

NINETEENTH JUDICIAL DISTRICT COURT  
PARISH OF EAST BATON ROUGE

STATE OF LOUISIANA

NO. 716837 SECTION 25 DIVISION \_\_\_\_\_

NATIONAL ASSOCIATION FOR THE ADVANCEMENT OF COLORED PEOPLE  
("NAACP") LOUISIANA STATE CONFERENCE, POWER COALITION FOR EQUITY  
AND JUSTICE, DOROTHY NAIRNE, EDWIN RENÉ SOULÉ, ALICE WASHINGTON,  
AND CLEE EARNEST LOWE

VERSUS

KYLE ARDOIN, in his official capacity as Secretary of State for Louisiana

FILED: \_\_\_\_\_  
DEPUTY CLERK

AFFIDAVIT OF DR. ALICE WASHINGTON

NOW appears Dr. Alice Washington who attests to the following based upon her  
personal knowledge, information, and belief:

1. My name is Dr. Alice Washington. I am over 18 years of age and have personal knowledge of the statements made in this affidavit and each is true and correct.
2. I am African American and a U.S. citizen.
3. I am a resident of the State of Louisiana, and I currently reside in Baton Rouge.  
My address is 13013 Parkview Point Ave, Baton Rouge, LA 70816.
4. I am lawfully registered to vote in Congressional District ("CD") 6.
5. I am a regular voter who votes in federal, state, and local elections. I last voted in the 2020 general election. I intend to vote in future elections, including the upcoming 2022 congressional elections. I have phone banked for candidates in previous elections. I have also written to and met with my representatives to discuss issues that are important to me, and seek constituent services.

6. I learned through the leaders of Together Louisiana, a community non-profit, that, based on the 2020 census data, the population of CD 6 has increased since 2010. I also understand that CD 6 now contains more people than several of the other congressional districts.
7. I am angry that Louisiana has not created a new redistricting plan to make the population of all congressional districts equal. If I am forced to vote in an overpopulated district, it will dilute the strength of my vote.
8. One of the effects of the unequally sized districts that concerns me the most is that I will not have equal access to my Congressional representative when compared to voters in other districts. If the old, outdated map remains in place, I will have to work harder to get the attention of my Congressperson. That will make it more difficult to discuss issues with and seek constituent services from my representatives, as I have done in the past.
9. Because Louisiana has not created a new plan for our congressional districts, I still do not know what district I will reside in when a new plan is eventually passed. The 2022 election is approaching, and I would like to educate myself about the candidates I will be choosing from and what their positions are. I would also like to be able to associate with other voters who would support the same candidates as I do. Additionally, I would like to campaign for the candidates I support, such as through phone banking, as I have done in previous elections. But because I don't know what district I will reside in, I am unable to do those things.
10. I declare under penalty of perjury under the laws of Louisiana that the foregoing is true and correct to the best of my knowledge.

Signed on this 18<sup>th</sup> day of March, 2022.
