UNITED STATES' FIRST REQUEST FOR PRODUCTION OF DOCUMENTS

Pursuant to Rule 34 of the Federal Rules of Civil Procedure, the United States of America requests that Defendants the State of Texas and John Scott identify and produce the documents and items requested below for inspection and copying and deliver copies to counsel for the United States by February 11, 2021. This request is continuing in nature, as provided by Rule 26(e) of the Federal Rules of Civil Procedure.

INSTRUCTIONS AND DEFINITIONS

1. "Defendants" mean the State of Texas and John Scott, in his capacity as the Texas Secretary of State, along with any of their predecessors in office; past or present employees, staff, interns, representatives, designees, attorneys, advisors, consultants, contractors, or agents; and any other persons or entities acting or purporting to act on their behalf or subject to their control.

2. "Document" is defined to be synonymous in meaning and scope as the term "document" is used under Rule 34 of the Federal Rules of Civil Procedure and as the phrase "writings and recordings" is defined in Rule 1001 of the Federal Rules of Evidence, and it

includes but is not limited to any computer files, memoranda, notes, letters, emails, printouts, instant messages, ephemeral messages, social media messages, text messages, or databases, and any handwritten, typewritten, printed, electronically-recorded, taped, graphic, machine-readable, or other material, of whatever nature and in whatever form, including all non-identical copies and drafts thereof, and all copies bearing any notation or mark not found on the original.

3. “Legislator” means a past or present elected member of the Texas House of Representatives (“Texas House”) or the Texas Senate, including such member’s past or present employees, legislative office staff, district office staff, committee staff, caucus staff, campaign staff, interns, representatives, designees, attorneys, advisors, consultants, contractors, agents, or other persons or entities acting or purporting to act on the member’s behalf or subject to the member’s control or on behalf of any committee or other body of which the elected member is a member.

4. “Redistricting” means any consideration of the alignment of district boundaries for an entire legislative body, a single legislative district, or districts within a geographic area. Unless otherwise specified, the term does not include consideration of the alignment of district boundaries for the Texas Senate or the Texas State Board of Education.

5. “Relating to” means referring to, regarding, consisting of, concerning, pertaining to, reflecting, evidencing, describing, constituting, mentioning, or being in any way logically or factually connected with the matter discussed, including any connection, direct or indirect, whatsoever with the requested topic.

6. “Senate Bill 6” means the legislation setting forth the district boundaries for the Texas delegation to the U.S. House of Representatives that Governor Greg Abbott signed into law on October 25, 2021. *See* S.B. 6, 87th Leg., 3d Spec. Sess. (Tex. 2021).

7. “House Bill 1” means the legislation setting forth the district boundaries for the Texas House that Governor Abbott signed into law on October 25, 2021. *See* H.B. 1, 87th Leg., 3d Spec. Sess. (Tex. 2021).

8. In responding to these requests, please produce all responsive documents in the Defendants’ possession, custody, or control. This means that Defendants must produce all responsive documents within their actual possession, custody, or control, as well as such documents which Defendants have the legal right to obtain on demand or the practical ability to obtain from a non-party to this action, including but not limited to any and all documents that they and their counsel and other agents have actually reviewed.

9. All references in these requests to an individual person include any and all past or present employees, staff, interns, representatives, designees, attorneys, advisors, consultants, contractors, agents, predecessors in office or position, and all other persons or entities acting or purporting to act on the individual person’s behalf or subject to the control of such a person.

10. All references in these requests to any entity, governmental entity, or any other type of organization include its past or present officers, executives, directors, employees, staff, interns, representatives, designees, attorneys, advisors, consultants, contractors, agents, and all other persons or entities acting or purporting to act on behalf of such an organization or subject to its control.

11. In construing these document requests, apply the broadest construction, so as to produce the most comprehensive response. Construe the terms “and” and “or” either disjunctively or conjunctively as necessary to bring within the scope of the request all responses that might otherwise be construed to be outside that scope. Words used in the singular include the plural.

12. Words or terms used herein have the same intent and meaning regardless of whether the words or terms are depicted in lowercase or uppercase letters.

13. Documents should be produced in their entirety, without abbreviation, redaction, or expurgation; file folders with tabs or labels identifying documents responsive to these requests should be produced intact with the documents; and documents attached to each other should not be separated.

14. Documents should be produced in a form consistent with any agreement concerning production format entered in this action.

15. Each document produced should be categorized by the number of the document request in response to which it is produced.

16. No portion of a request may be left unanswered because an objection is raised to another part of that request. If Defendants object to any portion of a document request, they must state with specificity the grounds of any objections. Any ground not stated will be waived.

17. For any document withheld from production on a claim of privilege or work product protection, provide a written privilege log identifying each document individually and containing all information required by Rule 26(b)(5) of the Federal Rules of Civil Procedure, including a description of the basis of the claimed privilege and all information necessary for the United States to assess the privilege claim.

18. If Defendants contend that it would be unduly burdensome to obtain and provide all of the documents called for in response to any document request or any subsection thereof, then in response to the appropriate document request: (a) produce all such documents as are available without undertaking what Defendants contend to be an unreasonable request; (b) describe with particularity the efforts made by Defendants or on their behalf to produce such

documents; and (c) state with particularity the grounds upon which Defendants contend that additional efforts to produce such documents would be unreasonable.

19. If any requested document or other potentially relevant document is subject to destruction under any document retention or destruction program, the documents should be exempted from any scheduled destruction and should not be destroyed until the conclusion of this lawsuit or unless otherwise permitted by the Court.

20. In the event that a responsive document has been destroyed or has passed out of Defendants' possession, custody, or control, please identify the following information with respect to each such document: its title, date, author(s), sender(s), recipient(s), subject matter, the circumstances under which it has become unavailable, and, if known, its current location and custodian.

21. These requests are continuing in nature. Defendants' response must be supplemented and any additional responsive material disclosed if responsive material becomes available after Defendants serve their response. Defendants must also amend their responses to these requests if they learn that an answer is in some material respect incomplete or incorrect. If Defendants expect to obtain further information or expect the accuracy of a response given to change between the time responses are served and the time of trial, they are requested to state this fact in each response.

22. For document request numbers 10-13 below, there is no time period limitation. Unless otherwise specified, all other document requests concern the period of time from January 1, 2019, to the present.
