- ▶ **Donald Trump** 00:00:00-00:00:00 (sec) NO STRESSLENS
Hello everybody.
- ▶ **Question** 00:00:00-00:00:05 (5 sec) NO STRESSLENS
Hello, Mr. President. Mr. President, what's next for the Department of Education?
- ▶ **Donald Trump** 00:00:05-00:00:28 (23 sec) NO STRESSLENS
We brought our star along here, we're going to Pittsburgh. We're gonna be counting about -- Actually, gonna be numbers like nobody's ever heard before. It's mostly to do with AI. Uh, we have tremendous investments being made, literally trillions of dollars of investments being made in our country on AI, artificial intelligence.
- ▶ **Donald Trump** 00:00:28-00:00:48 (20 sec) NO STRESSLENS
I don't know if the word artificial is a good word, but that's the word. That's what they've chosen. So I think we're gonna have a very successful trip. Uh, we had a good call with the Texas Congressman this morning, as you probably heard, and that went very well. And, uh, do you have any questions? Yeah.
- ▶ **Question** 00:00:48-00:00:55 (7 sec) NO STRESSLENS
Mr. President, your reaction to the latest numbers from the Labor Department saying that inflation rose slightly last month?
- ▶ **Donald Trump** 00:00:55-00:01:07 (13 sec) NO STRESSLENS
Very slight. Uh, essentially, uh, they were exactly as anticipated, very low inflation. So, what you should do is lower the rate. The Fed should lower the rate immediately.
- ▶ **Question** 00:01:07-00:01:12 (4 sec) NO STRESSLENS
Is it because of tariffs? Did tariffs --

NO STRESSLENS

[Crosstalk]

Donald Trump 00:01:12-00:01:30 (18 sec)

NO STRESSLENS

We had a big win with the Supreme Court on the Department of Education. Uh, we wanna, as you know, we wanna bring education back to the states, take the federal government out of it. A little tiny bit of supervision, but very little, almost nothing. Like to make sure they speak English. That's about all we need.

Question 00:01:30-00:01:35 (5 sec)

NO STRESSLENS

But what would you tell a student who might be in a struggling failing school right now? What would you tell them?

Donald Trump 00:01:35-00:01:43 (8 sec)

NO STRESSLENS

Well, we have school choice and we're getting school choice approved all over the country. We just got it done in Texas. And school choice is the answer. Yes?

Question 00:01:43-00:01:44 (1 sec)

NO STRESSLENS

Mr. President --

Donald Trump 00:01:44-00:01:44 (1 sec)

NO STRESSLENS

Hi Steven.

Question 00:01:44-00:01:45 (1 sec)

NO STRESSLENS

The deal with Indonesia --

Question 00:01:45-00:01:49 (4 sec)

NO STRESSLENS

The deal with Russia is 50 days. It's been up and down. You talked to Vladimir Putin --

Donald Trump 00:01:49-00:01:54 (6 sec)

NO STRESSLENS

Well, at the end of 50 days, if we don't have a deal, gonna be, uh, too bad.

Question 00:01:54-00:01:57 (2 sec)

NO STRESSLENS

Should Zelenskyy get more aggressive?

Donald Trump 00:01:57-00:02:03 (7 sec)

NO STRESSLENS

Yeah, the tariffs are gonna go on and other sanctions go on.

Question 00:02:03-00:02:12 (9 sec)

NO STRESSLENS

Should Zelenskyy target Moscow? Should Zelenskyy target Moscow, sir? Should Zelenskyy target Moscow or deeper into Russia?

Donald Trump 00:02:12-00:02:15 (2 sec)

NO STRESSLENS

No. He shouldn't target Moscow.

Question 00:02:15-00:02:19 (5 sec)

NO STRESSLENS

Is that why you gave him more weapons, though? Are you willing to give long-range missiles to Ukraine as well? And are you happy about the 50 days?

No. He shouldn't target Moscow.

Question 00:02:15-00:02:19 (5 sec)

Is that why you gave him more weapons, though? Are you willing to give long-range missiles to Ukraine as well? And are you happy about the 50 days?

Donald Trump 00:02:19-00:02:22 (2 sec)

No, we're not looking to do that.

Question 00:02:22-00:02:28 (6 sec)

Mr. President, why are you giving Mr. Putin 50 additional days to prosecute this war against Ukraine?

Donald Trump 00:02:28-00:02:33 (5 sec)

Oh, I don't think 50 days is very long. And it could be sooner than that. I don't think 50 days is very long.

Question 00:02:33-00:02:35 (1 sec)

Mr. President --

Donald Trump 00:02:35-00:02:39 (5 sec)

You should have asked that same question to Biden. Why did he get us into this war? You should ask that question.

Question 00:02:39-00:02:41 (2 sec)

I did ask that question. I asked that question to Biden.

Donald Trump 00:02:41-00:02:44 (3 sec)

Yeah. And what did he tell you? Why did he get us into this war?

Question 00:02:44-00:02:44 (1 sec)

He didn't give me an answer, Mr. President.

Donald Trump 00:02:44-00:02:50 (5 sec)

You know why he got us in? Because he's a dummy, that's why. And you don't, and you don't cover it right.

Question 00:02:50-00:02:50 (1 sec)

I covered it.

Donald Trump 00:02:50-00:02:58 (8 sec)

But you should be asking that question to Biden, why did he get us into this war? Because he's incompetent. It would've never happened if I were president.

Question 00:02:58-00:03:02 (5 sec)

Mr. President, do you [inaudible] Mr. President, what's the deal with Indonesia [inaudible]?

Donald Trump 00:03:02-00:03:27 (24 sec)

So we made a deal with Indonesia. I spoke to their really great president, very popular, very strong, smart. And we, uh, made the deal. We have full access to Indonesia, everything. As you know, Indonesia is very strong on copper. Uh, but we have full access to everything. We will pay no tariffs. Uh, so

Donald Trump 00:03:02-00:03:27 (24 sec)

NO STRESSLENS

So we made a deal with Indonesia. I spoke to their really great president, very popular, very strong, smart. And we, uh, made the deal. We have full access to Indonesia, everything. As you know, Indonesia is very strong on copper. Uh, but we have full access to everything. We will pay no tariffs. Uh, so they are giving us access into I- Indonesia, which we never had.

Donald Trump 00:03:27-00:03:49 (23 sec)

NO STRESSLENS

That's probably the biggest part of the deal. And the other part is they are going to pay 19% and we are going to pay nothing. Uh, it's gonna -- I think it's a good deal for both parties. But we will have full access into Indonesia, and we have a couple of those deals that are gonna be announced. Uh, India basically is working along that same line.

Donald Trump 00:03:49-00:04:10 (20 sec)

NO STRESSLENS

We're gonna have access into India. And you have to understand, we had no access into any of these countries. Our people couldn't go in. And now we're getting access because of what we're doing with the tariffs. So they're paying 19% and we are not paying anything. And, uh, they're gonna have, they're gonna give us full access into Indonesia.

Donald Trump 00:04:10-00:04:23 (13 sec)

NO STRESSLENS

Now, Indonesia has some great product and they also have some very valuable earths and various other materials. One of the things, as you know, they're known for is very high quality copper, which we'll be using.

Question 00:04:23-00:04:30 (7 sec)

NO STRESSLENS

Mr. President, Texas, sir? Do you believe your tariffs might have led inflation to increase last month? Do you think they had any role?

Donald Trump 00:04:30-00:04:34 (4 sec)

NO STRESSLENS

Oh, we had very little inflation. Uh, I don't know -- Who do you work for?

Question 00:04:34-00:04:35 (1 sec)

NO STRESSLENS

USA Today.

Donald Trump 00:04:35-00:04:36 (1 sec)

NO STRESSLENS

What?

Question 00:04:36-00:04:37 (1 sec)

NO STRESSLENS

USA Today.

Donald Trump 00:04:37-00:04:40 (3 sec)

NO STRESSLENS

Oh, well, they wrote me a beautiful article the other day, so I can't get angry at you.

Question 00:04:40-00:04:41 (1 sec)

NO STRESSLENS

What about the European Union [inaudible]

Donald Trump 00:04:41-00:04:44 (4 sec)

NO STRESSLENS

USA Today just wrote a very good article about me. What's that all about?

Question 00:04:44-00:04:45 (1 sec)

NO STRESSLENS

Donald Trump 00:04:41-00:04:44 (4 sec)

NO STRESSLENS

USA Today just wrote a very good article about me. What's that all about?

Question 00:04:44-00:04:45 (1 sec)

NO STRESSLENS

What ab -- Mr. President --

Donald Trump 00:04:45-00:04:46 (1 sec)

NO STRESSLENS

So I can't get angry at you.

Question 00:04:46-00:04:47 (1 sec)

NO STRESSLENS

Sir --

Donald Trump 00:04:47-00:05:07 (20 sec)

NO STRESSLENS

No, there was very little inflation, as you know. The numbers were very good, very much inside the margin. So we've had no inflation. All we have is we're making a fortune. We are taking in hundreds of billions of dollars. You saw we had a surplus of \$25 billion last month, which we haven't had in many, many years.

Question 00:05:07-00:05:12 (5 sec)

NO STRESSLENS

[Inaudible] about Brazil if they have a surplus in the United States?

Donald Trump 00:05:12-00:05:41 (29 sec)

NO STRESSLENS

Uh, we are do it because I gotta, because I'm able to do it. Nobody else would be able to do it. We have tariffs going on because we want tariffs, and we want the money coming into the United States. But more important than the money, there's two aspects of tariffs. There's the money which comes in. The other aspect is that rather than paying the tariffs, the country or the company will build in the United States, make their product in the United States.

Donald Trump 00:05:41-00:05:42 (1 sec)

NO STRESSLENS

And that creates jobs.

Question 00:05:42-00:05:42 (1 sec)

NO STRESSLENS

Mr. President --

Donald Trump 00:05:42-00:05:47 (5 sec)

NO STRESSLENS

And I would say of the two, probably the more important to me is that. Yeah?

Question 00:05:47-00:05:52 (5 sec)

NO STRESSLENS

Are you on Ukraine -- Are you Ukraine's side now?

Donald Trump 00:05:52-00:05:54 (2 sec)

NO STRESSLENS

No, I'm on nobody's side. I'm, n- no.

Question 00:05:54-00:05:54 (1 sec)

NO STRESSLENS

Why?

Donald Trump 00:05:54-00:06:00 (7 sec)

NO STRESSLENS

I wanna -- You know who the side I'm on? Humanity's side. I wanna stop the killing of thousands of people a week.

Why?

Donald Trump 00:05:54-00:06:00 (7 sec)

NO STRESSLENS

I wanna -- You know who the side I'm on? Humanity's side. I wanna stop the killing of thousands of people a week.

NO STRESSLENS

What about the [Inaudible]

Donald Trump 00:06:03-00:06:14 (12 sec)

NO STRESSLENS

I wanna stop the killing. I want the killing to stop in the Ukraine-Russia war. That's the side I'm on.

Question 00:06:14-00:06:17 (3 sec)

Donald Trump 00:06:17-00:06:37 (20 sec)

NO STRESSLENS

Uh, the Attorney General's handled that very well. Uh, she is, uh, she's really done a very good job. And I think that when you look at it, you'll understand that. Uh, I would like to see that also. But I think the Attorney General, the credibility is very important. And uh, you want credible evidence for something like that.

Donald Trump 00:06:37-00:06:52 (15 sec)

NO STRESSLENS

And I think the Attorney General's handled it very well. On what? On the, uh? On what? On what subject?

Question 00:06:52-00:06:55 (3 sec)

NO STRESSLENS

A very, very quick briefing here.

Question 00:06:57-00:07:03 (6 sec)

NO STRESSLENS

She's, she's, she told you -- What did she tell you about [Inaudible] Specifically, did she tell you at all that you name appears in that filing?

Donald Trump 00:07:03-00:07:29 (26 sec)

NO STRESSLENS

No, no. She's, uh, she's given us just a very quick briefing, and in terms of the credibility of the different things that they've seen. And I would say that, you know, these files were made up by Comey. They were made up by Obama. They were made up by -- But the Biden inform, you know, uh, We, and we went through years of that with the Russia, Russia, Russia hoax, with all of the different things that we had to go through.

Donald Trump 00:07:29-00:07:39 (10 sec)

NO STRESSLENS

We've gone through years of it, but she's handled it very well and it's gonna be up to her. Whatever she thinks is credible, she should release. Yeah?

Question 00:07:39-00:07:43 (4 sec)

NO STRESSLENS

Mr. President, how many more seats do you want the Republicans to draw?

Donald Trump 00:07:43-00:07:44 (1 sec)

NO STRESSLENS

Five.

Donald Trump 00:07:43-00:07:44 (1 sec)

NO STRESSLENS

Five.

Question 00:07:44-00:07:48 (4 sec)

NO STRESSLENS

And then what if California, New York, Illinois and other blue states [inaudible]

Donald Trump 00:07:48-00:07:59 (10 sec)

NO STRESSLENS

Yeah, well that's okay too. But five, I think we get five. And there could be some other states. We're gonna get another three or four or five in addition. Texas would be the biggest one. And that'll be five.

Question 00:07:59-00:08:02 (3 sec)

NO STRESSLENS

[inaudible] Mr. President. [inaudible]

Donald Trump 00:08:02-00:08:10 (8 sec)

NO STRESSLENS

No, no, I just, a very simple redrawing. We pick up five seats. But we have a couple of other states where we'll pick up seats also.

NO STRESSLENS

And what did you tell him when he was in your office?

Donald Trump 00:08:19-00:08:43 (24 sec)

NO STRESSLENS

Uh, I told him he's doing a very bad job. He's way late. That's why I call him too late. Jerome Powell is too late. He's way late. Interest rates should be coming down. We're — We have a very, very successful country. We should have the lowest interest rate anywhere in the world. And we don't. Jerome Powell has done a terrible job and frankly, I don't think he could do a worse job.

Question 00:08:43-00:08:44 (1 sec)

NO STRESSLENS

Is he not going [inaudible]

Donald Trump 00:08:44-00:08:52 (8 sec)

Question 00:08:52-00:08:54 (2 sec)

NO STRESSLENS

Are you [inaudible] Are you going to appoint him for another term?

Donald Trump 00:08:54-00:08:57 (3 sec)
