Referendum Right

14. Missourians reserved to themselves the “power to approve or reject by referendum *any act of the general assembly*[.]” Mo. Const. art. III, § 49 (emphasis added).

15. To place a referendum petition before voters, a proponent must gather signatures of “five percent of the legal voters in each of two-thirds of the congressional districts in the state[.]” Mo. Const. art. III, § 52(a).

16. For an election taking place in 2026, a proponent must gather 106,384 signatures across six congressional districts.¹

17. The Constitution guarantees *at least* ninety days for a referendum proponent to gather signatures.

18. Signed referendum petitions must be submitted “not more than ninety days after the final adjournment of the session of the general assembly which passed the bill on which the referendum is demanded.” *Id.*

1

https://www.sos.mo.gov/CMSImages/Elections/Petitions/MakeYourVoiceHeard_02.07.2025.pdf

19. Prior to gathering signatures, statute requires a referendum proponent to submit a sample of the petition form to the Secretary of State to review and approve or reject as to form. § 116.332, RSMo.

20. The statute gives the Secretary fifteen days to approve or reject a referendum sample sheet as to form. §116.332.4, RSMo.

21. Section 116.332 does not prohibit a proponent from circulating the petition while awaiting the Secretary's decision, and contains no provision addressing the validity of signatures gathered prior to such decision.

House Bill 1

22. On August 29, 2025, Governor Mike Kehoe issued a proclamation to convene the General Assembly for a special session to pass legislation designating new congressional districts.

23. Governor Kehoe prepared and provided to the General Assembly the new congressional districts and accompanying map.

24. The General Assembly convened on September 3, 2025 for the special session.

25. On September 12, 2025, the General Assembly truly agreed and finally passed House Bill 1 titled: "An Act To repeal sections 128.345, and 128.348, RSMo, and to enact in lieu thereof twelve new sections relating to the composition of congressional districts."

26. House Bill 1 is an act of the general assembly.

27. Attached as **Exhibit B** is a true and correct copy of House Bill 1.

28. On September 12, 2025, the General Assembly adjourned the second extraordinary session of the first regular session of the 103rd General Assembly.

29. Despite the Governor serving as the *de facto* sponsor of the legislation, the Governor spent two weeks reviewing House Bill 1

30. On September 25, 2025, the Governor publicly announced his intention to sign House Bill 1.²

31. On September 28, 2025, the Governor signed House Bill 1.

Plaintiffs' Referendum Petition

32. On September 12, 2025, Plaintiff Richard von Glahn submitted for Secretary Hoskins' review, referendum petition sample sheets asking to refer House Bill 1 to voters.

33. Plaintiff von Glahn's submission occurred after both the House and Senate had voted for the same version of House Bill 1, making it a truly agreed and finally passed act of the General Assembly.

34. After von Glahn submitted his sample sheets, Hoskins sent a letter to Plaintiff von Glahn stating "the petitions today cannot be *accepted for processing*." (emphasis added).

35. Attached as **Exhibit C** is a true and correct copy of the September 12, 2025 letter the Secretary of State sent to Plaintiff von Glahn.

² <https://governor.mo.gov/press-releases/archive/governor-kehoe-sign-house-bill-1>.

36. Hoskins claimed the petition sample sheets could not be processed because the Governor had not signed House Bill 1. *Id.*

37. Two days later, Hoskins sent Plaintiff von Glahn another letter purporting to supersede the September 12 letter.

38. Attached as **Exhibit D** is a true and correct copy of the September 14, 2025 letter the Secretary of State sent to Plaintiff von Glahn.

39. That letter states that “[b]ecause the statutory review process is still pending, the Secretary of State has not yet made a final determination whether your referendum petition may be accepted for processing or circulation.”

40. Hoskins’ September 14 letter further says that Plaintiff von Glahn’s “submission has been formally transmitted to the Attorney General in accordance with §116.332, and the statutory timeline for review is now running.”

41. Secretary Hoskins had until September 27, 2025 to approve or reject the September 12 referendum sample sheets as to form.

42. On September 15, 2025, Plaintiff von Glahn submitted another referendum petition sample sheet.

43. That day Secretary Hoskins sent a third letter to Plaintiff von Glahn.

44. Attached as **Exhibit E** is a true and correct copy of the September 15, 2025 letter the Secretary sent to Plaintiff von Glahn.

45. The letter states that “the Secretary of State has not yet made a final determination whether your referendum petition may be accepted for processing and circulation” and that the “statutory review process is still pending.”

46. In addition, the letter states that “[o]nce the Attorney General’s opinion and the Auditor’s fiscal note are received and reviewed, this office will issue a written decision either approving the form of the petition for circulation or rejecting it with stated reasons.”

47. Secretary Hoskins had until September 30, 2025 to approve or reject the September 15, 2025 referendum sample sheet as to form.

48. On September 16, 2025, Plaintiffs advised the Secretary that he may not reject referendum sample sheets for *any reason* other than a reason of form found in Section 116.030, RSMo.

49. Attached as **Exhibit F** is a true and correct copy of the September 16, 2025 letter sent by Plaintiffs’ counsel to Secretary of State Hoskins.

50. Plaintiff von Glahn’s sample sheets substantially comply with the requirements of Section 116.030, RSMo.

Secretary’s Rejection of Plaintiff von Glahn’s Referendum Sample Sheets

51. On September 26, 2025, the Secretary of State sent Plaintiff von Glahn three identical letters rejecting the referendum sample sheets (submitted on September 12 and 15) as to form.

52. Attached as **Exhibit G** are true and correct copies of the September 26, 2025 letters.

53. The September 26 letters purport to rely on the Attorney General’s opinion that the referendum petitions may not be approved as to form because “HB 1 has not been signed by Governor Kehoe. Nor has time to return HB 1 expired.”

54. The Secretary rejected the referendum sample sheets for a reason *other than* form.

55. A rejection of the sample sheets also threatens to cast doubt on the validity of any signatures gathered on those forms.

56. On information and belief, the Secretary intends to declare any signatures gathered before the governor signed House Bill 1 invalid.

57. To date, Plaintiffs' campaign has gathered more than 20,000 signatures of Missouri voters supporting the referendum on House Bill 1.

58. These and any other signatures must be counted if the referenda sample sheet substantially complies with the form specified by the statute.

59. A rejection of the referenda sample sheets hinders Plaintiffs' right to place a referendum before the voters.

60. The Secretary's decision to reject Plaintiff von Glahn's sample sheets is not subject to administrative review which determines the rights and privileges of the Plaintiffs to engage in the referendum process.

61. Other than this action there is no other provision for judicial inquiry or review of the Secretary's decision.

62. The Secretary's decision was unlawful and/or involves an abuse of discretion as discussed herein.

Count I - Violation of Section 116.030, RSMo

63. Plaintiffs incorporate by reference all preceding paragraphs.

64. The Secretary of State's review and approval or rejection as to form of a referendum petition is limited to what is described in Section 116.030.

65. That statute "addresses the required form of a referendum petition sample sheet, and includes an exemplar form." *American Civil Liberties Union v. Ashcroft*, 577 S.W.3d 881, 890 (Mo. App. 2019).

66. If the form of the referendum petition sample sheet "is followed substantially and the requirements of section 116.050 and section 116.080 are met, it shall be sufficient, disregarding clerical and merely technical errors." *Id.*; §116.030, RSMo.

67. Plaintiffs submitted referendum sample sheets after the General Assembly passed House Bill 1, but prior to the Governor signing House Bill 1.

68. The Governor signed House Bill 1 two days after the Secretary of State rejected the referendum petitions "as to form."

69. The only reason the Secretary of State rejected Plaintiffs' referendum sample sheets is because the Governor had not yet signed House Bill 1. *See* Ex. F.

70. Whether the Governor has signed the bill prior to the referendum sample sheet submission is not a matter of form.

71. The Secretary of State exceeded his authority by rejecting Plaintiffs' referendum sample sheets because the Governor had not yet signed House Bill 1.

72. The Secretary's decision was unlawful because the sample sheets substantially followed the form mandated by statute.

73. Plaintiffs are entitled to a declaratory judgment that the Secretary of State may not reject a referendum petition sample sheet because the governor has not signed the bill upon which the referendum is being requested

74. Plaintiffs are also entitled to a declaratory judgment that their referendum sample sheets are valid as to form because they substantially comply with the requirements of Section 116.030, RSMo.

75. Plaintiffs seek an injunction prohibiting the Secretary of State and anyone acting in concert with him from rejecting Plaintiffs' referendum petition sample sheets on the basis that the Governor has not signed House Bill 1.

76. Plaintiffs also seek an injunction prohibiting the Secretary of State and anyone acting in concert with him from taking any other actions with respect to the referendum petition on the basis that it does not comply with the form proscribed by statute.

77. If an injunction does not issue, Plaintiffs will suffer irreparable harm because "delays in the State's performance of its obligations in the pre-signature collection stage of the referendum process can have the practical effect of foreclosing meaningful exercise of the power of referendum." 577 S.W.3d at 890.

78. Plaintiffs lack an adequate remedy at law to protect their interests.

Count II - The Constitution and Statutes Do Not Require Approval as to Form to Gather Valid Signatures

79. Plaintiffs incorporate by reference all preceding paragraphs.

80. The Constitution requires only that “[r]eferendum petitions [are] filed with the secretary of state not more than ninety days after the final adjournment of the session of the general assembly which passed the bill on which the referendum is demanded.” Mo. Const. art. III, §52(a).

81. Statute only requires that before a referendum petition “may be circulated for signatures, a sample sheet must be submitted to the secretary of state in the form in which it will be circulated.” § 116.332.1, RSMo.

82. The Constitution does not authorize the Secretary of State to reject signatures because they were gathered before a referendum is approved as to form.

83. The statute does not authorize the Secretary of State to reject signatures because they were gathered before a referendum is approved as to form.

84. Plaintiffs submitted sample sheets prior to gathering signatures on the referendum on HB 1. *See* Ex. A. Plaintiffs therefore complied with all requirements.

85. Plaintiffs are entitled to a declaratory judgment that approval as to form is not required to gather signatures.

86. Plaintiffs are also entitled to a declaratory judgment that signatures are not *per se* invalid because they were gathered prior to the Secretary of State approving the referendum petition sample sheet as to form.

WHEREFORE, Plaintiffs pray this Court:

- a. Declare that the Secretary of State may not reject a referendum petition sample sheet because the governor has not signed the bill upon which the referendum is being requested;

b. Declare that Plaintiffs' referendum sample sheets are valid as to form because they substantially comply with the requirements of Section 116.030, RSMo;

c. Declare that Signatures may be gathered once a sample sheet is submitted to the Secretary of State and such signatures may not be rejected because they were gathered prior to the Secretary issuing an approval of the sample sheet as to form.

d. Prohibit the Secretary of State and anyone acting in concert with him from rejecting Plaintiffs' referendum petition sample sheets on the basis that the Governor has not signed House Bill 1;

e. Prohibit the Secretary of State and anyone acting in concert with him from taking any other actions with respect to the referendum petition on the basis that it does not comply with the form proscribed by statute;

f. Prohibit the Secretary of State and anyone acting in concert with him from rejecting signatures gathered on Plaintiffs' referendum petition because those signatures were gathered prior to the approval of the referendum sample sheet as to form and/or were gathered prior to the governor signing House Bill 1;

g. Award equitable and just costs because the Secretary of State's actions in rejecting the referendum sample sheets were intentional misconduct to thwart Plaintiffs' referendum rights; and

h. For any such other relief the Court deems just and proper.

Initiative Petition Overview

The secretary of state's office is charged with overseeing this process and certifying proposed petitions for the ballot.

Petitioners will first submit proposed petitions to the secretary of state's office. The office approves the proposed petition's form and prepares ballot summary language. The state auditor also prepares a fiscal note and fiscal note summary for the proposed petition. The secretary of state's office then certifies the official ballot title for the petition, which consists of the ballot summary language and fiscal note summary. After the official ballot title is certified, petitioners can circulate their proposed petitions and collect signatures. Next, petitioners submit these signatures to the secretary of state's office. The office distributes petition pages to local election authorities to verify that the signatures are those of registered Missouri voters in the correct Congressional district. Finally, the secretary of state's office receives the verified signatures and determines whether the petition contains a sufficient number of valid signatures. If so, the secretary of state's office issues a certificate of sufficiency, stating that the petition shall be placed on the ballot for the general election. The details of the process are outlined below.

Submitting a Proposed Petition

Step 1: A petitioner submits a proposed petition, in the form in which it will be circulated, and a petition submission cover sheet to the secretary of state's office, which issues a receipt to the petitioner. If a person or committee, other than the petitioner, is funding a portion of the drafting or submission of the sample sheet, the petitioner must also attach to the proposed petition a copy of the filed statement of committee organization required under Section 130.021.5, RSMo, showing the date the statement was filed.

Step 2: The secretary of state's office sends a copy of the proposed petition to the attorney general's office and the auditor's office.

Step 3: The proposed petition is posted on the secretary of state's office website for a public comment period.

Step 4: The attorney general's office reviews the form and forwards its comments to the secretary of state's office within 10 days after receiving the proposed petition. The auditor's office prepares a fiscal note and fiscal note summary and forwards it to the attorney general's office within 20 days after receiving the proposed petition.

Step 5: The secretary of state's office approves or rejects the form of the proposed petition within 15 days after receiving the proposed petition from the petitioner. The petitioner is informed of the approval or rejection.

Step 6: The secretary of state's office prepares a proposed ballot summary statement and forwards it to the attorney general's office for review within 23 days after the approval of the proposed petition's form.

Step 7: The attorney general's office forwards its review to the secretary of state's office within 10 days after receiving the proposed ballot summary statement. The attorney general's office also forwards its approval or rejection of the fiscal note and fiscal note summary to the auditor's office within 10 days after receiving the proposed fiscal note and fiscal note summary. The auditor's office then forwards the fiscal note and fiscal note summary to the secretary of state's office.

Step 8: Within 3 days after receiving the ballot summary statement, approved fiscal note summary and fiscal note, the secretary of state's office certifies the official ballot title, which consists of the ballot summary statement and fiscal note summary. The official ballot title is then posted on the secretary of state's website.

Circulating the Petition

Any registered Missouri voter can sign an initiative petition. Petition circulators, who must be at least eighteen years of age and registered with the secretary of state's office, collect signatures on petition pages that contain the official ballot title and the full and correct text of the proposed measure. Each petition page may only contain signatures of voters from one county. Signatures of voters from counties other than the one designated by the circulator in the upper right-hand corner of the petition page will not be counted.

Note: Individuals that sign any name other than their own to any petition; knowingly sign their name more than once for the same measure for the same election; sign knowing that they are not a Missouri registered voter; or knowingly accept or offer money or anything of value to another person in exchange for a signature on a petition may be charged with a class A misdemeanor.

Submitting and Checking Signatures

All petitioners must deliver signed petitions to the secretary of state's office no less than six months before the election. For the 2026 election cycle, the submission deadline for signatures is 5:00 PM on May 3. Petitioners also

submit paperwork showing the number of pages per county, and contact information for each petition. All pages of the petition must be submitted at one time, placed in order and numbered sequentially by county, unless an alternate numbering scheme is approved in writing by the secretary of state's office prior to submission. After verifying the count of signature pages, the secretary of state's office will issue a receipt to the petitioner.

Proposed constitutional amendments and statutory measures will be numbered or lettered in the order in which they were passed by the general assembly or submitted by initiative petition.

The secretary of state's office will inventory every petition page by county.

Petition pages are distributed to local election authorities for signature verification. If only one petition is submitted to the secretary of state's office, the local election authority must receive the pages no later than two weeks after the petition is submitted. If three petitions are submitted, the local election authority must receive the pages no later than three weeks after the petition is submitted. If more than three petitions are submitted, the local election authority must receive the pages no later than four weeks after the petition is submitted. The secretary of state's office chooses whether to verify every signature or use random sampling and instructions for verifying the signatures are sent to local election authorities. If every signature is verified, verification must be certified and delivered to the secretary of state's office by 5:00 PM on the last Tuesday in July prior to the election. For the 2026 election cycle, the deadline is 5:00 PM on July 28.

Issuing the Certificate of Sufficiency

Upon receiving verified signatures from each local election authority, the secretary of state's office determines the sufficiency of each petition by tallying the valid signatures. For the 2026 election cycle, the number of valid signatures needed is outlined on page 5 (Table A). If the office finds that a sufficient number of valid signatures have been submitted on a petition, the secretary of state issues a certificate stating that the petition contains a sufficient number of valid signatures to comply with the Constitution of Missouri and state law and shall be placed on the ballot. However, if the office finds the petition insufficient, the secretary of state issues a certificate stating the reasons for the insufficiency. The certificate must be issued before 5:00 PM on the 13th Tuesday prior to the general election or, if the signatures were verified by random sample, two weeks after the date the local election authority certifies the results of the verification, whichever is later.

Number of Required Signatures

Petitions proposing statutory changes must be signed by five percent of legal voters in any six of the eight congressional districts. Petitions proposing constitutional changes must be signed by eight percent of legal voters in any six of the eight congressional districts. These numbers are shown in Table A, below.

Table A (Required Signatures Per District)

Congressional District	Gubernatorial Votes Cast in 2024	5% for Statutory Change	8% for Constitutional Change
1st	311,915	15,596	24,954

Filing Instructions and Procedures

1. Petitioners must submit all petition pages at the same time to the secretary of state's office by 5:00 PM on May 3, 2026 for the 2026 election cycle.

2. Petitioners must submit an Initiative Petition Receipt form with each petition showing the number of pages by county that are being filed with the secretary of state's office. This form is available from the Elections Division (800-669-8683 or 573-751-2301) and will become the petitioner's receipt after review by the secretary of state's office.

3. Petitioners must number petition pages sequentially and by county before submitting the petition to the secretary of state's office. The page number and county in which the petition signers on that page are registered to vote must be designated in the upper right-hand corner of each page. (i.e., Cole 1, Cole 2, etc.) The county in which the petition signers are registered to vote must also be designated in the paragraph at the top of the page which begins with "We, the undersigned" and in the blank immediately before the circulator's signature at the bottom of the page. The "Circulator's Affidavit" at the bottom of the page must also state the county in which the circulator's signature is notarized.

4. When attaching the full and correct text of the proposed measure to each page of an initiative petition, we recommend the following guidelines:

- If space allows, place the full text of the proposed measure on the back of each petition signature page.
- If the full text of the proposed measure exceeds the space on the back of each page, the additional text may be attached on the front and back of each consecutive page and stapled in a consistent location. Remember that all petitions must be circulated and submitted in the form of the sample sheet that was approved by the secretary of state's office.

5. Petitioners should arrange petition pages in file folders limited to 100 pages per folder, which should be labeled with county and page numbers. (i.e., Cole County 1–100, Cole County 101–200, etc.)

6. Petitioners should place the folders in cardboard file boxes clearly labeled with the contents, by county.

7. Please ensure that the name and address of each petition circulator is clearly printed on the circulator affidavit on each petition page. The secretary of state's office will not count any signatures on petition pages circulated by an individual who has not registered with the secretary of state on or before 5:00 PM on the final day for filing petitions. A petition circulator is considered registered at the time a signed circulator's affidavit is delivered to the secretary of state's office.

8. Each petition circulator must be at least 18 years old and registered with the secretary of state. No person shall qualify as a circulator who has been convicted of, found guilty of, or pled guilty to an offense involving forgery under the laws of this state or an offense under the laws of any other jurisdiction if that offense would be considered forgery under the laws of this state.

Constitution of Missouri

Article III, Sections 49-53

INITIATIVE AND REFERENDUM

Section 49. Reservation of power to enact and reject laws.—The people reserve power to propose and enact or reject laws and amendments to the constitution by the initiative, independent of the general assembly, and also reserve power to approve or reject by referendum any act of the general assembly, except as hereinafter provided.

Section 50. Initiative petitions—signatures required—form and procedure.—Initiative petitions proposing amendments to the constitution shall be signed by eight percent of the legal voters in each of two-thirds of the congressional districts in the state, and petitions proposing laws shall be signed by five percent of such voters. Every such petition shall be filed with the secretary of state not less than six months before the election and shall contain an enacting clause and the full text of the measure. Petitions for constitutional amendments shall not contain more than one amended and revised article of this constitution, or one new article which shall not contain more than one subject and matters properly connected therewith, and the enacting clause thereof shall be “Be it resolved by the people of the state of Missouri that the Constitution be amended:”. Petitions for laws shall contain not more than one subject which shall be expressed clearly in the title, and the enacting clause thereof shall be “Be it enacted by the people of the state of Missouri:”.

Section 51. Appropriations by initiative—effective date of initiated laws—conflicting laws concurrently adopted.—The initiative shall not be used for the appropriation of money other than of new revenues created and provided for thereby, or for any other purpose prohibited by this constitution. Except as provided in this constitution, any measure proposed shall take effect when approved by a majority of the votes cast thereon. When conflicting measures are approved at the same election the one receiving the largest affirmative votes shall prevail.

Section 52(a). Referendum—exceptions—procedure.—A referendum may be ordered (except as to laws necessary for the immediate preservation of the public peace, health or safety, and laws making appropriations for the current expenses of the state government, for the maintenance of state institutions and for the support of public schools) either by petitions signed by five percent of the legal voters in each of two-thirds of the congressional districts in the state, or by the general assembly, as other bills are enacted. Referendum petitions shall be filed with the secretary of state not more than ninety days after the final adjournment of the session of the general assembly which passed the bill on which the referendum is demanded.

Section 52(b). Veto power—elections—effective date.—The veto power of the governor shall not extend to measures referred to the people. All elections on measures referred to the people shall be had at the general state elections, except when the general assembly shall order a special election. Any measure referred to the people shall take effect when approved by a majority of the votes cast thereon, and not otherwise. This section shall not be construed to deprive any member of the general assembly of the right to introduce any measure.

Section 53. Basis for computation of signatures required.—The total vote for governor at the general election last preceding the filing of any initiative or referendum petition shall be used to determine the number of legal voters necessary to sign the petition. In submitting the same to the people the secretary of state and all other officers shall be governed by general laws.

Article XII, Section 2(b)

AMENDING THE CONSTITUTION

Section 2(b). Submission of amendments proposed by general assembly or by the initiative.—All amendments proposed by the general assembly or by the initiative shall be submitted to the electors for their approval or rejection by official ballot title as may be provided by law, on a separate ballot without party designation, at the next general election, or at a special election called by the governor prior thereto, at which he may submit any of the amendments. No such proposed amendment shall contain more than one amended and revised article of this constitution, or one new article which shall not contain more than one subject and matters properly connected therewith. If possible, each proposed amendment shall be published once a week for two consecutive weeks in two newspapers of different political faith in each county, the last publication to be not more than thirty nor less than fifteen days next preceding the election. If there be but one newspaper in any county, publication for four consecutive weeks shall be made. If a majority of the votes cast thereon is in favor of any amendment, the same shall take effect at the end of thirty days after the election. More than one amendment at the same election shall be so submitted as to enable the electors to vote on each amendment separately.

Any person who knowingly causes a petition circulator's signatures to be submitted for counting, and who either knows that such circulator has violated subsection 1 of this section or, after receiving notice of facts indicating that such person may have violated subsection 1 of this section, causes the signatures to be submitted with reckless indifference as to whether such circulator has complied with subsection 1 of this section, shall also be deemed to have committed the crime of petition signature fraud.

3. A person who violates subsection 1 or 2 of this section, shall, upon conviction thereof, be guilty of a class A misdemeanor punishable, notwithstanding the provisions of section 560.021* to the contrary, by a term of imprisonment not to exceed one year in the county jail or a fine not to exceed ten thousand dollars or both.

The secretary of state shall not accept any initiative petition submitted later than 5:00 p.m. on the final day for filing initiative petitions. All pages shall be submitted at one time. When an initiative or referendum petition is submitted to the secretary of state, the signature pages shall be in order and numbered sequentially by county, except in counties that include multiple congressional districts, the signatures may be ordered and numbered using an alternate numbering scheme approved in writing by the secretary of state prior to submission of the petition. Any petition that is not submitted in accordance with this section, disregarding clerical and merely technical errors, shall be rejected as insufficient. After verifying the count of signature pages, the secretary of state shall issue a receipt indicating the number of pages presented from each county. When a person submits a petition he or she shall designate to the secretary of state the name and the address of the person to whom any notices shall be sent under sections 116.140 and 116.180.

(L. 1980 S.B. 658, A.L. 1983 S.B. 234, A.L. 1997 S.B. 132, A.L. 1999 H.B. 676) Effective 6-16-99

116.110. Signature may be withdrawn, when, how, effect, penalty.—Any voter who has signed an initiative or referendum petition may withdraw his or her signature from that petition by submitting to the secretary of state, before the petition is filed with the secretary of state, a sworn statement requesting that his or her signature be withdrawn and affirming the name of

the petition signed, the name the voter used when signing the petition, the address of the voter and the county of residence. It is a class A misdemeanor punishable, notwithstanding the provisions of section 560.021, RSMo, to the contrary, for a term of imprisonment not to exceed one year in the county jail or a fine not to exceed ten thousand dollars or both, to knowingly file a false withdrawal statement with the secretary of state.

(L. 1980 S.B. 658, A.L. 1999 H.B. 676) Effective 6-16-99

If such notice is submitted to the secretary of state, the proposed petition shall no longer be circulated by any person, committee, or other entity. The secretary of state shall vacate the certification of the official ballot title within three days of receiving notice of the withdrawal.

(L. 2013 H.B. 117) Effective 11-04-14

116.120. Secretary of state to determine sufficiency of form and compliance—invalid signatures not counted—signatures may be verified by random sampling, procedure and requirements.—1. When an initiative or referendum petition is submitted to the secretary of state, he or she shall examine the petition to determine whether it complies with the Constitution of Missouri and with this chapter. Signatures on petition pages that have been collected by any person who is not properly registered with the secretary of state as a circulator shall not be counted as valid. Signatures on petition pages that do not have the official ballot title affixed to the page shall not be counted as valid. The secretary of state may verify the signatures on the petition by use of random sampling. The random sample of signatures to be verified shall be drawn in such a manner that every signature properly filed with the secretary of state shall be given an equal opportunity to be included in the sample. The process for establishing the random sample and determining the statistically valid result shall be established by the secretary of state. Such a random sampling shall include an examination of five percent of the signatures.

2. If the random sample verification establishes that the number of valid signatures is less than ninety percent of the number of qualified voters needed to find the petition sufficient in a congressional district, the petition shall be deemed to have failed to qualify in that district. In finding a petition insufficient, the secretary of state does not need to verify all congressional districts on each petition submitted if verification of only one or more districts establishes the petition as insufficient.

3. If the random sample verification establishes that the number of valid signatures total more than one hundred ten percent of the number of qualified voters needed to find the petition sufficient in a congressional district, the petition shall be deemed to qualify in that district.

4. If the random sampling shows the number of valid signatures within a congressional district is within ninety to one hundred ten percent of the number of signatures of qualified voters needed to declare the petition sufficient in that district, the secretary of state shall order the examination and verification of each signature filed.

(L. 1980 S.B. 658, A.L. 1988 S.B. 647, A.L. 1999 H.B. 676) Effective 6-16-99

116.130. Election authorities may be requested to verify signatures either by random sampling or checking signatures, when, how.—1. The secretary of state may send copies of petition pages to election authorities to verify that the persons whose names are listed as signers to the petition are registered voters. Such verification may either be of each signature or by random sampling as provided in section 116.120, as the secretary shall direct. If copies of the petition pages are sent to an election authority for verification, such copies shall be sent pursuant to the following schedule:

(1) Copies of all pages from not less than one petition shall be received in the office of the election authority not later than two weeks after the petition is filed in the office of secretary of state;

(2) Copies of all pages of a total of three petitions shall be received in the office of the election authority not later than three weeks after the petition is filed in the office of the secretary of state;

(3) If more than three petitions are filed, all copies of petition pages, including those petitions selected for verification by random sample pursuant to section 116.120, shall be received in the office of the election authority not later than the fourth week after the petition is filed in the office of the secretary of state.

Each election authority shall check the signatures against voter registration records in the election authority's jurisdiction, but the election authority shall count as valid only the signatures of persons registered as voters in the county named in the circulator's affidavit. Signatures shall not be counted as valid if they have been struck through or crossed out.

2. If the election authority is requested to verify the petition by random sampling, such verification shall be completed and certified not later than thirty days from the date that the election authority receives the petition from the secretary of state. If the election authority is to verify each signature, such verification must be completed, certified and delivered to the secretary of state by 5:00 p.m. on the last Tuesday in July prior to the election, or in the event of complete verification of signatures after a failed random sample, full verification shall be completed, certified and delivered to the secretary of

state by 5:00 p.m. on the last Tuesday in July or by 5:00 p.m. on the Friday of the fifth week after receipt of the signatures by the local election authority, whichever is later.

3. If the election authority or the secretary of state determines that the congressional district number written after the signature of any voter is not the congressional district of which the voter is a resident, the election authority or the secretary of state shall correct the congressional district number on the petition page. Failure of a voter to give the voter's correct congressional district number shall not by itself be grounds for not counting the voter's signature.

4. The election authority shall return the copies of the petition pages to the secretary of state with annotations regarding any invalid or questionable signatures which the election authority has been asked to check by the secretary of state. The election authority shall verify the number of pages received for that county, and also certify the total number of valid signatures of voters from each congressional district which the election authority has been asked to check by the secretary of state.

5. The secretary of state is authorized to adopt rules to ensure uniform, complete, and accurate checking of petition signatures either by actual count or random sampling. No rule or portion of a rule promulgated pursuant to this section shall become effective unless it has been promulgated pursuant to the provisions of chapter 536, RSMo.

6. After a period of three years from the time of submission of the petitions to the secretary of state, the secretary of state, if the secretary determines that retention of such petitions is no longer necessary, may destroy such petitions. (L. 1980 S.B. 658, A.L. 1988 S.B. 647, A.L. 1995 S.B. 3, A.L. 1997 S.B. 132, A.L. 1999 H.B. 676, A.L. 2003 S.B. 50)

After the secretary of state makes a determination on the sufficiency of the petition and if the secretary of state finds it sufficient, the secretary of state shall issue a certificate setting forth that the petition contains a sufficient number of valid signatures to comply with the Constitution of Missouri and with this chapter.

2. The secretary of state shall issue a certificate only for a petition approved pursuant to section 116.332. If the secretary of state finds the

petition insufficient, the secretary of state shall issue a certificate stating the reason for the insufficiency.

3. The secretary of state shall issue a certificate pursuant to this section not later than 5:00 p.m. on the thirteenth Tuesday prior to the general election or two weeks after the date the election authority certifies the results of a petition verification pursuant to subsection 2 of section 116.130, whichever is later.

(L. 1980 S.B. 658, A.L. 1985 H.B. 543, A.L. 1988 S.B. 647, A.L. 1999 H.B. 676) Effective 6-16-99

Such hearing shall be a public meeting under chapter 610. Within five business days after the end of the public hearing, the joint committee on legislative research shall provide a summary of the hearing to the secretary of state or his or her designee and the secretary of state shall post a copy of the summary on the website of the office of the secretary of state.

Division 30—Secretary of State

Chapter 15—Initiative, Referendum, New Party, and Independent Candidate Petition Rules

15 CSR 30-15.010 Signature Verification Procedures for Initiative, Referendum, New Party, and Independent Candidate Petitions

PURPOSE: The secretary of state may make rules to ensure uniform, complete, and accurate checking of initiative and referendum petition signatures. This rule provides for uniform determination of whether signatures are those of legal voters as required in Article III, Section 50 of the Missouri Constitution.

(1) Voter signatures will be rejected if—

(A) They list an address outside of the county as indicated on the petition except as provided in subsection (2)(B) and (3)(F) of this section; or

(B) They have been struck through or crossed out.

(2) Voter names will only be accepted if—

(A) The name is exactly as it appears on the voting rolls except that there is—

1. The presence or absence of a middle initial when a first name is given or the presence or absence of a first initial when a middle name is given;

2. The substitution of a common nickname for the name on the voting roll, that is, Dick for Richard, Liz or Beth for Elizabeth, Bill for William, Becky for Rebecca, etc.;

3. The presence or absence of terms such as Jr. or Sr. following a name;

4. The use of only a first and middle initial provided that on either the petition or the voting rolls both initials can be determined from the name(s) given; and

5. A name change and the local election authority determines that the individual's signature on the petition and on the voter's registration record are sufficiently alike to identify the petition signer as the same person who is registered to vote; and

(B) They were registered to vote within the county named at the top of the petition page on the date the petition was signed.

(3) Voter addresses will be accepted if they meet one (1) or a combination of the following categories:

(A) The address is exactly as it appears on the voting rolls;

(B) The address is exactly as it appears on the voting rolls except that there is—

1. The presence or absence of a letter or number identifying an apartment; and

2. The presence or absence of a letter or grouping of letters indicating the directional location of a street, for example, “E” for east, “NW” for northwest, “S” for south;

(C) The voter resides in the same residence as indicated on the voting rolls and the local election authority can determine that only the address designation has been changed by municipal or postal authorities;

(D) The address as listed on the petition was the voter’s registered address on the date the petition was signed;

(E) The address listed on the petition is different from the address on the voting rolls but within the county named at the top of the page, provided that the local election authority who maintains the registration record of such person shall compare and determine that the individual’s signatures on the petition and on the voter’s registration record are sufficiently alike to identify the petition signer as the same person who is registered to vote within the jurisdiction. If otherwise valid, the signature of an individual whose address is acceptable under this subsection (3)(E) shall be counted in the totals of the local election authority who has jurisdiction over the address listed on the petition; or

(F) The address listed on the petition is different from the address on the voting rolls but the voter was registered to vote within the county named at the top of the page on the date the petition was signed, provided that the local election authority who maintains the registration record of such person shall compare and determine that the individual’s signatures on the petition and on the voter’s registration record are sufficiently alike to identify the petition signer as the same person who was registered to vote within the jurisdiction on the date the petition was signed. If otherwise valid, the signature of an individual whose address is acceptable under this subsection (3)(F) shall be counted in the totals of the local election authority who has jurisdiction over the address named at the top of the petition page.

(4) A voter's signature will be accepted as valid if it generally appears to be in a form similar to that found on the voter rolls.

(5) In order for a name to be qualified to appear on the petition, there must be a valid voter name, address, and signature. NOTE: Failure of any other information is not a reason to fail to certify a name as being qualified.

(6) A voter's signature shall not be deemed invalid on the basis of source of registration. If otherwise valid, the signature of a person who registered to vote pursuant to the provisions of sections 115.159, 115.160, or 115.162, RSMo, shall be accepted as valid without respect to whether such person has previously voted in the jurisdiction or received a voter identification card, provided that each of the following must apply at the time of verification of the petition by the local election authority:

(A) The voter registration application had been received and accepted by the election authority on or before the date the petition was signed;

(B) The verification notice sent by the election authority pursuant to section 115.155.3, RSMo, was not returned by the postal service to the election authority within the time established by the election authority; and

(C) The local election authority's voter registration file reflects the applicant was eligible to vote in the county named at the top of the petition page on the date the petition was signed.

15 CSR 30-15.020 Processing Procedures for Initiative, Referendum, New Party, and Independent Candidate Petitions

PURPOSE: The secretary of state may make rules to ensure uniform, complete, and accurate checking of initiative and referendum petition

signatures. This rule provides for uniform processing of petitions once a determination has been made as to the validity of a name on a petition.

(1) Each local election authority shall check each signature designated by the secretary of state against voter registration records and annotate each signature, according to their findings in red ink in the left margin, on the copies of petition pages sent to him/her in the following manner:

(A) If the name, address, and signature are acceptable pursuant to 15 CSR 30-15.010 “R” to denote “Registered”;

(B) Where possible, if the voter’s address on an “R” designated signature is acceptable pursuant to 15 CSR 30-15.010 (3)(F), where the address listed on the petition is different from the address on the voting rolls but the voter was registered to vote within the county named at the top of the petition page on the date the petition was signed, and the local election authority determined that the individual’s signatures on the petition and on the voter’s registration record are sufficiently alike to identify the petition signer as the same person who was registered to vote within the jurisdiction on the date the petition was signed, the local election authority listed on the top of the petition page shall designate the signature as “R”;

(C) Where possible, if the voter’s address on an “R” designated signature is acceptable pursuant to 15 CSR 30-15.010(3)(E), where the address listed on the petition is different from the address on the voting rolls (including PO Box addresses) but within the county named at the top of the page, and the local election authority determined that the individual’s signatures on the petition and on the voter’s registration record are sufficiently alike to identify the petition signer as the same person who is registered to vote within the jurisdiction, the local election authority shall add to the “R” designation “DA” (i.e., “RDA” to denote “Registered, Different Address”);

(D) If the name on the petition does not appear in the election authority’s registration file as an eligible voter in that jurisdiction “NR” to denote “Not Registered”;

(E) If the name and address are acceptable pursuant to 15 CSR 30-15.010, but the signature appears different than that on file with the election authority, “WS” to denote “Wrong Signature”;

(F) If a name selected in a random sample for a particular congressional district is actually in another district in the county

and otherwise properly registered, “OD” to denote “Other District”; and

(G) If a person is registered, but the correct congressional district is not indicated on the petition, the incorrect number should be crossed out and the correct number entered in the right margin.

(2) In the event a duplicate signature is found on the petition, the local election authority shall call this to the attention of the secretary of state in a separate memo, noting the page number(s) and the line number(s) of the signatures.

(3) In the event a situation is identified where one (1) person has signed for him/herself and his/her spouse on one (1) line, that is, Mr. and Mrs. John Jones, the signature may be counted which appears to be that of the petition signer provided that all of the requirements of sections (1) and (2) are met. The local election authority shall call these occurrences to the attention of the secretary of state in a separate memo, noting the page number(s) and the line number(s).

(4) Each local election authority shall review all pages and signatures s/he had been asked to check by the secretary of state for apparent irregularities and call these irregularities to the attention of the secretary of state in a separate memo, noting the page number(s) and the line number(s).

(5) Each local election authority shall certify to the secretary of state, on forms provided, or by means of petition processing summary reports generated by the software provided by the secretary of state as part of the Centralized Voter Registration System authorized by section 115.158, RSMo, the total of each category enumerated in section (1) less the number of duplicate, but otherwise qualified, signatures in section (2). First class counties participating in the Centralized Voter Registration System through the electronic interface allowed by the statute may certify their totals on reports from their automated systems if the report format is approved by the secretary of state.

15 CSR 30-15.030 Initiative, Referendum, New Party, and Independent Candidate Petitions Missouri Voter Registration System and Other Computerized Processing Options

PURPOSE: The purpose of this rule is to clarify that local election authorities have the option to use the centralized Missouri Voter Registration System (MCVR) or a petition processing software program provided and maintained by the Office of the Secretary of State for initiative, referendum, new party, and independent candidate petition signature verification as allowed under Chapters 115 and 116, RSMo. MCVR is the official statewide voter registration list which was created and implemented as part of the Help America Vote Act of 2002. This system is maintained and administered by the Office of the Secretary of State and contains the name and registration information of every legally registered Missouri voter. It serves as the official voter registration list for the conduct of all elections in Missouri and allows local election authorities immediate real-time electronic access to the information contained in the system. Currently, local election authorities may use this system for petition signature verification as authorized by Chapter 115, RSMo. The secretary of state may make rules to ensure uniform, complete, and accurate checking of initiative and referendum petition signatures.

(1) Each local election authority has the option for local petitions to comply with the requirements of 15 CSR 30-15.010 and 15 CSR 30-15.020 through the centralized Missouri Voter Registration System (MCVR).

(2) Each local election authority may comply with the requirements of 15 CSR 30-15.010 and 15 CSR 30-15.020 for statewide petitions, referendums, new party, and independent candidates filed with the secretary of state office through a petition processing software program maintained and administered by the secretary of state. Petition pages will be processed and annotated electronically. Each local election authority shall certify to the secretary of state by means of petition processing summary reports generated by the software program provided by the secretary of state the total of each category enumerated in 15 CSR 30-15.020(1) less the number of duplicate, but otherwise qualified, signatures in 15 CSR 30-15.020(2).

SIGNING OF BILLS

The President Pro Tem announced that all other business would be suspended and **HB 1**, having passed both branches of the General Assembly, would be read at length by the Secretary, and, the objection notwithstanding, the bill would be signed by the President Pro Tem to the end that it may become law. The bill was so read by the Secretary and signed by the President Pro Tem.

OBJECTIONS

Senator Beck submitted the following:

September 12, 2025

Kristina Martin
Secretary of the Senate
201 W. Capitol Avenue
Jefferson City, MO 65101

CONSTITUTIONAL OBJECTION TO HB 1

Congressional redistricting is governed by Article III, Section 45 of the Missouri Constitution, which states: *"When the number of representatives to which the state is entitled in the House of the Congress of the United States under the census of 1950 and each census thereafter is certified to the governor, the general assembly shall by law divide the state into districts corresponding with the number of representatives to which it is entitled..."*

Article III, Section 45 has existed, unaltered, since the Constitution was adopted in 1945. The plain language of Article III, Section 45 mandates that the General Assembly draw new congressional districts every ten years, when the census is certified to the Governor. Under the plain language of Article III, Section 45, congressional redistricting may only occur in the period immediately following the certification of the census to the governor and may not occur again until the next census is completed and certified.

In Pearson v. Koster, the Missouri Supreme Court directly addressed the timing aspect of congressional redistricting, stating: *"Article III, Section 45...was triggered when the results of the 2010 United States Census revealed that...Missouri would lose one member of its delegation... It is the responsibility of the Missouri General Assembly to draw new congressional election districts. The new districts will take effect for the 2012 election and remain in place for the next decade or until a Census shows that the districts should change."*

The analysis above necessarily flows from the plain language of Article III, Section 45. The General Assembly is only authorized to draw new congressional districts when the census is certified to the governor, which only occurs once every ten years. The temporal limitation in Article III, Section 45 prohibits the General Assembly from enacting more than one map after the census data is released, but before new data is released.

Proponents of purely politically motivated mid-decade redistricting argue that the lack of express language prohibiting mid-decade redistricting means the General Assembly may redistrict whenever it sees fit. If the authors of the 1945 Constitution had wanted to grant the General Assembly authority to redraw congressional lines *"from time to time,"* they would have included such authority. Instead the language they used is clear that congressional redistricting may only occur when new census data is available.

Article III, Section 45 specifies when congressional redistricting may take place. To hold otherwise would grant the General Assembly plenary power to engage in the legislative act of redistricting whenever it pleased. The only possible purpose of inserting this timing component is to establish that it is the sole time when such power may be exercised, meaning the timing for the General Assembly to draw congressional districts is limited.

Other states have interpreted provisions similar to Article III, Section 45 of the Missouri Constitution to prohibit mid-decade redistricting. In 2003, the Supreme Court of Colorado held in Salazar v. Davidson that its similarly worded constitutional provisions did not permit mid-decade congressional redistricting. Like Article III, Section 45 of the Missouri Constitution, the Constitution of Colorado states that its legislature shall redistrict when "*a new apportionment shall be made by Congress*" and the court ruled that there is no language empowering the General Assembly to redistrict more frequently or at any other time.

The plain language of the Missouri Constitution and the Missouri Supreme Court's precedent make clear that mid-decade congressional redistricting is prohibited. Any attempt at mid-decade congressional redistricting will draw substantial legal challenges which will succeed and invalidate this ill-conceived, politically motivated attempt to re-draw Congressional maps.

Further, Article III, Section 20, of the Missouri Constitution requires a quorum for either legislative body to "*conduct business.*" The Missouri House, when First Reading and Second Reading this bill, did not meet this requirement. A quorum was not present. Article III, Section 21 of the Missouri Constitution requires every bill be read by title on three different days in each house of the General Assembly before it can pass and become a law. Complying with this provision certainly constitutes "*conducting business.*"

Further, the Missouri Senate violated its own rules multiple times in its haste to pass this unconstitutional Gerrymandered Congressional map. One such example occurred on Wednesday, September 10, 2025. Before the Senate had adopted any rules governing the body for the Extra Session, the majority employed a provision, the previous question, to force a vote, despite the fact that no rules containing the authority to move the previous question had been adopted. When Senator Webber made a point of order on this subject, the Pro Tem ruled that the US Senate Rules were the rules temporarily governing the body, for which there was no reason or logic. Even if utilizing the US Senate rules at the beginning of the session is correct, (it is not), the US Senate Rules would not authorize a previous question motion since the US Senate Rules do not contain a previous question provision. Another example of the Missouri Senate violating its own rules occurred on September 11, 2025, when the minority was denied the ability to appeal an incorrect ruling of the chair, despite the fact that Rule 10 (of the majority's "new" rules) explicitly states that "*all rulings on points of order shall be subject to an appeal to the senate.*"

For the reasons listed above, and many others, I object to this unconstitutional legislation.

Senate Minority Leader,

Doug Beck

The President Pro Tem announced that all other business would be suspended and **HCS** for **HJR 3**, having passed both branches of the General Assembly, would be read at length by the Secretary, and if no objections be made, the joint resolution would be signed by the President Pro Tem to the end that it may become law. No objections being made, the joint resolution was so read by the Secretary and signed by the President Pro Tem.

On motion of Senator Luetkemeyer, the Senate adjourned sine die, pursuant to the Constitution.
