

EXHIBIT B

**IN THE UNITED STATES DISTRICT COURT
FOR THE MIDDLE DISTRICT OF TENNESSEE**

TENNESSEE STATE CONFERENCE OF THE
NAACP et al.,

Plaintiffs,

v.

TRE HARGETT, in his official capacity as
Secretary of State of the State of Tennessee et al.,

Defendants.

Case No. 3:26-cv-638

DECLARATION OF DR. BAODONG LIU

I. Introduction

I have been retained as an expert by counsel for the Plaintiffs in the above-captioned litigation. I have prepared this report pursuant to Federal Rule of Civil Procedure 26(a)(2)(B) regarding Tennessee's new congressional redistricting plan (the 2026 Plan).

I am being compensated at \$300 per hour for my work on this case. My compensation is not contingent on or affected by the substance of my opinions or the outcome of this litigation. I reserve the right to amend, modify, or supplement my analysis and opinions if any new facts or information become known to me.

Qualifications

I am a Presidential Societal Impact Scholar, a tenured full professor of political science and the Director of Graduate Studies in the Department of Political Science at the University of Utah. I have done extensive research regarding the relationship between election systems and the ability of minority voters to participate equally in the political process and to elect representatives of their choice.

My research has won the Byran Jackson Award for the best study/dissertation about racial voting from the Urban Politics Section of the American Political Science Association, and the Ted Robinson Award from the Southwest Political Science Association. The results of my research have been published in Social

Science Quarterly, American Politics Research, Sociological Methods and Research, PS: Political Science and Politics, Urban Affairs Review, Political Behavior, Journal of Urban Affairs, Southeastern Political Review, and American Review of Politics, among other journals. I am also an author, co-author, or editor of nine scholarly books including Political Volatility in the United States: How Racial and Religious Groups Win and Lose; Solving the Mystery of the Model Minority; The Election of Barack Obama: How He Won, and Race Rules: Electoral Politics in New Orleans, 1965-2006. I have also served as a member of the Board of Directors/Advisors on many national and international organizations such as the National Association for Ethnic Studies, Urban Affairs Review, Journal of Behavioral and Social Sciences, and International Encyclopedia of Political Science (CQ Press).

As an expert on voting rights, I have published peer-reviewed journal articles and books on the techniques used by academic professionals and supported by courts concerning voting rights cases and the electoral history in the South. I have served as an expert witness in approximately 15 voting rights cases in states such as Alabama, Arkansas, New York, Louisiana, Utah, South Carolina, and Tennessee.

Furthermore, I have provided my expertise to Native American Rights Fund, Navajo Nation, the U.S. Department of Justice, and the Lawyers' Committee for Civil Rights Under Law and others on methodological issues concerning quantitative analysis of racially polarized voting.

My applied research and grants have included analyses of ranked choice voting, economic development, racial voting patterns, public school science education, school districts' economic impact on local economy, and various citizen surveys. My grants have come from New America, the National Science Foundation, American Political Science Association, the National Humanities Center, Wisconsin Security Research Consortium, Fond du Lac School District, Johnson Controls, Inc., City of Waupaca (WI), the League of Women Voters, American Democracy Project, and Wisconsin Public Service. I also served as the editor of Urban News for the American Political Science Association's Urban Politics Section, and I was elected as a co-chair of the Asian Pacific American Caucus of the American Political Science Association.

Attached as Appendix I is a curriculum vitae setting forth my professional background, which includes a list of all publications I have authored or co-authored.

Attached as Appendix II is a list of all cases in which I have testified as an expert by deposition and/or at trial, and additional cases in which I submitted an expert report only.

Assignment

I have been asked to express opinions on whether racially polarized voting (RPV) exists in Tennessee, and whether or not the new 2026 Congressional Redistricting Plan allows Black voters to participate fully in Congressional elections and elect candidates of their choice.

II. Racially Polarized Voting

2.1 Methodology

Racial polarization voting (RPV) is estimated using ecological inference (EI), applied separately to two statewide elections featuring Black Democratic candidates: the 2020 U.S. Senate race (Marquita Bradshaw, the first Black woman nominated for U.S. Senate by a major party in Tennessee) and the 2024 presidential race (Kamala Harris). The detailed results are reported at the congressional district level as estimated proportions of Black and white VAP supporting the Democratic candidate, with 95% confidence intervals in parentheses (the EI operations were conducted through the RxC EI R package called eiPack).

2.2 The 2020 U.S. Senate Election: Marquita Bradshaw v. Bill Hagerty

As shown in Table 1, Black voters supported Bradshaw at rates between 75% and 97%, while white voters supported her at rates between 14% and 28%—a gap of 54 to 83 percentage points. Bradshaw was defeated in all nine new congressional districts. The three districts with the largest Black concentrations under the new plan—CD 5 (27.9%), CD 8 (26.6%), and CD 9 (31.7%)—show the most extreme racial polarization: Black support of 92–97% against white support of only 14–20%.

Table 1. District-level RPV estimates, 2020 U.S. Senate (Marquita Bradshaw v. Bill Hagerty).

CD	AP Black VAP %	Black Support for Bradshaw	White Support for Bradshaw	Bradshaw % of Vote	Bradshaw Defeated?
CD 1	2.7%	75.1% (67–85)	16.2% (15–17)	20.6%	Yes
CD 2	6.3%	90.8% (83–95)	27.1% (25–30)	32.6%	Yes
CD 3	10.4%	90.9% (88–94)	23.4% (22–25)	33.0%	Yes
CD 4	15.6%	88.6% (81–93)	25.8% (23–29)	39.0%	Yes
CD 5	27.9%	95.1% (93–97)	20.4% (18–24)	41.5%	Yes
CD 6	10.6%	90.2% (86–93)	27.3% (25–30)	36.8%	Yes
CD 7	14.4%	82.3% (75–90)	28.2% (25–32)	38.2%	Yes
CD 8	26.6%	92.0% (88–95)	16.0% (13–21)	37.7%	Yes
CD 9	31.7%	96.9% (96–98)	13.5% (11–17)	42.4%	Yes

Confidence intervals (95%) in parentheses.

2.3 The 2024 Presidential Election: Kamala Harris v. Donald Trump

The 2024 presidential election replicates the pattern with independent data. Black voters supported Harris at rates of 67%–93% across all districts where estimates are reliable; white voters opposed her at rates of 70%–83%. Harris was defeated in all nine congressional districts. CD 9—which has the highest Black concentration (31.7%) under the new plan—shows Harris receiving 39.9% of the total vote, the highest among all nine districts, yet still falling well short of a majority. The new map fragments Black voting strength so thoroughly that no district comes close to the threshold at which cohesive Black voting could overcome racially polarized white opposition.

Table 2. District-level RPV estimates, 2024 Presidential election (Kamala Harris v. Donald Trump).

CD	AP Black VAP %	Black Support for Harris	White Support for Harris	Harris % of Vote	Harris Defeated?
CD 1	2.7%	68.2% (47–84)	17.0% (17–18)	20.4%	Yes
CD 2	6.3%	72.8% (63–81)	27.5% (26–29)	31.7%	Yes
CD 3	10.4%	82.7% (74–87)	23.1% (20–26)	36.4%	Yes
CD 4	15.6%	67.2% (61–76)	29.0% (26–30)	36.9%	Yes
CD 5	27.9%	93.0% (91–94)	19.4% (18–21)	38.8%	Yes
CD 6	10.6%	77.5% (69–86)	26.2% (24–28)	35.3%	Yes
CD 7	14.4%	71.0% (59–80)	30.5% (29–33)	39.1%	Yes
CD 8	26.6%	80.7% (72–85)	24.2% (22–30)	39.1%	Yes
CD 9	31.7%	92.6% (90–95)	15.8% (14–19)	39.9%	Yes

Confidence intervals (95%) in parentheses. CD1 Black support estimate is uncertain due to extremely small Black population causing wide confidence intervals.

2.4 The Structural Electoral Impossibility

The evidence from two independent elections points to the same conclusion. The Black-preferred candidate was defeated in all nine new congressional districts in both the 2020 Senate and 2024 presidential elections. Across eight districts with reliable RVP estimates, Black voters vote cohesively (67%–97% support) while white voters vote in opposition (14%–31% support)—a pattern that satisfies every standard definition of severe racial polarization. Under the 2026 map, with no district exceeding 31.7% AP Black VAP, there is no district in which Black voters constitute a sufficiently large share of the electorate to overcome this bloc opposition and elect a candidate of their choice. The maximum Black VAP under the new plan (31.7% in CD 9) falls nearly 28 percentage points below the 59.6% Black majority that existed under the previous CD 9, precisely the district that historically provided Black Tennesseans their only realistic path to representation.

III. Conclusion

In both the 2020 U.S. Senate election and the 2024 presidential election, the Black-preferred candidate was defeated in all nine of Tennessee's new congressional districts based on the configuration of the 2026 plan. Across the nine districts with reliable ecological inference estimates, Black voters supported the Democratic candidate at rates between 68% and 97%, while white voters opposed at rates between 70% and 87%. The racial polarization gap—exceeding 40 percentage points in every district—means that Black voters cannot overcome non-Black bloc opposition in any district drawn under the 2026 plan. No district under the 2026 map provides Black voters a realistic opportunity to elect a candidate of their choice. This structural foreclosure is not incidental: it is the direct and inevitable consequence of cracking Black population concentrations across district lines so that no district reaches the threshold at which cohesive Black voting can overcome racially polarized white bloc opposition.

IV. Appendix

Appendix 1 is my curriculum vita.

Appendix 2 is the list of voting-rights cases for which I served as an expert witness.

I declare under penalty of perjury that the foregoing is true and correct.

Dr. Baodong Liu

PROFESSIONAL EXPERIENCE

Professor of Political Science and Ethnic Studies, affiliated with Asian Studies, 2008-present

Director of Graduate Studies, Political Science Department, 2023-present

Associate Chair, Political Science Department, 2015-2017

Interim Director, Ethnic Studies Program, 2011-2013

University of Utah

Courses taught: Advanced Quantitative Methods (graduate), American Political Behavior (graduate), Teaching Political Science (graduate), Race and Political Volatility in the US (graduate/undergraduate), Voting, Election and Public Opinion, Racial and Ethnic Politics, Political Analysis, Asian American Contemporary Issues, Social Justice and Inequality, Asian Pacific American Experiences, Methodology in Ethnic Studies.

TRISS Endowed Professor in Political Science, 2007-2008

Associate Professor (early promotion to associate professor 2005, early tenure 2006)

Assistant Professor, 2002-2005

Department of Political Science

University of Wisconsin-Oshkosh

Courses taught: Race and Ethnicity in American Politics, Politics of Urban Growth, Political Method, State and Local Government, Political Analysis, American Government, National, state and Local Government.

Assistant Professor of Political Science

Department of Political Science

Stephens College, Columbia, Missouri, 1999 - 2002

Courses taught: Urban and Minority Politics, Legislative Process, American Presidency, Campaigning and Lobbying, Macroeconomics, American Government, and Introduction to Statistics.

Expert Witness, Principal Investigator, Consultant, Opinion Writer/Commentator, 2000-present

Provided research services to NAACP LDF, Southern Poverty Law Center, the US Department of Justice, New America, Mexican American Legal Defense and Educational Fund, Navajo Nation, Native American Rights Fund, Southern Coalition for Social Justice, National Science Foundation, Lawyers' Committee for Civil Rights Under Law, Florida State Legislature, Illinois State Legislature, Wisconsin Security Research Consortium, Fond du Lac School District, Johnson Controls, Inc, City of Waupaca (WI), and Wisconsin Public Service, among others.

Served also as a commentator and/or opinion writer for Salt Lake Tribune, ABC4News, Hinkley Forum, NPR, AP, Daily Utah Chronicle, ETtoday, Chinese Americans, Milwaukee Sentinel Journal, Daily Caller, KSL, among other media outlets.

EDUCATION

Ph.D. in Political Science (1999), University of New Orleans, Louisiana

Dissertation: *Black Candidates, White Voters and Racial Context*

Winner of Byran Jackson Award, Urban Politics Section, American Political Science Association, and Winner of Ted Robinson Award for the best research in race and ethnicity, Southwestern Political Science Association

M.A. in *Political Science* (1995), Oklahoma State University, Stillwater, Oklahoma

LL. B (1987), The East China University of Political Science and Law, Shanghai, China

Post-Doctoral Educational Program Participant

National Science Foundation's "Local Elections in America Project Workshop," Macalester College, Saint Paul, MN (2009)

Methodological Issues in Quantitative Research on Race and Ethnicity, Inter-University Consortium for Political and Social Research (ICPSR), University of Michigan (2006)

Mapping Your City with GIS Workshop, New Urban Research, Madison, Wisconsin (2005)

Jessie Ball duPont Summer Seminars for Liberal Arts College Faculty, the National Humanities Center, Research Triangle, North Carolina (2001)
