Good afternoon,

Below is the information provided to the prep team regarding valid versus invalid dates.

Additionally for reference, after the prep team completed the separation, the scanning team scanned the pages by county, organizing them into separate valid and invalid petitions. Valid date pages (Petition Name: People Not Politicians) have already been sent to the LEA's for verification of signatures. Invalid dates (Petition Name: Invalid Date – People Not Poli) will be processed internally by elections staff and other trained SOS employees. Thank you!

SOS staff will separate signatures pages that have signatures dated from September 12, 2025 (9/12/2025) - October 13, 2025 (10/13/2025). These will be in separate folders and placed in separate boxes and scanned in separately for processing. If the page has one or more signatures with a valid date – the whole page is sent for scanning into the valid date petition for distribution to the local election authorities to verify signatures.

Can you provide me the exact criteria that was used to determine a page to be invalid by date?
