Counsel for Defendant Lt. Governor Henderson

**IN THE UNITED STATES DISTRICT COURT
IN AND FOR THE DISTRICT OF UTAH**

COMMISSIONERS AMELIA POWERS
GARDNER, a registered Utah voter and
elected official, et al.,

Plaintiffs,

v.

LIEUTENANT GOVERNOR DEIDRE
HENDERSON, in her official capacity,

Defendant.

**DEFENDANT LIEUTENANT
GOVERNOR DEIDRE
HENDERSON'S NOTICE OF 2026
CONGRESSIONAL ELECTION
TIMELINE**

Case No. 2:26-cv-00084-RJS-JCB

Judge Timothy M. Tymkovich
Judge Robert J. Shelby
Judge Holly L. Teeter
Magistrate Judge Jared C. Bennett

Defendant Lieutenant Governor Deidre Henderson submits this notice of the 2026 Congressional election timeline to inform the Court and the parties of deadlines and prior changes of deadlines for the 2026 Congressional election.

The Lieutenant Governor is the State of Utah’s chief election officer. Utah Code § 20A-1-105. She is statutorily obligated to make available to county clerks and the general public Congressional district maps submitted to her by the Legislature. *Id.* §§ 20A-13-102(2), 102.2. These maps provide the legal boundaries of Utah’s Congressional districts. *Id.* §§ 20A-13-102(2), 102.2. The Lieutenant Governor and county clerks are statutorily obligated to conduct elections pursuant to those maps, unless otherwise ordered by a court of competent jurisdiction. *Id.* §§ 20A-13-102(2), 102.2.

On November 10, 2025, a Utah state district court judge issued an order in an ongoing state redistricting case. *See Ruling & Order, League of Women Voters of Utah v. Utah State Legislature*, No. 220901712 (Utah 3d Dist. Ct. Nov. 10, 2025) (“Order”), attached as Exhibit 1. The district court ordered that “Map 1” be the operative map for the 2026 Congressional election. *See Order* at 89. And the district court ordered the Lieutenant Governor to administer the 2026 Congressional election in accordance with Map 1. *See id.*

In a special session of the Utah Legislature after the Order was issued, the Legislature enacted S.B. 2001, which changed the candidate filing period for the 2026 Congressional election to March 9-13, 2026. *See Utah Code* § 20A-9-201.5(2). To effectively administer the 2026 Congressional election, the Lieutenant Governor and county clerks must know no later than two weeks before the start of this filing period, by **February 23, 2026**, if they must change course and administer the election under a map other than Map 1. As of now, the Lieutenant Governor is prepared to administer the 2026 Congressional election pursuant to Map 1 based on her statutory duties and the state district court’s Order. If the map were to change, the only other possible map to use for the 2026 Congressional election would be the Congressional map used

for the 2022 and 2024 election cycles (“2021 Map”). Any other map would be impossible to implement prior to the beginning of the March 2026 Congressional filing period. The 2021 Map is the last map to have been implemented by the Utah Legislature. If the Court were to order that the 2026 Congressional election be administered under the 2021 Map, the Lieutenant Governor and her office would need, at minimum, nine business days to reimplement and revert back to the 2021 Map.

The nine days are necessary because of the administrative tasks the Lieutenant Governor and her office must perform to reimplement the 2021 Map, if that change must be made. These administrative tasks include the logistics of changing the counties’ maps to ensure voters are assigned to the correct voting district. To change the map from Map 1 to the 2021 Map, the Lieutenant Governor and her office would have to first notify the Utah Geospatial Resource Center of the change. Declaration of Daniel Wade ¶ 5, attached as Exhibit 2. The Utah Geospatial Resource Center would then have to reinstate the 2021 Map into their database. *Id.* ¶ 6. That reinstatement involves reinstating the map used for each of Utah’s 29 counties within the larger 2021 Map. *Id.* ¶ 7. Each county’s map would be uploaded into an election management system. *Id.* ¶ 8. Due to file size limitations, the 29 county maps cannot be uploaded at the same time. *Id.* ¶ 9. The uploading time for larger counties can take many hours to complete. *Id.* In total, this uploading process requires days to complete. *Id.* Once the maps are uploaded to the election management system, each county then reassigns their precincts to the appropriate Congressional district. *Id.* ¶ 10. This process is manual and involves thousands of precincts statewide. *Id.* These assignments then must be proofread to ensure that all voters have been moved to the appropriate districts. *Id.* ¶ 11. In total, these tasks will take nine business days and

must be completed before the Congressional filing period begins on March 9, 2026 at 8:00 a.m.

See id. ¶ 12. To implement any map other than Map 1 or the 2021 Map by the beginning the Congressional filing period would not be feasible. *Id.* ¶ 13.

Thus, **February 23, 2026** is the deadline by which the Lieutenant Governor requires a final decision on which map to use to administer the 2026 Congressional election.
