of a long, detailed process, achieves several goals. First, as you know -- all are aware, Congresswoman Letlow, Julia Letlow, is my representative in Washington, DC.

The boundaries in this bill I'm proposing ensure that Congresswoman Letlow remains both unimpaired with any other incumbents and in a congressional district that should continue to elect a Republican to Congress for the remainder of this decade. I have great

<p style="text-align: right;">Page 2</p> <p>1 pride in the work Congresswoman Letlow has accomplished, 2 and this map will ensure that Louisianans will continue 3 to benefit from her presence in the halls of Congress 4 for a long -- for as long as she decides to continue to 5 serve our great state.</p> <p>6 Second, of Louisiana's six congressional 7 districts, the map and the proposed bill ensures that 8 four of our safe Republican seats, Louisiana Republican 9 presence in the United States Congress has contributed 10 tremendously to the national discourse. And I'm very 11 proud of both Speaker of the US House of Representatives 12 Mike Johnson and US House Majority Leader Steve Scalise 13 are both from our great state. This map ensures that 14 the two of them will have solidly Republican districts 15 at home so that they can focus on the national 16 leadership that we need in Washington, DC.</p> <p>17 The map proposed in this bill ensures that the 18 conservative principles retained by the majority of 19 those in Louisiana will continue to extend past our 20 boundaries to our nation's capital. Finally, the maps 21 in the proposed bill respond appropriately to the 22 ongoing Federal Voting Rights Act case in the Middle 23 District of Louisiana. For those of you who are 24 unaware, the congressional maps that we enacted in March 25 2022 have been the subject of litigation since the day</p>	<p style="text-align: right;">Page 4</p> <p>1 up I-49 to include back -- Black population in 2 Shreveport. While this is a different map than the 3 plaintiffs in the litigation have proposed, this is the 4 only map I reviewed that accomplished the political 5 goals I believe are important for my district, for 6 Louisiana, and for my country. While I did not draw 7 these boundaries myself, I carefully considered a number 8 of different map options.</p> <p>9 I firmly submit the congressional voting 10 boundaries represented in this bill best achieve the 11 goals of protecting Congresswoman Letlow's seat, 12 maintaining strong districts for Speaker Johnson and 13 Majority Leader Scalise, ensuring four Republican 14 districts, and adhering to the command of the federal 15 court in the Middle District of Louisiana. I'd be happy 16 to take any questions.</p> <p>17 CHAIRMAN FIELDS: All right. Thank you, 18 Senator. Just a couple questions. Do -- do -- do you 19 know how many parishes -- I did -- I tried to do a 20 count. How many -- this district here -- can you put it 21 back up? It appears to split about 15 parishes. Senate 22 Bill 8.</p> <p>23 SENATOR WOMACK: Right. It does split --</p> <p>24 CHAIRMAN FIELDS: All right. And you were 25 here and you heard the testimony of Senator Price with</p>
<p style="text-align: right;">Page 3</p> <p>1 the 2022 congressional redistricting bill went into 2 effect and even before we enacted it.</p> <p>3 After a substantial amount of prolonged 4 litigation, the federal district court has (inaudible 5 0:03:35) to its view that the federal law requires that 6 the state have two congressional districts with a 7 majority of Black voters. Our secretary of state, 8 attorney general, and our prior legislative leadership 9 appealed but have yet to succeed. And we are here now 10 because of the federal court's order that we must -- 11 that we have a first opportunity to act.</p> <p>12 The district court's order that we must have 13 two majority Black voting age population districts, 14 combined with the political imperatives I just 15 described, having largely driven the boundaries of 16 District 2 and District 6, both of which are over 50 17 percent Black voting age population -- given the state's 18 current demographics, there is not a high enough Black 19 population in the southeast portion of Louisiana to 20 create two majority Black districts and to also comply 21 with the US Constitution one person, one vote 22 requirement.</p> <p>23 That is the reason why District 2 is drawn 24 around New Orleans Parish, while District 6 includes the 25 Black population of East Baton Rouge Parish and travels</p>	<p style="text-align: right;">Page 5</p> <p>1 Senate Bill 4. Senate Bill 4 split only 11 parishes, as 2 I appreciate it, and it created two majority-minority 3 districts. What was the predominant reason for you to 4 create the 6th District the way it looks now vs. just 5 going with Senator Price's bill, which created a more 6 compact district?</p> <p>7 SENATOR WOMACK: It -- it was strictly -- 8 politics drove this map because of the -- the -- Speaker 9 Johnson, Majority Leader Scalise, and my congresswoman, 10 Julia Letlow, predominantly drove this map that I was a 11 part of.</p> <p>12 CHAIRMAN FIELDS: All right. So is it safe to 13 say that your convection of District 6, race is not the 14 predominant factor?</p> <p>15 SENATOR WOMACK: No. It's not the predominant 16 factor. It -- it -- it has a secondary consideration in 17 that because that was the district that we were trying 18 to -- trying to encompass, but it wasn't the primary.</p> <p>19 CHAIRMAN FIELDS: So I guess it's kind of 20 difficult when you got a speaker of the house. We're 21 very fortunate in Louisiana. But when you got two 22 members of your Congress that are the two top-ranking 23 members of the US House of Representatives, being a 24 speaker and a majority leader, you know, how much did 25 that weigh in on your decision in drawing this map?</p>

2 (Pages 2 to 5)

<p style="text-align: right;">Page 6</p> <p>1 SENATOR WOMACK: Well, it -- it -- it had a</p> <p>2 lot to weigh in on. Not only that, but you have</p> <p>3 Congresswoman Letlow that sits on Ag and Appropriation,</p> <p>4 which is a big part of my district. So when you put</p> <p>5 them all together, that's -- that's a lot of -- a lot of</p> <p>6 I call it muscle that we -- we were able to look at and</p> <p>7 put in for the State of Louisiana, for all of Louisiana.</p> <p>8 CHAIRMAN FIELDS: Okay. So your -- your</p> <p>9 minority population in District 2 is -- is -- voter</p> <p>10 registration is 52.6, and your population is 53.1. And</p> <p>11 in the 6th District it's 54.3 in registration and 56.1</p> <p>12 in population. And this was the -- the -- you know,</p> <p>13 looking at all of the issues you were dealing with, this</p> <p>14 was the best you could come up with?</p> <p>15 SENATOR WOMACK: Yes, sir. They perform well.</p> <p>16 When you look at the performance base, when you look at</p> <p>17 the District 6, the performance of it appears to be</p> <p>18 positive for the minority district.</p> <p>19 CHAIRMAN FIELDS: All right. Are there any</p> <p>20 things that bring these communities together in District</p> <p>21 6? I guess that would be considered the Red River</p> <p>22 District.</p> <p>23 SENATOR WOMACK: Well, you -- you got the Red</p> <p>24 River, but you also got I-49 that -- that -- that goes</p> <p>25 through this district from Shreveport down to Lafayette,</p>	<p style="text-align: right;">Page 8</p> <p>1 did I read that correctly?</p> <p>2 MALE SPEAKER 1: (inaudible 0:10:56)?</p> <p>3 SENATOR WOMACK: Yes.</p> <p>4 SENATOR CARTER: Did -- was any performance</p> <p>5 test conducted -- I'm sorry. I'm (inaudible 0:11:02).</p> <p>6 Did -- were any performance tests or analyses conducted</p> <p>7 to see how District 2 performs as an African American</p> <p>8 majority district or not?</p> <p>9 SENATOR WOMACK: The Democratic incumbent wins</p> <p>10 over 60 percent of the time in that race.</p> <p>11 SENATOR CARTER: (inaudible 0:11:43) 60</p> <p>12 percent of the time?</p> <p>13 SENATOR WOMACK: Okay. I'm sorry. 60 percent</p> <p>14 of the vote.</p> <p>15 SENATOR CARTER: Yeah, I think my microphone</p> <p>16 -- can you repeat it? I'm sorry.</p> <p>17 SENATOR WOMACK: The Democratic --</p> <p>18 SENATOR CARTER: So my question -- well, let</p> <p>19 me ask this. So my question was: how does District 2</p> <p>20 perform? And you just gave me a figure. What was it?</p> <p>21 SENATOR WOMACK: 60 percent of the vote on the</p> <p>22 Democratic nominee.</p> <p>23 SENATOR CARTER: We heard earlier when we were</p> <p>24 considering Senator Price's bill that the -- the legal</p> <p>25 defense fund had conducted an analysis of the</p>
<p style="text-align: right;">Page 7</p> <p>1 follows the (inaudible 0:09:30) of the Red River through</p> <p>2 there.</p> <p>3 CHAIRMAN FIELDS: Okay. All right. Questions</p> <p>4 from members of the committee? No questions. You have</p> <p>5 some amendments you had, Senator?</p> <p>6 SENATOR WOMACK: I do. Did -- did you --</p> <p>7 y'all have the amendments?</p> <p>8 CHAIRMAN FIELDS: I'm sorry. Senator Carter</p> <p>9 for --</p> <p>10 SENATOR CARTER: I don't have a --</p> <p>11 CHAIRMAN FIELDS: -- a question.</p> <p>12 SENATOR CARTER: -- copy to (inaudible</p> <p>13 0:09:50). Thank you, Mr. Chairman. I'm sorry, Senator.</p> <p>14 I did have a -- a -- a question before we move to the</p> <p>15 amendment. You said that both districts -- you said</p> <p>16 that the district performed. You were asked a question</p> <p>17 from the Chairman a minute ago about District 6 and</p> <p>18 whether or not it performs as an African American</p> <p>19 district. Do you remember that question a second ago?</p> <p>20 SENATOR WOMACK: I do.</p> <p>21 SENATOR CARTER: Same question for District 2.</p> <p>22 From looking at the District 2 in your map, we have a</p> <p>23 total African American population of 53.121 percent, and</p> <p>24 we have the registered African American -- registered</p> <p>25 African American vote for District 2 at 52.659 percent;</p>	<p style="text-align: right;">Page 9</p> <p>1 performance of that district. They conducted multiple</p> <p>2 different elections based upon that district, and it had</p> <p>3 a 100 percent performance race that's coming in as an</p> <p>4 African American seat. And I guess I'm curious to know</p> <p>5 what would be the comparable number in terms of the</p> <p>6 performance of the District 2 of this particular map,</p> <p>7 the District 2 on your map that's being proposed here.</p> <p>8 You -- am I asking the question in a way you get what</p> <p>9 I'm asking?</p> <p>10 CHAIRMAN FIELDS: I think -- yeah. I think</p> <p>11 what the Senator is -- is requesting -- have you done</p> <p>12 any kind of performance tests for either District 6 or</p> <p>13 District 2? Any performance analysis?</p> <p>14 SENATOR WOMACK: I have not.</p> <p>15 SENATOR CARTER: Okay.</p> <p>16 SENATOR WOMACK: I -- I -- I have a report</p> <p>17 here printed off on a congressional map, and in District</p> <p>18 2, a Democratic candidate could win 100 percent of the</p> <p>19 time.</p> <p>20 SENATOR CARTER: A democratic candidate, but</p> <p>21 not necessarily an African American Democratic -- an</p> <p>22 African American candidate regardless of party. So you</p> <p>23 said "a Democratic candidate." So I'm asking about an</p> <p>24 African American candidate. You said that a Democrat</p> <p>25 candidate performs in that district, but my question is</p>

3 (Pages 6 to 9)

Page 10	Page 12
<p>1 whether or not it performs as a -- for an -- as an</p> <p>2 African American district?</p> <p>3 SENATOR WOMACK: Okay. Our analysis is on --</p> <p>4 is -- is on party, not race. So -- so I can't answer</p> <p>5 that.</p> <p>6 SENATOR CARTER: There was -- there was no</p> <p>7 analysis done to determine whether or not District 2 for</p> <p>8 this map -- of your map performs as an African American</p> <p>9 district?</p> <p>10 SENATOR WOMACK: No.</p> <p>11 SENATOR CARTER: Okay. Thank you, Mr.</p> <p>12 Chairman.</p> <p>13 CHAIRMAN FIELDS: Thank you, Senator Carter.</p> <p>14 The board is clear. Do you have an amendment, Senator?</p> <p>15 SENATOR WOMACK: I do. It's Amendment 34.</p> <p>16 CHAIRMAN FIELDS: All right. Senate Womack</p> <p>17 brings up Amendment Number 34. Senator Womack on his</p> <p>18 amendment.</p> <p>19 SENATOR WOMACK: You want -- you want -- you</p> <p>20 want to pull that up and --</p> <p>21 MALE SPEAKER 2: Yes, Senator.</p> <p>22 SENATOR WOMACK: It's okay for him to pull</p> <p>23 that up?</p> <p>24 CHAIRMAN FIELDS: Yes, sir.</p> <p>25 SENATOR WOMACK: Sorry.</p>	<p>1 members of the -- and the percentages pretty much stay</p> <p>2 the same in the 2nd District?</p> <p>3 SENATOR WOMACK: Yes.</p> <p>4 CHAIRMAN FIELDS: And the 6th District?</p> <p>5 SENATOR WOMACK: And 6th, yeah. The -- the</p> <p>6 numbers are the same.</p> <p>7 CHAIRMAN FIELDS: Are there questions from</p> <p>8 members of the committee? All right. I do have a card</p> <p>9 - you don't need to fill out no card - from Senator</p> <p>10 Heather Cloud. If you wish to be recognized, you --</p> <p>11 please come and take --</p> <p>12 SENATOR CLOUD: Thank you, Mr. Chair. I just</p> <p>13 want to make a simple statement. As a Republican woman,</p> <p>14 I want to stand here -- or sit here, rather, and offer</p> <p>15 my support for the amendment to the map, which I believe</p> <p>16 further protects Congresswoman Julia Letlow. She is the</p> <p>17 only woman in the Louisiana's congressional district.</p> <p>18 She is a member of the Appropriations Committee in the</p> <p>19 US House, as Senator Womack stated, and also a member of</p> <p>20 the Agricultural Committee in the US House. It's --</p> <p>21 it's important to me and all of the other residents of</p> <p>22 our area that -- to have these two representatives from</p> <p>23 our crucial region in our state.</p> <p>24 I think that politically, this map does a</p> <p>25 great job protecting Speaker Johnson and Congresswoman</p>
Page 11	Page 13
<p>1 (Pause.)</p> <p>2 CHAIRMAN FIELDS: Okay. You may proceed,</p> <p>3 Senator. This is the amended -- the amended --</p> <p>4 SENATOR WOMACK: This is the amendment. What</p> <p>5 we did on that in Avoyelles Parish, we -- we took out --</p> <p>6 split Avoyelles Parish, put those into Rapides, around</p> <p>7 Alexandria, Rapides Parish. And then we moved into --</p> <p>8 that's Rapides there where we moved it to. And then we</p> <p>9 moved into Ouachita Parish and took Ouachita, West</p> <p>10 Monroe, Monroe, and Calhoun into that.</p> <p>11 CHAIRMAN FIELDS: Okay.</p> <p>12 SENATOR WOMACK: Any other -- that's it.</p> <p>13 CHAIRMAN FIELDS: All right. So how many</p> <p>14 parishes, with the -- with that amendment would the bill</p> <p>15 overall split?</p> <p>16 SENATOR WOMACK: Could you -- it'd -- it goes</p> <p>17 from 15 to 16.</p> <p>18 CHAIRMAN FIELDS: Okay. So it splits one</p> <p>19 additional one there.</p> <p>20 SENATOR WOMACK: One -- one extra parish.</p> <p>21 CHAIRMAN FIELDS: And that would be Avoyelles</p> <p>22 Parish?</p> <p>23 SENATOR WOMACK: That would be Avoyelles</p> <p>24 Parish. Okay.</p> <p>25 CHAIRMAN FIELDS: All right. Questions from</p>	<p>1 Julia Letlow as well as Majority Leader Scalise. It</p> <p>2 keeps CD5 in the northern Louisiana area and allows</p> <p>3 Congresswoman Letlow to keep doing the great job that</p> <p>4 she's been doing. So I just sit here and offer my</p> <p>5 support of the amendment. Thank you, members.</p> <p>6 CHAIRMAN FIELDS: Thank you. And -- and so we</p> <p>7 can be clear, Senator, just to be, like they say, on -</p> <p>8 what is it? - A Few Good Men, crystal clear, so this</p> <p>9 map, with this amendment, there are other ways we could</p> <p>10 perfect a second minority-majority district --</p> <p>11 majority-minority district that's more compact, 11</p> <p>12 parishes split. This one splits 16 parishes, and the</p> <p>13 reason you're offering this amendment is for protecting</p> <p>14 -- I hate to say for -- but to protect incumbents,</p> <p>15 members of Congress. But race is not your predominant</p> <p>16 reason for drawing and perfecting this map?</p> <p>17 SENATOR CLOUD: Mr. Chair, I have both</p> <p>18 Congresswoman Julia Letlow and Congressman Mike Johnson</p> <p>19 in my Senate -- in my district. I work well with both</p> <p>20 of them, and I want them to continue to be able to do</p> <p>21 the great job that they do on behalf of all of the</p> <p>22 constituency in my district.</p> <p>23 CHAIRMAN FIELDS: Okay. So basically, you are</p> <p>24 trying to -- attempting to comply with the federal</p> <p>25 court, but yet protect members of the US Congress, be it</p>

<p style="text-align: right;">Page 14</p> <p>1 a female and be it two of the most powerful members of</p> <p>2 the US Congress?</p> <p>3 SENATOR CLOUD: Yes, sir.</p> <p>4 CHAIRMAN FIELDS: All right. Senator Reese</p> <p>5 for a question.</p> <p>6 SENATOR REESE: Thank you, Mr. Chairman. For</p> <p>7 Senator Womack. First of all, you know, as we -- as we</p> <p>8 continue to contemplate these alternative maps, I've got</p> <p>9 to say that I -- I continue to move forward cautiously</p> <p>10 as I have been concerned that -- that we may indeed be</p> <p>11 taking some action that the courts may not have</p> <p>12 necessarily directed us to take yet. You know, we do</p> <p>13 know that there was an alternative to -- to ultimately</p> <p>14 end up with a hearing on the merits.</p> <p>15 But I'm also conflicted in that because I know</p> <p>16 that the person charged with the responsibility of</p> <p>17 representing the decisions we make in this legislature</p> <p>18 is our attorney general, and our attorney general has --</p> <p>19 has certainly declared that she thought it was the best</p> <p>20 action for us to -- to take at this time to -- to</p> <p>21 contemplate a different map structure. The reason we've</p> <p>22 not done that in the past is because of the difficulty,</p> <p>23 I believe, in managing what the Voting Rights Act would</p> <p>24 ask us to do and avoiding other pitfalls in the Voting</p> <p>25 Rights Act like gerrymandering to ultimately come up</p>	<p style="text-align: right;">Page 16</p> <p>1 amendment yet?</p> <p>2 CHAIRMAN FIELDS: No, we have not.</p> <p>3 (Pause.)</p> <p>4 CHAIRMAN FIELDS: What -- just -- yes. And</p> <p>5 because if you need to be -- want to --</p> <p>6 MALE SPEAKER 3: It's okay. Yeah. Just in</p> <p>7 opposition.</p> <p>8 CHAIRMAN FIELDS: Okay. Yeah. Your -- your</p> <p>9 opposition will be noted for the record. There are no</p> <p>10 other cards that I see. Senator Reese has moved that</p> <p>11 the amendments be adopted. Are there any objections to</p> <p>12 the adoption of the amendments? Hearing no objections,</p> <p>13 those amendments are adopted.</p> <p>14 SENATOR WOMACK: Thank you, committee members</p> <p>15 and Mr. Chairman. Close on my bill.</p> <p>16 CHAIRMAN FIELDS: Yes. Before you do, I have</p> <p>17 -- I wanted to just show you an amendment that I'm not</p> <p>18 -- I wanted -- Bill, can you pull up -- initially, when</p> <p>19 I -- when I saw the -- you know, I tried to -- you know,</p> <p>20 I'm a stickler to keeping parishes together, try to make</p> <p>21 districts as compact as possible. And I had tried to</p> <p>22 put something together, and I just want to get some</p> <p>23 comments from you about it. As soon as Bill pulls it</p> <p>24 up, I want to know if this amendment would impact any of</p> <p>25 the considerations you have -- you have made in</p>
<p style="text-align: right;">Page 15</p> <p>1 with the districts. And so I -- I appreciate what</p> <p>2 you're charged with trying to present here.</p> <p>3 Would you say that -- that predominantly, in</p> <p>4 the remaining districts that are not majority-minority</p> <p>5 districts, that you've tried to really adhere to the</p> <p>6 continuity of representation in those districts? And it</p> <p>7 appears perhaps that you're really trying to -- to not</p> <p>8 bust up the -- kind of the communities of interest,</p> <p>9 crack or split or divide those communities of interest.</p> <p>10 SENATOR WOMACK: Yes.</p> <p>11 SENATOR REESE: So in -- in -- in the 4th</p> <p>12 District, for instance, I noticed that you've kept</p> <p>13 together, like, our major military installations in that</p> <p>14 4th District that has -- that kind of speaks to</p> <p>15 communities of interest that it looks like you're --</p> <p>16 you're attempting to preserve with this map while you</p> <p>17 still attempt to -- to comply with -- with the objective</p> <p>18 of the courts in terms of creating another</p> <p>19 majority-minority opportunity district there.</p> <p>20 SENATOR WOMACK: That's exactly right.</p> <p>21 SENATOR REESE: The numbers -- and -- and</p> <p>22 we're talking -- we're on your amendment now, right, Mr.</p> <p>23 Chairman?</p> <p>24 CHAIRMAN FIELDS: Yes.</p> <p>25 SENATOR REESE: We've not adopted the</p>	<p style="text-align: right;">Page 17</p> <p>1 perfecting the one we just passed. Is it working?</p> <p>2 All right. I tried to keep as many parishes</p> <p>3 whole as possible in both the -- you know, in the whole</p> <p>4 state, but I particularly want to concentrate on the 2nd</p> <p>5 District and the 6th District. Would -- would -- would</p> <p>6 -- would that satisfy your -- if I -- if -- if -- if we</p> <p>7 were to adopt that amendment, would that interfere with</p> <p>8 your concerns about helping some of the members of</p> <p>9 Congress?</p> <p>10 (Pause.)</p> <p>11 CHAIRMAN FIELDS: Do we have the amendment</p> <p>12 prepared? Okay. Let me offer up the amendment. I want</p> <p>13 to offer up an amendment. I'm -- I'm going to offer it</p> <p>14 up.</p> <p>15 (Pause.)</p> <p>16 CHAIRMAN FIELDS: Give you a quick second to</p> <p>17 look at this amendment. This amendments -- amendment</p> <p>18 splits only 15 parishes. Would you have a problem with</p> <p>19 adopting this amendment?</p> <p>20 SENATOR WOMACK: Well, I -- Mr. Chairman, all</p> <p>21 due respect, if we could get a few minutes to look at</p> <p>22 it. If you could get a --</p> <p>23 CHAIRMAN FIELDS: Yes, sir.</p> <p>24 SENATOR WOMACK: Go -- maybe a 10- or</p> <p>25 15-minute recess to look at it and -- and kind of see.</p>

5 (Pages 14 to 17)

Page 18	Page 20
<p>1 I -- I -- I can see where I could have some issues with</p> <p>2 it on the north end, but.</p> <p>3 CHAIRMAN FIELDS: For example, it keeps --</p> <p>4 keeps Avoyelles whole. And under your -- the amendment</p> <p>5 we just adopted, it splits Avoyelles. Sorry. Senator</p> <p>6 Miguez.</p> <p>7 SENATOR MIGUEZ: Thank you, Mr. Chairman. And</p> <p>8 to save a little bit of time, if you don't mind if you</p> <p>9 have this information readily available, if you can give</p> <p>10 us the split comparisons to the -- the author's current</p> <p>11 version until now, and then give us some -- maybe the</p> <p>12 African American voting population numbers as it relates</p> <p>13 to Congressional District 2 and 6 in both and any other,</p> <p>14 you know, notable differences in his map that's really</p> <p>15 available that doesn't have me digging through the</p> <p>16 entire bill trying to cross up multiple papers, if you</p> <p>17 have any of that.</p> <p>18 CHAIRMAN FIELDS: Yeah. The amendment</p> <p>19 actually shows the split with -- with the senator's</p> <p>20 amendment, and it also shows the -- the splits with the</p> <p>21 amendment we're discussing. I'm -- I'm trying to show</p> <p>22 that we could do -- we can create this district more</p> <p>23 compact, even trying to protect members of Congress.</p> <p>24 And I just want to know, could you be for that</p> <p>25 amendment? And if the answer is no, that's fine.</p>	<p>1 precincts between what is listed as District 2, the</p> <p>2 Congressional District 2, and District 6. It moves</p> <p>3 approximately - I believe it's 3,000 - approximately</p> <p>4 3,000 or so voters. But what it does, though, is it</p> <p>5 increases the -- very slightly, the registered</p> <p>6 Democratic African American vote in District 2 by</p> <p>7 increasing that number to 52.823 percent, which is a</p> <p>8 very slight increase. It's an increase of right around</p> <p>9 an additional thousand or so votes for District 2.</p> <p>10 And it barely has any implications with the</p> <p>11 new District 6. It doesn't involve and I -- and I --</p> <p>12 it's my understanding from staff that it doesn't affect</p> <p>13 any other districts other than District 2 and District</p> <p>14 6. It doesn't affect any of the other congressional</p> <p>15 districts proposed in the map.</p> <p>16 CHAIRMAN FIELDS: Okay. Senator, how many</p> <p>17 additional parishes would this amendment split?</p> <p>18 SENATOR CARTER: Well, it does. It would</p> <p>19 split West Baton Rouge Parish, but I believe West Baton</p> <p>20 Rouge Parish is currently in District 2, and also very</p> <p>21 slightly in Iberville Parish. There would be one, two,</p> <p>22 three parishes in those for a very minor adjustment, but</p> <p>23 it increases the African American population in District</p> <p>24 2 by an additional couple of thousand votes or so.</p> <p>25 CHAIRMAN FIELDS: So it split -- it splits two</p>
Page 19	Page 21
<p>1 SENATOR WOMACK: At -- at this point, I would</p> <p>2 have to say no.</p> <p>3 CHAIRMAN FIELDS: Okay. All right. I'm going</p> <p>4 to withdraw the amendment. And are there -- are there</p> <p>5 any further discussions on the bill? Oh, Senator</p> <p>6 Carter.</p> <p>7 SENATOR CARTER: No, no, no, no. Are we doing</p> <p>8 any other amendments right now or just the bill?</p> <p>9 CHAIRMAN FIELDS: If there is an amendment,</p> <p>10 now is the time because we're going to vote one way or</p> <p>11 the other in a few.</p> <p>12 SENATOR CARTER: Give me one second.</p> <p>13 CHAIRMAN FIELDS: Are there any further</p> <p>14 amendments on the bill?</p> <p>15 SENATOR CARTER: Yeah, I (inaudible 0:29:27).</p> <p>16 (Pause.)</p> <p>17 CHAIRMAN FIELDS: Senator Carter.</p> <p>18 (Pause.)</p> <p>19 CHAIRMAN FIELDS: All right. Senator Carter,</p> <p>20 you're recognized.</p> <p>21 SENATOR CARTER: Give me a second. I'm</p> <p>22 coming. I'm looking at the numbers.</p> <p>23 (Pause.)</p> <p>24 SENATOR CARTER: Thank you, Mr. Chair.</p> <p>25 Members, this amendment swaps one, two, three, four</p>	<p>1 additional parishes?</p> <p>2 SENATOR CARTER: Very slightly, yes.</p> <p>3 CHAIRMAN FIELDS: Senator Jenkins.</p> <p>4 SENATOR JENKINS: I'm just trying to see. So</p> <p>5 where -- where -- if you picked up some votes in 2,</p> <p>6 which I don't inherently -- I don't inherently have a</p> <p>7 problem with it, but where do -- where do they -- where</p> <p>8 do those votes come from?</p> <p>9 SENATOR CARTER: They came from District 6.</p> <p>10 So if you look at the -- the map that's proposed</p> <p>11 (inaudible 0:33:36). If you look at the map that's</p> <p>12 proposed by Senator Womack, it moves precincts 1C, 1B,</p> <p>13 8, and 6 from West Baton Rouge, and in Iberville Parish,</p> <p>14 it will move those precincts from District 2 into</p> <p>15 District 6, precincts 20, 22, and 26. So it's very,</p> <p>16 very small and minor in terms of an adjustment. Small,</p> <p>17 but very important. Very significant. It increases the</p> <p>18 -- the African American vote in District 2 with a swap</p> <p>19 between 2 and 6.</p> <p>20 SENATOR JENKINS: So how much of a decrease in</p> <p>21 6?</p> <p>22 SENATOR CARTER: So the -- in -- with 6, 6</p> <p>23 will maintain a registered African American percentage</p> <p>24 of 54.189. And then for District 2, it will be 52.823.</p> <p>25 (Pause.)</p>

6 (Pages 18 to 21)

Page 22	Page 24
<p>1 CHAIRMAN FIELDS: Okay. 6 is not contiguous</p> <p>2 with this amendment. I don't -- I don't know if the</p> <p>3 author knew it or not.</p> <p>4 SENATOR CARTER: I just -- I just heard from</p> <p>5 staff -- I just heard from staff that there was a</p> <p>6 problem with one of the areas being not contiguous that</p> <p>7 they just pointed out to me that we didn't discuss</p> <p>8 during the recess. Perhaps that's something we could</p> <p>9 quickly adjust in the next few minutes or so.</p> <p>10 CHAIRMAN FIELDS: Or -- or we could do it on</p> <p>11 the floor.</p> <p>12 SENATOR CARTER: I would prefer to handle it</p> <p>13 in committee, of course, Mr. Chair.</p> <p>14 CHAIRMAN FIELDS: All right. So you're</p> <p>15 splitting two additional parishes, Senator.</p> <p>16 SENATOR CARTER: And it's also my</p> <p>17 understanding that the -- in addition to that, it also</p> <p>18 is supposed to take into consideration the previous</p> <p>19 amendment that was inserted on from -- the previous</p> <p>20 amendment from Senator Womack.</p> <p>21 CHAIRMAN FIELDS: All right.</p> <p>22 SENATOR CARTER: So those are some technical</p> <p>23 revisions that -- to consider the -- the amendment that</p> <p>24 was just passed by Senator Womack and also deal with the</p> <p>25 one issue that they just mentioned regarding the</p>	<p>1 amendments --</p> <p>2 CHAIRMAN FIELDS: Let's -- let's --</p> <p>3 SENATOR MIGUEZ: -- that contemplate the</p> <p>4 change, basically.</p> <p>5 SENATOR CARTER: Yes. That's correct, and</p> <p>6 that's what they're working on.</p> <p>7 SENATOR MIGUEZ: Okay. Then we're not ready</p> <p>8 to really review it at this point until we can see that</p> <p>9 because that -- the version I have is based on the</p> <p>10 original version of the bill.</p> <p>11 CHAIRMAN FIELDS: Senator, you -- have you</p> <p>12 concluded, Senator?</p> <p>13 SENATOR MIGUEZ: Yes.</p> <p>14 CHAIRMAN FIELDS: Senator Kleinpeter.</p> <p>15 SENATOR KLEINPETER: Thank you, Mr. Chairman.</p> <p>16 Senator Carter, with all due respect, this -- I'm not in</p> <p>17 favor of this. This is from my -- two of my hometown</p> <p>18 parishes, growing up in Iberville and West Baton Rouge</p> <p>19 and -- and part of this is my old council district that</p> <p>20 -- we're already chopped up as it is between Senator</p> <p>21 Price and I as far as on the state level, and we're</p> <p>22 definitely going to be cutting West Baton Rouge and</p> <p>23 Iberville up. I just wanted to go on the record and</p> <p>24 voice my opinion based on this new map that has been</p> <p>25 presented to us.</p>
Page 23	Page 25
<p>1 contiguous nature of it. You were supposed to take the</p> <p>2 -- supposed to take both of those things into</p> <p>3 consideration, the amendment.</p> <p>4 CHAIRMAN FIELDS: Okay. Senator Miguez.</p> <p>5 SENATOR MIGUEZ: Thank you. Thank you, Mr.</p> <p>6 Chairman. Just -- just for clarification, and you may</p> <p>7 have just addressed this, the Womack -- I'll call it the</p> <p>8 -- the amendment that Senator Cloud just testified upon</p> <p>9 and then just got onto the bill, your new amendment</p> <p>10 doesn't contemplate those changes in Avoyelles Parish.</p> <p>11 You're going to have to rework that, because I'm looking</p> <p>12 -- I may have the wrong amendment. I'm looking at</p> <p>13 Avoyelles Parish being completely within the new --</p> <p>14 within Congressional District 6. Oh, yeah; is that</p> <p>15 right?</p> <p>16 SENATOR CARTER: It's my understanding that</p> <p>17 that is being (inaudible 0:36:41).</p> <p>18 SENATOR MIGUEZ: So --</p> <p>19 SENATOR CARTER: (inaudible 0:36:43).</p> <p>20 SENATOR MIGUEZ: So you had the --</p> <p>21 SENATOR CARTER: My amendment would assume --</p> <p>22 it should assume that that amendment was (inaudible</p> <p>23 0:36:49). So it should not affect the previous</p> <p>24 amendment that was just passed.</p> <p>25 SENATOR MIGUEZ: You have to rework your</p>	<p>1 CHAIRMAN FIELDS: Senator Miller.</p> <p>2 SENATOR MILLER: Thank you. Just two -- two</p> <p>3 quick questions again. What was the voting age</p> <p>4 population splits for 2 and 6 with these amendments,</p> <p>5 your math?</p> <p>6 SENATOR CARTER: The voting age --</p> <p>7 SENATOR MILLER: Voting age population, Black.</p> <p>8 SENATOR CARTER: African American voting age</p> <p>9 population in District 2 -- oh, here it is. The -- the</p> <p>10 VAP, the African American voting age population for</p> <p>11 District 2 would be 51.132 percent, and the African</p> <p>12 American voting age population for District 6 would be</p> <p>13 53.612 percent.</p> <p>14 SENATOR MILLER: Okay. And last question: did</p> <p>15 any -- did you have any information of how these would</p> <p>16 -- would perform?</p> <p>17 SENATOR CARTER: It's my understanding it</p> <p>18 would help it better perform because it is an additional</p> <p>19 increase of African American voters, even though it's a</p> <p>20 small amount of individuals. It's a small but</p> <p>21 significant change.</p> <p>22 SENATOR MILLER: But y'all -- y'all didn't run</p> <p>23 any -- any performance tests on it?</p> <p>24 SENATOR CARTER: No.</p> <p>25 SENATOR MILLER: Okay. Thank you.</p>

7 (Pages 22 to 25)

<p style="text-align: right;">Page 26</p> <p>1 CHAIRMAN FIELDS: Thank you, Senator. Senator 2 Jenkins. 3 SENATOR JENKINS: Well, I'm just trying to be 4 sure here. I mean, I fundamentally don't have an issue. 5 I'm just trying to see what's happened here in -- in 6 north Louisiana. 7 SENATOR CARTER: It shouldn't affect northern 8 Louisiana at all. It's just a swap between 6 -- sorry, 9 I'm -- I'm not on. It -- it should not affect northern 10 Louisiana. This is just a swap between District 2 and 11 District 6. At the very bottom, if you're looking at 12 Iberville and West Baton Rouge parishes right there 13 towards the bottom, it has no bearing or no effect on 14 northern Louisiana. 15 SENATOR JENKINS: Well, I'm looking at the 16 configuration. I mean -- 17 SENATOR CARTER: Well, I think the difference 18 is we're looking at the configuration from the previous 19 amendment from Senator Womack. That should be 20 incorporated into the amendment that I'm offering. 21 SENATOR JENKINS: Okay. So -- 22 SENATOR CARTER: So that's a technical thing 23 that they're fixing. It -- it doesn't have anything to 24 do with the swap that I am. So there was the previous 25 amendment that was offered by Senator Womack with</p>	<p style="text-align: right;">Page 28</p> <p>1 contemplate the previous amendment that got on. It was 2 my -- 3 CHAIRMAN FIELDS: Yeah. Yeah. 4 SENATOR CARTER: -- understanding it was 5 supposed to, and I just heard about the issue -- 6 CHAIRMAN FIELDS: Right. 7 SENATOR CARTER: -- about the contiguousness 8 of it. 9 CHAIRMAN FIELDS: I -- I hate to oppose one of 10 my distinguished colleagues in committee. 11 SENATOR CARTER: Well, I hope you don't. 12 CHAIRMAN FIELDS: But I do think we have an 13 obligation to -- to make sure that anything we do and 14 pass is not for -- race is not the predominant reason. 15 Can you give us the reason for splitting two parishes 16 other than race? 17 SENATOR CARTER: Well, I think -- one, I think 18 hearing the testimony of my previous colleague, Senator 19 Womack and Senator Cloud, this makes -- this increases 20 the odds of District 2 performing as an African American 21 district. And given the importance that our 22 congressperson has performed in District 2, I think it's 23 very important that that district remains strengthened 24 where it can perform as an African American district. 25 That is a factor. It is not the predominant factor.</p>
<p style="text-align: right;">Page 27</p> <p>1 Senator Cloud testifying at the table that got adopted. 2 SENATOR JENKINS: Okay. 3 SENATOR CARTER: This amendment doesn't -- 4 SENATOR JENKINS: It doesn't -- doesn't 5 (inaudible 0:40:09). 6 SENATOR CARTER: -- doesn't undo that, doesn't 7 touch it whatsoever. This is just a very slight swap 8 between District 2 and District 6. 9 SENATOR JENKINS: I see that. Okay. Got it. 10 Thank you, Mr. Chairman. 11 CHAIRMAN FIELDS: Okay. Senator Jenkins. All 12 right. Are there any other members who wish to be heard 13 on the amendment? 14 SENATOR CARTER: At this time I would like to 15 move -- provide -- we don't have the amendment. Can we 16 do it in concept or no? 17 CHAIRMAN FIELDS: Senator Carter, why don't we 18 -- why don't we move the bill out the way it is now. 19 The -- your amendment is not ready. And you're talking 20 about 3,000 people. You know, I -- I -- I -- (inaudible 21 0:41:02) -- 22 SENATOR CARTER: I know we had the 23 conversation earlier about doing the hard work in the 24 committee and making certain we have amendments that we 25 need here. I -- I did not realize that it didn't</p>	<p style="text-align: right;">Page 29</p> <p>1 It's also consistent with the principles outlined with 2 the federal judge, and it's also consistent with 3 communities of interest and all the other factors that 4 we previously considered. 5 CHAIRMAN FIELDS: So lastly, what's the 6 predominant factor you're using to split the two 7 parishes, that -- the 3,000 people? 8 SENATOR CARTER: It's very important, and we 9 talked about very -- earlier when this hearing started, 10 we talked about many of the storms and hurricanes that 11 we've had. It's very important. You look at what 12 happened in New Orleans after Hurricane Katrina, making 13 certain we had congressional representation to deliver 14 for the City of New Orleans, for not just the City of 15 New Orleans, but for that whole area, the whole 2nd 16 Congressional District. Similarly, during hurricane -- 17 not hurricane, with the pandemic with COVID, making 18 certain we have congressional representation that can 19 continue to deliver for our district. 20 CHAIRMAN FIELDS: Okay. Members, you've heard 21 the discussion by Senator Carter. The amendment can't 22 be adopted because it's not ready. We do have other 23 bills we have to hear. I would plead to the gentleman 24 to let us pass the bill, and if we can perfect your 25 amendment on the floor, we can do just that.</p>

8 (Pages 26 to 29)

<p style="text-align: right;">Page 30</p> <p>1 SENATOR CARTER: Well, my only concern with</p> <p>2 doing it on the floor is it opens it up to -- you know,</p> <p>3 it's -- it's -- it's important that we do the hard work</p> <p>4 in committee, I thought.</p> <p>5 CHAIRMAN FIELDS: All right.</p> <p>6 SENATOR CARTER: So if we can perhaps give</p> <p>7 staff --</p> <p>8 CHAIRMAN FIELDS: How much more time --</p> <p>9 SENATOR CARTER: -- an opportunity to -- to</p> <p>10 finalize the amendment so we can get that hopefully</p> <p>11 considered by the committee.</p> <p>12 CHAIRMAN FIELDS: Well, we're going to pass</p> <p>13 over -- Senator, if you -- if we could pass over your</p> <p>14 bill for now and get to the rest of these bills because</p> <p>15 --</p> <p>16 SENATOR CARTER: It shouldn't take long. It's</p> <p>17 -- it's a very small -- it's -- I believe it's less than</p> <p>18 3,000 voters, so it should be easy and quick to fix.</p> <p>19 CHAIRMAN FIELDS: All right. Let's pass over</p> <p>20 Senator -- Senator Womack, do you -- do you wish for us</p> <p>21 to pass over your bill for now?</p> <p>22 SENATOR WOMACK: That's good.</p> <p>23 CHAIRMAN FIELDS: Bill, you have it?</p> <p>24 SENATOR CARTER: I think we have it, but.</p> <p>25 MALE SPEAKER 4: (inaudible 0:44:47) not quite</p>	<p style="text-align: right;">Page 32</p> <p>1 wasn't contiguous.</p> <p>2 CHAIRMAN FIELDS: Okay. The -- the staff is</p> <p>3 -- is the staff ready? Staff?</p> <p>4 MALE SPEAKER 5: (inaudible 0:46:13).</p> <p>5 CHAIRMAN FIELDS: I'm going to lean on the</p> <p>6 gentleman one last time. Will -- will the gentleman</p> <p>7 defer to the chair and allow us to pass it now? And we</p> <p>8 will have discussions between now and the floor. You</p> <p>9 can have discussions with the author between now and the</p> <p>10 floor.</p> <p>11 SENATOR CARTER: Sounds good, Mr. Chairman.</p> <p>12 CHAIRMAN FIELDS: Thank the gentleman. All</p> <p>13 right. Thank you, Senator Carter. Are there any</p> <p>14 further discussions on the bill? Senator Reese has</p> <p>15 moved that Senate Bill 8 be reported favorable -- be</p> <p>16 reported as amended. Are there any objections to</p> <p>17 reporting Senate Bill 8 as amended? Hearing no</p> <p>18 objections, that bill is reported favorable.</p> <p>19 SENATOR WOMACK: Thank you, Mr. Chairman,</p> <p>20 members.</p> <p>21 CHAIRMAN FIELDS: Thank you. All right.</p> <p>22 Let's get into some.</p> <p>23</p> <p>24</p> <p>25</p>
<p style="text-align: right;">Page 31</p> <p>1 the same. You can't have that one.</p> <p>2 SENATOR CARTER: I believe we have the revised</p> <p>3 amendment, so don't -- don't go too far, Senator.</p> <p>4 MALE SPEAKER 4: (inaudible 0:45:02).</p> <p>5 SENATOR CARTER: Yes.</p> <p>6 (Pause.)</p> <p>7 SENATOR CARTER: Does this contemplate the</p> <p>8 previous amendment from that -- that got on from Senator</p> <p>9 Womack and Senator Cloud?</p> <p>10 MALE SPEAKER 4: (inaudible 0:45:30)?</p> <p>11 SENATOR CARTER: The one that's already</p> <p>12 passed, yes, yes.</p> <p>13 MALE SPEAKER 4: (inaudible 0:45:34).</p> <p>14 SENATOR CARTER: Without -- it doesn't undo</p> <p>15 any of the previous amendments. It maintains the</p> <p>16 revisions that was --</p> <p>17 MALE SPEAKER 4: It maintains all of that</p> <p>18 (inaudible 0:45:41).</p> <p>19 SENATOR CARTER: Okay. Good. Yes. I</p> <p>20 believe, Mr. Chairman, that the amendment is now -- it's</p> <p>21 being finalized, that solves both of those issues where</p> <p>22 it doesn't undo the previous -- where it doesn't undo</p> <p>23 the previous amendment that was offered by Senator</p> <p>24 Womack and Senator Cloud. It wasn't intended to do</p> <p>25 that. And it fixed the one part of the amendment that</p>	<p style="text-align: right;">Page 33</p> <p>1 CERTIFICATE OF TRANSCRIPTION</p> <p>2 I, Nathan Pikover, COO of TranscribeMe, Inc.,</p> <p>3 do hereby certify that 290872-Audio-Senate and</p> <p>4 Governmental Affairs-Edited.wav was transcribed</p> <p>5 utilizing computer aided means and the TranscribeMe</p> <p>6 transcription team.</p> <p>7 The transcript of the audio mentioned above,</p> <p>8 having been transcribed and reviewed by TranscribeMe,</p> <p>9 Inc. to the best of the company's ability, is a full,</p> <p>10 true, and correct transcription.</p> <p>11 I further certify that neither I, nor the</p> <p>12 TranscribeMe, Inc. transcription team, have any personal</p> <p>13 association with the parties involved or are in any way</p> <p>14 interested in the outcome thereof.</p> <p>15 Dated this 8th of March, 2024.</p> <p>16 _____</p> <p>17 Nathan Pikover, COO TranscribeMe, Inc.</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>
