v.

SECRETARY OF STATE,

Defendants.

Case No. 6:20-cv-01053-MC

**SUPPLEMENTAL DECLARATION OF
TED BLASZAK IN SUPPORT OF
PLAINTIFFS' MOTION FOR
PRELIMINARY INJUNCTION**

I, TED BLASZAK, declare that:

1. Not all days available for signature solicitation in support of ballot initiative campaigns are created equal. On some days, conditions are more favorable for signature gathering, such as more pleasant and less harsh weather conditions, increasing hours of daylight, and better public attitudes during the summer. In these respects, the final days available for signature gathering, especially in later spring and early summer, are the optimum days for signature gathering. It is not uncommon for signature-gathering campaigns to scale up their efforts for the final weeks and months before the submission deadline.

I declare under penalty of perjury that the foregoing is true and correct.
