<i>Defendants.</i>	)	

DEFENDANTS' NOTICE OF SUPPLEMENTAL REPORT

Plaintiffs submitted a reply in support of their pending motion for a preliminary injunction on June 30, 2026. Dkt. 45. With that reply, Plaintiffs submitted a “Second declaration concerning Tennessee congressional redistricting” from Dr. Moon Duchin. Dkt. 45-1. That “Second declaration” describes a new set of computer-simulated redistricting plans that were not previously analyzed or disclosed in Plaintiffs’ preliminary injunction motion or attached expert declarations. *Id.* at 4-6 (describing “an additional set of maps,” distinct from “the ensembles in my earlier declaration”); *see* Dkt. 31-4 (first declaration by Dr. Duchin). Defendants submit the attached supplemental report from Dr. Michael Barber to respond to Dr. Duchin’s newly offered simulation set and conclusions. Detailed in the attached, the new simulation set is based on a starting map that was not one of the millions of race-neutral simulated plans from Dr. Duchin’s first declaration; among other differences when compared to the 2026 Plan, Dr. Duchin inexplicably splits a series of

rural counties along the State's southern border, seemingly in pursuit of a racial goal. Ex. 1, Barber Supp. Decl. at 4-11. These late-breaking "simulations show different racial demographics would have resulted had the legislature [also] split [that] string of rural counties. They are not useful for proving any racial motivation" in the 2026 Plan. *Id.* at 11.

Dated: July 7, 2026

Respectfully submitted,
JONATHAN SKRMETTI
Attorney General and Reporter
