Dear Emily Gerber,

This email acknowledges receipt of your request submitted pursuant to the Missouri Sunshine Law, Chapter 610, RSMo, seeking to inspect and/or obtain copies of records described as:

“This request can supersede my previous request, numbered SUN0000253. For the referendum on HB1, I am requesting verification reports or progress reports on reviewing signatures for the signature pages that were not sent to the local election authorities to review.”

After review of your request and consultation with the Missouri Attorney General’s Office, the requested records are being withheld at this time.

Pursuant to §610.021(1), RSMo, a public governmental body may close records that relate to legal actions, causes of action, or litigation involving the governmental body. The requested records relate directly to pending litigation, including People Not Politicians v. Hoskins.

Accordingly, the requested records are closed at this time. This determination is based on the current status of the litigation, and the availability of these records may be re-evaluated as circumstances change.

Please reference Records Request SUN0000275 in any future correspondence.

Sincerely,

-
