 53    112. Separability of congressional districts. Each congressional  
 54    district created by this article shall be deemed a separate district for  
 55    the purpose of apportionment of the entire state into congressional  
 56    districts. If one or more congressional districts created by this arti-

1 cle are judicially found not to be in compliance with the decisions and  
2 mandates of a court of competent jurisdiction, only the defective  
3 district or districts and those immediately adjacent or contiguous ther-  
4 eto shall be reapportioned. All other districts shall be deemed to be  
5 properly created.

6 2. Construction. a. This act shall be liberally construed to effec-  
7 tuate the purposes thereof and to apportion and district this state in  
8 compliance with constitutional and statutory requirements and shall  
9 supersede any inconsistent provision of law including but not limited to  
10 section 3 of chapter 17 of the laws of 2012.

11 b. It is intended that this act and the congressional districts  
12 described herein completely encompass all the area of the state. It is  
13 also intended that such districts apportioned on the basis of 2020 popu-  
14 lation, contain the whole number of persons in this state. It is  
15 further intended that the apportionment and districting provided for in  
16 this act result in the creation of districts containing equal population  
17 as nearly as practicable. It is also intended that no district shall  
18 include any of the area included within the description of any other  
19 district.

20 3. Saving clause. a. If the districts described in the act do not  
21 carry out the purposes thereof, because of unintentional omissions;  
22 duplications; overlapping areas; erroneous nomenclature; lack of  
23 adequate maps or descriptions of political subdivisions, wards, or other  
24 divisions thereof, or of their boundary lines; street closings, changes  
25 in names of streets, or other changes of public places; alteration of  
26 the boundary or courses of waters or waterways, filling in of lands  
27 underwater, accretion or other changes in shorelines or alteration of  
28 courses, rights of way, or lines of public utilities or other condi-  
29 tions, then the state board of elections, at the request of any person  
30 or candidate, aggrieved thereby, shall, by order, correct such omis-  
31 sions, overlappings, erroneous nomenclature, or other defects in the  
32 description of districts so as to accomplish the purposes and objectives  
33 of this act.

34 b. In promulgating such orders, the state board of elections, in addi-  
35 tion to achieving equality in the population of districts and ensuring  
36 that all areas of the state are completely and accurately encompassed in  
37 such districts, shall be guided by the following standards:

38 (1) Gaps in the description of any district shall be completed in a  
39 manner which results in a total description of that district consonant  
40 with the description of adjacent districts and in complete contiguity of  
41 districts.

42 (2) Areas of the state included within the descriptions of more than  
43 one district shall be allocated to the district having the lowest popu-  
44 lation.

45 (3) Areas of the state not included within the descriptions of any  
46 district shall be allocated to the adjacent district having the lowest  
47 population.

48 (4) In the event that the area subject to corrected description or  
49 allocation as provided in paragraph one, two or three of this subdivi-  
50 sion is of such size or contains such population that its inclusion as a  
51 unit in any district would result in substantial disparity in the size,  
52 shape or population of such district, then the state board of elections  
53 may allocate portions of such area to two or more districts.

54 (5) In any allocation of area or correction of descriptions made  
55 pursuant to this section, the state board of elections shall, consistent

1 with the foregoing standards, preserve the contiguity and compactness of  
2 districts and avoid the unnecessary division of political subdivisions.

3 c. Copies of such orders shall be filed by the state board of  
4 elections in its own office and in the office of the affected boards of  
5 election. A copy of each such order shall also be filed by the state  
6 board with the legislative bill drafting commission to facilitate it in  
7 performing its functions under section 70-b of the public officers law.  
8 In addition, a copy of such order shall be served upon the person or  
9 candidate, if any, who instituted the application for such an order. The  
10 state board of elections may adopt reasonable rules regulating the  
11 procedure for applications for orders under this section in the manner  
12 of serving and filing any notice or copy of orders relating thereto.

13 d. Upon the filing of such an order, the description of any affected  
14 district shall be deemed to have been corrected in the manner provided  
15 in such order to the full extent as if such correction had been  
16 contained in the original description set forth in this act.

17 e. In furtherance of effectuating the provisions of subdivision d of  
18 this section, the legislative bill drafting commission, upon receipt  
19 from the state board of elections of an order promulgated pursuant to  
20 subdivision b of this section, and upon the approval of the temporary  
21 president of the senate and the speaker of the assembly, shall cause the  
22 description of a congressional district altered pursuant to any such  
23 order to be revised accordingly within its data base of the laws of the  
24 state of New York so that such altered district may be contained in a  
25 publication of the state law and be certified to as a correct transcript  
26 of the text of law relating thereto such district in the manner author-  
27 ized by section 70-b of the public officers law.

28 f. If any part or provision of this act relating to any congressional  
29 district shall be adjudged invalid by a court of competent jurisdiction,  
30 such judgment shall: (1) be confined in its operation to the part or  
31 provision of this act or the district or districts described herein  
32 directly involved in the controversy in which such judgment shall have  
33 been rendered, and (2) not affect or impair the validity of the remain-  
34 ing parts, provisions or districts described in this act or elsewhere.

35 g. The congressional districts of this state, as existing immediately  
36 prior to the effective date of this act, shall continue to be the  
37 congressional districts of the state for the purpose of filling vacan-  
38 cies in the office of representative in congress at any special election  
39 held prior to the general election of the year 2022.

40 h. The congressional districts of this state, from and after the  
41 effective date of this act, shall be the congressional districts of the  
42 state for the purpose of designating and nominating candidates for  
43 representatives in congress, and for electing district delegates and  
44 alternate district delegates to national party conventions.

45 i. In order to provide for an orderly election of members of the  
46 congress from the state of New York and in recognition of the constitu-  
47 tional mandate that congressional districts shall be created by law  
48 subject to judicial review under such reasonable regulations as the  
49 legislature may prescribe, it is hereby determined and declared that no  
50 order of the court invalidating this act or part thereof shall be  
51 entered in a manner which will deprive the legislature of an opportunity  
52 to discharge its constitutional mandate. In any proceeding for judicial  
53 review of the provisions of this act, the determination of the court  
54 shall be embodied in a tentative order which shall become final 30 days  
55 after service of copies thereof upon the parties unless the court shall,  
56 in the interval, on application of any party, resettle its order.

1 j. If any clause, sentence, paragraph, section or part of this act  
2 shall be adjudged by any court of competent jurisdiction to be invalid,  
3 such judgment shall not affect, impair or invalidate the remainder ther-  
4 eof, but shall be confined in its operation to the clause, sentence,  
5 paragraph, section or part thereof directly involved in the controversy  
6 in which such judgment shall have been rendered.

7 4. Separability. If any clause, sentence, paragraph, section or  
8 part of this act shall be adjudged by any court of competent jurisdic-  
9 tion to be invalid, such judgment shall not affect, impair or invalidate  
10 the remainder thereof, but shall be confined in its operation to the  
11 clause, sentence, paragraph, section or part thereof directly involved  
12 in the controversy in which such judgment shall have been rendered.
