<p>1 December 9, 2022, Seattle, Washington: 2 PROCEEDINGS: 8:59 a.m. 3 MATTHEW J. BRIDGES, 4 having been sworn/affirmed on oath to tell the truth, the 5 whole truth, and nothing but the truth, testified as 6 follows: 7 EXAMINATION 8 BY MS. WAKNIN: 9 Q All right. Good morning, Mr. Bridges. My name is 10 Sonni Waknin. I'm from the UCLA Voting Rights Project, 11 and I represent the plaintiffs in this case; and I'm going 12 to be asking you a few questions today. 13 A Okay. 14 Q So I'm going to ask you first if you could state 15 your full name for the record. 16 A Matthew James Bridges. 17 Q And this is a deposition being taken based on your 18 role in the 2021 redistricting of Washington. 19 Do you understand that? 20 A I do, yes. 21 Q Okay. Have you ever been deposed before? 22 A I have not. 23 Q Okay. So I'm going to lay out some ground rules for 24 you for this deposition. 25 Does that sound okay to you?</p>	<p>1 A It does, yes. 2 Q Okay. So we're going to have an informal and 3 professional conversation; and as informal as our 4 discussion will be, you do understand the importance of 5 telling the truth; correct? 6 A Yes. 7 Q And you understand you were given an oath today to 8 tell the truth. You just were sworn in. And that has the 9 weight as if you were telling this testimony before a 10 judge in a court. 11 A Yes. 12 Q Do you understand that? 13 A Yes, I understand that. 14 Q Okay. If there comes a point today where the 15 lawyers in this case or the judge determines that 16 something you told us today isn't true, you understand you 17 can be called to task for that? 18 A Yes. 19 Q Okay. So I'm going to ask maybe some rude 20 questions, but bear with me. I just have to ask. 21 Are you on any medication that may impair your 22 memory or brain function today? 23 A I am not, no. 24 Q And do you have any conditions that may impair your 25 memory or brain function?</p>
Page 7	Page 8
<p>1 A No. 2 Q Are you taking any substances that could impair your 3 memory or brain function? 4 A No. 5 Q And is there a reason why you cannot give truthful 6 answers to my questions today? 7 A There is not, no. 8 Q Okay. So you might hear some of the attorneys 9 object in this case. If your attorney objects or another 10 attorney objects, that objection will be noted for the 11 record, but you must still answer the question unless you 12 are instructed otherwise by your attorney. 13 Do you understand that? 14 A I understand. 15 Q Okay. 16 MR. HOLT: And Sonni, if I could jump in 17 real fast, just to get on the record that we're going 18 to agree an objection -- 19 MS. WAKNIN: The one for all? 20 MR. HOLT: An objection by one is one for 21 all. Everyone agree with that? 22 MS. WAKNIN: Yes, that's fine. 23 MR. HOLT: Awesome. 24 MS. FRANKLIN: No objection from the State. 25 Thank you.</p>	<p>1 Q (By Ms. Waknin) So if you need to go to the restroom 2 or tend to something immediately, you are allowed to take 3 breaks. So I just ask that you don't have a question 4 pending or you don't ask to take a break in the middle of 5 a question, but you finish answering the question and then 6 you can ask for a break. 7 Do you understand that? 8 A I understand that, yes. 9 Q Okay. And do you understand that you are having 10 your deposition taken today in response to a subpoena that 11 was sent to your attorney? 12 A I do, yes. 13 Q Okay. So you're the only person that knows if you 14 understand the questions that are being asked. If you 15 answer the question or don't say anything about the 16 question, I'm just going to assume you understood the 17 question. 18 Is that fair? 19 A Yes. 20 Q Okay. But you do understand that you can ask for a 21 clarification of a question? 22 A I do, yes. 23 Q Okay. And so I'm going to just ask you to remember 24 to give verbal answers for the court reporter. The court 25 reporter has trouble with head shakes, with nonverbal</p>

<p>1 answers like um-hmm or yeah, so I just ask that you give 2 very clear verbal answers. 3 Do you understand? 4 A I do, yes. 5 Q Great. And finally, it's important to talk slow so 6 we're not talking over each other at the same time so that 7 the court reporter can take down everything that's being 8 said to establish a clear record. 9 Is that okay? 10 A Yes. 11 Q Okay. So -- Oh, and an important question, 12 Mr. Bridges, how do you like to be addressed? 13 A Matt is fine. 14 Q Okay, Matt. So Matt, do you believe the issues in 15 this case are important? 16 A Yes. 17 Q Why do you think the issues in this case are 18 important? 19 MS. GOLDMAN: Objection, calls for 20 speculation. 21 Q (By Ms. Waknin) You may answer. 22 A I believe that the implication of the Voting Rights 23 Act is -- It's an important federal law, and it's 24 important that it be followed. 25 Q All right. Matt, how did you prepare for your</p>	<p>1 deposition today? 2 A I reviewed some of the work that I did during the 3 time, including maps and some of the emails that I sent. 4 Q Do you have any documents in front of you right now? 5 A I do not, no. 6 Q And Matt, do you have any applications open in which 7 you can be communicating with someone right now? 8 A Outside of this Zoom I do not, no. 9 Q How else did you prepare for this deposition today? 10 A I met with my attorney a couple times, Jessica 11 Goldman. 12 Q Are you represented by anyone else? 13 A I am not, no. 14 Q How many times did you meet with your attorney? 15 A Twice. 16 Q How long were those meetings? 17 A The first meeting I believe was about an hour. The 18 second was about 30 minutes. 19 Q Did you speak to anyone else besides your attorney 20 about this deposition today? 21 A Not in any substantive way. I did -- Adam Hall, who 22 is also being deposed next week, and I chatted just 23 briefly about just the logistics of getting to Summit Law 24 Group and that kind of thing, but no material 25 conversations, no.</p>
Page 11	Page 12
<p>1 Q Did you speak with anyone else about the deposition 2 today? 3 A No. 4 Q Have you read the pleadings in this case? 5 A I have not, no. 6 Q Are you familiar with a different lawsuit that was 7 filed against the enacted version of Legislative District 8 15, Garcia versus Hobbs? 9 A I am aware of the lawsuit, yes. 10 Q And what is your understanding or awareness of that 11 lawsuit? 12 A It's fairly minimal, other than a sitting State 13 Legislator is representing the plaintiffs, I believe in 14 that case, and it addresses similar issues but from a 15 different perspective. 16 Q And do you understand that today you are being 17 deposed in relation to Soto Palmer versus Hobbs, -- 18 A I do, yes. 19 Q -- which is about -- 20 Okay. And do you know that the Soto Palmer v. Hobbs 21 case is alleging a violation of Section 2 of the Voting 22 Rights Act? 23 MS. GOLDMAN: Objection, calls for 24 speculation. 25 A Yes, that is my understanding.</p>	<p>1 Q (By Ms. Waknin) Have you discussed the Soto Palmer 2 versus Hobbs case with anyone? 3 A Not that I can recall, no. 4 Q The trial in this case is currently set to start 5 May 1st, 2023. As of right now can you foresee any reason 6 why you would be unavailable during the week of May 1st? 7 A The only -- If the Legislature went into special 8 session it would be difficult for me to make that, but if 9 the Legislature adjourns on time I don't believe so. 10 Q Okay. And then would you then be available the 11 second week of May, possibly, 2023? 12 A I believe I have a vacation that starts I want to 13 say it's May 11th, but before that I would be available. 14 Q Okay. So it's my understanding that you were 15 involved in the 2021 redistricting cycle in Washington 16 state; is that correct? 17 A That is correct, yes. 18 Q When did you first get involved in Washington 19 redistricting? 20 MS. GOLDMAN: Objection, vague. 21 A I would -- Late 2019 I would say is when I first 22 started to think about the process. 23 Q (By Ms. Waknin) And what happened after 2019 when 24 you -- between when you were thinking about the process? 25 MS. GOLDMAN: Objection, vague.</p>

<p style="text-align: right;">Page 13</p> <p>1 A So I started drawing trial maps more kind of in my 2 own free time and also teaching myself GIS to be able to 3 do different types of mapping, and then -- 4 I was not involved in commissioner selection, but 5 after commissioner selection I began the more formal work 6 as caucus staff working with redistricting. 7 Q (By Ms. Waknin) In 2019 who were you employed by? 8 A The Senate Democratic Caucus of Washington State. 9 Q And why did you teach yourself GIS during that time? 10 A In anticipation of redistricting. 11 Q Did you want to be staff on redistricting? 12 A I did, yes. 13 Q Why did you want to be staff on redistricting? 14 A I have a fascination with maps and data, and I knew 15 that there were roles in the caucus for that type of work. 16 Q When did you get hired to work on the 2021 17 Washington redistricting? 18 A I don't know that there was a formal moment when my 19 supervisor said yes, but I would estimate early 2020. 20 Q Who was your supervisor at that time? 21 A Paulette Avalos was the chief of staff. 22 Q And you said that you were put on redistricting in 23 2020; is that correct? 24 A Roughly, yes. 25 Q What happened after commissioners for the Washington</p>	<p style="text-align: right;">Page 14</p> <p>1 redistricting cycle were selected? 2 MS. GOLDMAN: Objection, vague. 3 A Initially not very much because that happened during 4 the beginning of legislative session, and so the 2020 5 legislative -- or I guess it would be the 2021 legislative 6 session was just beginning; and that was a long session, 7 so that lasted until near the end of April. 8 And so during that time I believe the commissioner 9 and Ali O'Neil were meeting with members and with 10 advocates. My role was very limited, though, until the 11 session ended. 12 Q (By Ms. Waknin) How long is the redistricting cycle 13 in Washington, to your knowledge? 14 A Well, in theory it lasts from commissioner selection 15 until November 15th of the odd numbered year, and so 16 commissioner selection being typically January of in this 17 case 2021, and then the map -- The maps should be approved 18 by November 15th, 2021. 19 And then the Legislature has, you know, a small role 20 in -- Minor modifications to the map are possible in the 21 first 30 days of session, the session following. 22 Q Okay. So you would say in 2021 -- or strike that. 23 Is it fair to say in 2021 the redistricting cycle 24 was from January, 2021 to November 15th of 2021? 25 A I don't think that there is a defined start date,</p>
<p style="text-align: right;">Page 15</p> <p>1 but I think that is a fair estimate of it, yes. 2 Q Okay. And what was your role in the 2021 3 redistricting cycle in Washington? 4 A I was assisting the Democratic -- the Senate 5 Democratic Caucus and the commissioner appointed by the 6 Senate Democrats in proposing maps, evaluating map 7 options, attempting to incorporate testimony from the 8 public into map proposals, and working on compromises 9 toward a final map at the -- you know, at the end of the 10 process. 11 Q So how would you characterize your role in 12 assisting -- Is it Commissioner Walkinshaw? 13 A I was working with Commissioner Walkinshaw. I guess 14 I don't know -- I don't know how I would characterize it. 15 It's very much data and map focused was my work then. 16 Q Would you call yourself one of the map drawers for 17 Commissioner Walkinshaw? 18 A Yes, I think that's fair. 19 Q So how you characterize your role was assisting 20 Commissioner Walkinshaw and the Senate Democrats to 21 propose, evaluate maps, and to incorporate testimony from 22 the public in maps; is that correct? 23 A Yes. 24 MR. HOLT: Objection to form. 25 Q (By Ms. Waknin) Is there any other duties you had</p>	<p style="text-align: right;">Page 16</p> <p>1 in assisting Commissioner Walkinshaw during that time? 2 A No. 3 Q Who were you employed by during the redistricting 4 cycle while you were assisting Commissioner Walkinshaw? 5 A Again, the Washington State Senate, and specifically 6 the Senate Democratic Caucus. 7 Q Why were you selected to assist on redistricting? 8 A I believe my supervisor believed I had value to add 9 in the process, I suppose. 10 Q And what was that value to add to the process, in 11 your opinion? 12 A The ability to analyze data and to incorporate it 13 into maps. 14 Q Can you explain to me what you mean by analyze data 15 and incorporate it into maps? 16 A Well, for example, this process was the first cycle 17 we had -- Prisoner reallocation was part of the statute in 18 Washington state. This was the first redistricting cycle. 19 And so understanding the implications of populations 20 being moved out of areas where people are incarcerated and 21 into the areas of last known residence, for example, and 22 how that would play out in districts across the state. 23 Q Is there anything else that you would analyze when 24 it came to map drawing? 25 MS. GOLDMAN: Objection, vague.</p>

<p style="text-align: right;">Page 17</p> <p>1 A Yes. There are any number of things. There's</p> <p>2 election data, demographic data, any type of data that can</p> <p>3 be mapped. We did work with percentage of people renting</p> <p>4 versus homeowners owning homes -- essentially data</p> <p>5 available in the American Community Survey.</p> <p>6 Q (By Ms. Wakinin) Do you have formal training in data</p> <p>7 analytics?</p> <p>8 A No. Well, I majored in statistics in my undergrad,</p> <p>9 but no, not data analytics specifically.</p> <p>10 Q So you would say that you have experience, though,</p> <p>11 with analyzing data in terms of statistical analysis?</p> <p>12 A Yes.</p> <p>13 Q Who did you work with during the redistricting</p> <p>14 process?</p> <p>15 A My primary points of contact were Ali O'Neil,</p> <p>16 Adam Hall and Adam Bartz. And --</p> <p>17 Q Who is Ali O'Neil?</p> <p>18 A Ali O'Neil was a temporary hire by the Senate</p> <p>19 Democratic Caucus. Her sole focus was on redistricting.</p> <p>20 Q And were there other people that you worked with</p> <p>21 primarily during the redistricting process?</p> <p>22 A To a lesser extent Brady Walkinshaw, but -- And then</p> <p>23 I had meetings with, for example, the House Democratic</p> <p>24 Caucus, both the commissioner and staff people there, but</p> <p>25 I wouldn't characterize it as working with them.</p>	<p style="text-align: right;">Page 18</p> <p>1 Q Who is Adam Bartz?</p> <p>2 A Adam Bartz is a staff person for the Washington</p> <p>3 State Senate Democratic Campaign Committee.</p> <p>4 Q Does Adam Bartz then work outside of the State</p> <p>5 Legislature?</p> <p>6 A That's correct. He is not employed by the state.</p> <p>7 Q What did Adam Bartz do in the redistricting process?</p> <p>8 A He and I worked together I would say on the map</p> <p>9 drawing. He was -- He provided a lot of input in terms of</p> <p>10 neighborhood cohesion and sort of the on the ground level</p> <p>11 of understanding of cities and neighborhoods.</p> <p>12 Q How would you define neighborhood cohesion?</p> <p>13 A It can be any number of things -- based on major</p> <p>14 highways or roads, based on democratic data, income data.</p> <p>15 I don't know that there's one definition that fits for any</p> <p>16 given place.</p> <p>17 Q Would you describe Adam Bartz as a boss?</p> <p>18 A No. I suppose colleague, although we were</p> <p>19 obviously, as I said, employed by different people.</p> <p>20 Q And who is Adam Hall?</p> <p>21 A Adam Hall is a permanent staffer for the State</p> <p>22 Senate and the Senate Democratic Caucus.</p> <p>23 Q To your knowledge what does Adam Hall do?</p> <p>24 A He staffs, as I do -- In his typical job he staffs</p> <p>25 policy committees for the -- for the caucus in the State</p>
<p style="text-align: right;">Page 19</p> <p>1 Senate, and his committees I believe are Law and Justice</p> <p>2 and the State Government Committee.</p> <p>3 Q So before the redistricting cycle started, to your</p> <p>4 knowledge did Ali O'Neil, Adam Bartz or Adam Hall, were</p> <p>5 they familiar with the Voting Rights Act?</p> <p>6 MS. GOLDMAN: Objection, calls for</p> <p>7 speculation.</p> <p>8 MS. FRANKLIN: Objection, compound.</p> <p>9 Q (By Ms. Wakinin) You may answer.</p> <p>10 A I believe that Adam Hall was, yes. And I am -- I</p> <p>11 believe that all of us were aware of the Voting Rights</p> <p>12 Act. I would only characterize Adam Hall as having</p> <p>13 potentially a deeper knowledge of it.</p> <p>14 Q And why do you say that Adam Hall had a deeper</p> <p>15 knowledge of the Voting Rights Act?</p> <p>16 A Because of his role for the caucus on the State</p> <p>17 Government and Elections Committee. It's part of his</p> <p>18 permanent job.</p> <p>19 Q Do you know if Adam Hall is a lawyer?</p> <p>20 A He is, yes.</p> <p>21 Q You stated that to a lesser extent you worked with</p> <p>22 Brady Walkinshaw. Can you describe that relationship?</p> <p>23 A Brady provided input on the maps at times, but he</p> <p>24 focused more on the interactions with both the public and</p> <p>25 the sitting congress people and senators, and so my</p>	<p style="text-align: right;">Page 20</p> <p>1 interactions with him were more limited because he was</p> <p>2 doing that side of the work.</p> <p>3 Q Did you communicate with other commissioners during</p> <p>4 the 2021 redistricting process in Washington?</p> <p>5 A Yes.</p> <p>6 Q Who did you communicate with?</p> <p>7 A April Sims.</p> <p>8 Q Did you communicate with anyone who worked for</p> <p>9 April Sims during the 2021 redistricting process?</p> <p>10 A Yes.</p> <p>11 Q Who did you communicate with?</p> <p>12 A Osta Davis and Dominique Meyers for sure. I don't</p> <p>13 believe anybody else, but I can't promise that.</p> <p>14 Q What was the nature of your communications with</p> <p>15 April Sims?</p> <p>16 A They were -- They tended not to be terribly</p> <p>17 substantive. Typically we were in meetings together. I</p> <p>18 believe we only directly interacted once.</p> <p>19 Q Are you -- Is there someone that you're looking at?</p> <p>20 A Oh, no. I'm thinking.</p> <p>21 Q Okay. What was the nature of your relationship with</p> <p>22 Osta Davis?</p> <p>23 A Relatively limited. We did maybe three or four</p> <p>24 meetings together comparing ideas on maps, and then we</p> <p>25 also I'm sure exchanged emails and things of that nature.</p>

<p style="text-align: right;">Page 21</p> <p>1 Q Can you elaborate on what you mean by ideas on maps?</p> <p>2 A So one of the big areas that we had a lot of</p> <p>3 discussions on was whether to have legislative and</p> <p>4 congressional districts cross the Cascades at Highway 2 or</p> <p>5 I-90 was one of the issues that came up quite frequently.</p> <p>6 Q Did you have conversations about the Yakima Valley</p> <p>7 area in Washington when you had ideas on maps?</p> <p>8 MS. GOLDMAN: Objection, vague.</p> <p>9 A I cannot recall for sure with Osta.</p> <p>10 Q (By Ms. Waknin) Did you ever have conversations</p> <p>11 with Osta Davis on the Legislative District map about the</p> <p>12 Yakima Valley area?</p> <p>13 A I cannot recall.</p> <p>14 Q And what was the nature of your relationship with</p> <p>15 Dominique Meyers?</p> <p>16 A We have a much more long-standing relationship</p> <p>17 because she is also a permanent employee of the</p> <p>18 Legislature, you know, for the House of Representatives,</p> <p>19 working with the House Democratic Caucus, so -- And she</p> <p>20 staffs -- has in the past staffed committees that are</p> <p>21 analogous to the committees I staff, and so we've worked</p> <p>22 together on bills and that type of thing.</p> <p>23 She stepped in in a larger way into the</p> <p>24 redistricting process part of the way through in June, I</p> <p>25 would estimate, of 2021, and so it was at that point that</p>	<p style="text-align: right;">Page 22</p> <p>1 I started interacting with her on redistricting as well.</p> <p>2 Q Did you have conversations with Dominique Meyers</p> <p>3 about the Yakima Valley area for the Legislative District</p> <p>4 map?</p> <p>5 A I do not believe we had any one-on-one</p> <p>6 conversations. She was definitely in meetings where the</p> <p>7 topic came up that I was also in, yes.</p> <p>8 Q When were those meetings?</p> <p>9 A I would estimate beginning in July or August, that</p> <p>10 timeframe, and running -- It was a topic that came up on</p> <p>11 a, you know, regular basis between then and November.</p> <p>12 Q And who attended those meetings?</p> <p>13 A Combinations of April Sims, Brady Walkinshaw, Dom --</p> <p>14 Dominique, Osta, Adam, Adam, Ali and myself primarily. I</p> <p>15 may be missing someone, but those would be the people, the</p> <p>16 principals.</p> <p>17 Q When you talk about Ali O'Neil, Adam Bartz, Adam</p> <p>18 Hall and yourself, would it be fair to say that you were</p> <p>19 part of the Walkinshaw team?</p> <p>20 A I think that's a fair characterization, yes.</p> <p>21 Q So when I say the Walkinshaw team, would you</p> <p>22 understand it to mean Ali O'Neil, yourself, Adam Hall and</p> <p>23 Adam Bartz?</p> <p>24 A Yes.</p> <p>25 Q How would you describe your working relationship</p>
<p style="text-align: right;">Page 23</p> <p>1 with Commissioner Walkinshaw during the redistricting</p> <p>2 process?</p> <p>3 A Frustrating.</p> <p>4 Q Can you tell me why it was frustrating?</p> <p>5 A He was less engaged in the process than I would have</p> <p>6 liked.</p> <p>7 Q And can you explain to me what you mean by he was</p> <p>8 less engaged in the process?</p> <p>9 A He did not set aside very much time to review map</p> <p>10 proposals, staff conversations about what was important or</p> <p>11 not important in the -- to have in the maps.</p> <p>12 Our meetings were frequently interrupted by other</p> <p>13 business that he attended to.</p> <p>14 Q To your knowledge were other commissioners more</p> <p>15 engaged in the process than Commissioner Walkinshaw?</p> <p>16 MS. GOLDMAN: Objection to form.</p> <p>17 MS. FRANKLIN: Objection.</p> <p>18 MS. GOLDMAN: Calls for speculation.</p> <p>19 MS. FRANKLIN: Lacks foundation.</p> <p>20 A I don't think I would have any insight one way or</p> <p>21 another.</p> <p>22 Q (By Ms. Waknin) You stated you worked with</p> <p>23 Commissioner Sims; is that correct?</p> <p>24 A Minimally, yes. We did have interactions, yes.</p> <p>25 Q In your opinion do you think Commissioner Sims was</p>	<p style="text-align: right;">Page 24</p> <p>1 more engaged in the redistricting process than</p> <p>2 Commissioner Walkinshaw, from your experiences with her?</p> <p>3 MS. FRANKLIN: Objection. Lacks</p> <p>4 foundation.</p> <p>5 MS. GOLDMAN: Calls for speculation.</p> <p>6 Q (By Ms. Waknin) You can answer.</p> <p>7 A It would be my guess that she was more engaged, yes.</p> <p>8 Q And why would you guess that?</p> <p>9 A Mostly a lot of the press that has come out since</p> <p>10 the Redistricting Commission completed its work seems to</p> <p>11 indicate that she was more involved.</p> <p>12 Q Do you mind telling me what press you're thinking</p> <p>13 about?</p> <p>14 A The press related to the lawsuits related to the</p> <p>15 Open Public Meetings Act and the Public Records Act and</p> <p>16 those -- those violations.</p> <p>17 Q Okay. So you stated that you thought Commissioner</p> <p>18 Walkinshaw was not as engaged in the process as you would</p> <p>19 like him to be. Did you find that frustrating?</p> <p>20 A I did, yes.</p> <p>21 Q And why did you find it frustrating?</p> <p>22 A Because the Redistricting Commission's work is of</p> <p>23 high importance.</p> <p>24 Q Why do you think that the Redistricting Commission's</p> <p>25 work is of high importance?</p>

 LAKESIDE REPORTING (833) 365-3376

Matthew J. Bridges

December 9, 2022

The State objects to lines 25:5-10: lack of foundation; calls for speculation. Mr. Bridges has no personal knowledge of Mr. Walkinshaw's mental state.

Pls Response: Foundation exists based on Mr. Bridges personal experiences at the 2021 commission, his review of records, and his involvement on Commissioner Walkinshaw's staff. Further, Mr. Bridges' is not speculating on Mr. Walkinshaw's mental state, but instead stating his own impression of Mr. Walkinshaw.

Page 25

1 A It has ramifications for the leadership of a state
2 of 7.5 million people. The work that -- The results of
3 the Redistricting Commission guide what will happen to the
4 people of the state for the next ten years.
5 Q And did Commissioner Walkinshaw seem to not
6 understand the gravity of the work, in your opinion?
7 MS. FRANKLIN: Objection, lacks foundation.
8 MS. GOLDMAN: Calls for speculation.
9 A I would -- I would estimate that he took it less
10 seriously than I did.
11 Q (By Ms. Waknin) How often did you meet with
12 Commissioner Walkinshaw during the redistricting process?
13 A Between his appointment in January and August I
14 would estimate I met with him probably three or four
15 times, between August and November probably an additional
16 seven or eight.
17 Q Would you have liked to have met with Commissioner
18 Walkinshaw more often?
19 MS. GOLDMAN: Object as to form.
20 A I would have, yes.
21 Q (By Ms. Waknin) Did you have regularly scheduled
22 calls or check-ins with Commissioner Walkinshaw?
23 A No, I did not.
24 Q How did you get information from yourself to
25 Commissioner Walkinshaw if you were not having regularly

Page 26

1 scheduled calls or check-ins?
2 A Broadly speaking, through Ali O'Neil.
3 Q To your knowledge do you know if Commissioner
4 Walkinshaw had regular check-ins with Commissioner Sims?
5 MS. FRANKLIN: Objection, lack of
6 foundation, calls for speculation.
7 A I do not know of a regularly scheduled meeting one
8 way or another.
9 Q (By Ms. Waknin) How would you describe your
10 staffing of Commissioner Walkinshaw during the
11 redistricting process?
12 MS. GOLDMAN: Objection, vague.
13 A I would describe it largely as producing map
14 alternatives and having him weigh in on very specific
15 components of it at times.
16 Q (By Ms. Waknin) Were you going with Commissioner
17 Walkinshaw to meetings that Commissioner Walkinshaw might
18 have had with other commissioners?
19 A Not on a regular basis. I did, as I said, attend
20 meetings where both April Sims and Brady Walkinshaw were
21 in attendance.
22 Q Did you ever attend meetings where both Commissioner
23 Walkinshaw and Commissioner Graves were in attendance?
24 A I do not believe so, no.
25 Q Did you ever attend meetings where Commissioner

Page 27

1 Walkinshaw and Commissioner Fain were in attendance?
2 A No, I do not believe so.
3 Q Can you explain to me what the dyads were?
4 A So I was not in Federal Way at the end there, but my
5 understanding is during those last few days the
6 commissioners agreed to pair off in bipartisan groups of
7 two to separately work on both the congressional and the
8 legislative maps.
9 Q And what was Commissioner Walkinshaw working on
10 during the dyad period?
11 MS. GOLDMAN: Objection, calls for
12 speculation.
13 A And I honestly don't know.
14 Q (By Ms. Waknin) Did Commissioner Walkinshaw have a
15 focus specifically on the congressional map or the
16 Legislative District map?
17 MS. GOLDMAN: Objection, calls for
18 speculation.
19 MS. FRANKLIN: Objection, lacks foundation.
20 A No, I don't think so. I would characterize his
21 interest as in specific geographies versus either of the
22 maps.
23 Q (By Ms. Waknin) Why did the commissioners go off
24 into groups of two dyads during the last few days of the
25 redistricting process?

Page 28

1 MS. GOLDMAN: Objection, calls for
2 speculation.
3 MS. FRANKLIN: Objection, lacks foundation.
4 Q (By Ms. Waknin) You can answer.
5 A I suspect that it's easier to negotiate in smaller
6 groups. And then also if more than two of them are in a
7 meeting together, it would be a violation of the Open
8 Public Meetings Act is my understanding.
9 Q Do you personally think it's easier then to get
10 around public meeting law if you're operating in dyads?
11 MS. GOLDMAN: Can I have the question read
12 back?
13 THE REPORTER: Yes. "Do you personally
14 think it's easier then to get around public meeting law if
15 you're operating in dyads?"
16 MS. GOLDMAN: Objection, calls for a legal
17 conclusion and calls for speculation.
18 MR. HOLT: Object to form as well.
19 A I -- I would not characterize that as getting around
20 the Open Public Meetings Act so much as following the Open
21 Public Meetings Act by not meeting in larger groups.
22 Q (By Ms. Waknin) Okay. Did you ever talk with Sarah
23 Augustine about the configuration of the Legislative
24 District map?
25 A I do not believe so, no.

<p>1 Q Did you ever talk with individuals at the Brennan</p> <p>2 Center on Voting Rights Act compliance for the Legislative</p> <p>3 District map?</p> <p>4 A No, I did not.</p> <p>5 Q Did anyone on the Walkinshaw team speak with anyone</p> <p>6 at the Brennan Center --</p> <p>7 A Yes.</p> <p>8 Q -- on the Voting Rights Act compliance?</p> <p>9 MS. I'm sure I'm leaving</p> <p>5 out some other form of meeting, but all types.</p> <p>6 Q And what was the nature of those communications?</p> <p>7 MS. <p>1 but I do not recall off the top of my head.</p> <p>2 Q That's fair.</p> <p>3 Now I'm going to specifically ask you about the</p> <p>4 Yakima Valley area. How would you define the Yakima</p> <p>5 Valley area?</p> <p>6 A It's the -- largely the string of cities in Yakima</p> <p>7 County, and depending on your definition, into Benton,</p> <p>8 that are near the Yakima River.</p> <p>9 Q Would you consider the Tri-Cities part of the Yakima</p> <p>10 Valley area?</p> <p>11 A I have not typically thought of them as such, no.</p> <p>12 Q Did you ever discuss the configuration of the</p> <p>13 state Legislative Districts in the Yakima Valley area with</p> <p>14 April Sims?</p> <p>15 A Yes.</p> <p>16 Q How many times did you speak with April Sims about</p> <p>17 this area?</p> <p>18 A I believe only once.</p> <p>19 Q Did you speak with Dominique Meyers about the</p> <p>20 configuration of state Legislative Districts in the</p> <p>21 Yakima Valley area?</p> <p>22 A Yes.</p> <p>23 Q How many times did you speak with Dominique Meyers?</p> <p>24 A Several. I don't want to characterize it exactly,</p> <p>25 but several times.</p>	<p>1 Q What was the nature of the conversation that you had</p> <p>2 with April Sims at one time about the configuration of the</p> <p>3 state Legislative Districts in the Yakima Valley area?</p> <p>4 A We were debating the relative importance of how to</p> <p>5 draw the lines in that area.</p> <p>6 Q Was the conversation about Voting Rights Act</p> <p>7 compliance in the Yakima Valley area?</p> <p>8 A It was, yes.</p> <p>9 Q And what did you say about Voting Rights Act</p> <p>10 compliance in the Yakima Valley area?</p> <p>11 A I said that it was important both from a -- both</p> <p>12 legally and from a -- and morally, I suppose; that it was</p> <p>13 important to comply with the Voting Rights Act and to draw</p> <p>14 districts that followed those guidelines.</p> <p>15 Q How did Commissioner Sims respond when you made that</p> <p>16 statement?</p> <p>17 A She said that we should not expend political capital</p> <p>18 doing that because the people in the area would have a</p> <p>19 clear legal case to overturn that part of the map.</p> <p>20 Q Can you elaborate on your understanding of what</p> <p>21 April Sims meant when she said there would be a clear</p> <p>22 legal case --</p> <p>23 MS. FRANKLIN: Objection, lacks foundation.</p> <p>24 Q -- to overturn that portion of the map?</p> <p>25 MS. WAKNIN: I'm still talking.</p>

The State objects to lines 32:15-33:22: hearsay; lacks foundation. This is not a statement of a party-opponent because neither Ms. Sims nor the defunct Washington Redistricting Commission are parties to this lawsuit. This is not a present-sense impression because Ms. Sims' alleged statement is not "describing or explaining an[y] event or condition." FRE 803(1). Ms. Sims' statement is not a "then-existing state of mind," FRE 803(3), because she appears to be discussing a potential negotiating strategy. Her own testimony is that she believes the map she helped negotiated complied with the VRA. To the extent Mr. Bridges' opinions rely on hearsay, they lack foundation. Further, even if his recitation of his conversation is admissible hearsay, Mr. Bridges has no personal knowledge of Ms. Sims' mental state or "thought process."

Soto Palmer, et al. v. Hok
LAKESIDE REPORTING (833)

Pls response to above: Foundation exists based on Bridge's personal experiences and observations at the 2021 commission, including his direct conversations with Commissioner Sims and staff, his inclusion in conversations as a staffer. Not hearsay because opposing party statement; 803 exception as present sense impression; then existing mental condition. Mr. Bridges' is testifying to his existing state of mind and his impression of the conversation between himself and Ms. Sims and what he understood the conversation to be about.

1 MS. FRANKLIN: Sorry about that.
 2 Objection, lacks foundation.
 3 MS. GOLDMAN: Objection, calls for a legal
 4 conclusion.
 5 Q (By Ms. Waknin) You can answer.
 6 A I understood her thought process to be that it was
 7 more important to draw favorable political lines in other
 8 parts of the state because she could get a similar
 9 result -- or the maps would have a similar result
 10 following legal action in the Yakima Valley than they
 11 would if we drew them differently the first time through.
 12 Q So it was your understanding that in this
 13 conversation that Commissioner Sims thought it was more
 14 important to look at -- to focus on other areas of the map
 15 than comply with the Voting Rights Act in the Yakima
 16 Valley region while you were drawing the map?
 17 MS. GOLDMAN: Objection, calls for
 18 speculation.
 19 MR. HOLT: Objection. Objection, form.
 20 MS. FRANKLIN: Objection, lacks foundation.
 21 Q (By Ms. Waknin) You can answer.
 22 A That was my understanding, yes.
 23 Q Who else was in that meeting when you were with
 24 April Sims?
 25 A I believe both Dominique and Osta, although it may

Page 35

1 MS. FRANKLIN: Objection, lacks foundation.
 2 A I believe -- My understanding was primarily to
 3 protect a current House member and to draw a Senate
 4 Democratic member out of his district.
 5 Q (By Ms. Waknin) Any particular districts you can
 6 remember?
 7 A In particular it's the 44th Legislative District.
 8 Q Who was that House member that you believed she was
 9 trying to protect?
 10 A Her name is escaping me right at the moment. I
 11 apologize, I cannot think of her name.
 12 Q That's okay. If you remember later on you can
 13 always say it, and if you don't that's fine, too.
 14 What's the basis for your belief that
 15 Commissioner Sims was prioritizing Snohomish County over
 16 the Yakima Valley area?
 17 A In conversations both with Dom and Osta and also in
 18 meetings where I was in attendance, along -- and April was
 19 there as well, the focus on Snohomish County was widely
 20 understood -- by me, I guess, anyway -- to be their top
 21 priority in the state.
 22 Q How did you feel when you heard Commissioner Sims
 23 say it wasn't worth expending political capital on drawing
 24 a compliant Latino opportunity district in the Yakima
 25 Valley over protecting incumbents in Snohomish County?

Page 34

1 only have been one of them, and Ali O'Neil.
 2 Q Anyone else?
 3 A I do not believe so. Brady was supposed to be in
 4 that meeting but had not yet arrived is my recollection.
 5 Q When was this conversation?
 6 A I do not recall for sure, but I would estimate
 7 August or September of 2021.
 8 Q So would you characterize August or September of
 9 2021 earlier in the redistricting process?
 10 MS. GOLDMAN: Objection as to form.
 11 MS. FRANKLIN: Objection, vague.
 12 A I guess I would characterize it more as kind of the
 13 middle of the process.
 14 Q (By Ms. Waknin) What other areas of the state was
 15 Commissioner Sims prioritizing over the Yakima Valley area
 16 that you understand?
 17 MR. HOLT: Objection, form.
 18 MS. FRANKLIN: Objection, lacks foundation.
 19 A Largely Snohomish County.
 20 Q (By Ms. Waknin) Why -- I don't know how to pronounce
 21 that. Sno --
 22 A Snohomish, yes.
 23 Q Snohomish County. Why Snohomish County?
 24 MS. GOLDMAN: Objection, calls for
 25 speculation.

Page 36

1 MS. GOLDMAN: Objection, misstates the
 2 testimony.
 3 MR. HOLT: Objection, form.
 4 A I was extremely angry.
 5 Q (By Ms. Waknin) And why were you extremely angry?
 6 A I did not feel that that was why we were doing what
 7 we were called to do as members and staff of the
 8 Redistricting Commission.
 9 Q And what did you believe that members and staff of
 10 the Redistricting Commission were called to do?
 11 MS. FRANKLIN: Objection, calls for a legal
 12 conclusion.
 13 MS. GOLDMAN: Join.
 14 A Within the confines of both federal law, including
 15 the Voting Rights Act, and state law laying out the
 16 parameters of district maps, to draw maps that -- to the
 17 benefit in our case of the, you know, Senate Democratic
 18 Caucus and the House Democratic Caucus, but to do so
 19 within the confines of state and federal law.
 20 Q (By Ms. Waknin) And what did you believe was the
 21 state and federal law that you had to follow as a map
 22 drawer on the Redistricting Commission?
 23 MS. GOLDMAN: Objection, calls for a legal
 24 conclusion.
 25 MR. HOLT: Objection, form.

 LAKESIDE REPORTING (833) 365-3376

The State objects to lines 35:12-36:8: hearsay, lack of foundation. This is not a statement of a party-opponent because neither Ms. Sims nor the defunct Washington Redistricting Commission are parties to this lawsuit. Moreover, even if Ms. Sims or the Commission could be considered party-opponents, neither Osta Davis nor Dominique Meyers are speaking agents for purposes of the party-opponent rule. This is not a present-sense impression because Mr. Bridges does not identify any specific "statement," let alone one that "describ[es] or explain[s] an event or condition" or "[a] statement of [any] declarant's then-existing state of mind." FRE 803(1), (3). To the extent Mr. Bridges' opinions rely on hearsay, they lack foundation. Further, Mr. Bridges has no personal knowledge of Ms. Sims' mental state.

Pls response:
 Foundation exists based on Bridge's personal experiences and observations at the 2021 commission, including his direct conversations with Commissioner Sims and staff, his inclusion in conversations as a staffer. Mr. Bridges states in his testimony that his beliefs are formed from conversations that he was a participant in. Not hearsay because opposing party statement; 803 exception as present sense impression; then existing mental condition. Mr. Bridges is directly discussing his then existing mental state, "I was extremely angry" about the conversation he was having with Ms. Sims.

That's a long time.</p> <p>2 A It is, yes.</p> <p>3 Q So besides the individuals we discussed so far did</p> <p>4 you discuss the configuration of the state Legislative</p> <p>5 Districts in the Yakima Valley area with anyone else?</p> <p>6 A Probably. Yes, definitely Chris Stanley. And I'm</p> <p>7 sure I talked with my wife about it at some point.</p> <p>8 And I suspect it probably came up in like a caucus</p> <p>9 staff meeting at some point or another. I would suspect</p> <p>10 that we had conversations about it.</p> <p>11 Q Did you ever speak with Anton Grose about the</p> <p>12 configuration of the state Legislative Districts in the</p> <p>13 Yakima Valley area?</p> <p>14 A I don't think so.</p> <p>15 Q Did you ever speak with Paul Campos about the</p> <p>16 configuration of the state Legislative Districts in the</p> <p>17 Yakima Valley area?</p> <p>18 A No.</p> <p>19 Q Who is Chris Stanley?</p> <p>20 A He is the CFO for the Administrative Office of the</p> <p>21 Courts. He's also just a long-time friend, so we have had</p> <p>22 conversations going back many years.</p> <p>23 Q And does your wife work in Washington politics?</p> <p>24 A She does not, no.</p> <p>25 Q Okay. I had to ask. Sorry.</p>	<p>1 A Yeah.</p> <p>2 Q It is 9:50, and you've been in the hot seat for 50</p> <p>3 minutes. So do you want to take a break, or do you feel</p> <p>4 good to continue on?</p> <p>5 A I can continue at this point.</p> <p>6 Q Okay.</p> <p>7 A Thank you.</p> <p>8 Q No problem, Matt.</p> <p>9 So Matt, what's your experience drawing maps with</p> <p>10 respect to the '21 Washington redistricting cycle?</p> <p>11 A Can you clarify?</p> <p>12 Q Yeah. Actually, just what's your experience in</p> <p>13 general in drawing Legislative District maps?</p> <p>14 A So I had not done it before thinking about this</p> <p>15 redistricting cycle, but since that time I've used QJS and</p> <p>16 Dave's Redistricting App, probably some -- Well, and</p> <p>17 whatever the program was the state purchased for</p> <p>18 redistricting, whose name I can't remember. Citygate, I</p> <p>19 think.</p> <p>20 And I don't know. I guess -- Could you provide more</p> <p>21 information for --</p> <p>22 Q Yeah. Well, I want to ask first was the software</p> <p>23 that the Commission provided autoBoundEDGE, --</p> <p>24 A Oh, yes.</p> <p>25 Q -- by any chance?</p>

<p>1 A Yes, that is correct.</p> <p>2 Q And so have you drawn maps for other jurisdictions</p> <p>3 after your experience with the 2021 redistricting cycle?</p> <p>4 A I also assisted in the Spokane County Commission</p> <p>5 maps, yes.</p> <p>6 Q And what did you do for the Spokane County</p> <p>7 Commission maps?</p> <p>8 A A similar role to what I did for the Senate</p> <p>9 Democratic Caucus. I was working with some of the</p> <p>10 Democratic politicians in Spokane County and providing</p> <p>11 input on their map alternatives in the negotiation</p> <p>12 process.</p> <p>13 Q Did you draw any maps specifically for the Spokane</p> <p>14 County Commission?</p> <p>15 A Yes.</p> <p>16 Q And were any of the maps that you drew adopted by</p> <p>17 the Spokane County Commission?</p> <p>18 A No, not directly at all, no.</p> <p>19 Q What was the software program you used to draft</p> <p>20 state Legislative District maps in Washington?</p> <p>21 A Primarily I used Dave's Redistricting App for the</p> <p>22 various options, and then for official submittals had to</p> <p>23 go through the autoBoundEDGE.</p> <p>24 Q What is Dave's Redistricting App?</p> <p>25 A It's a free web app that allows users to draw maps.</p>	<p>1 You can -- Both congressional, legislative, community</p> <p>2 maps. It's a quite flexible tool.</p> <p>3 Q And can you explain to me how you get access to</p> <p>4 Dave's Redistricting?</p> <p>5 A Yeah, you just go to their website, and I'm not sure</p> <p>6 if you need to sign up to draw a map. You certainly need</p> <p>7 to register to save maps for use, but otherwise it's free,</p> <p>8 open access.</p> <p>9 Q And did you register to save maps?</p> <p>10 A Yes.</p> <p>11 Q And what was the account you registered at?</p> <p>12 A I believe it's my personal Gmail account.</p> <p>13 Q And what is that personal Gmail account?</p> <p>14 A It's Matt.Bridges.WA@Gmail.com.</p> <p>15 Q Okay. Why did you use Dave's Redistricting App</p> <p>16 during the 2021 redistricting cycle?</p> <p>17 A It's very flexible and fast and easy to share map</p> <p>18 links.</p> <p>19 Q What metrics that you remember can you view with</p> <p>20 Dave's Redistricting App?</p> <p>21 A There's demographic -- There's demographic data from</p> <p>22 a few different points, including the 2020 census, and</p> <p>23 election data going back, I believe, to 2016. And then</p> <p>24 they also have sort of a hybrid 2012-2016 presidential</p> <p>25 results.</p>
Page 43	Page 44
<p>1 So it's primarily demographic and electoral data,</p> <p>2 political data.</p> <p>3 Q What demographic data can you view on Dave's</p> <p>4 Redistricting App?</p> <p>5 A Breakdowns by race and ethnicity and the voting age</p> <p>6 population and citizen voting age population. I believe</p> <p>7 that's everything.</p> <p>8 Q What's voting age population?</p> <p>9 A Age 18 and above.</p> <p>10 Q And what is citizen voting age population?</p> <p>11 A It's an estimate from the American Community Survey.</p> <p>12 It's not produced by the census, the actual 2020 census,</p> <p>13 but -- It's the same, 18 plus, but also an estimate of the</p> <p>14 citizenship of the people -- or it's specifically people</p> <p>15 who are citizens and age 18 plus.</p> <p>16 Q And if I refer to citizen voting age population as</p> <p>17 CVAP, would you understand what I'm talking about?</p> <p>18 A Yes.</p> <p>19 Q Okay. And if I refer to voting age population as</p> <p>20 VAP, do you understand what I'm talking about?</p> <p>21 A Yes.</p> <p>22 Q Okay. And just for brevity, if I say DRA for Dave's</p> <p>23 Redistricting App, would you understand what I'm talking</p> <p>24 about?</p> <p>25 A Yes.</p>	<p>1 Q Okay. Do you refer to Dave's Redistricting as DRA?</p> <p>2 A I usually just say DRA because I'm -- but yeah, DRA</p> <p>3 is fine.</p> <p>4 Q Or Dave's?</p> <p>5 A Yeah, or Dave's. Yes.</p> <p>6 Q Dave's. Okay.</p> <p>7 So what's the difference between VAP and CVAP as you</p> <p>8 understand the question?</p> <p>9 MS. GOLDMAN: Objection to the degree it</p> <p>10 calls for a legal conclusion.</p> <p>11 A The -- I suppose the difference is people who are</p> <p>12 age 18 plus and not citizens would not be included in</p> <p>13 CVAP, where they are included in VAP.</p> <p>14 Q (By Ms. Waknin) When it comes to map drawing, in</p> <p>15 your opinion does knowing the difference between VAP and</p> <p>16 CVAP matter?</p> <p>17 A Yes.</p> <p>18 MS. FRANKLIN: Objection, vague.</p> <p>19 Q (By Ms. Waknin) Why does it matter?</p> <p>20 A Both from a political perspective people who are</p> <p>21 included in CVAP -- or included in VAP but not CVAP are</p> <p>22 not eligible to vote, and so from a political perspective</p> <p>23 that's important. And then also from a Voting Rights Act</p> <p>24 perspective, the Voting Rights Act my understanding is</p> <p>25 relies on CVAP as a basis.</p>

HOLT: Objection, form.</p> <p>9 A Generally --</p> <p>10 Q (By Ms. Waknin) You can answer.</p> <p>11 A Generally using -- I would say we looked at both VAP</p> <p>12 and CVAP, but using the estimates that were available on</p> <p>13 Dave's.</p> <p>14 Q Why did you look at both VAP and CVAP?</p> <p>15 A Well, I think that VAP can be useful from</p> <p>16 understanding where communities are and how to help keep</p> <p>17 communities together. In particular, in areas where the</p> <p>18 federal VRA does not necessarily apply, like south</p> <p>19 Seattle, for example. If you wanted to try to keep</p> <p>20 communities together, VAP can be a more useful measure</p> <p>21 than CVAP.</p> <p>22 Q When you were drawing the state Legislative District</p> <p>23 maps for Commissioner Walkinshaw what were the</p> <p>24 considerations you had while you were physically map</p> <p>25 drawing?</p>	<p style="text-align: right;">Page 46</p> <p>1 MS. GOLDMAN: Objection, vague.</p> <p>2 A The -- I guess I always -- The map process always</p> <p>3 started with the commitments in the RCW, in the statute in</p> <p>4 terms of minimal population deviation, minimal county</p> <p>5 splits, minimal city splits, all of those legal</p> <p>6 requirements.</p> <p>7 And then within that we were trying to keep current</p> <p>8 members of the Senate -- of the Senate Democratic Caucus</p> <p>9 in their districts and improve electoral outcomes for</p> <p>10 those members and other districts in the state.</p> <p>11 Q Did you consider the federal Voting Rights Act when</p> <p>12 you were drawing state Legislative District maps?</p> <p>13 A Not outside of the Yakima Valley area, but within</p> <p>14 the Yakima Valley, yes.</p> <p>15 Q Why not outside of the Yakima Valley area?</p> <p>16 A It was my understanding that there were -- there</p> <p>17 were no cohesive enough communities that the federal</p> <p>18 Voting Rights Act would apply, my understanding.</p> <p>19 Q When you were done drawing a Legislative District</p> <p>20 map did you share it with anyone?</p> <p>21 A Not automatically, but yes, quite frequently with</p> <p>22 the other members of the Walkinshaw team.</p> <p>23 Q And why did you share those maps with the other</p> <p>24 members of the Walkinshaw team?</p> <p>25 A We all had different areas of expertise, both</p>
<p style="text-align: right;">Page 47</p> <p>1 geographically and, you know, as I said in terms of</p> <p>2 communities, legal, what -- the input from constituents.</p> <p>3 And so by sharing we were able to maximize our ability to</p> <p>4 draw representative maps.</p> <p>5 Q How would the Walkinshaw team review and evaluate</p> <p>6 draft maps shared with -- shared with them?</p> <p>7 MS. GOLDMAN: Objection, calls for</p> <p>8 speculation.</p> <p>9 A We had in-person meetings. We had virtual meetings.</p> <p>10 We had, you know, email exchanges. And sometimes the</p> <p>11 maps -- the exchanges were focused on specific geography,</p> <p>12 sometimes focused on the map as a whole. We sometimes</p> <p>13 had multiple different maps to compare to each other. It</p> <p>14 was a very broad ranging conversation I would say.</p> <p>15 Q (By Ms. Waknin) Did Commissioner Walkinshaw ever</p> <p>16 direct you to show draft Legislative District maps to</p> <p>17 anyone for feedback purposes?</p> <p>18 A I don't believe so.</p> <p>19 Q Did anyone on Commissioner Walkinshaw's team direct</p> <p>20 you to show drafts -- show or share the draft Legislative</p> <p>21 maps to anyone for feedback?</p> <p>22 A We -- Well, we definitely shared draft maps with</p> <p>23 Senators Billig and Pedersen. And then we also shared</p> <p>24 maps with the UCLA Voting Rights Project. Those are the</p> <p>25 ones I can think of right now.</p>	<p style="text-align: right;">Page 48</p> <p>1 Q When you think of the UCLA Voting Rights Project are</p> <p>2 you talking about Dr. Matt Barreto specifically?</p> <p>3 A Yes.</p> <p>4 Q Why did you share maps with Dr. Barreto?</p> <p>5 A We knew that our understanding of both the Voting</p> <p>6 Rights Act and the Yakima Valley in particular was narrow,</p> <p>7 and we wanted to -- We wanted to get feedback on the map</p> <p>8 proposals and work toward a sounder proposal in that area.</p> <p>9 Q Who brought up -- Who was the first person on the</p> <p>10 Walkinshaw team to bring up the Voting Rights Act</p> <p>11 compliance in the Yakima Valley region?</p> <p>12 MS. 1 terms of physical documents. Almost everything we did was
 2 virtual, but we produced spreadsheets and things of that
 3 nature.
 4 Q (By Ms. Waknin) And what were on those spreadsheets?
 5 A Demographic data and political data primarily.
 6 Q Why have political data on spreadsheets?
 7 A Because we were working to create maps that would
 8 elect more Democrats.
 9 Q Is political data or understanding political data in
 10 relation to a district important to understanding how that
 11 district would perform?
 12 MS. GOLDMAN: Objection to the degree it
 13 calls for a legal conclusion.
 14 A Yes.
 15 Q (By Ms. Waknin) And why is performance important?
 16 MS. GOLDMAN: Objection to the degree it
 17 calls for a legal conclusion.
 18 A I mean, I think in general it's important because
 19 again, our role was working to create maps that elected
 20 more Democrats, and in the Yakima Valley specifically it's
 21 important for compliance with the federal Voting Rights
 22 Act.
 23 Q (By Ms. Waknin) Did anyone on the Walkinshaw team
 24 understand -- To your knowledge did anyone on the
 25 Walkinshaw team understand that performance was important

1 MR. HOLT: Objection, form.
 2 MS. GOLDMAN: Objection to the degree it
 3 calls for a legal conclusion.
 4 A Yes.
 5 Q (By Ms. Waknin) Who did you share that with?
 6 A In that conversation we were referring to earlier
 7 with April Sims I shared that with her directly.
 8 Q How did Commissioner Sims react when you shared that
 9 information with her?
 10 MR. HOLT: Objection, form.
 11 A Well, again, she felt that it was not an area that
 12 where political capital should be spent.
 13 Q (By Ms. Waknin) And as you understood it, is
 14 political capital -- was political capital important to
 15 the Commissioner Sims team?
 16 MS. GOLDMAN: Objection, calls for
 17 speculation.
 18 MS. FRANKLIN: Objection, lacks foundation.
 19 A I would assume it was, as it was to us as well.
 20 Q (By Ms. Waknin) And as you understood it, political
 21 capital could outweigh compliance with the federal Voting
 22 Rights Act to Commissioner Sims?
 23 MR. HOLT: Object -- Objection, form.
 24 MS. GOLDMAN: Objection, misstates the
 25 testimony and calls for speculation.

 2 MS. GOLDMAN: Objection to --
 3 Q (By Ms. Waknin) -- in the Yakima Valley region?
 4 MS. GOLDMAN: Objection, calls for
 5 speculation, and objection to the degree it calls for a
 6 legal conclusion.
 7 MS. FRANKLIN: And objection, lacks
 8 foundation.
 9 A I would say yes, members of the Walkinshaw team
 10 understood that. I don't think any of us were experts in
 11 the Voting Rights Act in understanding exactly what it
 12 required -- what it would require, but --
 13 Q (By Ms. Waknin) Yes, that's fair. Fair enough.
 14 Did you ever share with anyone on the Commissioner
 15 Sims team --
 16 A Yes.
 17 Q -- the --
 18 A Oh, sorry. Go ahead.
 19 Q No, you continue talking. Sorry.
 20 MS. GOLDMAN: There was no question.
 21 Objection, no question.
 22 Q (By Ms. Waknin) Did you ever share with anyone on
 23 Commissioner Sims' team the importance of having a
 24 performing district in the Yakima Valley region?
 25 MS. GOLDMAN: Objection.

Page 52

1 MS. FRANKLIN: Objection, lacks foundation.
 2 A That was my understanding of the conversation, yes.
 3 Q (By Ms. Waknin) Matt, how many maps did you draw --
 4 How many Legislative District maps did you draw during the
 5 legislative -- during the redistricting process?
 6 A I don't know off the top of my head, but I would
 7 estimate 150 or 200.
 8 Q Why so many maps?
 9 A There was a lot of input.
 10 Q And when you say input, what do you mean by that?
 11 A All of it. There were, you know, meetings around
 12 the state where people came to testify about their
 13 priorities, meetings with members of the Senate Democratic
 14 Caucus, input from the rest of the Walkinshaw team -- just
 15 trying to weigh all of those various ideas.
 16 Q Did you ever receive community input or feedback
 17 during -- on the Legislative District map during the
 18 redistricting process?
 19 A I personally did not directly, but yes, that was --
 20 that was part of the process, and we did attempt to
 21 incorporate those ideas and suggestions into maps where
 22 possible.
 23 Q So how did you receive that community feedback if
 24 you didn't receive it directly?
 25 A The Commission had meetings around the state was the

The State objects to lines 51:8-52:2: hearsay; lack of foundation. This is not a statement of a party-opponent because neither Ms. Sims nor the defunct Washington Redistricting Commission are parties to this lawsuit. This is not a present-sense impression because Ms. Sims' alleged statement is not "describing or explaining any event or condition." FRE 803(1). This is not a statement of Ms. Sims' then-existing mental state because Mr. Bridges is not attributing any statement to her, but rather speculating about what she 'felt.'

To the extent Mr. Bridges' opinions rely on hearsay, they lack foundation. Further, Mr. Bridges has no personal knowledge of Ms. Sims' mental state, so to the extent he testifies about what Ms. Sims "meant" by her alleged statement, his testimony lacks foundation.

Pls response: Foundation exists based on Bridge's personal experiences and observations at the 2021 commission, including his direct conversations with Commissioner Sims and staff, his inclusion in conversations as a staffer. Mr. Bridges states in his testimony that his beliefs are formed from conversations that he was a participant in. Not hearsay because opposing party statement; 803 exception as present sense impression; then existing mental condition.

 7 the map drawing -- during the 2021 redistricting process?
 8 A I --
 9 MS. FRANKLIN: Objection, lacks foundation.
 10 A I suspect that we did, yes. I don't remember it
 11 specifically right now, but yes, I would imagine we did.
 12 Q (By Ms. Waknin) If there was a map being produced or
 13 discussed by the Walkinshaw team, were you generally the
 14 person who probably drew that map?
 15 A More often than not, but Adam Bartz also did draw
 16 maps as well.
 17 Q Do you know on what software Adam Bartz drew maps?
 18 A Again, primarily Dave's.
 19 MS. WAKNIN: So I think this is a great
 20 time for a 10-minute break. Does that work for folks?
 21 THE WITNESS: (Nodded.)

 6 A Only to Jessica.
 7 Q Matt, to your knowledge did the commissioners
 8 receive training or attend a workshop on the compliance Of
 9 the voting Rights Act to the Legislative District maps?
 10 MS. FRANKLIN: Objection, lacks foundation.
 11 A I don't know one way or another.
 12 Q (By Ms. Waknin) Okay. Was there discussion among

 14 on what compliance with the Voting Rights Act means in
 15 regards to the 2021 redistricting cycle?
 16 MS. GOLDMAN: Objection, calls for

 18 MR. HOLT: Objection, form.
 19 A I don't believe so, in the sense of any formal
 20 training, no.
 21 Q (By Ms. Waknin) To your knowledge when did the issue

 23 redistricting cycle?
 24 MS. FRANKLIN: Objection, --
 25 MR. HOLT: Objection.

 4 Q (By Ms. Waknin) Did you have conversations with the
 5 Walkinshaw staff about compliance with the federal Voting
 6 Rights Act with respect to the Legislative District map
 7 during the 2021 Washington redistricting cycle?
 8 A Yes.
 9 Q When did you first have those conversations?
 10 A I don't recall.
 11 Q Do you have a timeframe in which you think those
 12 conversations might have occurred?
 13 MS. GOLDMAN: Objection, asked and
 14 answered.
 15 A No, not -- not specifically.
 16 Q (By Ms. Waknin) What is your understanding of what
 17 is required by the federal Voting Rights Act?
 18 MS. GOLDMAN: Objection, calls for a legal
 19 conclusion.
 20 A My understanding is that there is sufficient
 21 Hispanic CVAP in the Yakima Valley and Tri-Cities area to
 22 sustain a district that is majority Hispanic by CVAP that
 23 elects representatives of their choice.
 24 Q (By Ms. Waknin) Okay. How did you form the basis of
 25 your understanding -- of that understanding?

Page 56

1 A I'm not an attorney, so it's not my area of
 2 expertise. I suppose I formed that basis because people
 3 told me that was the case.
 4 Q And who were those people?
 5 A Adam Hall, Matt Barreto primarily.
 6 Q When were you first under the impression that the
 7 federal Voting Rights Act might apply to the Legislative
 8 District map in the state of Washington?
 9 MS. FRANKLIN: Objection to the extent --
 10 MR. HOLT: Objection.
 11 MS. FRANKLIN: -- it calls for a legal

 13 MR. HOLT: Objection.
 14 A Fairly early in the process. I don't have a specific
 15 time.
 16 Q (By Ms. Waknin) And what formed that belief?
 17 A Conversations with Adam Hall primarily.
 18 Q Did you have any conversations with Osta Davis or
 19 Dominique Meyers where they expressed that the Voting
 20 Rights Act did not apply in the state of Washington?
 21 MR. HOLT: Objection, form.

GOLDMAN: Objection, vague.</p> <p>5 A I think so, yes.</p> <p>6 Q (By Ms. Waknin) And why do you think so?</p> <p>7 A My recollection of the time is that we were all in</p> <p>8 agreement that a district -- that the federal Voting</p> <p>9 Rights Act requires such a district in that area.</p> <p>10 Q And when you say "we were all in agreement," who is</p> <p>11 the we and all you're referring to?</p> <p>12 A The Walkinshaw team and the Sims team of Osta and</p> <p>13 Dom.</p> <p>14 Q But not Commissioner Sims?</p> <p>15 A I --</p> <p>16 MS. FRANKLIN: Objection, lacks foundation.</p> <p>17 Q (By Ms. Waknin) You can answer.</p> <p>18 A I don't have the insight to weigh in on that.</p> <p>19 MS. WAKNIN: I'm just going to ask for form</p> <p>20 objections. Thank you.</p> <p>21 Q (By Ms. Waknin) To your knowledge did you ever</p> <p>22 witness anyone on the Commission express that the federal</p> <p>23 Voting Rights Act did not apply to the state Legislative</p> <p>24 District map in the state of Washington?</p> <p>25 MR. HOLT: Objection, form.</p>	<p style="text-align: right;">Page 58</p> <p>1 A I -- Not that I recall.</p> <p>2 Q (By Ms. Waknin) What steps did the Walkinshaw staff</p> <p>3 take to ensure that state Legislative District maps</p> <p>4 complied with the federal Voting Rights Act --</p> <p>5 MS. GOLDMAN: Objection.</p> <p>6 Q (By Ms. Waknin) -- during the Washington</p> <p>7 redistricting process?</p> <p>8 MS. GOLDMAN: Objection, calls for</p> <p>9 speculation and for a legal conclusion.</p> <p>10 Q (By Ms. Waknin) You can answer.</p> <p>11 A Primarily drawing districts -- a district that had</p> <p>12 majority Hispanic CVAP and typically voted for Democrats</p> <p>13 in statewide races, so just as the metrics. And then also</p> <p>14 running district ideas and comparing district ideas with</p> <p>15 Matt Barreto.</p> <p>16 Q Why did it matter that the district you drew would</p> <p>17 elect Democrats in statewide elections?</p> <p>18 MS. GOLDMAN: Objection, misstates the</p> <p>19 testimony.</p> <p>20 A Historically speaking, Hispanic populations in</p> <p>21 Washington state have tended to prefer Democratic</p> <p>22 candidates to Republican candidates. And the federal</p> <p>23 Voting Rights Act, my understanding is that it requires</p> <p>24 the district -- where the -- where it is applicable, it</p> <p>25 requires the district, the people of the district elect,</p>
<p style="text-align: right;">Page 59</p> <p>1 broadly speaking, candidates of choice of the implicated</p> <p>2 minority population.</p> <p>3 Q (By Ms. Waknin) And is the reason for that so that</p> <p>4 the minority population can actually fulfill their voting</p> <p>5 rights in the district?</p> <p>6 MS. GOLDMAN: Objection, calls for a legal</p> <p>7 conclusion.</p> <p>8 MR. HOLT: Objection, form.</p> <p>9 A Could you restate the question?</p> <p>10 Q (By Ms. Waknin) Sure. Is the reason why it matters</p> <p>11 how a district performs, or if it performs for a minority</p> <p>12 candidate of choice, is it important because then it</p> <p>13 ensures that minority candidates -- that the minority</p> <p>14 population can actually utilize their voting rights?</p> <p>15 MS. GOLDMAN: Objection.</p> <p>16 Q (By Ms. Waknin) Does that make sense?</p> <p>17 MS. GOLDMAN: Objection, calls for a legal</p> <p>18 conclusion.</p> <p>19 MR. HOLT: Objection, form.</p> <p>20 A Yeah, I -- That's my understanding of the Voting</p> <p>21 Rights Act, but I am not an expert.</p> <p>22 Q (By Ms. Waknin) Was there discussion -- To your</p> <p>23 knowledge did the Commission hire any experts or</p> <p>24 consultants on Voting Rights Act compliance?</p> <p>25 MS. FRANKLIN: Objection, lacks foundation.</p>	<p style="text-align: right;">Page 60</p> <p>1 A Not -- I don't know one way or another.</p> <p>2 Q (By Ms. Waknin) Why did the Walkinshaw team hire</p> <p>3 Dr. Barreto?</p> <p>4 MS. FRANKLIN: Objection, lacks foundation.</p> <p>5 A We as a team wanted to ensure that our maps did</p> <p>6 comply with the federal Voting Rights Act to the best of</p> <p>7 our ability.</p> <p>8 Q (By Ms. Waknin) Are you familiar with who the</p> <p>9 Washington Redistricting Commission, so the Commission --</p> <p>10 I'm talking about the Commission itself -- who is on staff</p> <p>11 for the Commission?</p> <p>12 A I'm familiar with some of the staff, but not all of</p> <p>13 them.</p> <p>14 Q Who is the staff you're familiar with?</p> <p>15 A I've worked most closely with Justin, whose last</p> <p>16 name escapes me at the moment. He was their technical GIS</p> <p>17 IT hire.</p> <p>18 Q Is it Justin Bennett?</p> <p>19 A Yes, thank you. Justin Bennett.</p> <p>20 Q I won't tell him that you forgot his last name.</p> <p>21 Don't worry.</p> <p>22 Who else did you work with?</p> <p>23 A Me directly, I think that was it, as far as I</p> <p>24 recall.</p> <p>25 Q Did the Walkinshaw team -- To your knowledge did the</p>

GOLDMAN: Objection.</p> <p>18 MS. FRANKLIN: Objection, lacks foundation.</p> <p>19 MS. GOLDMAN: Calls for speculation.</p> <p>20 A Not to my knowledge.</p> <p>21 Q (By Ms. Wakin) Do you have any knowledge of whether</p> <p>22 other commissioners' teams had a process of evaluating</p> <p>23 whether their maps complied with the federal Voting Rights</p> <p>24 Act?</p> <p>25 MS. GOLDMAN: Objection, calls for</p> <p>7 speculation.</p> <p>8 A I would assume the members of their teams.</p> <p>9 Q (By Ms. Wakin) Did you do any analysis on whether</p> <p>10 draft districts would enable Latino voters to elect</p> <p>11 candidates of choice in the Yakima Valley area on the</p> <p>12 state Legislative District maps you drew?</p> <p>13 A I did, yes.</p> <p>14 Q And what was that analysis?</p> <p>15 A Primarily I used the 2020 gubernatorial results.</p> <p>16 Other elections as well, but primarily based on the 2020</p> <p>17 gubernatorial results.</p> <p>18 Q What other elections did you also view?</p> <p>19 A The -- I guess it would have been the 2016 and 2018</p> <p>20 U.S. Senate races. I think that those were probably it.</p> <p>21 Q Did you ever look at the 2020 treasurer's race?</p> <p>22 A I did not, no.</p> <p>23 Q Did anyone on the Walkinshaw team view the 2020</p> <p>24 treasurer's race for performance of the -- for</p> <p>25 performance?</p>
Page 63	Page 64
<p>1 MS. GOLDMAN: Objection, calls for</p> <p>2 speculation.</p> <p>3 MR. HOLT: Objection, form.</p> <p>4 A I don't -- Not that -- Not that I was a part of, but</p> <p>5 I don't know outside of that.</p> <p>6 Q (By Ms. Wakin) While you were drafting state</p> <p>7 Legislative District maps what was the data that you used?</p> <p>8 MS. GOLDMAN: Objection as to form.</p> <p>9 A So again, my -- I primarily used data that was</p> <p>10 available in Dave's Redistricting App for both demographic</p> <p>11 and political performance data.</p> <p>12 MS. WAKNIN: Okay. I'm going to introduce</p> <p>13 Exhibit 1, so I will put it in the chat -- or I think</p> <p>14 Annabelle is going to put it in the chat.</p> <p>15 MS. GOLDMAN: Sonni, can you tell us what</p> <p>16 it is? Because we have a pile here but no numbers.</p> <p>17 MS. WAKNIN: It's an email -- and I can</p> <p>18 also pull it up. It's an email from July 9, 2021.</p> <p>19 MS. GOLDMAN: Is this it?</p> <p>20 MS. WAKNIN: Yes, that should be it.</p> <p>21 MS. GOLDMAN: Okay. And is it okay with</p> <p>22 you if I hand the witness a hard copy?</p> <p>23 MS. WAKNIN: Yes, that is okay with me.</p> <p>24 MS. GOLDMAN: There's highlighting on it.</p> <p>25 MS. WAKNIN: Yep. I did not do that.</p>	<p>1 MS. GOLDMAN: Okay.</p> <p>2 (Bridges Exhibit No. 1 introduced and displayed.)</p> <p>3 Q (By Ms. Wakin) Matt, can you identify this document</p> <p>4 for me?</p> <p>5 A It is a forward it appears from Ali O'Neil to</p> <p>6 Brady Walkinshaw of an email that I sent to Senator</p> <p>7 Billig, Senator Pedersen and Brady Walkinshaw while cc'ing</p> <p>8 Ali O'Neil, Adam Hall, Adam Bartz, and Paulette Avalos.</p> <p>9 Q And what is this email about?</p> <p>10 MS. GOLDMAN: Objection, the document</p> <p>11 speaks for itself.</p> <p>12 A It is an email about a draft legislative map.</p> <p>13 Q (By Ms. Wakin) Is there a Dave's Redistricting link</p> <p>14 in this email?</p> <p>15 A There is, yes.</p> <p>16 Q Okay. So can you read starting from, "Thanks for</p> <p>17 the -- Thanks all for the discussion today" for me?</p> <p>18 A Yeah. "Thanks all for the discussion today. The</p> <p>19 attached file includes electoral data from the 2016 and</p> <p>20 2020 gubernatorial races. The link below directs you to</p> <p>21 the map." There's a Dave's link.</p> <p>22 Q Okay. Yes. Sorry.</p> <p>23 Did you draw this map as you were sending it?</p> <p>24 A Yes, I would have drawn it. Yes.</p> <p>25 Q Okay. So I'm going to go to the map, so -- And I'm</p>

<p>1 going to copy. Please bear with me. I am bad at 2 technology. Okay. 3 (Map displayed.) 4 Q Can you see the map, -- 5 A I can, yes. 6 Q -- Matt? 7 A Yes. 8 Q Okay. Can you read the title of the map for me? 9 A It says WA LEG from '20 Data. 10 Q And do you remember what this map is? 11 A So this -- So July 9th was prior to the release of 12 official census data, so this was an estimated legislative 13 map using OFM population estimates available at the time. 14 Q What are OFM population estimates? 15 A The Washington State Office of Financial Management 16 has a team that produces population estimates annually. 17 Q Did you draw this map in Dave's? 18 A I did, yes. 19 Q And is this a full map? 20 A It appears to be, yes. 21 Q Matt, what was the purpose of this map? 22 A Well, so it has been 18 months almost. I don't 23 remember specifically. But given my note at the end of 24 the email that I'd like to make the process as iterative 25 as possible, my speculation would be that I was trying to</p>	<p>1 start a discussion about the legislative maps. 2 Q And what was the criteria that you used when you 3 were drawing this map? 4 A Again, I can't remember specifically, but in general 5 this appears to have been largely focused on political 6 performance. 7 Q Did you -- How did you draw the 14th Legislative 8 District when you were drawing this map? 9 A Can you rephrase the question? 10 Q I can. That was poorly worded. 11 Can you walk me through your -- the way in which you 12 drew the 14th Legislative District in this map? 13 A The early goals I would say that we had in that area 14 were uniting the Yakama Reservation in a single district 15 per their request and also uniting the largely Hispanic 16 communities of that area in that same district. 17 Q And so I can zoom in for you. Can you all see the 18 map? I see some heads nod. 19 A Yes. Yes. 20 Q Okay. Great. Why did you include the cities of 21 Wapato and Toppenish -- Toppenish in this map? 22 A Wapato and Toppenish are both largely Hispanic 23 cities. 24 Q And you included them in your Legislative District 25 14; is that correct?</p>
Page 67	Page 68
<p>1 A That is correct, yes. 2 Q Was your Legislative District 14 here a majority 3 CVAP Latino district? 4 A I honestly do not recall, and it would have had to 5 have been with the data available at the time; but I don't 6 recall whether it was or not. 7 Q Okay. So I'm going to direct you over to the 8 district details over here. So can you read to me what 9 the Hispanic voting age population was on this map? 10 A 61,074 people and 55.4 percent. 11 Q But there's no CVAP here? 12 A Correct. That I can see, yeah. 13 Q So I'm going to turn on the data selector. I'm going 14 to choose the data set, and I'm going to look at citizen 15 voting age population. 16 What is the citizen voting age population -- What is 17 the citizen VAP 2019 of your District 14 for the Hispanic 18 population? 19 A 33,251 and 40.3, I believe that says, percent. 20 Q Okay. Did you have access to the 2019 citizen 21 voting age population when you were map drawing? 22 A I believe so, yes. 23 Q And why did you label this map District 14 -- this 24 district the majority voting age population Hispanic 25 district District 14?</p>	<p>1 A District 14 elects state senators in presidential 2 years. District 15 elects state senators in the midterm 3 years. And turnout among the populations in that area 4 tends to be higher in presidential years than midterm 5 years. 6 Q So was it important to you then to make sure that a 7 Hispanic majority district would elect their candidates or 8 would elect candidates during a presidential year? 9 MS. GOLDMAN: Objection as to form. 10 MR. HOLT: Objection, form. 11 A It was to me, yes. 12 Q (By Ms. Wakinin) Was it important to Commissioner 13 Walkinshaw? 14 MS. GOLDMAN: Objection, calls for 15 speculation. 16 MS. FRANKLIN: Objection, lacks foundation. 17 MR. HOLT: Objection, form. 18 A I don't know. 19 Q (By Ms. Wakinin) Did you assess this map that you 20 drew for Voting Rights Act compliance? 21 MS. GOLDMAN: Objection, calls for a legal 22 conclusion. 23 A I do not recall one way or another. 24 Q (By Ms. Wakinin) Do you recall if anyone on the 25 Walkinshaw team assessed this map for Voting Rights Act</p>

<p>1 compliance?</p> <p>2 MS. GOLDMAN: Objection, calls for</p> <p>3 speculation.</p> <p>4 MS. FRANKLIN: Objection, lacks foundation.</p> <p>5 A I did not know.</p> <p>6 Q (By Ms. Wakinin) Did you share this map with anyone</p> <p>7 outside of the Walkinshaw team?</p> <p>8 A As defined, yes. Per the email it was also sent to</p> <p>9 Senator Billig, Senator Pedersen, and Paulette Avalos.</p> <p>10 MS. WAKNIN: I'm going to get off of this</p> <p>11 map now. Jeanne, do you need a screenshot of the map?</p> <p>12 THE REPORTER: Yes, could I take one? Just</p> <p>13 a second. Thank you. Got it.</p> <p>14 Did you want that marked as an exhibit?</p> <p>15 MS. WAKNIN: No.</p> <p>16 (Screenshot No. 1 taken.)</p> <p>17 Q (By Ms. Wakinin) Matt, what happened after you drew</p> <p>18 that map with respect to -- Strike that.</p> <p>19 What happened after you drew that map?</p> <p>20 MS. GOLDMAN: Objection as to form.</p> <p>21 A I don't remember anything specifically happening in</p> <p>22 regards to this map.</p> <p>23 Q (By Ms. Wakinin) Did you get any feedback on that</p> <p>24 map?</p> <p>25 MS. GOLDMAN: Objection, asked and</p>	<p>1 answered.</p> <p>2 A I do not recall one way or another.</p> <p>3 Q (By Ms. Wakinin) Were there -- After you drew that</p> <p>4 map were there conversations about a Latino opportunity</p> <p>5 district in Eastern Washington that had a citizen voting</p> <p>6 age population of over 50 percent?</p> <p>7 MS. FRANKLIN: Objection, lacks foundation.</p> <p>8 MR. HOLT: Objection, form.</p> <p>9 MS. GOLDMAN: Join.</p> <p>10 A I mean, yes. After July 9th of 2021 we definitely</p> <p>11 had conversations about the federal Voting Rights Act and</p> <p>12 the districts in the Yakima Valley.</p> <p>13 Q (By Ms. Wakinin) Did you continue to draw maps after</p> <p>14 July 9th, 2021 for Commissioner Walkinshaw that were</p> <p>15 Legislative District maps?</p> <p>16 A Yes.</p> <p>17 Q And what was the goal of the maps that you were</p> <p>18 drawing after July 9th for Commissioner Walkinshaw?</p> <p>19 A The same as all of the maps that I drew. We were</p> <p>20 attempting to follow the strictures of both the federal</p> <p>21 Voting Rights Act and the state RCWs and within those</p> <p>22 guidelines maximize districts that elected Democrats.</p> <p>23 Q Was there a deadline or -- Strike that.</p> <p>24 Did Commissioner Walkinshaw introduce any of the</p> <p>25 Legislative District maps that you or the Walkinshaw team</p>
Page 71	Page 72
<p>1 drew publicly?</p> <p>2 A There were two publicly introduced proposals from</p> <p>3 Commissioner Walkinshaw, yes.</p> <p>4 Q When was the first public proposal?</p> <p>5 A Late -- mid to late September, I believe, 2021.</p> <p>6 Q And when was the second map that you introduced</p> <p>7 publicly or that Commissioner Walkinshaw introduced</p> <p>8 publicly?</p> <p>9 A I believe mid October of 2021.</p> <p>10 Q Do you know who picked the September release date</p> <p>11 for the Legislative District map?</p> <p>12 MS. GOLDMAN: Objection, calls for</p> <p>13 speculation.</p> <p>14 MS. FRANKLIN: Objection, lacks foundation.</p> <p>15 A I believe that was a decision made by the Commission</p> <p>16 as a whole.</p> <p>17 Q (By Ms. Wakinin) What were the conversations that you</p> <p>18 were having with the Walkinshaw team between July 9th,</p> <p>19 2021 and up until the first September public released map</p> <p>20 with respect to the Yakima Valley region on the state</p> <p>21 Legislative District map?</p> <p>22 MS. GOLDMAN: Objection as to form.</p> <p>23 MR. HOLT: Objection, form.</p> <p>24 A I don't recall the conversations specifically.</p> <p>25 We -- I know we had conversations about the Hispanic</p>	<p>1 opportunity district being the 14th Legislative District,</p> <p>2 and I know we had conversations, ongoing conversations</p> <p>3 about uniting the Yakama Nation with the Hispanic</p> <p>4 populations in that area.</p> <p>5 Q (By Ms. Wakinin) What was the reason why you had</p> <p>6 conversations about the -- labeling the Latino district in</p> <p>7 the Yakima Valley as 14?</p> <p>8 MR. HOLT: Objection, form.</p> <p>9 A As I said before, the 14th being the district --</p> <p>10 being a district that elects its state senator in</p> <p>11 presidential years was an important factor in our map</p> <p>12 drawing.</p> <p>13 Q (By Ms. Wakinin) Who did you have those conversations</p> <p>14 with?</p> <p>15 A The Walkinshaw team.</p> <p>16 Q Did you ever have conversations with Commissioner</p> <p>17 Sims' team about labeling the Latino district in the</p> <p>18 Yakima Valley region as the 14th District?</p> <p>19 MR. HOLT: Objection, form.</p> <p>20 A Yeah, I'm -- I can't recall a specific conversation,</p> <p>21 but I am sure that it came up, yes.</p> <p>22 MS. GOLDMAN: Objection. The maps speak</p> <p>14 for themselves.</p> <p>15 A I don't remember what the specific metrics were. It</p> <p>16 looks broadly similar, reading through the voting age</p> <p>17 population.</p> <p>18 MS. WAKNIN: Okay. Jeanne, you can take a</p> <p>19 screenshot of this now.</p> <p>20 THE REPORTER: Okay. Thank you. Got it.</p> <p>21 (Screenshot No. 2 taken.)</p> <p>22 Q Okay. <p>1 Q How many email exchanges did you have with</p> <p>2 Dr. Barreto through the redistricting process?</p> <p>3 A Probably a few -- five or six, maybe.</p> <p>4 Q What was the nature of the email exchanges you had</p> <p>5 with Dr. Barreto?</p> <p>6 MR. HOLT: Objection, form.</p> <p>7 Q (By Ms. Wakinin) You can answer.</p> <p>8 A Broadly speaking, we were attempting to understand</p> <p>9 what the boundaries of the district that -- that complied</p> <p>10 with the VRA might look like, how best to comply with the</p> <p>11 VRA.</p> <p>12 Q And why in your opinion was Dr. Barreto qualified to</p> <p>13 tell you how to comply with the Voting Rights Act?</p> <p>14 MS. GOLDMAN: Objection, calls for</p> <p>15 speculation, and calls for a legal conclusion.</p> <p>16 A I was not involved in the selection process. That's</p> <p>17 not my area of expertise.</p> <p>18 Q (By Ms. Wakinin) Did you think -- When you were</p> <p>19 working with Dr. Barreto did you think he was qualified to</p> <p>20 give you information on the Voting Rights Act?</p> <p>21 MS. GOLDMAN: Calls for speculation.</p> <p>3 MS. FRANKLIN: Objection, lacks foundation.</p> <p>4 A Yes, I believe so.</p> <p>5 Q (By Ms. Wakinin) Did you see this report?</p> <p>6 A Yes.</p> <p>7 MS. It should Say October 18th, 2021 on top,</p> <p>15 Dr. Matt Barreto.</p> <p>16 MS. GOLDMAN: I gave you too much. Hold</p> <p>17 on. There you go.</p> <p>18 A Okay. Yes, it does.</p> <p>19 MS. Page 83	Page 84
<p>1 A Yes, just finished.</p> <p>2 Q And all the pages are there, 25 pages?</p> <p>3 A That seems -- That seems like about what it was,</p> <p>4 yes.</p> <p>5 Q Okay. Good.</p> <p>6 A Yeah.</p> <p>7 Q Making sure.</p> <p>8 Matt, can you tell me in your words what this</p> <p>9 document is?</p> <p>10 MS. GOLDMAN: Objection, the document</p> <p>11 speaks for itself, calls for a legal conclusion.</p> <p>12 A It's an evaluation of the Hispanic population</p> <p>13 percentages in five counties in the Yakima Valley area,</p> <p>14 and an analysis of electoral patterns in those counties,</p> <p>15 and an analysis of both the published commissioner maps</p> <p>16 and two alternative maps -- two alternative districts for</p> <p>17 that area.</p> <p>18 Q (By Ms. Wakinin) How did you receive this report?</p> <p>19 A Presumably via email. I don't remember.</p> <p>20 Q Did you read this report when you received it?</p> <p>21 A Yes.</p> <p>22 Q What did you think about it when you received it?</p> <p>23 MS. GOLDMAN: Objection as to form.</p> <p>24 A I think it's -- It was -- It was a useful input to</p> <p>25 help guide our decision-making process for the remainder</p>	<p>1 of the redistricting time period.</p> <p>2 Q (By Ms. Wakinin) Was there anything in particular</p> <p>3 when you read this report that you looked at specifically?</p> <p>4 MS. FRANKLIN: Objection, vague.</p> <p>5 A For my purpose -- After initial review, for my</p> <p>6 purposes the two alternative maps that were proposed were</p> <p>7 the most useful tools.</p> <p>8 Q (By Ms. Wakinin) In this report can you go to page</p> <p>9 18. The title will be Evaluating Different Maps. And the</p> <p>10 page numbers are very small, but they're right on the</p> <p>11 bottom right-hand on the page.</p> <p>12 MS. I am on that page.</p> <p>16 Q (By Ms. Wakinin) Okay. And it appears that</p> <p>17 Dr. Barreto evaluated different legislative map proposals</p> <p>18 that had come out publicly; is that correct?</p> <p>19 A Yes.</p> <p>20 MS. GOLDMAN: Objection, calls for</p> <p>21 speculation. The document speaks for itself.</p> <p>22 A Yes.</p> <p>23 Q (By Ms. Wakinin) And what did Dr. Barreto say about</p> <p>24 House Republicans Commissioner Graves' map?</p> <p>25 MS. <p>1 Do you want him to read this out loud?</p> <p>2 MS. WAKNIN: Yes.</p> <p>3 A That the map was textbook cracking of Latino</p> <p>4 population into three districts, 14, 15, 16. That the</p> <p>5 Latino total population of the 14th was 37 percent, the</p> <p>6 15th 54 percent, the 16th 41 percent. And that the Latino</p> <p>7 CVAP of the 14th was 22 percent, 15th 34 percent, and 16th</p> <p>8 23 percent.</p> <p>9 Q (By Ms. Waknin) So the Latino CVAP in Commissioner</p> <p>10 Graves' map, none of the districts were over 50 percent</p> <p>11 Latino CVAP; is that correct?</p> <p>12 A According to this document, yes.</p> <p>13 Q Okay. And is that the same for Commissioner Fain's</p> <p>14 Legislative District map, according to this document?</p> <p>15 A It is, yes.</p> <p>16 Q And can you go to page 19, Bates label 001057.</p> <p>17 A Yes.</p> <p>18 Q For House Democrats Commissioner Sims can you read</p> <p>19 the Latino CVAP for me?</p> <p>20 A For the 15th Legislative District 45 percent.</p> <p>21 Q And District 16?</p> <p>22 A 28 percent.</p> <p>23 Q And then can you read for Senate Democrats</p> <p>24 Commission Pinero Walkinshaw the Latino CVAP for me?</p> <p>25 A For the 14th it is 40 percent, and for the 15th it</p>	<p>1 is 16 percent.</p> <p>2 Q So Dr. Barreto pointed out that none of the four</p> <p>3 maps that were proposed publicly from the Washington My</p> <p>4 Districting.com had a Latino CVAP of higher than</p> <p>5 50 percent; is that correct?</p> <p>6 A That is correct, yes.</p> <p>7 Q Did doctor -- Did Dr. Barreto explain to you what</p> <p>8 racially polarized voting is?</p> <p>9 A Yes.</p> <p>10 Q How do you understand racially polarized voting?</p> <p>11 MS. GOLDMAN: Objection to the degree it</p> <p>12 calls for a legal conclusion.</p> <p>13 A Essentially that different demographic populations</p> <p>14 choose different candidates over -- over an extended time,</p> <p>15 across races -- across political races, I should say, and</p> <p>16 across time.</p> <p>17 Q (By Ms. Waknin) And what is -- In your opinion why</p> <p>18 is racially polarized voting significant?</p> <p>19 MS. GOLDMAN: Objection, calls for a legal</p> <p>20 conclusion, and calls for speculation.</p> <p>21 A It's important for communities to be able to elect</p> <p>22 representatives of their choice.</p> <p>23 Q (By Ms. Waknin) Do you know if this presentation by</p> <p>24 Dr. Barreto was shared with anyone outside of the</p> <p>25 Walkinshaw team?</p>
Page 87	Page 88
<p>1 MS. GOLDMAN: Objection, calls for</p> <p>2 speculation.</p> <p>3 MS. GOLDMAN: Objection, calls for</p> <p>11 speculation.</p> <p>12 A Yeah, I honestly can't remember.</p> <p>13 Q (By Ms. Waknin) After Dr. Barreto provided feedback</p> <p>14 to Commissioner -- Strike that.</p> <p>15 After the Barreto presentation was presented to you</p> <p>16 what did you do next with respect to the legislative --</p> <p>17 with respect to drawing Legislative District 14?</p> <p>18 A I worked to incorporate either both of those -- maps</p> <p>19 similar to the two alternative maps into other legislative</p> <p>20 map proposals to see how those districts would impact the</p> <p>21 surrounding districts.</p> <p>22 Q And how did those districts impact surrounding</p> <p>23 districts?</p> <p>24 A I mean, the districts had to move. I don't have</p> <p>25 a -- You know, obviously there was a need for population</p>	<p>1 balance. We had to reorient the districts around those</p> <p>2 districts, around the proposed alternatives.</p> <p>3 Q Did you -- After you received guidance from</p> <p>4 Dr. Barreto's report or findings, how many additional</p> <p>5 Legislative District maps did you draw?</p> <p>6 A I don't know, but it would have been a lot. So at</p> <p>7 that point we still had almost a month until the end of</p> <p>8 the timeline.</p> <p>9 Q And how did your map drawing change with respect to</p> <p>10 LD -- the Legislative District 14 or the Yakima Valley</p> <p>11 area after Dr. Barreto's report?</p> <p>12 A I believe all of the proposals from that point</p> <p>13 forward contained maps similar to one of the two</p> <p>14 alternatives that Dr. Barreto proposed, and the focus in</p> <p>15 that area was much more on the Hispanic CVAP population.</p> <p>16 Q And to your knowledge when did conversations start</p> <p>17 with Commissioner Sims' team about ensuring a VRA-</p> <p>18 compliant district after Dr. Barreto's report in the</p> <p>19 Yakima Valley region?</p> <p>20 MS. 1 speculation.

2 MS. FRANKLIN: Objection, lacks foundation.

3 MR. HOLT: Objection. Objection, form.

4 A I cannot remember.

5 Q (By Ms. Wakin) Did you have any conversations with

6 Commissioner Sims' team about Dr. Barreto's findings?

7 A About the findings, yes. Again, I don't -- The

8 report specifically I don't remember whether we discussed,

9 but about the findings, yes.

10 Q What did you discuss about the findings with

11 Commissioner Sims' team?

12 A Primarily that the proposals that we had that were

13 public -- the September public proposals were not strong

14 enough and that we needed to improve the districts in that

15 area.

16 Q How did Commissioner Sims' team react when that was

17 said to them?

18 MR. HOLT: Objection, form.

19 A I don't have a specific recollection of that.

20 Q (By Ms. Wakin) What was the purpose of the

21 additional Legislative District map public proposal from

22 Commissioner Sims and Walkinshaw?

23 MR. HOLT: Objection, form.

24 MS. FRANKLIN: Objection, lacks foundation.

25 A The Walkinshaw team wanted to publicly address not

Page 90

1 only the Yakima Valley region, but other shortcomings in

2 the September map that had been highlighted in the

3 interim.

4 Q (By Ms. Wakin) Did you discuss which candidates

5 Latino voters preferred in the Yakima Valley region with

6 Commissioner Sims' team?

7 A Not beyond the Hispanic populations tending to

8 prefer Democrats, broadly speaking.

9 Q Can you elaborate on what you mean? I'm sorry.

10 MS. GOLDMAN: Objection as to form.

11 A I don't recall having any conversations about

12 specific candidates or specific elections with the Sims

13 team outside of the -- again, just the Hispanic and Native

14 populations in that area tending to vote for Democratic

15 candidates.

16 Q (By Ms. Wakin) Was there a perceived need by the

17 Walkinshaw team -- Strike that.

18 To your knowledge why did the Walkinshaw team

19 publish another Legislative District map publicly?

20 MR. HOLT: Objection, form.

21 MS. GOLDMAN: Objection.

22 MS. FRANKLIN: Objection, asked and

23 answered.

24 MS. GOLDMAN: And calls for speculation.

25 A I would refer back to my earlier answer that

The State objects to lines 92:18-93:14: hearsay; lack of foundation. The State incorporates its comments on pp. 32 and 51.

Page 91

1 shortcomings in our map, both in the Yakima Valley and

2 elsewhere, had been pointed out, and we wanted to publicly

3 address those concerns.

4 Q (By Ms. Wakin) Was there ever a time in which there

5 was a disagreement between Commissioner Sims' team and

6 Commissioner Walkinshaw's team on a Voting Rights Act

7 compliant district in Eastern Washington?

8 A Yes.

9 MS. FRANKLIN: Objection, lacks foundation.

10 Q (By Ms. Wakin) What was that disagreement?

11 A As I stated earlier, there was disagreement about

12 the level of political capital that should be expended to

13 ensure such a district.

14 MS. WAKNIN: I'm going to pull up

15 Exhibit 4. It is an email from Friday, October 22nd,

16 2021.

17 (Bridges Exhibit No. 4 introduced.)

18 Q Matt, do you have it in front of you? At the bottom

19 of the page it should say 216.

20 A Yes.

21 Q Okay. Can you read to me the bottom email?

22 A Yep. It's from me to April Sims, and it says,

23 "April, I wanted to reach out to apologize for losing my

24 cool in the meeting today. I view the fight for voting

25 rights as the most critical one of our time, and I let

Page 92

1 that passion get the better of me. I'm sorry. Please let

2 me know if there's anything I can do to repair our

3 relationship. Thank you. Matt Bridges."

4 Q Can you tell me about what happened, why you would

5 send an apology email to April Sims?

6 A So this was an email that followed the conversation

7 that we referenced earlier today that I had with

8 April Sims. And again, as I said in my earlier testimony,

9 I was very angry with her views on the issue, and so I

10 lost -- as I said in the email, I lost my cool, and so I

11 was apologizing for that.

12 Q Who else was in this meeting that -- where you had a

13 disagreement with Commissioner Sims?

14 A As I said before, I don't recall specifically, but I

15 believe it was Osta and Dom, although it may have only

16 been one or the other. April Sims was there, and I believe

17 Ali O'Neil was there as well.

18 Q Can you explain why you were angry with

19 Commissioner Sims' view on the Yakima Valley State

20 Legislative District?

21 A Well, as I said before, she stated that she did not

22 view it being worth expending political capital to create

23 a VRA-compliant district in the Yakima Valley because such

24 a district would be created via litigation after the fact.

25 Q Did April Sims tell you why she believed that such a

GOLDMAN: Object as to form.</p> <p>7 A No.</p> <p>8 Q (By Ms. Waknin) Why didn't you find it strange that</p> <p>9 she would say that?</p> <p>10 MS. GOLDMAN: Objection as to form.</p> <p>11 A I would say by this point in the process it was</p> <p>12 clear to me that the two caucuses, the House Democratic</p> <p>13 and Senate Democratic Caucus had different priorities for</p> <p>14 the redistricting process.</p> <p>15 Q (By Ms. Waknin) And at that point what were the</p> <p>16 different priorities between the two caucuses?</p> <p>17 MS. GOLDMAN: Objection, calls for</p> <p>18 speculation.</p> <p>19 A On the Walkinshaw team's part -- As before, we were</p> <p>20 working within the confines of the federal VRA and the</p> <p>21 state RCWs around redistricting to create maps that abided</p> <p>22 by all of those and maximized Democratic seats or seats</p> <p>23 that would elect Democrats.</p> <p>24 And I don't have any, you know, sense of the -- or,</p> <p>25 you know, I have no specific insight into the internal</p>	<p style="text-align: right;">Page 94</p> <p>1 workings of the Sims team.</p> <p>2 Q (By Ms. Waknin) But you know that the Sims team at</p> <p>3 that point had different priorities; correct?</p> <p>4 A That was my feeling, yes.</p> <p>5 Q And how -- Why do you have -- Why did you have that</p> <p>6 feeling? What was that based on?</p> <p>7 A Well, for example, this email, they were clearly</p> <p>8 less concerned with the federal Voting Rights Act, and</p> <p>9 then in other parts of the state they were again more</p> <p>10 concerned with specific members of the Legislature than</p> <p>11 districts as a whole.</p> <p>12 Q So is it fair to say a difference between the</p> <p>13 priorities of the Walkinshaw team and the Sims team as you</p> <p>14 understand it was commitment to voting rights in the</p> <p>15 Yakima Valley region for the Legislative District map?</p> <p>16 MR. HOLT: Objection, form.</p> <p>17 MS. FRANKLIN: Objection, lacks foundation.</p> <p>18 MS. GOLDMAN: Objection, calls for a legal</p> <p>19 conclusion.</p> <p>20 A As I understood it, yes.</p> <p>21 Q (By Ms. Waknin) You can put that exhibit away.</p> <p>22 MS. WAKNIN: All right. I'm going to pull</p> <p>23 up Exhibit 5. It is another email. It is from Monday,</p> <p>24 October 25th, 2021. And the Bates label, Jessica, is</p> <p>25 LEG-Bridges_001285. It's also in the chat.</p>
<p style="text-align: right;">Page 95</p> <p>1 (Bridges Exhibit No. 5 introduced.)</p> <p>2 A Okay. I have it in front of me.</p> <p>3 Q (By Ms. Waknin) Matt, is this an email from you to</p> <p>4 Ali O'Neil, Adam Bartz, Adam Hall and Paulette Avalos?</p> <p>5 A Yes. The top email is, yes.</p> <p>6 Q What does the email thread say?</p> <p>7 A It -- I have not read through the entire text of the</p> <p>8 multiple pages, but in general it looks like preparation</p> <p>9 for the publishing of the second public map from</p> <p>10 Commissioner Walkinshaw.</p> <p>11 Q Do you want to take a second to look through all the</p> <p>12 pages?</p> <p>13 A Sure.</p> <p>14 Q Okay. And you can just look up at me when you're</p> <p>15 ready.</p> <p>16 A Will do.</p> <p>17 (Pause in proceedings to review document.)</p> <p>18 A Okay.</p> <p>19 Q Matt, is there a Dave's Redistricting link in this</p> <p>20 email?</p> <p>21 A There is, yes.</p> <p>22 Q Did you draw -- Did you produce this Dave's</p> <p>23 Redistricting link?</p> <p>24 A I did, yes.</p> <p>25 Q And why did you include a Dave's Redistricting link</p>	<p style="text-align: right;">Page 96</p> <p>1 in this email?</p> <p>2 A That was standard practice to share within the team</p> <p>3 so that everything could view the maps, but then it also</p> <p>4 appears based on this email that the intention was</p> <p>5 possibly to publish in the press release as well so that</p> <p>6 the public could view it there as well.</p> <p>7 Q Okay. I am going to copy and go to that Dave's</p> <p>8 Redistricting link now.</p> <p>9 (Map displayed.)</p> <p>10 Q Matt, can you see --</p> <p>11 A I can, yes.</p> <p>12 Q -- the Dave's Redistricting? Okay.</p> <p>13 Matt, did you draw this map?</p> <p>14 MS. GOLDMAN: Objection, lack of</p> <p>15 foundation.</p> <p>16 A It does look broadly similar to maps that I drew.</p> <p>17 Again, without being able to look at specific census block</p> <p>18 lines and all of that, yes.</p> <p>19 Q (By Ms. Waknin) I mean, we can zoom in on the census</p> <p>20 blocks.</p> <p>21 A Again, I --</p> <p>22 Q What is the title?</p> <p>23 A Just -- This does look broadly similar to maps that</p> <p>24 I drew. It's been a year, and I don't know that the link</p> <p>25 hasn't -- You know, something hasn't happened to the link</p>

<p>1 or anything.</p> <p>2 Q Can you read the title of this map for me?</p> <p>3 A Commissioner Walkinshaw Updated LD Proposal.</p> <p>4 Q Okay. And what does this title mean?</p> <p>5 A It's Commissioner Walkinshaw's Updated Legislative</p> <p>6 District proposal. So this was the map prepared for the</p> <p>7 second public release.</p> <p>8 Q And what was different about this map than the</p> <p>9 September Walkinshaw release?</p> <p>10 A I would refer to the end of the email, the draft</p> <p>11 press release has a list of it looks like 15 differences.</p> <p>12 Again, not having the two maps directly to compare, I</p> <p>13 would say that from reviewing it that list of 15 items</p> <p>14 seems like a fair summary of the changes between the two</p> <p>15 maps.</p> <p>16 Q And can you read for me what No. 1 is on this, on</p> <p>17 the 15 changes?</p> <p>18 A Yes. "No. 1, Has a VRA-compliant majority Hispanic</p> <p>19 14th Legislative District in the Yakima Valley that</p> <p>20 includes the entire Yakama Nation Reservation."</p> <p>21 Q Okay. And why was Legislative District 14 drawn in</p> <p>22 this way?</p> <p>23 A Again, in order to comply with the VRA analysis</p> <p>24 provided by Dr. Barreto.</p> <p>25 Q And why did you include Wapato and Toppenish in this</p>	<p>1 map?</p> <p>2 A As before, Wapato and Toppenish are very heavily</p> <p>3 Hispanic cities, and so in creating a Hispanic majority</p> <p>4 district they will by necessity need to be part of such a</p> <p>5 district.</p> <p>6 Q Did you assess whether this map includes a Latino</p> <p>7 opportunity district?</p> <p>8 MS. GOLDMAN: Objection, calls for a legal</p> <p>9 conclusion.</p> <p>10 A Yeah, again, not really my area of expertise. I</p> <p>11 certainly looked at the demographics provided by Dave's.</p> <p>12 Q (By Ms. Waknin) Did anyone on the Walkinshaw team</p> <p>13 assess whether this map included a Latino opportunity</p> <p>14 district?</p> <p>15 MS. GOLDMAN: Objection, calls for</p> <p>16 speculation.</p> <p>17 MS. FRANKLIN: Objection, lacks foundation.</p> <p>18 A I guess I would characterize it as the Walkinshaw</p> <p>19 team, we were all confident that the district met the</p> <p>20 guidelines of the federal VRA.</p> <p>21 Q (By Ms. Waknin) And why were you all confident that</p> <p>22 this map guidelines met the federal VRA?</p> <p>23 MS. GOLDMAN: Objection, calls for a legal</p> <p>24 conclusion.</p> <p>25 A The district was majority Hispanic by CVAP, and past</p>
Page 99	Page 100
<p>1 electoral performance indicated it was likely to elect</p> <p>2 candidates of the Hispanic majorities in that district's</p> <p>3 choice.</p> <p>4 Q (By Ms. Waknin) Did you personally share this map</p> <p>5 with anyone?</p> <p>6 A Certainly the people included in the email, the --</p> <p>7 the larger, if you will, Walkinshaw team, you know,</p> <p>8 including Paulette.</p> <p>9 I would imagine -- I cannot specifically recall, but</p> <p>10 I would expect that we also shared this map with Senator</p> <p>11 Billig and Senator Pedersen prior to release.</p> <p>12 Q To your knowledge did any of the other</p> <p>13 commissioners -- so Commissioner Fain or Graves -- see</p> <p>14 this map?</p> <p>15 MS. GOLDMAN: Objection.</p> <p>16 MR. HOLT: Objection, form.</p> <p>17 MS. GOLDMAN: Calls for speculation.</p> <p>18 A Prior to publication Commissioner Sims may have. I</p> <p>19 don't believe that Commissioners Graves or Fain did see</p> <p>20 it.</p> <p>21 Q (By Ms. Waknin) Did any of the other commissioners</p> <p>22 see this map post publication?</p> <p>23 MS. GOLDMAN: Objection, calls for</p> <p>24 speculation.</p> <p>25 MS. FRANKLIN: Objection, lacks foundation.</p>	<p>1 A Yeah, it was publicly available. I can't speak to</p> <p>2 whether they saw it or not.</p> <p>3 Q (By Ms. Waknin) Did you receive any feedback from</p> <p>4 outside -- Strike that.</p> <p>5 Did you receive any feedback from folks not on</p> <p>6 Commissioner Walkinshaw's team regarding this map?</p> <p>7 A I cannot recall any specific feedback.</p> <p>8 Q All right. I'm going to --</p> <p>9 Jeanne, do you want to take a picture, a screenshot?</p> <p>10 THE REPORTER: Yes, just a moment. Got it.</p> <p>11 Thank you.</p> <p>12 MS. WAKNIN: You're welcome.</p> <p>13 (Screenshot No. 3 taken.)</p> <p>14 MS. WAKNIN: I'm going to stop sharing now.</p> <p>15 It is 11:40. We've been going for a while. I think this</p> <p>16 is a good time to take a lunch break. I'm thinking a</p> <p>17 45-minute lunch break.</p> <p>18 Does that work for folks?</p> <p>19 MS. GOLDMAN: Our lunch is scheduled to</p> <p>20 show up here in about 20 minutes, so it would be my</p> <p>21 preference that we go until noon our time.</p> <p>22 MS. WAKNIN: Okay. So do you mind if we</p> <p>23 just take -- I'm going to take a five-minute break then.</p> <p>24 We'll come back, and we'll go until noon. Okay?</p> <p>25 MS. GOLDMAN: Sure.</p>

<p>1 MR. HOLT: And Sonni, are you planning on</p> <p>2 kind of going the distance today with seven hours</p> <p>3 questioning, or kind of what's your estimate?</p> <p>4 MS. WAKNIN: No, I don't plan on going --</p> <p>5 Matt, good news for you --</p> <p>6 Wait, one second. Jeanne, are we off the record?</p> <p>7 THE REPORTER: We are on the record, but we</p> <p>8 can go off.</p> <p>9 MS. WAKNIN: We can go off the record.</p> <p>10 (Discussion off the record.)</p> <p>11 (Break 11:39 a.m. to 11:47 a.m.)</p> <p>12 Q (By Ms. Waknin) Matt, after Commissioner Walkinshaw</p> <p>13 and Commissioner Sims published their second Legislative</p> <p>14 District maps publicly, what did you do next?</p> <p>15 A From that point forward the process really turned to</p> <p>16 negotiations between the various commissioners. And so as</p> <p>17 before, my job was primarily just drawing maps, and so I</p> <p>18 would take input largely from Ali. She was the one in</p> <p>19 more of the meetings, and work that into, you know,</p> <p>20 various map proposals alternatives, things of that nature.</p> <p>21 Q Were you in negotiation meetings with</p> <p>22 Commissioner Walkinshaw and other commissioners with</p> <p>23 respect to the Legislative District maps?</p> <p>24 A No.</p> <p>25 Q Who were in those meetings? Who was in those</p>	<p>1 meetings?</p> <p>2 MR. HOLT: Objection, form.</p> <p>3 A So I wasn't there, so I don't know specifically; but</p> <p>4 our -- For the Walkinshaw team our -- essentially all of</p> <p>5 the information was funneled through Ali, and I believe</p> <p>6 she was in most of those meetings where Commissioner</p> <p>7 Walkinshaw was there.</p> <p>8 Q (By Ms. Waknin) Did Ali -- And when you say Ali, are</p> <p>9 you referring to Ali O'Neil?</p> <p>10 A Correct, Ali O'Neil.</p> <p>11 Q Okay. Did Ms. O'Neil provide readouts to you about</p> <p>12 what was happening in negotiations?</p> <p>13 A Not in any detailed way, but yes, we would get</p> <p>14 information, you know, some sort of highlights of the</p> <p>15 tenor of the conversations. And then as negotiations</p> <p>16 proceeded she would bring specific metrics for specific</p> <p>17 districts that we would then try to meet in map form.</p> <p>18 Q Is it fair to say then that your understanding of</p> <p>19 how negotiations were going was information given to you</p> <p>20 by Ali O'Neil?</p> <p>21 A Yes.</p> <p>22 Q Did you have conversations during the negotiation</p> <p>23 period with Commissioner Walkinshaw?</p> <p>24 A I'm sure that it happened, but very, very few and</p> <p>25 very infrequently.</p>
Page 103	Page 104
<p>1 Q Why did you have very few and very infrequent</p> <p>2 meetings with Commissioner Walkinshaw during the</p> <p>3 negotiation period?</p> <p>4 MR. HOLT: Objection, form.</p> <p>5 A The meetings didn't get scheduled, I guess, for lack of</p> <p>6 a better way to say it.</p> <p>7 Q (By Ms. Waknin) What was the main method of</p> <p>8 communication between you, Ali O'Neil, Adam Hall and</p> <p>9 Adam Bartz during the negotiation period?</p> <p>10 A I don't think I can characterize there being one</p> <p>11 main. We communicated via phone calls, texts, Teams</p> <p>12 chats. It was sort of across the board. And we had</p> <p>13 in-person meetings as well.</p> <p>14 Q Were you all talking a lot on the Walkinshaw team</p> <p>15 during the negotiation period?</p> <p>16 A Yes.</p> <p>17 Q And when I say negotiation period, how do you</p> <p>18 understand what I'm talking about?</p> <p>19 A Given the conversation we just had, I would say from</p> <p>20 the time of the release of the second Democratic proposals</p> <p>21 for the Legislative District maps and when the final</p> <p>22 proposals were published on whatever -- I can't remember</p> <p>23 the date -- November 17th or 18th.</p> <p>24 Q So it's fair to say post October 22nd to</p> <p>25 November 15th?</p>	<p>1 A Well, it was beyond November 15th that negotiations</p> <p>2 were still happening, but yes for the October 22nd. And</p> <p>3 then the 16th or 17th I would say was the end time.</p> <p>4 Q What do you mean that negotiations were still</p> <p>5 happening after November 15th?</p> <p>6 A The maps had not been finalized as of midnight on</p> <p>7 the end of the 15th. So negotiations were still occurring</p> <p>8 at least the morning of the 16th, and I can't remember how</p> <p>9 much, if any, beyond that.</p> <p>10 Q Did the Commission state that they had passed</p> <p>11 Legislative District maps on the night of November 15th?</p> <p>12 MS. FRANKLIN: Objection, lacks foundation.</p> <p>13 A Yes, I believe they did shortly after midnight state</p> <p>14 that that is what they had voted on.</p> <p>15 Q (By Ms. Waknin) And it's your understanding that the</p> <p>16 parameters of the map, the Legislative District map,</p> <p>17 however, were still being negotiated on post the agreed</p> <p>18 upon date of when the maps were approved?</p> <p>19 A Correct. Yes.</p> <p>20 MS. GOLDMAN: Objection as to form.</p> <p>21 Q (By Ms. Waknin) Can you say that again on the</p> <p>22 record?</p> <p>23 A Correct. Yes.</p> <p>24 Q Why was that your understanding?</p> <p>25 A I was still getting requests to modify maps and meet</p>

<p>1 specific performance targets after midnight.</p> <p>2 Q Okay. How would you characterize the negotiation</p> <p>3 period within the Walkinshaw team?</p> <p>4 A I think again frustration is probably the primary</p> <p>5 feeling about that time period.</p> <p>6 Q Would you use any other descriptors?</p> <p>7 A No, not really.</p> <p>8 Q Matt, why was frustration the prime descriptor that</p> <p>9 you would use to characterize the negotiation period?</p> <p>10 A From the perspective of what I was trying to do with</p> <p>11 the maps, it seemed clear to me that none of the other</p> <p>12 caucuses were concerned with the requirements in the RCW</p> <p>13 for minimizing county splits and city splits and the other</p> <p>14 requirements in the RCW, and they were negotiating purely</p> <p>15 on political performance metrics.</p> <p>16 And again, I didn't view that as the charge of the</p> <p>17 Commission.</p> <p>18 Q Was there frustration by you towards the other</p> <p>19 caucuses on their concept of complying with the federal</p> <p>20 Voting Rights Act?</p> <p>21 A Certainly that frustration still existed, yes. As</p> <p>22 negotiations continued, I think that had largely been</p> <p>23 internalized as not going to change.</p> <p>24 Q And why do you say it was internalized as something</p> <p>25 that was not going to change?</p>	<p>1 A I would say that conversation happened earlier. So</p> <p>2 again, that was, you know, around that October 18th</p> <p>3 Dr. Barreto report, the October 22nd conversation and the</p> <p>4 October 25th map release.</p> <p>5 Clarity around that, where everybody stood on that</p> <p>6 issue I think was pretty apparent by the end of October.</p> <p>7 The issues around the state RCWs surfaced later -- for me,</p> <p>8 at any rate.</p> <p>9 Q And when you say everybody, are you referring to all</p> <p>10 of the commissioners?</p> <p>11 A Yeah, I think that's fair to say.</p> <p>12 Q And what was your -- What was your understanding of</p> <p>13 where Commissioner Graves stood on the application of the</p> <p>14 federal Voting Rights Act at that time?</p> <p>15 MS. GOLDMAN: Objection, calls for</p> <p>16 speculation.</p> <p>17 MS. FRANKLIN: Objection, lacks foundation.</p> <p>18 MR. HOLT: Objection.</p> <p>19 Q (By Ms. Wakin) You can answer.</p> <p>20 MR. HOLT: Objection, form.</p> <p>21 A I had seen no indication that his opinion was</p> <p>22 different than that of the map that he initially produced</p> <p>23 and published in September.</p> <p>24 Q (By Ms. Wakin) And the map that Commissioner Graves</p> <p>25 produced in September was not compliant with the federal</p>
Page 107	Page 108
<p>1 Voting Rights Act as you understood it; is that correct?</p> <p>2 MS. GOLDMAN: Objection, calls for a legal</p> <p>3 conclusion.</p> <p>4 A Yes.</p> <p>5 MS. WAKNIN: It is 11:57. I don't want to</p> <p>6 start my next line of questioning right before we're going</p> <p>7 to have lunch, so why don't we go off the record.</p> <p>8 (Discussion off the record.)</p> <p>9 (Break 11:57 a.m. to 12:47 p.m.)</p> <p>10 MS. WAKNIN: All right. Let's get back on</p> <p>11 the record then.</p> <p>12 Q (By Ms. Wakin) Okay. Matt, before the break I</p> <p>13 think we had a conversation about, you know -- correct me</p> <p>14 if I'm misusing this word, but the frustration you had</p> <p>15 during the negotiation process in the 2021 redistricting</p> <p>16 process.</p> <p>17 MS. GOLDMAN: I'm sorry. What is your</p> <p>18 question?</p> <p>19 Q (By Ms. Wakin) Is that correct?</p> <p>20 A Yes, that is correct, that I was frustrated during</p> <p>21 that process.</p> <p>22 MS. WAKNIN: Okay. I'm going to pull up</p> <p>23 Exhibit 6. It is an email from Matt Bridges forwarded</p> <p>24 from Ali O'Neil to Brady Walkinshaw.</p> <p>25 (Bridges Exhibit No. 6 introduced.)</p>	<p>1 MS. GOLDMAN: And is the underlying email</p> <p>2 dated November 3rd, 2021?</p> <p>3 MS. WAKNIN: Correct.</p> <p>4 Q (By Ms. Wakin) Matt, do you have Exhibit 6 in front</p> <p>5 of you right now?</p> <p>6 A I do, yes.</p> <p>7 Q Okay. Can you tell me what Exhibit 6 is in front of</p> <p>8 you?</p> <p>9 A It is an email that Ali forwarded, Ali O'Neil</p> <p>10 forwarded to Brady Walkinshaw. The underlying email I</p> <p>11 sent to her, Adam Hall, Adam Bartz and Paulette Avalos on</p> <p>12 Wednesday, November 3rd.</p> <p>13 Q Okay. And can you tell me what the subject of the</p> <p>14 email you sent to Ali O'Neil, Adam Hall, Adam Bartz and</p> <p>15 Paulette Avalos is?</p> <p>16 A It says LD Offer from Graves.</p> <p>17 Q And LD, by referring to LD did you mean Legislative</p> <p>18 District?</p> <p>19 A I would -- Yes, that is the typical shorthand.</p> <p>20 Q Okay. Good. And do you mind reading from, Hi All"</p> <p>21 to the Dave's link for me?</p> <p>22 A Yes. "Hi All. This is apparently an LD offer from</p> <p>23 Graves. It was sent in Autobound; I converted to DRA, but</p> <p>24 because not all of the districts had assignments, DRA</p> <p>25 thinks there are less districts. That makes the pop dev</p>

Had Commissioner Graves sent Legislative 4 District offers to the Walkinshaw team prior to this 5 email? 6 A Not that I am aware of. 7 Q What was the impetus, if you remember, for why you 8 got a Legislative District offer from Commissioner Graves? 9 MS. GOLDMAN: Objection, calls for 10 speculation. 11 A I don't have any insight into that. 12 MS. WAKNIN: I'm going to go and copy this 13 Dave's redistricting link and pull it up, and I will share 14 it with you all. 15 (Map displayed.) 16 Q Okay. Do you see my screen? 17 A I do, yes. 18 Q Okay. Can you read the title of this map for me? 19 A It says Graves LD 14 (2). 20 Q And this is a map that was in the autoBoundEDGE 21 shape file that you had then converted into Dave's 22 Redistricting; is that correct? 23 A That is what the email says. I don't have a 24 recollection of that, but that seems plausible. 25 Q Okay. Had you had -- Had you taken maps that were</p>	<p style="text-align: right;">Page 110</p> <p>1 done in autoBoundEDGE and converted them and put them into 2 Dave's Redistricting before? 3 A Yes. 4 Q Okay. Does that at all -- When you convert a map 5 from autoBoundEDGE to Dave's Redistricting, does that 6 change the shapefile of the map in any way? 7 A It shouldn't, no. 8 Q Are you familiar with autoBoundEDGE? 9 A Familiar, yes. 10 Q Do you know what demographic metrics are available 11 on autoBoundEDGE? 12 A It depends what you load into it. Unlike -- Unlike 13 Dave's, autoBoundEDGE is just essentially a tool. It's a 14 piece of software. And so you can load any demographic or 15 electoral or, you know, whatever data you want into it. 16 Q Did you receive an autoBoundEDGE software package 17 when you started on the redistricting? 18 A Yes. 19 Q Okay. Was there data auto uploaded to the 20 autoBoundEDGE that you had received? 21 A Yes, I believe so. 22 Q And so I'm just going to go back to the map right 23 here. Just one second. 24 And so for district details I'm going to look at 25 District 14. Do you see District 14 on your screen?</p>
<p style="text-align: right;">Page 111</p> <p>1 A Yes. 2 Q Okay. And can you read for me what the citizen VAP 3 2019 is for the Hispanic population? 4 A Yeah. It's 37,095 people, which represents 50.6 5 percent of CVAP. 6 Q Okay. And can you read to me the governor 2020 7 Democratic percentage? 8 A 20,940, 53.9 percent. 9 Q And based off of the district details that Dave's 10 Redistricting is showing right now, that means that in 11 2020 in this proposed District 14 the Democratic candidate 12 would have received 53.9 percent of the vote? 13 A Correct. 14 Q Would that mean that in this district the Democratic 15 candidate would have won the district -- 16 A Well, -- 17 Q -- for the governor's race? 18 A Yes, for the governor's race. Yes. 19 Q Okay. And this was a proposal from -- a Legislative 20 District map proposal from Commissioner Graves to 21 Commissioner Walkinshaw; is that correct? 22 A I very much doubt that. I suspect that this map was 23 further modified by me or our team to see how we could 24 work with a proposal that Representative Graves submitted 25 would be my assumption.</p>	<p style="text-align: right;">Page 112</p> <p>1 Q I'm going to stop sharing for a second, and I want 2 to go back to that email. So it says, "Hi All. This is 3 apparently an LD offer from Graves. It was sent in 4 Autobound Edge, and I converted to DRA." [as read] 5 Is that Dave's Redistricting? 6 A Correct. 7 Q Yes. So you say, "That makes the pop deviation 8 counts wrong, but you can otherwise explore demographics, 9 city lines, partisan performance, et cetera." 10 Nowhere in this email does it say that you modified 11 the map; is that correct? 12 MS. GOLDMAN: Objection, it speaks for 13 itself. 14 Q (By Ms. Waknin) You can answer. 15 A So yes, as of 9:48 and 53 seconds p.m. on Wednesday, 16 November 3rd of 2021, I do not believe I had modified the 17 map. 18 Q Okay. And so do you have any reason to believe that 19 you had modified this Dave's map that I had just shown 20 you? 21 A Well, yeah, looking at the map I do not believe that 22 that would have been an offer from Representative Graves. 23 Q Can you tell me why you don't believe that this was 24 an offer from Representative Graves? 25 A The district performance would not be something that</p>

LAKE SIDE REPORTING (833) 365-3376

Matthew J. Bridges

December 9, 2022

The State objects to lines 113:6-114:15: calls for a legal conclusion; lack of foundation. The questions plainly ask Mr. Bridges, a non-lawyer, to state a legal conclusion. Because Mr. Bridges was not a decisionmaker, his view of what the law was has no relevance, other than for its purported truth. Mr. Bridges' testimony also lacks foundation because he was not privy to the Commissioners' negotiations.

Pls response: Not being offered as expert or legal conclusions; based on Mr. Bridges' personal perception and knowledge of the facts and information provided during the redistricting process and what is he believed that there were proposed maps by Commissioners Fain and Graves to Commissioner Walkinshaw that were VRA compliant in his opinion. Foundation exists based on Bridge's personal experiences and observations at the 2021 commission, including his direct conversations with Commissioner Walkinshaw, his role as Commissioner Walkinshaw's map drawer and staffer, and his work analyzing mapping proposals for Commissioner Walkinshaw that were provided.

Page 113

- 1 I suspect he would have supported in an offer.
- 2 Q And why do you say that?
- 3 A He was working for the House Republican Caucus, and
- 4 I don't believe that Republicans would have so easily
- 5 volunteered that district on November 3rd.
- 6 Q Was there at any point an offer from
- 7 Commissioner Graves during the negotiation process to
- 8 Commissioner Walkinshaw where Commissioner Graves had
- 9 proposed a Legislative District 14 that complied with the
- 10 Voting Rights Act as you understood it?
- 11 A Not to my recollection.
- 12 MS. FRANKLIN: Objection, lacks foundation,
- 13 and to the extent it calls for a legal conclusion. Sorry
- 14 to interrupt.
- 15 Q (By Ms. Waknin) Matt, if you could just state your
- 16 answer again for the record.
- 17 A Not to my recollection, no.
- 18 Q Did Commissioner Fain ever provide during the
- 19 negotiation process to Commissioner Walkinshaw a
- 20 Legislative District map with District 14 -- with a Voting
- 21 Rights Act compliant Latino opportunity district during
- 22 the negotiation process?
- 23 MS. FRANKLIN: Same objection.
- 24 MS. GOLDMAN: Objection, calls for a legal
- 25 conclusion.

Page 114

- 1 A Not to my recollection, no.
- 2 Q (By Ms. Waknin) And it was your belief -- Strike
- 3 that.
- 4 Why do you think that Commissioners Graves and Fain
- 5 did not provide a VRA-compliant Legislative District map
- 6 as an offer in the negotiation process to Commissioner
- 7 Walkinshaw?
- 8 MS. FRANKLIN: Objection, lacks foundation.
- 9 MR. HOLT: Objection.
- 10 MS. FRANKLIN: Calls for speculation, and
- 11 calls for a legal conclusion. Sorry.
- 12 A Yeah, I would have no input into the thought
- 13 process. In terms of why I don't expect that it happened,
- 14 I just don't think on November 3rd we would have been that
- 15 far down the negotiation path regardless.
- 16 Q (By Ms. Waknin) What was happening around
- 17 November 3rd as to why that would inform why you don't
- 18 think that would be where you were in the negotiation
- 19 process?
- 20 A Well, the second round of Democratic maps had only
- 21 been released about a week earlier, and I think -- My
- 22 recollection is that it wasn't for another probably until
- 23 the following week that things really started to heat up.
- 24 Q And what do you mean by when you say things started
- 25 to heat up?

Page 115

- 1 A Negotiations happening at a faster pace and with
- 2 more give from both sides.
- 3 Q When negotiations were happening at a faster pace
- 4 were you still drawing maps during that period?
- 5 A Yes.
- 6 Q So I'm going to screen share again. Okay. And I'm
- 7 going to go back to Graves LD 14 (2).
- 8 (Map displayed.)
- 9 Q If this is a proposal from Commissioner Graves to
- 10 Commissioner Walkinshaw that you did not edit, do you
- 11 think that this is a -- this District 14 would perform for
- 12 Latino candidates of choice?
- 13 MS. GOLDMAN: Objection, calls for
- 14 speculation and for a legal conclusion.
- 15 A I honestly don't really know.
- 16 Q (By Ms. Waknin) With respect to the governor's race,
- 17 do you think the governor's race 2020 that we viewed
- 18 earlier, which -- do you think that this would be a
- 19 district proposal that would allow Latinos to elect their
- 20 candidates of choice?
- 21 MS. GOLDMAN: Objection, calls for a legal
- 22 conclusion, and lack of foundation. Calls for
- 23 speculation.
- 24 A Based on the -- You know, based on the statistics in
- 25 front of me here, yes.

Page 116

- 1 Q (By Ms. Waknin) And is that because the -- Strike
- 2 that.
- 3 MS. WAKNIN: Jeanne, do you want me to take
- 4 a screen shot?
- 5 THE REPORTER: I'll take one. Thank you.
- 6 (Screenshot No. 4 taken.)
- 7 Q Did you ever respond to the proposal by
- 8 Commissioner Graves?
- 9 A I do not believe I ever communicated with anyone on
- 10 either Commissioner Graves' or Commissioner Fain's teams.
- 11 Q Did you communicate within the Walkinshaw team about
- 12 this proposal from Commissioner Graves?
- 13 A Certainly I emailed this out. Beyond that I expect
- 14 so, but I don't have any specific memory one way or
- 15 another.
- 16 (Attorney Drew Stokesbary joined the Zoom proceedings.)
- 17 (Attorney Dallin Holt left the Zoom proceedings.)
- 18 Q Did you speak with Commissioner Walkinshaw about
- 19 this proposal from Commissioner Graves?
- 20 A I don't recall. I doubt it.
- 21 Q Why do you doubt it?
- 22 A I had -- During this time period I had very little
- 23 communication with Commissioner Walkinshaw.
- 24 Q Did you ever attempt to take this proposed 14th
- 25 Legislative District and add it or use it for future

<p>1 proposals from the Walkinshaw team?</p> <p>2 A I strongly suspect that we would have attempted to</p> <p>3 incorporate it into maps, but I don't have a specific</p> <p>4 recollection one way or another.</p> <p>5 Q Did Commissioner Walkinshaw ever send a response to</p> <p>6 Commissioner Graves with a counterproposal with this</p> <p>7 Legislative District 14 within it?</p> <p>8 MS. GOLDMAN: Objection, calls for</p> <p>9 speculation.</p> <p>10 MS. FRANKLIN: Objection, lacks foundation.</p> <p>11 Sorry.</p> <p>12 A I don't know.</p> <p>13 MS. WAKNIN: I am going to pull up</p> <p>14 Exhibit 7. It is an email from November 8, 2021,</p> <p>15 (Bridges Exhibit No. 7 introduced.)</p> <p>16 Q (By Ms. Waknin) And do you have that in front of</p> <p>17 you, Matt?</p> <p>18 A I do. Yes.</p> <p>19 Q All right. Matt, can you tell me what this document</p> <p>20 is in front of you?</p> <p>21 A It's again an email that Ali O'Neil forwarded to</p> <p>22 Brady Walkinshaw and also April Sims this time, originally</p> <p>23 sent by me to Ali O'Neil, Adam Bartz, Adam Hall and</p> <p>24 Paulette Avalos, and the subject line is Fain LD map.</p> <p>25 Q And can you read the email for me?</p>	<p>1 A "The long-awaited Fain LD map. I have not done any</p> <p>2 analysis yet." And then there's a Dave's link.</p> <p>3 Q Okay. And I'm going to go to that Dave's link.</p> <p>4 (Map displayed.)</p> <p>5 Q Can you see my screen?</p> <p>6 A Yes.</p> <p>7 Q Okay. And I'm going to put the district lines on</p> <p>8 and take the county lines and city lines off so you can</p> <p>9 see the map better, the district better.</p> <p>10 Okay. Can you read for me the title of this map?</p> <p>11 A Fain V2.</p> <p>12 Q And do you remember this map, Matt?</p> <p>13 A Not in detail, but it does look familiar, yes.</p> <p>14 Q And can you read to me what the citizen voting age</p> <p>15 population for District 14 is?</p> <p>16 A For Hispanics it's 10,797, or 10.1 percent of the</p> <p>17 population.</p> <p>18 Q Okay. So would you say on this proposal District 14</p> <p>19 is not a majority Latino citizen voting age population</p> <p>20 district?</p> <p>21 A According to this data, yes.</p> <p>22 Q So I'm going to go over -- Can you read the citizen</p> <p>23 voting age population 2019 for District 15 for me, please,</p> <p>24 for the Hispanic population?</p> <p>25 A 35,652, or 50.6 percent of the population.</p>
Page 119	Page 120
<p>1 Q Okay. And this map has then District 15 is the</p> <p>2 Hispanic majority district; is that correct?</p> <p>3 A According to this data, yes.</p> <p>4 Q Okay. And then can you read for me the governor's</p> <p>5 2020 metric race?</p> <p>6 A In percentages the Democrat gets 50.8 percent, the</p> <p>7 Republican 48.9 percent.</p> <p>8 Q Okay. So on this map in District 15 in the governor</p> <p>9 2020 race the Democrat would have won the district; is</p> <p>10 that correct?</p> <p>11 A According to this data, yes.</p> <p>12 Q And this was a proposal from Commissioner Fain;</p> <p>13 correct?</p> <p>14 A I believe so, yes.</p> <p>15 Q And so in Commissioner Fain's V2 proposal</p> <p>16 Commissioner Fain has a Legislative District that is</p> <p>17 majority citizen voting age percent Hispanic and has at</p> <p>18 least in one race, the governor 2020 race, a Democrat</p> <p>19 winning the district; is that correct?</p> <p>20 A According to this data, yes.</p> <p>21 Q Okay. So would you think that this map, according</p> <p>22 to the data I've just shown you, would have been a</p> <p>23 compliant VRA district --</p> <p>24 MS. GOLDMAN: Objection.</p> <p>25 Q (By Ms. Waknin) -- under the metrics that you</p>	<p>1 used --</p> <p>2 MS. GOLDMAN: Objection.</p> <p>3 Q (By Ms. Waknin) -- In the 2021 redistricting?</p> <p>4 MS. GOLDMAN: Objection.</p> <p>5 MS. FRANKLIN: Objection.</p> <p>6 MS. GOLDMAN: Calls for a legal conclusion,</p> <p>7 calls for speculation, lack of foundation.</p> <p>8 A Yeah, I -- I don't feel like it's clear to me one</p> <p>9 way or another.</p> <p>10 Q (By Ms. Waknin) So why don't we look at then</p> <p>11 presidential. Okay. So in the presidential race in 2020</p> <p>12 can you read for me the Democratic percentage?</p> <p>13 A Yeah. It looks like 52.4 percent.</p> <p>14 Q And what did the Republican candidate get?</p> <p>15 A 45.1 percent.</p> <p>16 Q And what are the Latino candidates of choice in</p> <p>17 Eastern Washington?</p> <p>18 A Generally speaking, historically Hispanic -- Latino</p> <p>19 communities favor Democrats.</p> <p>20 Q Okay. In partisan races; is that correct?</p> <p>21 A Correct.</p> <p>22 Q Okay. And you were just looking at partisan races;</p> <p>23 is that correct?</p> <p>24 A Yes.</p> <p>25 Q Okay. And so this map has -- Does this map have</p>

<p>1 some of the aspects that the Walkinshaw team looked at for</p> <p>2 whether or not a district was a Latino performing</p> <p>3 opportunity district?</p> <p>4 MS. WAKNIN: I'm going to let Jeanne</p> <p>10 screenshot this map.</p> <p>11 THE REPORTER: Okay. Just a moment. Thank</p> <p>12 you.</p> <p>13 (Screenshot No. 5 taken.)</p> <p>14 Q How did you respond when you received this proposal</p> <p>15 from Commissioner Fain's team?</p> <p>16 A I don't remember.</p> <p>17 Q How did the Walkinshaw team respond to this proposal</p> <p>18 when you received it from Commissioner Fain's team?</p> <p>19 A I also don't have a specific recollection for this</p> <p>20 specific offer.</p> <p>21 Q Did you speak to Commissioner Walkinshaw at all</p> <p>22 about this proposal from Commissioner Fain's team?</p> <p>23 A Not that I can recall. And I doubt it, but I can't</p> <p>24 say for certain.</p> <p>25 Q Did you attempt to take the Commissioner Fain's</p>	<p>1 proposal that was included in the map that we just looked</p> <p>2 at and add to it or use it for future proposals by</p> <p>3 Commissioner Walkinshaw?</p> <p>4 A I can't -- I don't know specifically, but I would</p> <p>5 expect so.</p> <p>6 Q And why do you expect so?</p> <p>7 A That's essentially what my entire job was at that</p> <p>8 point in the process.</p> <p>9 Q Did Commissioner Walkinshaw send a response to</p> <p>10 Commissioner Fain during negotiations about the LD 15 that</p> <p>11 Commissioner Fain had proposed in the November 8th map?</p> <p>12 MS. GOLDMAN: Objection, calls for</p> <p>13 speculation.</p> <p>14 MS. FRANKLIN: Objection, lacks foundation.</p> <p>15 A I don't know.</p> <p>16 Q (By Ms. Wakinin) What happened next after</p> <p>17 Commissioner Fain provided you with his Fain V2 proposal</p> <p>18 that he titled it on November 8th?</p> <p>19 A I don't remember a specific timeline of events at</p> <p>20 that point. Again, at that point we're within about a</p> <p>21 week of the deadline, and so there was a lot of</p> <p>22 back-and-forth going on.</p> <p>23 And so I was certainly drafting modified maps, you</p> <p>24 know, discussing proposals with the Walkinshaw team, but I</p> <p>25 don't have a specific recollection of a response to the</p>

<p>1 Fain map.</p> <p>2 MS. WAKNIN: So I am going to introduce</p> <p>3 another map, Exhibit 9. It's a live map, though I will</p> <p>4 have --</p> <p>5 Jeanne, can you take a screenshot of this and label</p> <p>6 this Exhibit 9.</p> <p>7 (Screenshot taken.)</p> <p>8 (Discussion with court reporter.)</p> <p>9 (Bridges Exhibit No. 8 introduced and displayed.)</p> <p>10 Q (By Ms. Wakinin) Matt, are you familiar with this</p> <p>11 map?</p> <p>12 MS. GOLDMAN: Objection, calls for</p> <p>13 speculation.</p> <p>14 A The basic outlines of many of the districts look</p> <p>15 familiar.</p> <p>16 Q (By Ms. Wakinin) I am going to represent to you that</p> <p>17 we subpoenaed Dave's Redistricting for maps related to</p> <p>18 your account, and we received this mapping proposal.</p> <p>19 Can you read the title of this map for me?</p> <p>20 A "11/9 AM Proposal, Weaker LD 14 and 42."</p> <p>21 Q What does this map title mean?</p> <p>22 A It's a map that we finalized for discussion on the</p> <p>23 morning of November 9th, and the purpose -- or the</p> <p>24 differences in the map were weakening Democratic</p> <p>25 performance in the 14th and 42nd Legislative Districts.</p>	<p>1 Q Why were you weakening performance in the 14th and</p> <p>2 42nd Legislative Districts?</p> <p>3 A We were working to come to an agreement with the</p> <p>4 Republican commissioners.</p> <p>5 Q And why was weakening performance in the 14th and 42</p> <p>6 Legislative Districts important to coming to a negotiation</p> <p>7 with the Republican commissioners?</p> <p>8 A Well, as with any bipartisan negotiation, both sides</p> <p>9 are not going to get what they want, and by weakening the</p> <p>10 14th and 42nd that necessarily strengthens the Republican</p> <p>11 position in those districts.</p> <p>12 Q So did any of the Republican commissioners ask</p> <p>13 Commissioner Walkinshaw and his team to provide for them</p> <p>14 Legislative District proposals that provided a weakened</p> <p>15 14th and 42nd District?</p> <p>16 MS. GOLDMAN: Objection, compound, calls</p> <p>17 for speculation.</p> <p>18 A I do not know one way or another.</p> <p>19 Q (By Ms. Wakinin) Let's look at District 14. Can you</p> <p>20 read for me the voting age population 2020 in District 14</p> <p>21 for Hispanics?</p> <p>22 A It's 70,908 I think that says, and 67.1 percent of</p> <p>23 the population.</p> <p>24 Q And can you read for me what the Hispanic citizen</p> <p>25 voting age population 2019 data is?</p>

<p>1 A It looks like 36,349 and 50.4 percent.</p> <p>2 Q Okay. And the Democratic -- Can you read for me the</p> <p>3 governor 2020 Democratic percentage?</p> <p>4 A Yes. 52.1 percent.</p> <p>5 Q And so in your Legislative District 14, even a</p> <p>6 weakened LD 14, the Democratic gubernatorial candidate won</p> <p>7 the district; is that correct?</p> <p>8 A According to this data, yes.</p> <p>9 Q Why in a weakened version of 14 did you still have a</p> <p>10 Democratic candidate winning the district?</p> <p>11 A We were attempting to provide proposals that met the</p> <p>12 strictures of the federal Voting Rights Act in this area.</p> <p>13 Q And so in your opinion, recognizing that you are not</p> <p>14 a lawyer, your understanding then was to have a performing</p> <p>15 district to elect candidates of Latino -- to have a</p> <p>16 performing district the district had to vote Democrat; is</p> <p>17 that correct?</p> <p>18 MS. GOLDMAN: Objection, calls for</p> <p>7 speculation, lack of foundation.</p> <p>8 A I guess the population is pretty evenly split</p> <p>9 between people who prefer Democrats and people who prefer</p> <p>10 Republicans.</p> <p>11 Q (By Ms. Waknin) And on the proposed, on the 11/9 AM</p> <p>12 Proposed Weaker LD 14 and 42 map, acknowledging that</p> <p>13 you're not a lawyer, what metrics or data did you look at</p> <p>14 in determining if the district was likely in your view to</p> <p>15 comply with the VRA?</p> <p>16 MS. WAKNIN: Oh, sorry.</p> <p>20 MS. FRANKLIN: And objection, compound.</p> <p>21 (Map displayed.)</p> <p>22 A I think the two primary components that we were</p> <p>23 working with were maintaining a majority CVAP Hispanic</p> <p>24 population and maintaining electoral performance in the</p> <p>25 district.</p>
Page 127	Page 128
<p>1 Q (By Ms. Waknin) Okay. Did you share the 11 AM --</p> <p>2 the 11/9 AM Proposal with anyone on the Walkinshaw team?</p> <p>3 A I don't recall specifically, but I strongly suspect</p> <p>4 that I shared it with the entire Walkinshaw team -- not</p> <p>5 Walkinshaw himself necessarily. Again, that communication</p> <p>6 essentially all happened through Ali, but for the rest of</p> <p>7 the team.</p> <p>8 Q Did you receive any feedback from the Walkinshaw</p> <p>9 team on that map?</p> <p>10 A I don't recall specifically. I would imagine so,</p> <p>11 but I don't have specifics.</p> <p>12 Q Did anyone from the Commissioner Walkinshaw team</p> <p>13 tell you that they were sharing the map with anyone</p> <p>14 outside of the team?</p> <p>15 A I cannot recall one way or another.</p> <p>16 Q Okay. <p>1 greater sign -- Fain 11/10 New VRA.</p> <p>2 Q And did you draw this map?</p> <p>3 A It looks very similar to maps that I drew, so I</p> <p>4 would expect yes.</p> <p>5 Q And I'm going to put the district lines on for</p> <p>6 everyone to see. So let's go to District 14.</p> <p>7 Can you read for me the voting age population 2020</p> <p>8 in District 14?</p> <p>9 A For the Hispanic community it's 72,522, or</p> <p>10 68.6 percent.</p> <p>11 Q And can you read for me the governor 2020 Democratic</p> <p>12 election?</p> <p>13 A It looks like 57.3 percent.</p> <p>14 Q And I'm going to include -- I'm putting on the</p> <p>15 citizen VAP 2019. Can you read for me what the Hispanic</p> <p>16 citizen VAP 2019 is?</p> <p>17 A Yes. I believe it's 38,181, although I believe --</p> <p>18 it's a little blurry, and 52.6 percent.</p> <p>19 Q And Wapato and Toppenish are included in the</p> <p>20 majority Hispanic district in this map; is that correct?</p> <p>21 A Yeah. Certainly -- I don't -- You know, the city</p> <p>22 lines aren't on, but from -- It looks so. It appears so,</p> <p>23 yes.</p> <p>24 Q Okay. I can put the city lines in.</p> <p>25 A Yes.</p>	<p>1 Q Okay. And this map also has part of the City of</p> <p>2 Pasco in it; is that correct?</p> <p>3 A That's correct, yes.</p> <p>4 Q Are you familiar with the City of Pasco?</p> <p>5 A I mean, not in any unique sense.</p> <p>6 Q What do you know about the City of Pasco?</p> <p>7 A It's the largest city in Franklin County and has a</p> <p>8 substantial Hispanic population.</p> <p>9 Q And do you know why Ali would be sharing this map</p> <p>10 with Paul Campos?</p> <p>11 MS. GOLDMAN: Objection, calls for</p> <p>12 speculation.</p> <p>13 A Well, you know, again, this map was from</p> <p>14 November 10th. We're within five days of the deadline,</p> <p>15 and so working on negotiating would be my speculation.</p> <p>16 Q (By Ms. Waknin) Did Ali O'Neil have a conversation</p> <p>17 with you about sharing Legislative District maps with</p> <p>18 Commissioner Fain's team?</p> <p>19 A I cannot recall specifically, but I would imagine</p> <p>20 so, yes.</p> <p>21 Q I'm going to pull up Exhibit 9, which is another</p> <p>22 Dave's Redistricting link.</p> <p>23 (Map displayed.)</p> <p>24 Q Matt, I'm going to represent to you that this was a</p> <p>25 map produced by Dave's Redistricting in connection to your</p>
Page 131	Page 132
<p>1 Dave's Redistricting account, and that this map was</p> <p>2 created at 11/11/2021.</p> <p>3 Are you familiar with this map?</p> <p>4 MS. GOLDMAN: Objection, lack of</p> <p>5 foundation, calls for speculation.</p> <p>6 A The general outlines of the districts look familiar.</p> <p>7 Q (By Ms. Waknin) Can you read the title for me of</p> <p>8 this map?</p> <p>9 A D-Only Commission Vote.</p> <p>10 Q What does that mean?</p> <p>11 A This was a speculative map for what a legislative</p> <p>12 map might look like that both Democratic commissioners</p> <p>13 could vote for in the case that an agreement was not</p> <p>14 reached.</p> <p>15 Q What do you mean by in the case if an agreement was</p> <p>16 not reached?</p> <p>17 A At this point in the process we were pretty close to</p> <p>18 the deadline, and it was not clear that the commissioners</p> <p>19 would be able to come to an agreement.</p> <p>20 Q And so what was the purpose of this map then?</p> <p>21 A It was in furtherance of the goals that we had</p> <p>22 earlier, in the earlier maps that we talked about this</p> <p>23 morning, of attempting to find a map that both Democratic</p> <p>24 commissioners could approve of.</p> <p>25 Q And functionally if only both Democratic</p>	<p>1 commissioners approve of this map, what would it have done</p> <p>2 for negotiation?</p> <p>3 A Well, it would not have done anything for</p> <p>4 negotiations because at that point negotiations would have</p> <p>5 concluded. The Redistricting Commission was set to expire</p> <p>6 at the end of the day on November 15th.</p> <p>7 Q Okay. And so was this map one that the Democrats</p> <p>8 were just preparing to have as a backup map in case the</p> <p>9 Commission was unable to come to an agreement?</p> <p>10 MS. GOLDMAN: Objection, asked and</p> <p>11 answered.</p> <p>12 A Yeah, I don't think I have anything in particular</p> <p>13 more to add. We were -- The Walkinshaw team was working</p> <p>14 on trying to find a map that both Commissioner Sims and</p> <p>15 Commissioner Walkinshaw could approve of.</p> <p>16 Q (By Ms. Waknin) Why didn't Commissioner Sims approve</p> <p>17 of this map?</p> <p>18 MS. FRANKLIN: Objection, lacks foundation.</p> <p>19 MS. GOLDMAN: Objection, calls for</p> <p>20 speculation.</p> <p>21 A I did not have any conversations with her to -- on</p> <p>22 this map.</p> <p>23 Q (By Ms. Waknin) Did someone from Commissioner Sims's</p> <p>24 team express to you that this was an acceptable map to</p> <p>25 Commissioner Sims?</p>

<p>1 A I'm sorry, expressed that it was or wasn't?</p> <p>2 Q It was an acceptable map.</p> <p>3 A No, it was never expressed that this was acceptable.</p> <p>4 Q All right.</p> <p>5 MS. WAKNIN: Jeanne, I'm going to let you</p> <p>6 take a screenshot.</p> <p>7 (Screenshot taken.)</p> <p>8 (Bridges Exhibit No. 9 introduced.)</p> <p>9 Q (By Ms. Waknin) During the final week of negotiation</p> <p>10 what was your understanding of how the commissioners</p> <p>11 treated compliance with the Voting Rights Act in the</p> <p>12 Yakima Valley area?</p> <p>13 MS. GOLDMAN: Objection, vague, and calls</p> <p>14 for a legal conclusion.</p> <p>15 MS. FRANKLIN: Objection, lacks foundation.</p> <p>16 A In terms of the work that I was asked to do, it</p> <p>17 reflected a sense that that was one among many priorities</p> <p>18 for the various commissioners.</p> <p>19 Q (By Ms. Waknin) And what were the other priorities</p> <p>20 for the various commissioners that you understood?</p> <p>21 MS. FRANKLIN: Lacks foundation.</p> <p>22 A The -- Primarily political performance was certainly</p> <p>23 the top priority, and then there were specific district</p> <p>24 lines outside of the Yakima Valley area where</p> <p>25 commissioners had specific goals in mind for district</p>	<p>1 lines.</p> <p>2 Q (By Ms. Waknin) Did you ever get the impression that</p> <p>3 Commissioner Sims believed that it was okay to approve of</p> <p>4 a Legislative District that did not allow Latino voters to</p> <p>5 elect candidates of choice in the Yakima Valley region so</p> <p>6 long as the Latino citizen voting age population was over</p> <p>7 50 percent?</p> <p>8 MR. STOKESBARY: Objection, compound.</p> <p>9 MS. GOLDMAN: Objection, vague.</p> <p>10 MS. FRANKLIN: Objection, lacks foundation,</p> <p>11 calls for speculation.</p> <p>12 A What do you mean by okay, I guess, is --</p> <p>13 Q (By Ms. Waknin) Did you get the impression that</p> <p>14 Commissioner Sims thought it was acceptable to vote for a</p> <p>15 Legislative District proposal that did not allow Latinos</p> <p>16 to elect candidates of choice in the Yakima Valley region</p> <p>17 so long as the Legislative District had over 50 percent</p> <p>18 Latino citizen voting age population?</p> <p>19 MS. GOLDMAN: Objection, calls for</p> <p>20 speculation, and vague.</p> <p>21 A That was my understanding, yes.</p> <p>22 Q (By Ms. Waknin) And what do you base that</p> <p>23 understanding off of?</p> <p>24 A Based on the conversations that we had with the Sims</p> <p>25 team, there were other priorities that took precedence;</p>
Page 135	Page 136
<p>1 and if they could achieve those priorities, that priority</p> <p>2 was not as critical.</p> <p>3 Q What was your role on Commissioner Walkinshaw's team</p> <p>4 from November 12th to November 15th, 2021?</p> <p>5 MS. GOLDMAN: Objection, asked and</p> <p>6 answered.</p> <p>7 A So as before, I was largely doing data analytics and</p> <p>8 map drawing, and so requests for broad maps and specific</p> <p>9 line changes, again largely through -- funneled via Ali,</p> <p>10 would come to me, and I would rework lines to produce the</p> <p>11 map proposals.</p> <p>12 Q (By Ms. Waknin) Did Ali O'Neil ever tell you that</p> <p>13 Commissioner Walkinshaw and Commissioner Fain were having</p> <p>14 conversations about a Voting Rights Act compliant district</p> <p>15 on the Legislative District map in the Yakima Valley</p> <p>16 region from November 12th to November 15th?</p> <p>17 A I cannot recall.</p> <p>18 Q Did Adam Hall tell you if Commissioner Walkinshaw</p> <p>19 and Commissioner Fain were having conversations about a</p> <p>20 VRA-compliant district in the Yakima Valley region for the</p> <p>21 Legislative District map?</p> <p>22 A I cannot recall.</p> <p>23 Q Did Ali O'Neil ever tell you if Commissioner</p> <p>24 Walkinshaw and Commissioner Graves were having</p> <p>25 conversations about a VRA-compliant district on the</p>	<p>1 Legislative District map in the Yakima Valley region</p> <p>2 during the final week of negotiation?</p> <p>3 A I can't recall.</p> <p>4 Q Did Adam Hall ever tell you if Commissioner Graves</p> <p>5 and Commissioner Walkinshaw were having conversations</p> <p>6 about a VRA-compliant district in the Yakima Valley region</p> <p>7 during the final week of negotiation?</p> <p>8 A I can't recall.</p> <p>9 Q Were there any conversations that you were privy to</p> <p>10 between Commissioner Walkinshaw's team about the</p> <p>11 possibility that the final Legislative District map would</p> <p>12 not include a Voting Rights Act compliant district during</p> <p>13 the final week of negotiation?</p> <p>14 A Yes.</p> <p>15 Q What was said during those conversations?</p> <p>16 A Again, I would characterize it again as a lot of</p> <p>17 frustration from all members of the Walkinshaw team that</p> <p>18 it was being considered as an acceptable outcome.</p> <p>19 Q And is that because the Walkinshaw team viewed</p> <p>20 compliance with the federal Voting Rights Act as mandatory</p> <p>21 for the Legislative District maps?</p> <p>22 MS. GOLDMAN: Objection, calls for a legal</p> <p>23 conclusion, and calls for speculation.</p> <p>24 MS. FRANKLIN: Objection, lacks foundation.</p> <p>25 A Yes.</p>

The State objects to lines 134:2-135:2: lack of foundation; hearsay. The State incorporates its comments from pp. 32 and 51.

Pls response: Foundation exists based on Bridge's personal experiences and observations at the 2021 commission, including his direct conversations with Commissioner Sims and staff, his inclusion in conversations as a staffer. Not hearsay 803 exception as present sense impression; then existing mental condition.

<p style="text-align: right;">Page 137</p> <p>1 Q (By Ms. Waknin) Why was the November 15th, 2021 date 2 significant for the Washington Redistricting Commission? 3 A It's the deadline by which the maps have to be 4 approved. 5 Q And to your understanding when you say "maps have to 6 be approved," do you mean physical maps, or do you mean 7 the parameters of a map? 8 MS. GOLDMAN: Objection, calls for a legal 9 conclusion. 10 A I don't know that any -- I would say it needs to be 11 physical on paper, but the census tract block -- block, 12 you know, block or block assignments would need to be in 13 place. 14 Q (By Ms. Waknin) Matt, I'm just going to ask after I 15 ask you a question if you just wait a little bit for your 16 attorney and the other attorneys to object if they have 17 objections so that way we have a clean record. 18 Does that sound okay to you? 19 A Yep. 20 Q Okay. Don't worry. It's only 1:35, so if you have 21 dinner plans tonight, you should still get to them. 22 Did anyone from the Walkinshaw team tell you that 23 there was an agreement on the configuration of Legislative 24 Districts 14 and 15 before November 15th, 2021? 25 A No.</p>	<p style="text-align: right;">Page 138</p> <p>1 Q Was it your understanding then that Legislative 2 Districts 14 and 15 and a VRA-compliant district in the 3 Yakima Valley region was still something that had to be 4 negotiated on November 15, 2021? 5 MS. FRANKLIN: Objection, lacks foundation, 6 and to the extent that it calls for a legal conclusion. 7 A Yes. 8 Q (By Ms. Waknin) Were you having conversations with 9 Ali O'Neil and Adam Hall that day on a VRA-compliant 10 Legislative District map? 11 MS. GOLDMAN: Objection as to form, vague. 12 A Yes. 13 Q (By Ms. Waknin) And how many conversations on 14 November 15th did you have with Ali O'Neil and Adam Hall 15 about a VRA-compliant Legislative District map? 16 A It would be hard to characterize. Ali was in 17 Federal Way, so those conversations would have been more 18 discrete, although we were also exchanging text messages. 19 Adam Hall for most of that day was -- we were in 20 person together, so it was kind of a continuous 21 conversation. 22 Q What is Federal Way? 23 A Federal Way is a city in south King County where the 24 commissioners were meeting for the last day or two before 25 the deadline, attempting to come to an agreement.</p>
<p style="text-align: right;">Page 139</p> <p>1 Q And were you with Commissioner Walkinshaw on 2 November 15th, 2021? 3 A I was not. 4 Q How were you receiving information regarding the 5 negotiations on the Legislative District map on 6 November 15th? 7 A Largely via email or on Teams meetings, or text 8 messages to an extent I would say as well. 9 Q Were you still drawing Legislative District maps on 10 the -- during the day on November 15th? 11 A I was, yes. 12 MS. WAKNIN: I am going to introduce an 13 exhibit, and I'm going to represent to you that this is a 14 map that was produced by Dave's Redistricting in 15 connection to your Dave's Redistricting account and that 16 this map was created on 11/15/2021. 17 (Map displayed.) 18 Q Do you recognize this map, Matt? 19 MS. GOLDMAN: Objection, calls for 20 speculation. 21 A Not specifically, but the shape of that 14th 22 District is certainly one that we were discussing, yes. 23 Q (By Ms. Waknin) Okay. And can you read the title of 24 this map for me? 25 A It says Southern LD 14.</p>	<p style="text-align: right;">Page 140</p> <p>1 Q Do you know what that is in reference to? 2 A This would be a proposed 14th Legislative District 3 that takes the southern path to connect Yakima and Pasco. 4 Q Okay. And can you read for me the citizen VAP 2019 5 for this Legislative District 14? 6 A It looks like 38,181, and 52.6 percent. 7 Q Okay. And can you read for me the composite 2016 to 8 2020 metric? 9 A 59.0 for Democrats, and 40.3 for Republicans. 10 Q Did this map proposal -- Did you share this map 11 proposal with anyone? 12 MS. GOLDMAN: Objection, calls for 13 speculation. 14 A I don't recall. 15 Q (By Ms. Waknin) Would you have shared this map 16 proposal with Adam Hall? 17 MS. GOLDMAN: Objection, calls for 18 speculation. 19 A I would not have hesitated to share it with him. I 20 don't know if I did or not. 21 Q (By Ms. Waknin) Did you assess whether or not this 22 map included a Latino opportunity district to your 23 understanding of what that means? 24 MS. GOLDMAN: Objection, calls for a legal 25 conclusion, and calls for speculation.</p>

<p style="text-align: right;">Page 141</p> <p>1 A That was certainly the goal of the Walkinshaw team</p> <p>2 during this time for the 14th Legislative District.</p> <p>3 MS. WAKNIN: I'm going to stop share.</p> <p>4 (Discussion with court reporter.)</p> <p>5 (Screenshot taken.)</p> <p>6 (Bridges Exhibit No. 10 introduced.)</p> <p>7 Q (By Ms. Waknin) Do you remember what you were doing</p> <p>8 in the afternoon of November 15, 2021?</p> <p>9 A So broadly speaking, Ali was relaying to us</p> <p>10 political performance metrics for various legislative and</p> <p>11 congressional districts, and we were -- Adam -- I should</p> <p>12 say Adam Hall, Adam Bartz and I were together in person</p> <p>13 drawing maps to hit those political performance targets.</p> <p>14 Q And what were those political performance targets</p> <p>15 that you were trying to hit?</p> <p>16 A They were largely based on the 2020 treasurer's</p> <p>17 race.</p> <p>18 Q And why were they based on the 2020 treasurer's</p> <p>19 race?</p> <p>20 A I was not involved in the conversation to select</p> <p>21 that result, but it is the -- It was the most generic</p> <p>22 election of the statewide 2020 elections.</p> <p>23 Q What do you mean by it was the most generic</p> <p>24 election?</p> <p>25 A It did not feature a Democratic incumbent. It was a</p>	<p style="text-align: right;">Page 142</p> <p>1 pretty -- There were no -- There were no -- It was not a</p> <p>2 top-of-the-line race. It was most likely to feature a</p> <p>3 standard Democratic versus Republican matchup without</p> <p>4 confounding factors.</p> <p>5 Q So how would you then characterize the 2020</p> <p>6 presidential race?</p> <p>7 A In comparison, the 2020 presidential race has much</p> <p>8 less relevance to legislative races because the top of the</p> <p>9 ticket tends to be far different from down ticket. And</p> <p>10 further, presidential races feature more than two</p> <p>11 candidates, whereas in Washington state the other races</p> <p>12 only feature two candidates, so the percentages are less</p> <p>13 applicable.</p> <p>14 Q And what was the specific metrics for LD 14 and 15</p> <p>15 for the 2020 treasurer's race that you were all</p> <p>16 discussing?</p> <p>17 MS. GOLDMAN: Objection, calls for</p> <p>18 speculation.</p> <p>19 A And I don't know that number.</p> <p>20 Q (By Ms. Waknin) Was it a discussion that the metric</p> <p>21 had to be in favor of one party or another for the LD --</p> <p>22 for LD 15 or --</p> <p>23 MS. GOLDMAN: Objection, vague.</p> <p>24 A I was not party to the discussion, and so I don't</p> <p>25 know what conversation happened in the room.</p>
<p style="text-align: right;">Page 143</p> <p>1 MS. WAKNIN: Okay. I am going to introduce</p> <p>2 Exhibit 12 -- or 11.</p> <p>3 THE REPORTER: Eleven.</p> <p>4 MS. WAKNIN: Eleven. I am going to</p> <p>5 represent to you that this was a map produced by Dave's</p> <p>6 Redistricting in regard to your Dave's Redistricting</p> <p>7 account and that this map was created on 11/15/2021.</p> <p>8 (Map displayed.)</p> <p>9 Q Matt, are you familiar with this map?</p> <p>10 MS. GOLDMAN: Objection, calls for</p> <p>11 speculation.</p> <p>12 A Again, the basic outlines of many of the districts</p> <p>13 look familiar, yes, but I don't remember this map</p> <p>14 specifically.</p> <p>15 Q (By Ms. Waknin) And can you read the title of the</p> <p>16 map for me?</p> <p>17 A It says Cleanest Possible Map.</p> <p>18 Q And what does that title mean?</p> <p>19 A I honestly don't know what that would -- what that</p> <p>20 was a reference to.</p> <p>21 Q And does this District 14 look substantially similar</p> <p>22 to other District 14 proposals by the Walkinshaw team?</p> <p>23 MS. GOLDMAN: Objection, vague.</p> <p>24 A In terms of the population -- populations captured</p> <p>25 by the district, yes, it does.</p>	<p style="text-align: right;">Page 144</p> <p>1 MS. WAKNIN: I'm going to let Jeanne take a</p> <p>2 screenshot.</p> <p>3 (Screenshot taken.)</p> <p>4 MS. It's a nice basement.</p> <p>14 Q And what were you --</p> <p>15 Did you say it's a nice basement?</p> <p>16 A Yes.</p> <p>17 Q That's pretty funny.</p> <p>18 And what were you and Adam Hall doing on the day of</p> <p>19 November 15th, 2021?</p> <p>20 A Adam Bartz was also there. And again, we were</p> <p>21 receiving information about political metrics to try to</p> <p>22 hit and working on drawing maps to meet those metrics.</p> <p>23 Q And what were the metrics that you were trying to</p> <p>24 hit for LD -- for the Legislative Districts in the Yakima</p> <p>25 Valley area?</p>

1 A Those districts by that point had been siloed off
 2 from our team.
 3 Q What do you mean that they were siloed off from your
 4 team?
 5 A The Walkinshaw team was no longer part of the
 6 negotiation process for that part of the state.
 7 Q Why wasn't the Walkinshaw team part of the
 8 negotiation process for that part of the state?
 9 A I was not in the room, so I don't know.
 10 Q At what point did the Walkinshaw team not become --
 11 not part of the process for discussing the Yakima Valley
 12 region for the Legislative District map on November 15th?
 13 MS. GOLDMAN: Objection, calls for
 14 speculation, and vague.
 15 MS. FRANKLIN: And lack of foundation.
 16 A I don't recall the specific timeline on that.
 17 Q (By Ms. Wakin) Just at some point on November 15th
 18 the Walkinshaw team was siloed from speaking -- from the
 19 Yakima Valley negotiations; is that correct?
 20 MS. GOLDMAN: Are you asking me?
 21 MS. WAKNIN: I'm asking Matt.
 22 MS. GOLDMAN: Oh, I thought you said
 23 Jessica.
 24 MS. WAKNIN: Oh, no. Sorry. I didn't say
 25 your name.

Page 147

1 Yakima Valley area on November 15th?
 2 MS. GOLDMAN: Objection, calls for
 3 speculation.
 4 MS. FRANKLIN: Objection, lacks foundation.
 5 A I don't know.
 6 Q (By Ms. Wakin) What is the basis for your belief
 7 that the Walkinshaw team was siloed from negotiations on
 8 the Yakima Valley district?
 9 A The -- We -- Again, we just -- We stopped receiving
 10 metrics, and our understanding was outside of the 3rd
 11 Legislative District in Spokane the agreement had been
 12 reached that the Democratic commissioners would not
 13 continue working on Eastern Washington.
 14 But again, I was not in the room, so I don't have
 15 any direct knowledge.
 16 Q Who told you that there was an agreement reached
 17 that the Democratic commissioners would not continue
 18 working on Eastern Washington?
 19 A Ali.
 20 Q And was this because Ms. O'Neil was in the room at
 21 the time that that conversation was happening?
 22 MS. GOLDMAN: Objection, lack of
 23 foundation, calls for speculation, and vague.
 24 A And I don't have any particular insight.
 25 Q (By Ms. Wakin) Did you have a conversation with

Page 146

1 MS. GOLDMAN: I'm sorry.
 2 A And --
 3 MS. GOLDMAN: I'm sorry. Can I have the
 4 question read back, please?
 5 THE REPORTER: She said, "Just at some
 6 point."
 7 MS. GOLDMAN: Oh, just.
 8 THE REPORTER: "Just at some point on
 9 November 15th the Walkinshaw team was siloed from
 10 speaking -- from the Yakima Valley negotiations; is that
 11 correct?"
 12 MS. GOLDMAN: Objection, calls for
 13 speculation.
 14 A And I would say that I -- Again, I was not in
 15 Federal Way, so I do not know the tenor of the
 16 conversation or content of the conversation there; but we
 17 stopped receiving metrics for that area, as I recall,
 18 fairly early in the day that day.
 19 Q (By Ms. Wakin) Who -- When you say you stopped
 20 receiving metrics for that area, who were you receiving
 21 metrics from?
 22 A Ali O'Neil.
 23 Q Was Ms. O'Neil receiving metrics about that -- from
 24 the area -- Strike that.
 25 Was Ms. O'Neil receiving metrics with respect to the

Page 148

1 Ali O'Neil on November 15th as to whether the Republican
 2 commissioners were still working on their -- on the
 3 Eastern Washington portion of the Legislative District
 4 map?
 5 A In general, certainly yes.
 6 Q And what was said during those conversations with
 7 Ms. O'Neil?
 8 A I can't recall, other than the fact that the
 9 Republican commissioners were the ones working on Eastern
 10 Washington at that point.
 11 Q At any point on November 15th did anyone from the
 12 Walkinshaw team tell you that Commissioner Walkinshaw was
 13 not going to vote on the Legislative District map?
 14 A Not definitively, but yes, that -- that concept was
 15 certainly discussed.
 16 Q And who was discussing that concept?
 17 A I'm sorry?
 18 Q Who was discussing that concept with you?
 19 A The entire day of November 15th, as far as I can
 20 recall, the only people I was having conversations with
 21 were Ali O'Neil, Adam Hall and Adam Bartz in regards to
 22 the people in the room having those conversations.
 23 Toward the end I know we were also in communication
 24 with Senators Pedersen and Billig. I believe there may
 25 have been conversations with them about Commissioner

The State objects to lines 147:6-19: lack of foundation; hearsay. This is not a statement of a party-opponent because neither the Commission nor the Legislature (who employed Ali O'Neil) is a party, and even if it were, Ms. O'Neill is not a speaking agent for either. This is not a present sense impression because the purported statement from Ms. O'Neill does not contemporaneously describe any event or condition. Nor is this a statement of a then-existing mental condition because the purported statement does not describe Ms. O'Neill's "then-existing state of mind (such as motive, intent, or plan)." Mr. Bridges' testimony lacks foundation because his only basis is the hearsay statement from Ms. O'Neill.

to 148)

Pls response to above: Foundation exists based on Bridge's personal experiences and observations at the 2021 commission and his involvement in the redistricting process. Mr. Bridges has personal knowledge and experience in the testimony at issue, as a staffer, Mr. Bridges was receiving information regarding Commission map negotiation and is speaking to what information he did or did not receive during the redistricting process. Not hearsay 803 exception as present sense impression of what was occurring on the day of November 15. Mr. Bridges is speaking to his then existing mental condition (his motive or plan) in that he could not analyze maps because of his belief that he was siloed from negotiations.

The State objects to lines 152:14-21: calls for a legal conclusion. Mr. Bridges was not a decisionmaker, and so his view of whether enacted LD 15 complied with the VRA is irrelevant.

Pls response to above: Not being offered as legal conclusions; based on Bridges' personal perception and knowledge of the requirements of the voting rights act in his opinion as a map drawer and evaluator of mapping proposals for Commissioner Walkinshaw. Mr. Bridges views on whether LD 15 as enacted complied with the VRA are relevant to whether there was a procedural departure from the norm and the process in which a map was adopted. It is directly relevant that the SDC staff member tasked with drawing maps for Commissioner Walkinshaw and tasked with drawing VRA compliant maps believes that a map that was adopted is complaint to Plaintiffs intentional discrimination claims.

1 THE REPORTER: If you want to put it back

4 MS. WAKNIN: Sure.

5 Q (By Ms. Waknin) Matt, do you know what those
6 performance metrics were of -- Actually, strike that.

7 What was the -- In the final enacted Legislative
8 District map, do you know which district was the Latino
9 majority district?

10 A I believe it's the 15th Legislative District.

11 Q And does it matter that the Latino majority district
12 is in your opinion 15, numbered 15 rather than 14?

13 MS. GOLDMAN: Objection.

14 MR. STOKESBARY: Objection to form.

15 MS. GOLDMAN: Calls for a legal conclusion.

16 A Within elections for the State Senate it matters
17 because one of the districts, the 14th, elects state
18 senators in presidential years, and the 15th does in
19 midterm years.

20 Q (By Ms. Waknin) And what was it about the metrics of
21 the final Legislative District map that you thought made
22 it noncompliant -- not compliant with the federal Voting
23 Rights Act?

24 MS. GOLDMAN: Objection, calls for a legal
25 conclusion and calls for speculation.

The State objects to lines 153:20-154:13: calls for a legal conclusion. The State incorporates its comments from p. 152.

Pls response: Not being offered as legal conclusions; based on Bridges' personal perception and knowledge of the requirements of the voting rights act in his opinion as a map drawer and evaluator of mapping proposals for Commissioner Walkinshaw.

Page 154

1 A The district is unlikely to elect Democrats the way
2 it's structured in the final map, and generally speaking
3 the Hispanic population historically has preferred
4 Democratic candidates.

5 Q (By Ms. Waknin) So in your opinion then Legislative
6 District 15 as enacted in the final Legislative District
7 plan would not allow Latinos to elect candidates of choice
8 as you understand it; is that correct?

9 MS. GOLDMAN: Objection.

10 MR. STOKESBARY: Objection as to form.

11 MS. GOLDMAN: Objection to the degree it
12 calls for a legal conclusion.

13 A More or less, yes, I guess.

14 Q (By Ms. Waknin) Were you disappointed when you
15 realized that Commissioner Walkinshaw voted on a map that
16 you thought did not comply with the federal Voting Rights
17 Act of the Legislative Districts?

18 MR. STOKESBARY: Objection, lack of
19 foundation.

20 A Yes.

21 Q (By Ms. Waknin) And why were you disappointed?

22 A I think that the role of the Commission is to adhere
23 to both the federal Voting Rights Act and the state laws
24 surrounding development of the maps.

25 Q To your knowledge did the Walkinshaw -- strike that.

Page 155

1 Did anyone tell you that this map would -- the final
2 Legislative District map would be protected in litigation?

3 MS. GOLDMAN: Objection as to form.

4 A Can you restate the question?

5 Q (By Ms. Waknin) Sure. I'm actually just going to
6 show you something. Do you see what's up on the screen?

7 A I do, yes.

8 Q Okay. I'm going to represent to you that this is a
9 text message that was produced by Ali O'Neil, and it says
10 between Ali O'Neil, Aaron Wasser, Paulette Avalos, Matt
11 Bridges. Do you see that?

12 A Yes.

13 Q And Aaron Wasser says, "The final did not include a
14 VRA-compliant 14th, I thought." And someone writes, "It
15 did not." And you write, "It did not;" is that correct?

16 A Yes.

17 Q And can you read for me starting from, "Just one" to
18 "Yep"?

19 A It says, "Just one the Republicans knew would
20 protect them in litigation." And then I responded,
21 "Graves will claim it does, yep."

22 Q Okay. So I'm going to stop share.

23 What did you mean by that?

24 A That because the district CVAP is majority Hispanic,
25 it meets that metric of the federal VRA.

Page 156

1 Q And so was it your understanding that some
2 commissioners on the Redistricting Commission just
3 believed that a compliant district would just need to meet
4 a 50 percent threshold?

5 MS. GOLDMAN: Objection, calls for
6 speculation.

7 MS. FRANKLIN: Objection, lacks foundation.

8 A Effectively, yes.

9 Q (By Ms. Waknin) Did anyone tell you of conversations
10 about where Commissioner Graves stated that the district
11 had to have a higher than 50 percent Hispanic CVAP but
12 could elect non-Latino candidates of choice and still
13 comply with the federal Voting Rights Act?

14 A I can't recall either way.

15 Q Why did you feel -- Why did you say that Graves will
16 claim it does with regard to the 15th Legislative
17 District?

18 A I can't remember the context of that comment.

19 Q And then were you disappointed with Commissioner
20 Walkinshaw's position after the final Legislative District
21 maps came out on fighting for a VRA-compliant district?

22 MR. STOKESBARY: Objection as to form.

23 MS. GOLDMAN: Objection, calls for a legal
24 conclusion, and lack of foundation.

25 A Can you repeat the question, disappointed in what

1 specifically?

2 Q (By Ms. Waknin) You know what, I'm going to rephrase

3 the question.

4 Were you disappointed in Commissioner Walkinshaw

5 with his performance as a commissioner on the 2021

6 redistricting commission with respect to the Legislative

7 District maps?

8 A Yes.

9 Q And why were you disappointed?

10 A I didn't feel that he took the -- understood the

11 gravity of the role that he took, and he chose to make

12 politically expedient decisions.

13 Q Was it a politically expedient decision to vote for

14 the final Legislative District map even if you believed it

15 did not comply with the federal Voting Rights Act?

16 MS. GOLDMAN: Objection, calls for a legal

17 conclusion.

18 MS. FRANKLIN: Objection, vague.

19 A I believe he felt it was.

20 Q (By Ms. Waknin) Did Commissioner Walkinshaw ever

21 express in front of you that he thought the final district

22 was not compliant with the federal Voting Rights Act?

23 A I am not certain either way.

24 Q Did Ali O'Neil or Adam Hall ever express to you that

25 Commissioner Walkinshaw believed that the final

Page 159

1 A There were serial meetings happening on a regular

2 basis where two commissioners would meet and then meet

3 with other commissioners.

4 Q (By Ms. Waknin) So why did you think that that was a

5 violation of the Open Public Meetings Act as you

6 understand it?

7 MS. GOLDMAN: Objection, calls for a legal

8 conclusion.

9 A That's just always -- We get training on the Open

10 Public Meetings Act from my, you know, not redistricting

11 job, and serial public -- or serial meetings of less than

12 a majority of a committee, or in this case a Commission,

13 are always discussed in those trainings.

14 Q (By Ms. Waknin) Did you feel that there was an

15 opportunity to integrate public comment into the final

16 Legislative District map proposal?

17 A Not -- not independent of other considerations in

18 that final couple days, no.

19 Q Did you feel like -- Did you feel that the public

20 had an ability to comment on the final Legislative

21 District map before it was voted on?

22 MS. FRANKLIN: Objection, vague.

23 A No.

24 Q (By Ms. Waknin) Did you get to comment on the final

25 Legislative District map before it was voted upon?

Page 158

1 Legislative District map did not comply with the federal

2 Voting Rights Act?

3 A I don't know.

4 Q Did you have concerns that the final negotiation

5 process was shielded from public view?

6 A Yes.

7 Q And what were those concerns?

8 A It doesn't benefit the public at large for the

9 process to be shielded, and it's also a pretty textbook

10 case of issues with the Open Public Meetings Act.

11 Q To your knowledge did the Commission get sued for

12 violations of the Open Public Meetings Act?

13 MS. GOLDMAN: Objection, calls for

14 speculation, and calls for a legal conclusion.

15 A Yes.

16 Q (By Ms. Waknin) And during the final days of

17 negotiation were you concerned that there were violations

18 of the Open Public Meetings Act happening?

19 MS. GOLDMAN: Objection, calls for a legal

20 conclusion.

21 A Yes.

22 Q (By Ms. Waknin) And why did you think that there

23 were violations of the Open Public Meetings Act happening?

24 MS. GOLDMAN: Objection, calls for a legal

25 conclusion.

Page 160

1 A Not in totality, no.

2 Q Did the public have an opportunity to see the

3 consensus map before it was transmitted to the State

4 Supreme Court?

5 A No.

6 Q Did the public have an opportunity to comment on

7 the -- Strike that.

8 Did you at any point see the agreement on the

9 Legislative District proposal that was voted on on the

10 15th by Commissioner Walkinshaw?

11 A Ever? Ever, yes.

12 Q When did you see that proposal?

13 A On the -- I believe it was the afternoon or evening

14 of November 16th.

15 Q And what did that proposal say?

16 A It was -- It was the maps that were then posted on

17 the redistricting website that you pulled up earlier in

18 testimony.

19 MS. WAKNIN: I am almost done with my

20 questions, so I'm going to just ask for a 10-minute break

<p style="text-align: right;">Page 163</p> <p>1 A I have -- not in depth. I've seen them, yes.</p> <p>2 Q Okay. And let's see if I can do this. Bear with</p> <p>3 me. All right. I have not given Zoom -- I got a new</p> <p>4 laptop a few weeks ago. I've not given Zoom permission to</p> <p>5 share screen, so I will abandon this idea.</p> <p>6 I'm going to represent to you that in the race for</p> <p>7 the 15th District State Senate seat in the November, 2022</p> <p>8 general election Nikki Torres, who preferred the</p> <p>9 Republican party, received 67.68 percent of the vote, and</p> <p>10 Lindsey Keesling, who preferred the Democratic party,</p> <p>11 received 32.09 percent of the vote.</p> <p>12 Does this at least sound vaguely familiar with what</p> <p>13 you might have seen or reviewed --</p> <p>14 A Yes.</p> <p>15 MS. And do you have -- again, I can't share my</p> <p>18 screen here to show the Dave's Redistricting map, but do</p> <p>19 you recall roughly what the Latino CVAP percentage was for</p> <p>20 the 15th District --</p> <p>21 MS. WAKNIN: Objection, lack of foundation.</p> <p>18 A Yes. Dr. Barreto did indicate that it was likely</p> <p>19 that the Hispanic CVAP percentage would increase over</p> <p>20 time.</p> <p>21 Q (By Mr. Stokesbary) Do you recall did he give a</p> <p>22 magnitude of how he expected that to grow over time?</p> <p>23 A Not that I can specifically recall.</p> <p>24 Q Okay. So then I guess my last question, it's a bit</p> <p>25 open ended, and this is the part where I might have missed</p>	<p style="text-align: right;">Page 166</p> <p>1 some earlier discussion, so apologies if I'm repeating</p> <p>2 something you might have already shared; but could you</p> <p>3 elaborate on your knowledge of how the Commission agreed</p> <p>4 on a map that was slightly majority Latino CVAP but also</p> <p>5 slightly majority Republican?</p> <p>6 MS. FRANKLIN: Objection, vague.</p> <p>7 MS. WAKNIN: Objection, form.</p> <p>8 MS. GOLDMAN: Objection, calls for</p> <p>9 speculation.</p> <p>10 A So I was not in -- As I've said, I was not in the</p> <p>11 room or in the hotel in Federal Way when these final</p> <p>12 decisions were being made, and so I can't speak to what</p> <p>13 exactly was said or what -- you know, what the decision</p> <p>14 was.</p> <p>15 Q (By Mr. Stokesbary) Was your sense that there was</p> <p>16 some kind of deal in that regard?</p> <p>17 MS. GOLDMAN: Objection as to form.</p> <p>18 MS. FRANKLIN: Objection, lacks foundation.</p> <p>19 MS. WAKNIN: Objection, form.</p> <p>20 A My only understanding was that outside -- again,</p> <p>21 outside of the 3rd Legislative District in Spokane, the</p> <p>22 Eastern Washington portion of drawing the lines had been</p> <p>23 turned over to the Republican commissioners.</p> <p>24 MR. STOKESBARY: Okay. That's all the</p> <p>25 questions I have for you, Matt. And I will echo what my</p>
<p style="text-align: right;">Page 167</p> <p>1 other counsel said -- the other counsel said.
