**FIRST AMENDED PETITION FOR DECLARATORY JUDGMENT AND
INJUNCTIVE RELIEF**

For their First Amended Petition, Plaintiffs People Not Politicians and Richard von Glahn allege and state as follows:

PARTIES

Plaintiff People Not Politicians

1. Plaintiff People Not Politicians is a campaign committee organized under the laws of the State of Missouri and subject to the regulation of the Missouri Ethics Commission.

2. People Not Politicians is the committee supporting the campaign for the referendum petitions submitted by Plaintiff von Glahn.

Plaintiff Richard von Glahn

3. Plaintiff Richard von Glahn is a Missouri citizen, resident of St. Louis County, a taxpayer, and qualified voter in the State of Missouri.

4. Plaintiff von Glahn is the proponent of the referendum petitions that are the subject of this action.

5. Attached as **Exhibit A** are true and correct copies of the referendum petitions submitted by Plaintiff von Glahn.

6. Plaintiffs seek review of the Secretary of State's decision rejecting as to form the referendum sample sheets. § 536.150 RSMo.

7. No other law or process allows a hearing or other review of the Secretary's decision.

8. Plaintiffs also seek a declaration of their rights, status, or other legal relations. § 527.010 RSMo.

9. Plaintiffs also request the court award costs which are equitable and just. § 527.100 RSMo.

Secretary of State Denny Hoskins

10. Defendant Denny Hoskins is the Missouri Secretary of State.

11. When the sample sheet for a referendum petition is submitted to him, Hoskins must "review the petition for sufficiency as to form and approve or reject the form of the petition, stating the reasons for rejection, if any." §116.332.1, RSMo.

12. Within 15 days of submission, Hoskins must "make a final decision as to the approval or rejection of the form of the petition" and "send written notice to the person who submitted the petition sheet" of his decision. §116.332.4, RSMo.

13. The Secretary of State is also required to "make a determination on the sufficiency of the petition" and "issue a certificate setting forth that the petition contains a

sufficient number of valid signatures to comply with the Missouri Constitution and with [chapter 116].” §116.150, RSMo.

STATEMENT OF FACTS

Referendum Right

14. Missourians reserved to themselves the “power to approve or reject by referendum *any act of the general assembly*[.]” Mo. Const. art. III, § 49 (emphasis added).

15. To place a referendum petition before voters, a proponent must gather signatures of “five percent of the legal voters in each of two-thirds of the congressional districts in the state[.]” Mo. Const. art. III, § 52(a).

16. For an election taking place in 2026, a proponent must gather 106,384 signatures across six congressional districts.¹

17. The Constitution guarantees *at least* ninety days for a referendum proponent to gather signatures.

18. Signed referendum petitions must be submitted “not more than ninety days after the final adjournment of the session of the general assembly which passed the bill on which the referendum is demanded.” *Id.*

1

https://www.sos.mo.gov/CMSImages/Elections/Petitions/MakeYourVoiceHeard_02.07.2025.pdf

19. Prior to gathering signatures, statute requires a referendum proponent to submit a sample of the petition form to the Secretary of State to review and approve or reject as to form. § 116.332, RSMo.

20. The statute gives the Secretary fifteen days to approve or reject a referendum sample sheet as to form. §116.332.4, RSMo.

21. Section 116.332 does not prohibit a proponent from circulating the petition while awaiting the Secretary's decision, and contains no provision addressing the validity of signatures gathered prior to such decision.

House Bill 1

22. On August 29, 2025, Governor Mike Kehoe issued a proclamation to convene the General Assembly for a special session to pass legislation designating new congressional districts.

23. Governor Kehoe prepared and provided to the General Assembly the new congressional districts and accompanying map.

24. The General Assembly convened on September 3, 2025 for the special session.

25. On September 12, 2025, the General Assembly truly agreed and finally passed House Bill 1 titled: "An Act To repeal sections 128.345, and 128.348, RSMo, and to enact in lieu thereof twelve new sections relating to the composition of congressional districts."

26. House Bill 1 is an act of the general assembly.

27. Attached as **Exhibit B** is a true and correct copy of House Bill 1.

28. On September 12, 2025, the General Assembly adjourned the second extraordinary session of the first regular session of the 103rd General Assembly.

29. Despite the Governor serving as the *de facto* sponsor of the legislation, the Governor spent two weeks reviewing House Bill 1

30. On September 25, 2025, the Governor publicly announced his intention to sign House Bill 1.²

31. On September 28, 2025, the Governor signed House Bill 1.

Plaintiffs' Referendum Petition

32. On September 12, 2025, Plaintiff Richard von Glahn submitted for Secretary Hoskins' review, referendum petition sample sheets asking to refer House Bill 1 to voters.

33. Plaintiff von Glahn's submission occurred after both the House and Senate had voted for the same version of House Bill 1, making it a truly agreed and finally passed act of the General Assembly.

34. After von Glahn submitted his sample sheets, Hoskins sent a letter to Plaintiff von Glahn stating "the petitions today cannot be *accepted for processing*." (emphasis added).

35. Attached as **Exhibit C** is a true and correct copy of the September 12, 2025 letter the Secretary of State sent to Plaintiff von Glahn.

² <https://governor.mo.gov/press-releases/archive/governor-kehoe-sign-house-bill-1>.

36. Hoskins claimed the petition sample sheets could not be processed because the Governor had not signed House Bill 1. *Id.*

37. Two days later, Hoskins sent Plaintiff von Glahn another letter purporting to supersede the September 12 letter.

38. Attached as **Exhibit D** is a true and correct copy of the September 14, 2025 letter the Secretary of State sent to Plaintiff von Glahn.

39. That letter states that “[b]ecause the statutory review process is still pending, the Secretary of State has not yet made a final determination whether your referendum petition may be accepted for processing or circulation.”

40. Hoskins’ September 14 letter further says that Plaintiff von Glahn’s “submission has been formally transmitted to the Attorney General in accordance with §116.332, and the statutory timeline for review is now running.”

41. Secretary Hoskins had until September 27, 2025 to approve or reject the September 12 referendum sample sheets as to form.

42. On September 15, 2025, Plaintiff von Glahn submitted another referendum petition sample sheet.

43. That day Secretary Hoskins sent a third letter to Plaintiff von Glahn.

44. Attached as **Exhibit E** is a true and correct copy of the September 15, 2025 letter the Secretary sent to Plaintiff von Glahn.

45. The letter states that “the Secretary of State has not yet made a final determination whether your referendum petition may be accepted for processing and circulation” and that the “statutory review process is still pending.”

46. In addition, the letter states that “[o]nce the Attorney General’s opinion and the Auditor’s fiscal note are received and reviewed, this office will issue a written decision either approving the form of the petition for circulation or rejecting it with stated reasons.”

47. Secretary Hoskins had until September 30, 2025 to approve or reject the September 15, 2025 referendum sample sheet as to form.

48. On September 16, 2025, Plaintiffs advised the Secretary that he may not reject referendum sample sheets for *any reason* other than a reason of form found in Section 116.030, RSMo.

49. Attached as **Exhibit F** is a true and correct copy of the September 16, 2025 letter sent by Plaintiffs’ counsel to Secretary of State Hoskins.

50. Plaintiff von Glahn’s sample sheets substantially comply with the requirements of Section 116.030, RSMo.

Secretary’s Rejection of Plaintiff von Glahn’s Referendum Sample Sheets

51. On September 26, 2025, the Secretary of State sent Plaintiff von Glahn three identical letters rejecting the referendum sample sheets (submitted on September 12 and 15) as to form.

52. Attached as **Exhibit G** are true and correct copies of the September 26, 2025 letters.

53. The September 26 letters purport to rely on the Attorney General’s opinion that the referendum petitions may not be approved as to form because “HB 1 has not been signed by Governor Kehoe. Nor has time to return HB 1 expired.”

54. The Secretary rejected the referendum sample sheets for a reason *other than* form.

55. A rejection of the sample sheets also threatens to cast doubt on the validity of any signatures gathered on those forms.

56. On information and belief, the Secretary intends to declare any signatures gathered before the governor signed House Bill 1 invalid.

57. To date, Plaintiffs' campaign has gathered more than 20,000 signatures of Missouri voters supporting the referendum on House Bill 1.

58. These and any other signatures must be counted if the referenda sample sheet substantially complies with the form specified by the statute.

59. A rejection of the referenda sample sheets hinders Plaintiffs' right to place a referendum before the voters.

60. The Secretary's decision to reject Plaintiff von Glahn's sample sheets is not subject to administrative review which determines the rights and privileges of the Plaintiffs to engage in the referendum process.

61. Other than this action there is no other provision for judicial inquiry or review of the Secretary's decision.

62. The Secretary's decision was unlawful and/or involves an abuse of discretion as discussed herein.

Count I - Violation of Section 116.030, RSMo

63. Plaintiffs incorporate by reference all preceding paragraphs.

64. The Secretary of State's review and approval or rejection as to form of a referendum petition is limited to what is described in Section 116.030.

65. That statute "addresses the required form of a referendum petition sample sheet, and includes an exemplar form." *American Civil Liberties Union v. Ashcroft*, 577 S.W.3d 881, 890 (Mo. App. 2019).

66. If the form of the referendum petition sample sheet "is followed substantially and the requirements of section 116.050 and section 116.080 are met, it shall be sufficient, disregarding clerical and merely technical errors." *Id.*; §116.030, RSMo.

67. Plaintiffs submitted referendum sample sheets after the General Assembly passed House Bill 1, but prior to the Governor signing House Bill 1.

68. The Governor signed House Bill 1 two days after the Secretary of State rejected the referendum petitions "as to form."

69. The only reason the Secretary of State rejected Plaintiffs' referendum sample sheets is because the Governor had not yet signed House Bill 1. *See* Ex. F.

70. Whether the Governor has signed the bill prior to the referendum sample sheet submission is not a matter of form.

71. The Secretary of State exceeded his authority by rejecting Plaintiffs' referendum sample sheets because the Governor had not yet signed House Bill 1.

72. The Secretary's decision was unlawful because the sample sheets substantially followed the form mandated by statute.

73. Plaintiffs are entitled to a declaratory judgment that the Secretary of State may not reject a referendum petition sample sheet because the governor has not signed the bill upon which the referendum is being requested

74. Plaintiffs are also entitled to a declaratory judgment that their referendum sample sheets are valid as to form because they substantially comply with the requirements of Section 116.030, RSMo.

75. Plaintiffs seek an injunction prohibiting the Secretary of State and anyone acting in concert with him from rejecting Plaintiffs' referendum petition sample sheets on the basis that the Governor has not signed House Bill 1.

76. Plaintiffs also seek an injunction prohibiting the Secretary of State and anyone acting in concert with him from taking any other actions with respect to the referendum petition on the basis that it does not comply with the form proscribed by statute.

77. If an injunction does not issue, Plaintiffs will suffer irreparable harm because "delays in the State's performance of its obligations in the pre-signature collection stage of the referendum process can have the practical effect of foreclosing meaningful exercise of the power of referendum." 577 S.W.3d at 890.

78. Plaintiffs lack an adequate remedy at law to protect their interests.

**Count II - The Constitution and Statutes Do Not Require Approval as to Form to
Gather Valid Signatures**

79. Plaintiffs incorporate by reference all preceding paragraphs.

80. The Constitution requires only that “[r]eferendum petitions [are] filed with the secretary of state not more than ninety days after the final adjournment of the session of the general assembly which passed the bill on which the referendum is demanded.” Mo. Const. art. III, §52(a).

81. Statute only requires that before a referendum petition “may be circulated for signatures, a sample sheet must be submitted to the secretary of state in the form in which it will be circulated.” § 116.332.1, RSMo.

82. The Constitution does not authorize the Secretary of State to reject signatures because they were gathered before a referendum is approved as to form.

83. The statute does not authorize the Secretary of State to reject signatures because they were gathered before a referendum is approved as to form.

84. Plaintiffs submitted sample sheets prior to gathering signatures on the referendum on HB 1. *See* Ex. A. Plaintiffs therefore complied with all requirements.

85. Plaintiffs are entitled to a declaratory judgment that approval as to form is not required to gather signatures.

86. Plaintiffs are also entitled to a declaratory judgment that signatures are not *per se* invalid because they were gathered prior to the Secretary of State approving the referendum petition sample sheet as to form.

WHEREFORE, Plaintiffs pray this Court:

- a. Declare that the Secretary of State may not reject a referendum petition sample sheet because the governor has not signed the bill upon which the referendum is being requested;

b. Declare that Plaintiffs' referendum sample sheets are valid as to form because they substantially comply with the requirements of Section 116.030, RSMo;

c. Declare that Signatures may be gathered once a sample sheet is submitted to the Secretary of State and such signatures may not be rejected because they were gathered prior to the Secretary issuing an approval of the sample sheet as to form.

d. Prohibit the Secretary of State and anyone acting in concert with him from rejecting Plaintiffs' referendum petition sample sheets on the basis that the Governor has not signed House Bill 1;

e. Prohibit the Secretary of State and anyone acting in concert with him from taking any other actions with respect to the referendum petition on the basis that it does not comply with the form proscribed by statute;

f. Prohibit the Secretary of State and anyone acting in concert with him from rejecting signatures gathered on Plaintiffs' referendum petition because those signatures were gathered prior to the approval of the referendum sample sheet as to form and/or were gathered prior to the governor signing House Bill 1;

g. Award equitable and just costs because the Secretary of State's actions in rejecting the referendum sample sheets were intentional misconduct to thwart Plaintiffs' referendum rights; and

h. For any such other relief the Court deems just and proper.

AMENDING A COMMITTEE'S INFORMATION

To amend a committee's *Statement of Committee Organization*:

- Complete **Step 1: Statement Information**. Mark the form as **Amended**, enter the committee's **MECID**, and list any **amended sections**.
- You do not need to complete the entire form. Simply complete any sections that need to be updated.
- Complete **Step 9: Signatures and Certifications**. The amended *Statement of Committee Organization* must always be signed by the committee's treasurer. If the committee is a candidate committee, the candidate must also sign the amended statement.
- Submit to the MEC via mail, email, fax, or hand-delivery (see contact information at the bottom of this page).

REGISTERING A LOCAL CAMPAIGN COMMITTEE (supporting or opposing a local ballot measure)

To register a local campaign committee to support or oppose a ballot measure at the local level, complete the *Statement of Committee Organization*. Print, sign, and deliver the form to your local election authority. Your committee will then file campaign finance reports on paper forms with your local election authority.

If your local campaign committee would prefer to file electronic campaign finance reports, you must complete both the *Statement of Committee Organization* and the *Electronic Filing Agreement* and submit to the Missouri Ethics Commission. From that point forward, the committee does not need to file paper reports with the local election authority. All reports will be filed electronically with the Missouri Ethics Commission.

Re: Submission of Referendum Petitions on House Bill No. 1 (103rd General Assembly, 2nd Extraordinary Session)

Dear Mr. von Glahn:

The Office of the Secretary of State acknowledges receipt of the referendum petitions you submitted today seeking to refer House Bill No. 1 (103rd General Assembly, 2nd Extraordinary Session) to a vote of the people.

Under Article III, § 49 of the Missouri Constitution, the people reserve the power to “approve or reject by referendum any act of the general assembly.” Article III, § 31 provides that a bill passed by the General Assembly becomes law only when (1) the Governor signs it, (2) the Governor takes no action within the constitutionally prescribed time and it becomes law without signature, or (3) the Governor’s veto is overridden by both chambers.

House Bill No. 1 has been truly agreed to and finally passed by the General Assembly, but it has not yet been signed by the Governor or otherwise taken effect as law. Because it is not yet a “law” or “act of the general assembly” within the meaning of Article III, §§ 49 and 52(a), it is not currently subject to referendum. Accordingly, the petitions submitted today cannot be accepted for processing.

Re: Submission of Referendum Petitions on House Bill No. 1 (103rd General Assembly, 2nd Extraordinary Session)

Dear Mr. von Glahn:

This letter serves to clarify and supersede the Secretary of State's prior correspondence dated September 12, 2025, concerning your submission of referendum petition sheets relating to House Bill No. 1.

Pursuant to § 116.332, RSMo, when a referendum petition sample sheet is submitted to the Secretary of State, the Secretary is required to refer a copy to the Attorney General for review of legal sufficiency as to form and to the State Auditor for preparation of a fiscal note and fiscal note summary. Only after the Attorney General has rendered an opinion on legal sufficiency and the Secretary of State has reviewed those comments can this office make a final determination regarding the approval or rejection of the form of the petition.

Because that statutory review process is still pending, the Secretary of State has not yet made a final determination whether your referendum petition may be accepted for processing or circulation. Your submission has been formally transmitted to the Attorney General in accordance with § 116.332, and the statutory timeline for review is now running. Upon receipt of the Attorney General's opinion and completion of the required review, this office will issue a written decision either approving the form of the petition for circulation or rejecting it with stated reasons.

For clarity, this letter is the operative response from the Secretary of State regarding your submission, and any prior correspondence should be regarded as superseded. The Secretary of State will continue to follow the process set forth in Chapter 116, RSMo, and will notify you promptly upon making a final determination as to the approval or rejection of the petition form. Please contact the Elections Division at (573) 751-2301 if you have any questions regarding this process.

Sincerely,

Elections Division

Re: Submission of Referendum Petitions on House Bill No. 1 (103rd General Assembly, 2nd Extraordinary Session)

Dear Mr. von Glahn:

This letter acknowledges receipt of the additional referendum petition you submitted today regarding House Bill No. 1 (103rd General Assembly, 2nd Extraordinary Session).

Consistent with the Secretary of State's prior correspondence, this petition is being treated as a new and independent submission under § 116.332, RSMo. In accordance with that statute, this office has referred the petition to the Attorney General for review of legal sufficiency as to form and to the State Auditor for preparation of a fiscal note and fiscal note summary.

While we are in receipt of this petition, please be advised that the Secretary of State has not yet made a final determination whether your referendum petition may be accepted for processing or circulation. The statutory review process is still pending. Once the Attorney General's opinion and the Auditor's fiscal note are received and reviewed, this office will issue a written decision either approving the form of the petition for circulation or rejecting it with stated reasons.

This letter should be read in conjunction with our previous correspondence, which remains in effect and reflects the operative position of this office on the process required by law. You will be notified promptly when a final determination regarding the approval or rejection of this petition form is made.

If you have any questions about the status of this submission or the statutory process, please contact the Elections Division at (573) 751-2301.

Sincerely,

Re: House Bill 1 Referendum Petition

Dear Attorney General Hanaway and Secretary Hoskins:

I represent People Not Politicians, the campaign behind the referendum on House Bill 1, and Richard von Glahn, the proponent of the referendum. I write today to address the Secretary's recent correspondence with Mr. von Glahn concerning the referendum.

As you know, the people of the State of Missouri reserved to themselves the power to "approve or reject by referendum any act of the general assembly[.]" Mo. Const. art. III, §49. My clients filed paperwork over the last few days to exercise that right and they are prepared to protect that right in court. We hope to avoid a court dispute by reviewing the law in this area. My clients feel confident that the paperwork they have submitted to the Secretary meets all statutory requirements and must be approved as to form.

The Secretary's correspondence to us on Friday indicated that the Secretary would not process the referendum paperwork. Later, the Secretary appears to have wisely reversed course and agreed to process the filings. But the Secretary's recent correspondence appears to hold open the possibility that the recent filings will be rejected on a theory not supported by the law.

I. Administrative Delays May Not Be Used to Hinder the People's Right to Referendum

To effectuate the referendum power, a proponent has "ninety days after the final adjournment of the session of the general assembly which passed the bill on which the referendum is demanded" to collect the requisite number of signatures to place the referendum question on the ballot. *See* Mo. Const. art. III, §52(a). Considering this short window to collect signatures, the Court of Appeals has recognized that "delays in the State's performance of its obligations in the pre-signature collection stage of the referendum process can have the practical effect of foreclosing meaningful exercise of the power of referendum." *American Civil Liberties Union of Missouri v. Ashcroft*, 577 S.W.3d 881, 890 (Mo. App. 2019).

Neither of you may do anything to foreclose the meaningful exercise of my clients' right to a referendum. The Courts "zealously guard the powers reserved by the people in the Missouri Constitution." *Id.* at 893 (cleaned up). We expect that your offices will do the same.

II. Review and Approval of the Form of a Referendum Petition is Limited in Scope

On September 12, the Secretary sent Mr. von Glahn a letter stating that his office could not accept Mr. von Glahn's referendum petition for processing because there can be no referendum on a bill which has not been signed by the Governor. Although this letter was purportedly superseded by later letters, the Secretary has not specifically disavowed that prior position. Instead, that correspondence appears to indicate the Secretary will rely on the Attorney General to advise on the form of the initiative. In that process you should both disavow the initial, incorrect, position in the September 12 letter. The concern raised in that letter is not a matter of form under section 116.332.

This is not a new issue nor a difficult analysis. The Court of Appeals considered the question of what constitutes the form of a referendum petition in the 2019 case *American Civil Liberties Union of Missouri v. Ashcroft*. The form is limited to what is described in section 116.030—"it addresses the required form of a referendum petition sample sheet, and includes an exemplar form." 577 S.W.3d at 890. If that form "is followed substantially and the requirements of section 116.050 and section 116.080 are met, it shall be sufficient, disregarding clerical and merely technical errors." *Id.* (cleaned up); §116.030, RSMo.

Thus, the Court concluded, section 116.332's requirement of "sufficiency as to form" refers to "whether a sample sheet is in substantially the form required by section 116.030." *Id.* This precludes any review as to "matters of substance, including constitutional compliance." *Id.* at 891. In other words, the Courts have already rejected any consideration of whether my clients are entitled to *proceed* with a referendum. The only issue here is whether their *paperwork* is in the right form.

The issue raised in the Secretary's initial letter may be raised later. But the Secretary's authority to review a referendum petition for compliance with the Constitution and chapter 116 is not triggered until signatures are submitted by the referendum proponent. "[I]n sharp contrast to the qualified authority extended to the secretary of state in section 116.332 to review a sample sheet for sufficiency as to form, section 116.120 authorizes the secretary of state to review a submitted referendum to determine compliance with the Constitution of Missouri and the provisions of chapter 116." *Id.* at 892.

This bifurcated process "prevents the people's reserved referendum power from being summarily and effectively foreclosed at the pre-signature collection stage by a sufficiency determination that extends beyond the simple form of the sample sheet." *Id.* at 892-93. Adopting the Secretary's initial position would foreclose my clients' rights at this stage.

Although we disagree (as discussed below) that a referendum cannot be sought on a bill which has not been signed by the governor, now is not the time for either of you to consider that question. Instead, it is a constitutional question which may not be addressed during your section 116.332 review. That review is explicitly limited to compliance with the form in 116.030. As such, we expect your offices will expeditiously conduct a review of the form of the submitted referendum petition and if it substantially complies with 116.030—it does, the Secretary will approve the referendum petition as to form.

III. The People of Missouri Have a Right to the Referendum Prior to the Governor's Signature on Legislation

As discussed above, the question of whether a referendum may be had on a bill before it has been officially signed by the governor is a question for another day. But because the analysis is easily answered, we address it here. Lack of the Governor's signature is not a reason to invalidate a referendum or to reject signatures which were gathered prior to the governor signing House Bill 1.

Article III, Section 49 authorizes the people to "approve or reject by referendum any *act of the general assembly*, except as hereinafter provided." (emphasis added). This is in contrast to the power to "propose and enact or reject *laws and amendments* to the constitution by the initiative, independent of the general assembly[.]" Mo. Const. art. III, §49 (emphasis added). An "act of the general assembly" is synonymous with a "bill," which is how the act is referred to in Article III, Section 52(a). *See* Mo. Const. art. III, §52(a) ("Referendum petitions shall be filed with the secretary of state not more than ninety days after the final adjournment of the session of the general assembly which passed the bill on which the referendum demanded.").

The Constitution uses two different words to describe what voters would be asked to consider when signing and voting on initiative petitions and referenda. When different terms are used in different provisions of the Constitution, the people "intended the terms to have different meaning and effect." *See* 577 S.W.3d at 892. A bill is an "act of the general assembly" (in fact, that's what the legislature says House Bill 1 is—it's right there at the top), regardless of the governor's signature. The Constitution authorizes and allows the people to begin to exercise their referendum rights prior to the governor signing legislation.

This also makes sense when considering the time frame for gathering signatures. Signatures must be gathered in a 90-day window beginning on the day the general assembly adjourns. That 90-day window corresponds to the time between adjournment and when the bill would be enacted as law (if the governor signs). Mo. Const. art. III, § 29. Thus, the Constitution does not require nor expect that the governor's signature is a starting point for signature gathering; instead, it is the adjournment of the legislative session.

The law is clear that neither of you may consider whether a referendum is appropriate at this time. Instead, you must simply review the form for technical compliance with the statute. Rejecting the referendum in contravention of current law would be evidence of an intentional action to deny my clients their First Amendment rights, which are protected by both state and federal law. The people are entitled to exercise their right to the referendum without interference and undue delay from your offices. Please let me know if you would like to discuss anything in this letter further. Otherwise, we await your approval as to the form of the proposed referendum.

RE: Rejection of first proposed referendum petition

Dear Mr. von Glahn:

Please be advised that the Secretary of State's office, pursuant to Section 116.332.4, RSMo, has rejected the form of your petition that was submitted to this office on September 12, 2025, following the Attorney General's recommendation. A copy of the Attorney General's Opinion Letter, 302-2025, is enclosed for your records.

In her Opinion Letter, the Attorney General stated one reason for the recommended rejection as to form. After reviewing the Attorney General's Opinion Letter, this office has determined that the sample petition sheet you submitted was insufficient as to form for the following reason:

The petition is not in the form prescribed by Section 116.030, RSMo.

For specific details as to this insufficiency in form, you may consult the enclosed Opinion Letter. Should you have any questions regarding this matter, please feel free to contact this office at (573) 751-2301 or (800) 669-8683.

OPINION LETTER NO. 302-2025

The Honorable Denny Hoskins, CPA
Missouri Secretary of State
James C. Kirkpatrick State Information Center

Jefferson City, MO 65101

Dear Secretary Hoskins:

This opinion letter responds to your request dated September 14, 2025 for our review under § 116.332, RSMo, of the sufficiency as to form of a referendum submitted on September 12, 2025 by Richard von Glahn, version 1 (2026-R001).

We conclude that the petition must be rejected as insufficient as to form, because the petition is not in the form prescribed by § 116.030, RSMo. Among the requirements to form contained in § 116.030, RSMo, is the requirement that the referendum petition be submitted “on any law” passed by the General Assembly. This requirement is reiterated in § 116.050, which provides, among other things, that the form of referendum petitions must “conform to the provisions of . . . Article III, Section 50 of the Constitution.” Article III, Section 50 allows only for either initiative petitions or referendum petitions on “laws” passed by the State of Missouri.

The referendum petition sample sheet purports to collect signatures for a referendum on House Bill No. 1 of the 103rd General Assembly, 2nd Extraordinary Session (“HB 1”). Article III, Section 31 of the Missouri Constitution provides, however, that a bill passed by the Missouri House of Representatives and Senate does not become “a law” until it is either “approved by the governor” or until the bill is not “returned by the governor within the time limits prescribed by this section.” HB 1 has not been signed by Governor Kehoe.

Nor has time to return HB 1 expired. Article III, Section 31 makes clear that, because neither of these events have occurred, HB 1 is not currently a “law” under the Constitution and laws of Missouri. Consequently, the submitted referendum petition does not comply with the requirement to form that it refer to a “law” that the petition is seeking a referendum on, and it must therefore be rejected as insufficient to form.

Because of our rejection of the form of the petition for the reasons stated above, we have not reviewed the petition to determine whether additional deficiencies exist. Pursuant to § 116.332.4, RSMo, the Secretary of State is authorized to review this opinion and “make a final decision as to the approval or rejection of the form of the petition.”
