Are you back w Paul? Ring anytime!

Also just spoke to Joe

Meeting with my team, back w/ the Rs at 8:15. Call in a min

Perfect

FYI, if Sarah calls, don't answer. I'm going in hot and want them to feel like they have to court my vote. Better if they think we're at odds.

perfect

Another thought: you could say that you only want it in the 14th, that you don't accept it in the 15th

Maybe that's a way out?

And we could accept lower

And we could accept lower than 50% CVAP in the 14th

Sarah wanted to come meet with me ... should I do anything special?

Going to see her in five

This is from Joe:

In just got that text

Back to status quo on the 14/15?

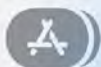

Wait, catching up on this?

That's an offer?

No just thinking. Sorry, Sarah's here.

Aw ok, I think the very best for us would be a less than 50% CVAP in the 14th

Not status quo? Ok, let's talk I have a call w/lori
