Governor Mike Kehoe  
@GovMikeKehoe

Thank you, @POTUS.

Missouri's conservative, common-sense values should be truly represented at all levels of government, and the Missouri First Map delivers just that.

GREAT Governor Mike Kehoe, of the Wonderful State of Missouri, which I love and won SIX times, including with 1.8 Million Votes in 2024 (by far the most Votes in History!), just called a very Special Session to begin passage of a new, much fairer, and much improved, Congressional Map, that will give the incredible people of Missouri the tremendous opportunity to elect an additional MAGA Republican in the 2026 Midterm Elections — A HUGE VICTORY for our America First Agenda, not just in the "Show-Me State," but across our Nation.

Remember, I won the 2024 Presidential Election in a landslide, won ALL SEVEN SWING STATES, THE POPULAR VOTE, AND ALL FIFTY STATES SHIFTED REPUBLICAN, a record, and now I have the best polling numbers I've ever had. Our Party has never been more UNITED, and we are getting so much done for the American People because of it, and, therefore, I call on all of my Republican friends in the Missouri Legislature to work as fast as they can to get this new Congressional Map, AS IS, to Governor Mike Kehoe's desk, ASAP. THANK YOU MISSOURI - MAKE AMERICA GREAT AGAIN!
