STATE SENATOR VERNON SYKES
28th District

FOR IMMEDIATE RELEASE
September 1, 2021

Sen. Sykes Announces Technical Updates to Legislative Map

PRR_1440

COLUMBUS – Today, state Senator Vernon Sykes (D-Akron), co-chair of the Ohio Redistricting Commission, announced that he has made technical updates to the state legislative map he presented yesterday on behalf of the Ohio Senate Democratic Caucus.

“As I stated yesterday, the map we presented to the commission was a starting point for a public discussion about how to redistrict Ohio fairly and transparently,” Sykes said. “Today we are sharing with the public some updates we have made to our map. We encourage the public to provide further suggestions. Giving the public plenty of time to review and vet any proposed map is the only way to ensure a fair map that truly reflects voters’ preferences.”

The maps were updated as follows:

1. **Senate districts were updated to reflect assignments for members elected in 2020 who will have two years remaining on their terms when the new map takes effect.** This involves even numbered districts. The current district numbers follow those members to their new districts.
2. **Some House districts were renumbered. House districts are numbered in sequential order by county population.** However, a district covering Stark, Portage and Geauga counties was out of order. To correct the order, districts 51-73 needed to be renumbered. District 72 became 51, and the remaining districts changed by one.
3. **House lines remained the same with two exceptions:**
 - The border between House district 22 and 23 in Cuyahoga and Summit counties were altered to increase compactness.
 - The City of Madeira was mistakenly included in an ineligible House district. This required some population adjustments among Hamilton County House districts. Conforming changes were made to Hamilton County Senate lines.

To expand on that, Section 1 requires the redistricting commission:

The commission shall release to the public a proposed general assembly district plan for the boundaries for each of the ninety-nine house of representatives districts and the thirty-three senate districts. The commission shall draft the proposed plan in the manner prescribed in this article. Before adopting, but after introducing, a proposed plan, the commission shall conduct a minimum of three public hearings across the state to present the proposed plan and shall seek public input regarding the proposed plan. All meetings of the commission shall be open to the public. Meetings shall be broadcast by electronic means of transmission using a medium readily accessible by the general public.

The impasse procedure applies to the “failure to adopt a map,” not the requirements to introduce a map or hold three public hearings.

Very nice to meet you at the Zanesville meeting today, Emily.
I wanted to follow up on a question I asked Auditor Faber, just to make sure i cover my bases:
Have any staff members of the Auditor's Office met with any other members of the Redistricting Commission, or met with staff members of their offices regarding redistricting commission business or map drawing?
Thanks!

Susan

Very nice to meet you at the Zanesville meeting today, Emily.
I wanted to follow up on a question I asked Auditor Faber, just to make sure I cover my bases:
Have any staff members of the Auditor's Office met with any other members of the Redistricting Commission, or met with staff members of their offices regarding redistricting commission business or map drawing?
Thanks!

Witness Slip Inquiry

Hi Trae –

First, let me say you are doing a wonderful job this week staffing the redistricting commission hearings. I've been at 5 hearings so far with Auditor Faber and I do not envy the job you have this week and staffers don't get enough credit, so thank you for your hard work.

Second, we were hoping to get a copy of two witness slips. The first is for a woman from the Youngstown hearing. I believe her name was Sarah Lown. The second is for a woman from the Dayton hearing. I believe her name was Mayling Miller (although I'm probably wrong on the spelling and I apologize). When you have a minute, could we get a copy of those?

Thanks!

Speaker Bob Cupp
Ohio House of Representatives
77 S. High Street

Dear Co-chairman Cupp,

The people of Ohio overwhelmingly told us twice that they wanted a new districting process that respects their input, produces fair maps for their communities and our state, and follows a predictable timeline. For that reason, I am writing you to ask that you share with all commissioners the map that you said at our last meeting that your staff were developing for the Ohio Redistricting Commission (the Commission).

The Commission is now two days past the September 1 constitutional deadline established for us by the people for releasing a plan. Every day that the Commission flouts the Ohio Constitution, the Commission's legitimacy is undermined and the people are disrespected. This deadline is no minor detail. It is what ensures time for the public to analyze the Commission's plans and for us to hold robust hearings to publicly vet them and finalize them.

We are a nation of laws, not men. As you know well, the rule of law means none of us are above the law. In fact, we have a higher duty to follow the law from our positions of public trust. Article 11, Section 1(C) of the Ohio Constitution, reads in part, "The commission shall release to the public a proposed general assembly district plan for the boundaries for each of the ninety-nine house of representatives districts and the thirty-three senate districts." The Commission needs to act fast to follow the constitution by releasing a district plan for the General Assembly and holding accessible hearings to gather meaningful input from the people. It is the people's right.

The urgent priority right now is to stop the ongoing constitutional violation of the Commission not providing a General Assembly map for public comment and eventual approval. I stand ready to work with you and the other commissioners to fulfill our constitutional duties.

Thank you for your quick attention to this matter.

Sincerely,

Such persons, collectively, shall be referred to in these rules as “Members” and, individually, as “Member.”

(B) These rules are adopted in compliance with, and under the authority of, Article XI, Section 1 of the Ohio Constitution.

(C) The rules stated herein, as supplemented by Robert’s Rules of Order, shall be the procedural rules for the operation of the Ohio Redistricting Commission.

Rule 02 | Notices of meetings and hearings.

(A) Any person may ascertain the time and place of all regularly scheduled meetings, the time, place, and purpose of all specially scheduled meetings, and the time and place of public hearings of the Ohio Redistricting Commission through one of the following methods:

(3) Requesting electronic notice of all meetings of the Ohio Redistricting Commission. The Co-Chairs’ designated staff shall jointly maintain a list of all persons who have requested such notification. A request for such notification shall:

(a) Contain the name of the person making the request and an email address to which electronic notice should be sent;

(b) Be sent in writing either:

(i) By mail to:

(ii) Or, by electronic mail to: meetings@redistricting.ohio.gov

(c) Be received forty-eight hours prior to any regularly scheduled meeting, specially scheduled meeting, or public hearing.

(C) In the event of a regularly scheduled meeting, specially scheduled meeting not of an emergency nature, or public hearing, the Co-Chairs' designated staff shall provide notice of such meeting or hearing by providing the notice described in paragraph (A)(1), (A)(2), or (A)(3) of this rule not later than twenty-four hours prior to the meeting or hearing. In the event of a special meeting of an emergency nature, the Co-Chairs' designated staff shall provide notice of such meeting by providing the notice described in paragraph (A)(1), (A)(2), or (A)(3) of this rule. In such event, however, the notice need not be given twenty-four hours prior to the meeting, but shall be given immediately upon the scheduling of such meeting.

Rule 03 | Open meetings.

All meetings and public hearings of the Ohio Redistricting Commission shall be held in accordance with the Sunshine Law, section 121.22 of the Revised Code, as amended. All meetings and public hearings of the Ohio Redistricting Commission shall be broadcast by electronic means of transmission using a medium readily accessible by the general public.

Rule 04 | Officers; participation of members; minutes.

(A) The Ohio Redistricting Commission shall have two Co-Chairs selected by the legislative leaders in the Senate and the House of Representatives of each of the two largest political parties represented in the general assembly, acting jointly by political party to serve.

(B) Each member of the Ohio Redistricting Commission shall be entitled to participate in all voting and debates, regardless of position held on the Commission.

(C) Minutes of each meeting of the Ohio Redistricting Commission shall be maintained by the Co-Chairs' designated staff. Such minutes shall be circulated among the members and adopted by majority vote at a subsequent meeting of the Ohio Redistricting Commission. Transcripts of meetings of the Ohio Redistricting Commission shall be provided upon request and completion and verification through the Ohio Government Telecommunications Service.

Rule 05 | Calling of meetings.

After the initial meeting of the Ohio Redistricting Commission, at which the Commission is convened, a meeting of the Commission may be called upon twenty-four hours notice. Such call and notice to each member of the Ohio Redistricting Commission shall be issued jointly by the Co-Chairs, or may be dispensed with if a motion to recess a meeting designates a time certain for continuation of that meeting. However, a meeting may be jointly called by the Co-Chairs, upon proper notice, prior to a previously designated meeting, should the Co-Chairs deem it necessary.

Rule 06 | Quorum.

A majority of the seven members of the Ohio Redistricting Commission constitutes a quorum. A majority of the Ohio Redistricting Commission is required for any official actions of the Commission, including but not limited to the adoption of a plan of redistricting. All motions before the Ohio Redistricting Commission shall be determined by majority vote and in accordance with Article XI of the Ohio Constitution, and, if necessary, Article XIX of the Ohio Constitution. Members of the Ohio Redistricting Commission or their designees may, from time to time, conduct public hearings referred to in Rule 08, absent a quorum of members.

Rule 07 | Records retention and public records policies.

(B) Pursuant to division (E) of section of 149.43 of the Revised Code, the Ohio Redistricting Commission shall adopt a public records policy.

Rule 08 | Public hearings.

The Co-Chairs' designated staff shall organize a series of public hearings in locations around the State of Ohio for the Ohio Redistricting Commission's members or their designees to receive public comment and input on the redistricting process. The Co-Chairs' designated staff shall notify the members of the Ohio Redistricting Commission or their designees of the time, date, and location of each public hearing in the manner prescribed in paragraph (A)(1), (A)(2), or (A)(3) of Rule 02 and in no event less than twenty-four hours prior to each public hearing.

The Co-Chairs of the Ohio Redistricting Commission, or their designees, shall preside over these public hearings. Members of the Ohio Redistricting Commission need not be present at these public hearings. Each member of the Ohio Redistricting Commission may designate an individual(s) to represent the member at any or all of these public hearings. Any individual so designated to represent a member of the Ohio Redistricting Commission shall have no voting rights. No official business or action of the Ohio Redistricting Commission shall take place at the public hearings referred to in this rule, except for the receiving of public comment and input or adopting procedural rules for the operation of the Commission; provided that, the Co-Chairs must provide at least twenty-four hours written notice to the Commission members for there to be a vote on adopting procedural rules for the operation of the Commission.

Rule 09 | Redistricting plans.

Any member of the Ohio Redistricting Commission, person, or organization may submit for the consideration of the Commission a proposed general assembly district plan. Any member of the Ohio Redistricting Commission, person or organization may submit for the consideration of the

Commission a congressional redistricting plan, following the expiration of the September 30, 2021 deadline in Article XIX, Section 1 of the Ohio Constitution.

Redistricting plans submitted to the Ohio Redistricting Commission for consideration should contain visual representations of the proposed boundaries. The Ohio Redistricting Commission's website shall give any person or organization access to necessary Census data.

Redistricting plans submitted by the public to the Ohio Redistricting Commission for consideration shall be submitted on the Commission's website at:

www.redistricting.ohio.gov

or by mailing to:

Ohio Redistricting Commission
c/o Clerk of the Ohio Senate
Ohio Statehouse
Columbus, Ohio 43215

Upon receipt, the Co-Chairs' designated staff shall promptly provide electronic notification of a submitted plan to all the members of the Ohio Redistricting Commission, and cause each submitted plan to be posted on the Commission's website for the public to view.

Rule 10 | Consideration of redistricting plans; adoption of plan.

The Ohio Redistricting Commission shall reconvene during the week of August 29, 2021, to consider the various plans submitted to the Commission and shall meet on or before September 1, 2021, to adopt a general assembly district plan.

If no general assembly district plan is adopted on or before September 1, 2021, as contemplated in Article XI, Section 1 of the Ohio Constitution, at least three public hearings shall be held prior to the September 15, 2021 deadline, but subsequent to the September 1, 2021 meeting. Following the public hearings, the Ohio Redistricting Commission shall reconvene the week of September 12, 2021 to adopt a final general assembly district plan.

If necessary, the Ohio Redistricting Commission shall convene no later than the week of October 24, 2021 for purposes of adopting a congressional redistricting plan under Oh. Const. Art. XIX.

During the meeting or meetings of the commission, a sponsor of a plan may personally or through a representative present the substance of their plan to the members of the Redistricting Commission for a period not to exceed ten minutes, unless extended by a majority of the commission. The public may offer testimony or comment not to exceed five minutes on any redistricting plan before the commission, unless extended by a majority of the commission. The co-chairs of the Ohio Redistricting Commission may limit testimony or comments on plans before the Commission, as the Co-Chairs deem necessary.

Any person wishing to testify on a given plan must provide written notice to the Co-Chairs' designated staff prior to the meeting scheduled to consider the various plans submitted.

Members of the Ohio Redistricting Commission may ask questions of any person testifying on the various redistricting plans before the Commission during the meeting scheduled to consider these plans. Members of the Ohio Redistricting Commission may request testimony from experts during this meeting.

Only members of the Ohio Redistricting Commission may offer amendments to a general assembly district plan or, if necessary, a congressional district plan.

The Co-Chairs of the Ohio Redistricting Commission may offer amendments on behalf of those persons sponsoring redistricting plans who are not members of the Commission.

Rule 11 | Publication of redistricting plan.

After a final general assembly district plan is adopted by the Ohio Redistricting Commission in accordance with Article XI of the Ohio Constitution, the Co-Chairs of the Commission shall coordinate with the Governor for the publication of the adopted plan no later than September 30, 2021. The first publication of the plan shall be made electronically on the Ohio Redistricting Commission's website and in its entirety in at least four Ohio newspapers that are geographically diverse, and may be made in a preprinted insert. The second publication shall be made in abbreviated form in those newspapers pursuant to section 7.16 of the Revised Code. No further newspaper publications are required if the second, abbreviated notice meets the requirements of section 7.16 of the Revised Code.

If the Ohio Redistricting Commission adopts a congressional district plan in accordance with Article XIX of the Ohio Constitution, the Co-Chairs of the Commission shall publish the plan no later than November 15, 2021. The first publication of the plan shall be made electronically on the Ohio Redistricting Commission's website and in its entirety in at least four Ohio newspapers that are geographically diverse, and may be made in a preprinted insert. The second publication shall be made in abbreviated form in those newspapers pursuant to section 7.16 of the Revised Code. No further newspaper publications are required if the second, abbreviated notice meets the requirements of section 7.16 of the Revised Code.

Rule 12 | Reconvening the Redistricting Commission.

Should further action be necessary pursuant to either Article XI, Section 9 or Article XIX, Section 3 of the Ohio Constitution, the Ohio Redistricting Commission shall reconvene at the joint request of the Co-Chairs subject to this chapter.

All,

As a follow up from last week, attached are the draft rules that we are hoping to adopt on Thursday at the Lima meeting. We are sending them to you now so that your offices have time to review them before Thursday.

As I mentioned, the House and Senate democratic caucuses have been advocating for adopting the Commission's rules on Thursday. We believe the attached rules should enable us to do that, on a bipartisan basis.

Please note, however, there appears to be 1 issue in the attached draft that is not completely resolved yet; specifically, the 2nd paragraph in Rule 10. Staff for the senate democratic caucus has requested that the rule require 3 public hearings to be held **prior to September 1**. As I have discussed again with them, because of the 4+ month delay in receiving the census data, having a map introduced, considered at 3 public hearings and voted on by September 1 is not realistically possible.

Consequently, we are proposing instead that there be 3 public hearings (the Constitution only requires 1) **prior to adoption on September 15**. Paul and I believe that this idea is much more

realistic and doable. And from what Paul has told me, staff for the House democratic caucus agree. Thus, if the Senate democratic caucus can agree to this, the Rules should be ready to go on Thursday.

In the meantime, we wanted your offices to see the latest draft as soon as possible.

Please contact us if you have any questions or concerns about the attached rules.
